The Directors shall refuse to make any entry on the Register in respect of any Shares held by any person whose name has not already been entered on the Register where such person holds a number of Shares less than the Minimum Holding. To be entered on the register, Shareholders must apply for or acquire, Shares to the value of not less than the minimum subscription amount as set out in the AIF Rulebook, certify that they meet the Qualifying Investor criteria as set out in the AIF Rulebook and certify that they are aware of the risk involved in the proposed investment and of the fact that inherent in such investment is the potential to lose all of the sum involved.
- 10.2 Written confirmation confirming entry on the Register shall be issued to all Shareholders within such period as the Directors may determine from time to time (as disclosed in the Prospectus).
- 10.3 The ICAV shall not be bound to register more than four persons as the joint holders of any Share or Shares.
- 10.4 Where two or more persons are registered as the holders of any Shares they shall be deemed to hold the same as joint holders, subject to the following provisions:
 - (a) the joint holders of any Shares shall be jointly and severally liable in respect of all payments which are to be made in respect of such Shares;

- (b) any one of several joint holders of a Share may give effectual receipts for any dividend, bonus or return of capital payable in respect of such Share to the joint holder;

- (d) the vote of any one of several joint holders of the Share who tenders a vote whether by person or by proxy shall be accepted to the exclusion of votes of the other joint holders.

11. ALLOTMENT, ISSUE AND CONVERSION OF SHARES

- 11.1 All allotments and all issues of Shares pursuant to subscription orders received on or prior to the relevant Closing Date for a Fund, shall be effected or made with effect from the relevant Closing Date and/or such later day or days as may be contemplated in the Prospectus, being prior to the first Dealing Day at the Initial Offer Price specified in the Prospectus.
- 11.2 All issues of Shares thereafter shall be effected or made with effect from a Dealing Day at the Net Asset Value per Share of the applicable Fund and class (or if Shares of a new Fund are being issued, at such offer price as may be determined by the Directors, or their delegates) as of the Valuation Day immediately prior to the relevant Dealing Day. The ICAV may allot Shares on a Dealing Day on the basis that the Shares shall be issued on receipt by the ICAV or its authorised agent of cleared funds from the subscriber for the relevant Shares but such allotment shall be cancelled in the event that the ICAV or its authorised agent does not receive cleared funds from the Subscriber for the relevant Shares within a reasonable time. All redemptions of Shares shall be effected or made with effect from a Dealing Day. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV, in order to meet these charges. No interest will be paid by the ICAV on monies received early.
- 11.3 The ICAV shall from time to time decide the denomination in which Shares will be issued as specified in the Prospectus.
- 11.4 Subject as hereinafter provided, on receipt by the ICAV or its authorised agent during the Initial Offer Period and prior to the initial issue of Shares of:
 - (a) an application for Shares in a Fund in such form as the Directors may from time to time determine and as specified in the Prospectus;
 - (b) such information and declarations as to the applicant's identity, status, residence and otherwise as the Directors or their authorised agent may from time to time require; and
 - (c) payment for the Shares in such manner and at such time and place as the Directors from time to time may specify, provided that if payment is made in a currency other than the currency designated for the Shares, the ICAV shall convert or arrange for the conversion of the monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in connection with the conversion;

the ICAV may allot and issue such Shares on the first Dealing Day following the relevant Closing Date at the Initial Offer Price for each such Share in such Fund provided that if any such application is received after such time on that Closing Date as the Directors may determine, the ICAV will refuse the application or defer the allotment or issue of such Shares until the next succeeding Dealing Day and provided further that if the information and declarations required pursuant to sub-paragraph (ii) of this Section 11.4 and cleared funds representing the subscription monies in respect of the Shares and the original application form are not received by the ICAV within such period as the Directors may determine, the Directors may either:

- a) cancel any allotment of Shares in respect thereof and if so cancelled, the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until returned it may be made use of by the ICAV for its own benefit; and/or
- b) charge the applicant interest at such rate (if any) as determined by the Directors and such charge may be payable to the ICAV. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV in order to meet those charges.

No interest will be paid on monies received early.

11.5 Subject as hereinafter provided, on receipt by the ICAV or its authorised agent after the Initial Offer Period and/or after the initial issue of Shares of:

- (a) an application for Shares in a Fund in such form as the Directors may from time to time determine; and
- (b) such information and declarations as to the applicant's identity, status, residence and otherwise as the Directors or their authorised agent may from time to time require; and
- (c) payment for the Shares in such manner and at such time and place as the Directors from time to time may specify, the ICAV may allot and issue such Shares on the relevant Dealing Day at the Subscription Price for each such Share of such Fund on terms that if the ICAV receives payment for the Shares in a currency other than the currency designated for the Shares of such Fund the ICAV shall convert or arrange for the conversion of monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in the conversion and on terms that the allotment of Shares may take place if cleared funds have not been received by the ICAV or its authorised agent, provided that the application referred to in sub-paragraph (i) of this Section 11.5 has been received by the ICAV or its authorised agent and provided further that if the information and declarations required pursuant to sub-paragraph (ii) of this Section 11.5 and cleared funds representing the subscription monies and the original application form are not received by the ICAV within such period and at such time and place as the Directors may determine the Directors shall cancel any allotment of Shares in respect thereof and if so cancelled the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until return it may be made use of by the ICAV for its own benefit. Applications received by or on behalf of the ICAV up to such time on a Business Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Business Day. Such applications as are received by or on behalf of the ICAV after such time on a Business Day as the Directors may determine shall be deemed to have been received by or on behalf of the ICAV on the following Business Day. If payment in cleared funds in respect of a subscription has not been received in full by the time specified in the Prospectus, the ICAV may charge the applicant interest at such rate (if any) as is set out in the Prospectus and which charge may be payable to the ICAV. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV in order to meet those charges. No interest will be paid on monies received early.

11.6 If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder because the NAV in effect on the Dealing Day was incorrect, the

Directors may adjust such Shareholder's Shares by increasing or decreasing them, as appropriate, to such number of Shares as would have been issued at the correct NAV.

- 11.7 Payment for Shares shall be made at such time and place and to such person on behalf of the ICAV as the Directors may from time to time determine and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions.
- 11.8 The Directors shall be entitled to issue Fractional Shares up to such number of decimal places as the Directors may determine and disclose in the Prospectus where the net subscription monies received by the ICAV are insufficient to purchase an integral number of Shares, provided however that Fractional Shares shall not carry any voting rights and provided further that the Net Asset Value per Share of a Fractional Share of any Share shall be adjusted by the amount which such Fractional Share bears to an integral Share at the time of issue of such Fractional Share and any dividend payable on such Fractional Shares shall be adjusted in like manner.
- 11.9 No allotment or issue of Shares shall be made in respect of an application which would result in the applicant holding less than the Minimum Holding. No allotment or issue of Shares shall be made to any person who has not subscribed for the minimum subscription amount as set out in AIF Rulebook and who has not certified that he is a Qualifying Investor and that he is aware of the risk involved in investment in the ICAV and of the fact that inherent in the investment is the potential to lose all of the sum invested.
- 11.10 The ICAV may (at the option of the Directors) satisfy any application for the allotment or issue of Shares by procuring the transfer to the applicant of fully paid Shares. In any such case, references in this Instrument to allotting and issuing Shares shall, where appropriate, be taken as references to procuring the transfer of Shares.
- 11.11 The ICAV shall be entitled to receive any Investments from an applicant for Shares and to hold such Investments or to sell, dispose of or otherwise convert such Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purpose of allotting and issuing Shares in the ICAV in accordance with the provisions of this Instrument.
- 11.12 Subject to the provisions of the Act, the Directors may in their absolute discretion allot and issue Shares in any Fund in consideration for, or on terms providing for settlement to be made by, the vesting in the Depositary of any Investments provided that the Directors are satisfied that:
- (a) the nature of assets to be transferred would qualify as Investments in accordance with the investment objective, policy and restrictions of the relevant Fund;
 - (b) the number of Shares to be issued will not be more than the number which would have been issued for settlement in cash having valued the Investments to be exchanged in accordance with Section 11;
 - (c) all fiscal duties and charges arising in connection with the vesting of such Investments in the Depositary are paid by the person to whom the Shares are to be issued or, at the discretion of the Directors, partly by such person and partly out of the assets of the Fund;
 - (d) the Depositary is satisfied that the terms of such exchange will not be such as are likely to result in any material prejudice the existing Shareholders;
 - (e) the nature of the assets to be transferred would qualify as investments in accordance with the investment objectives, policies and restrictions of the relevant Fund; and
 - (f) the Investments have been vested in the Depositary or its sub-custodian, nominee or agent.

- 11.13 No Shares shall be allotted or issued on any Dealing Day on which the determination of Net Asset Value of the Shares is suspended pursuant to Section 16.7.
- 11.14 The Directors may require any person to whom Shares are to be allotted to pay to the ICAV an initial charge in respect of each Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Share to be allotted such amount as the Directors may determine and disclose in the Prospectus.
- 11.15 The Directors may, in their absolute discretion, refuse to accept any application for Shares or Subscriber Shares or accept any application in whole or in part without assigning any reason therefor.
- 11.16 Any outstanding class of Shares may, in the discretion of the Directors be re-designated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another class at the prevailing Net Asset Value per Share of such other class.
- 11.17 Except where dealings in the relevant Shares have been temporarily suspended in the circumstances described in Section 16.7, Shareholders will be entitled on any Dealing Day to convert any or all of their Shares of any Fund ("Original Fund") into Shares in any other Fund ("New Fund") on such terms and such switching fee (if any) as are disclosed in the Prospectus.
- 11.18 The Directors may issue Shares in exchange for investments in accordance with the particular investment objective and policies of the Fund. No Shares may be issued in exchange for such investments unless the Directors are satisfied that (i) the number of Shares issued will not be more than the number which would have been issued for settlement in cash having valued the investments to be exchanged in accordance with the valuation provisions set out in the Sections and summarised herein; and (ii) all fiscal duties and charges arising in connection with the vesting of such investments in the Depositary for the account of the Fund are paid by the person to whom the Shares in the Fund are to be issued and the Depositary is satisfied that (a) the terms of such exchange shall not materially prejudice the Shareholders and (b) that the investments have been vested in the Depositary.
- 11.19 Shareholders of any Class of Shares within a Fund may switch to another Class within this Fund or to the same or another Class of another Fund as the Directors may permit.

If the switch would result in the Shareholder holding a number of Shares in the original Class or Fund with a value of less than the Minimum Holding, the Directors may, in their discretion, convert the whole of the applicant's holding of Shares in the Class or Fund or refuse to effect any switch. No switches will be made during any period in which the rights of Shareholders to require the redemption of their Shares are suspended. The general provisions on procedures for redemptions will apply equally to switching.

The number of Shares to be issued in the new Class and/or Fund will be calculated in accordance with the following formula:

$$A = \frac{B \times C \times D}{E}$$

Where

A = number of Shares of the new Class and/or Fund to be allocated

B = number of Shares of the original Class or Fund to be converted

C = redemption price per Shares on the relevant Dealing Day for the original Class or Fund

D = the currency conversion factor determined by the ICAV as representing the prevailing rate of exchange of settlement on the relevant Dealing Day applicable to the transfer of assets between the relevant Funds (where the base currencies of the relevant Funds are different) or where the base currencies of the relevant Classes or Funds are the same $D = 1$

E = subscription price per Shares on the relevant Dealing Day for the new Class and/or Fund.

12. SUBSCRIPTION PRICE

12.1 The Initial Offer Price per Share at which the allotment of Shares shall be made shall be determined by the Directors and/or AIFM and adding thereto such sum as the Directors and/or AIFM in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

12.2 The Subscription Price per Share at which the allotment of Shares shall be made on the first Dealing Day in respect of those Shares shall be ascertained by determining the Net Asset Value per Share of the applicable class (or if Shares of a new class are being issued, at such offer price as may be determined by the Directors and/or AIFM, or their delegates) of Shares in the relevant Fund in accordance with Sections 16 and 17 on the Valuation Day immediately prior to the relevant Dealing Day and adding thereto such sum as the Directors and/or AIFM in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors and/or AIFM may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit provided that such price shall always be determined in the manner described in the Prospectus for the Fund (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

12.3 The Directors and/or AIFM may, when calculating the Subscription Price add a subscription charge or on any Dealing Day when there are net subscriptions, adjust the Subscription Price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the ICAV.

13. QUALIFIED HOLDERS

13.1 No Shares shall be issued to or transferred to or be beneficially owned by, except with the consent of the Directors, any U.S. Person other than a Permitted U.S. Person. Each subscriber for Shares of the ICAV shall be required to certify that he is not, nor is he acquiring such Shares, except with the consent of the Directors, on behalf or for the benefit of, a U.S. Person, other than a Permitted U.S. Person and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the United States to, or for the benefit of, a U.S. Person other than a Permitted U.S. Person. No transfer of Shares shall be recorded on the Register unless:

- (a) the transferor shall certify to the ICAV that such sale is not being made directly or indirectly in the United States;
- (b) the transferee shall certify to the ICAV that it is not, nor is it acquiring such Shares except with the consent of the Directors, for or on behalf of a U.S. Person other than a Permitted U.S. Person;
- (c) if in the opinion of the Directors the transfer would be unlawful or result or be likely to result in any adverse regulatory, tax or fiscal consequence or material administrative burden to the ICAV or the Shareholders including, without limitation, if it would cause the ICAV to be required to register pursuant to the Securities Exchange Act of 1934, as amended, or the rules promulgated thereunder, to register as an investment company under the 1940 Act or to register any shares under the 1933 Act or if such issue or transfer would cause the assets of the ICAV to be "plan assets" for the purposes of ERISA;
- (d) in the absence of satisfactory evidence of the transferee's identity; or
- (e) if the transfer is a "chargeable event" giving rise to an obligation on the ICAV to deduct appropriate tax unless the ICAV is satisfied that it can levy the aggregate tax on this proposed transferor by way of forfeiture of such number of Shares of the proposed transferor as are necessary to discharge such liability and unless the ICAV receives a valid Declaration from the proposed transferee.

The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in this Instrument) as they may think necessary for the purposes of ensuring that no Shares in the ICAV are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a U.S. Person other than a Permitted U.S. Person or by any person in the circumstances described in Section 13.5.

13.2 Shareholders are required to notify the ICAV immediately in the event that:

- (a) they become U.S. Persons other than a Permitted U.S. Person;
- (b) they become Irish Residents;
- (c) they cease to be Exempt Investors;
- (d) the Declaration made by or on their behalf is no longer valid;
- (e) they hold Shares for the account or benefit of (i) U.S. Persons other than a Permitted U.S. Person; (ii) Irish Residents; or (iii) Irish Residents who cease to be Exempt Investors and in respect of which the Declaration made on their behalf is no longer valid; or
- (f) they otherwise hold Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, tax or fiscal consequences for or be a material administrative burden to the ICAV or the Shareholders.

13.3 The Directors may upon an application for Shares or at any other time and from time to time require such evidence to be furnished to them in connection with the matters stated in Section 13.1 as they shall in their discretion deem sufficient and if such evidence is not forthcoming may refuse to accept such application or, if Shares have already been issued to any person of whom such a request is made, such person shall be deemed upon the expiration of thirty days from the

making of such request, to have requested the redemption of all of his Shares whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Section 15 shall apply subject to Section 13.7 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 16.

- 13.4 If a person becomes aware that he is holding or owning Shares in contravention of Section 13 he shall forthwith in writing request the ICAV to redeem such Shares in accordance with Section 14 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Section 13.5.
- 13.5 Where the Directors become aware that a Shareholder; (i) is a U.S. Person or is holding Shares for the account of a U.S. Person other than a Permitted U.S. Person; or (ii) is holding Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, tax or fiscal consequences or might cause material administrative disadvantage for the ICAV or its shareholders as a whole, the Directors may; (a) direct such Shareholder to dispose of the relevant Shares to a person who is qualified or entitled to own or hold the Shares or (b) redeem the Shares at the Net Asset Value per Share as at the Dealing Day immediately following the date of notification to the Shareholder.
- 13.6 If any such person upon whom such a notice is served as aforesaid does not within thirty days after such notice has been served transfer such Shares or request in writing the ICAV to redeem the Shares he shall be deemed forthwith upon the expiration of the said thirty days to have so requested the redemption of all his Shares the subject of such notice whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such repurchase the provisions of Section 14 shall apply subject to Section 13.7 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 16.
- 13.7 Settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of the certificate or certificates representing the Shares previously held by such person with the redemption request on the reverse of each duly signed. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited (without interest) upon such consents being obtained and against the production of the said certificate or certificates with the redemption request on the reverse of each duly signed as aforesaid.
- 13.8 Any person or persons to whom Section 13.1, 13.2, 13.3 and 13.4 shall apply shall indemnify the Directors, the AIFM, the ICAV, the Investment Manager, the Depositary, the Administrator and the Shareholders (each an "Indemnified Party") from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to this Section 13.
- 13.9 Every Shareholder and every investor (being a partnership, company or other investment vehicle or entity other than an individual) who is proposing to subscribe for, acquire or hold more than 10% or more of the Shares of the ICAV must immediately disclose in writing to the ICAV the number of U.S. Persons with a shareholding or interest in such investor or Shareholder. In addition, every Shareholder holding 10% or more of the Shares of the ICAV shall be obliged, for

so long as such Shareholder continues to hold 10% or more of the Shares of the ICAV, to immediately disclose in writing to the ICAV any increase or decrease in the number of US Persons with a shareholding or interest in such Shareholder. The ICAV shall be entitled to refuse to allot any Shares to, or to register a transfer in favour of, any investor or Shareholder if such allotment or transfer would result in such investor or Shareholder holding 10% or more of the Shares of the ICAV or, in the event that any Shareholder has been permitted to hold 10% or more of the Shares of the ICAV, to redeem such number of the Shares of the ICAV held by such Shareholder as would result in the number of Shares of the ICAV held by such Shareholder being less than 10% of the Shares of the ICAV.

14. REDEMPTION OF SHARES

- 14.1 Subject to the provisions of the Act and as hereinafter provided, the ICAV may redeem its own outstanding fully paid Shares at any time in accordance with the rules and procedures set out herein. The Directors also have the power to determine the times on which Shares in open-ended with limited liquidity Funds will be repurchased by the ICAV and such terms will be set out in the Prospectus and in accordance with the requirements of the Central Bank. Notwithstanding this right, certain Funds may be established in accordance with Section 30 below with no right of redemption, subject to the requirements of the Central Bank. The provisions set out below in this Section 14 do not apply to Funds that have been established as closed-ended Funds that are described in Section 30.
- 14.2 Subject to the provisions of the Act and as hereinafter provided, a Shareholder may at any time irrevocably request the ICAV to redeem all or any part of his Shares at the Redemption Price for each such Share as hereinafter determined and the ICAV shall on receipt by it or by its authorised agent of such request redeem or procure the redemption of such Shares at not less than the Redemption Price provided always that any such redemption shall be effected on the following terms and conditions:
- (a) a request for redemption of Shares shall be in such form as the ICAV shall prescribe and shall be delivered by the Shareholder to the Office or to such office of such person from time to time designated by the ICAV as its agent for the redemption of Shares on or before such time as shall from time to time be designated by the Board whether on or prior to the relevant Dealing Day and shall be accompanied by such proper evidence as the Directors may at their absolute discretion require in relation to succession or assignment, if applicable;
 - (b) for open-ended Funds, redemption facilities will be provided on at least a quarterly basis and, upon request, the ICAV will redeem at least 10% of its Net Asset Value on a monthly basis or 25% of its Net Asset Value on a quarterly basis (the "**Specified Percentage**").
 - (c) subject as hereinafter provided the Shareholder shall not be entitled to revoke or withdraw a request for redemption of his Shares duly given in accordance with this Section 14.2;
 - (d) the redemption of Shares pursuant to this Section 14.2 shall be effected on the Dealing Day following the day on which the redemption request is delivered in accordance with (i) above or on such other Dealing Day as the Directors may determine and specify in the Prospectus or on such earlier day as the Directors at the request of such Shareholder may in their absolute discretion agree provided that all Shareholders are notified in advance of such additional Dealing Day and provided that the redemption of Shares shall not be effected if the certificate or certificates (if any) in respect of such Shares has not or have not been returned to the ICAV duly endorsed by the Shareholder subject always to the power of the Directors at their absolute discretion to dispense with the production of any certificate which shall become lost or destroyed on compliance with such conditions as to evidence and indemnity and the payment of the expenses of the ICAV in connection

therewith as the Directors think fit. Redemption requests received by or on behalf of the ICAV up to such time on a Dealing Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Dealing Day. Such redemption requests as are received by or on behalf of the ICAV after such time on a Dealing Day as the Directors may determine shall be deemed to have been received by or on behalf of the ICAV on the following Dealing Day;

- (e) for Funds that have been established as open-ended only, the Redemption Price (less an appropriate provision for Duties and Charges in respect of the Shares being redeemed) shall be dispatched to the Shareholder by the ICAV or its duly authorised agent within such number of Dealing Days after the day on which redemption of the relevant Shares is effected as the Directors may determine and as shall be specified in the Prospectus and which will not, in any event, be greater than 90 calendar days (95 calendar days in respect of the Funds that invest in other investment funds) from the dealing deadline;
- (f) any amount payable to a Shareholder in connection with the redemption of Shares under this Section 14 shall be paid in the Base Currency of the relevant Shares or in such other currency as the Directors shall have determined as appropriate at the rate of exchange for conversion on the date of payment provided that the certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons and provided further that the cost of conversion, if any, shall be debited from the converted payment and any such amount shall unless otherwise agreed with the ICAV or its duly authorised agent be paid by electronic bank transfer to the account designated by the relevant Shareholder;
- (g) if the determination of the Net Asset Value per Share is suspended on any Valuation Day by reason of a declaration or notice pursuant to Section 16 hereof the right of the applicant Shareholder to have his Shares redeemed pursuant to this Section 14.2 shall be similarly suspended and during the period of suspension he may, with the approval of the ICAV, withdraw the request for redemption of his Shares (if any). Any withdrawal of a request for redemption under the provisions of this Section 14.2 shall be made in writing and shall only be effective if actually received by the ICAV or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Dealing Day next following the end of the suspension or on such other Business Day following the end of the suspension as the Directors at the request of the applicant may agree;
- (h) on a redemption of Shares, the ICAV shall be entitled to charge a redemption fee in an amount and on such terms as may be determined by the Directors with the approval of the Depositary and disclosed in the Prospectus, provided that such charge is in accordance with the requirements of the Central Bank; and
- (i) any amount payable to a Shareholder in connection with the redemption or purchase of Shares under this Section 14.2 may, at the discretion of the Directors and with the consent of the Shareholder concerned, be paid by the transfer to such Shareholder of the assets of the ICAV in specie, provided that the nature of the assets and the type of assets to be transferred to each Shareholder shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Shareholders, and for the foregoing purposes the value of assets shall be determined on the same basis as used in calculating the Redemption Price of the Shares being so repurchased subject to the approval of the Depositary.

14.3 Shares which are redeemed by the ICAV shall be cancelled.

- 14.4 The Redemption Price for a Share shall be the Net Asset Value per Share on the Valuation Day immediately prior to the relevant Dealing Day (as determined in accordance with Section 16) less such sum as the Directors and/or AIFM, in their absolute discretion, may from time to time determine as an appropriate provision for Duties and Charges in relation to realisation or cancellation of the Share to be redeemed as at the relevant Valuation Day and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).
- 14.5 Upon the redemption of Shares being effected pursuant to this Section 14, the applicant Shareholder shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and such Shares shall be treated as cancelled and the amount of the issued share capital shall be reduced accordingly.
- 14.6 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that, on request, a balance certificate be issued for the balance of such Shares free of charge.
- 14.7 If any Shareholder requests the redemption of Shares equal to 5% or more (as may be stated in the Prospectus) of the Net Asset Value of the Shares in issue on any Dealing Day, the Directors may in their absolute discretion following reasonable notice to the redeeming Shareholder, distribute underlying investments equivalent to the value of the Shareholder's Shares rather than cash which action shall be in good faith, provided that any such distribution shall not materially prejudice the interest of other Shareholders and provided further that the asset allocation is subject to the approval of the Depositary. In such circumstances, the Shareholder will have the right to instruct the Directors to procure the sale of such underlying investments on its behalf in which case the Shareholder will receive the proceeds net of all fiscal duties and charges incurred in connection with the sale of such underlying investments. If any Shareholder requests the redemption of Shares below 5% of the Net Asset Value of the Shares in issue on any Dealing Day, the Directors may in their absolute discretion and with the consent of the redeeming Shareholder distribute the underlying investment equivalent to the value of the Shareholder's Shares rather than cash which action shall be in good faith, provided that any such distribution shall not materially prejudice the interest of other Shareholders and provided further that the asset allocation is subject to the approval of the Depositary.
- 14.8 If outstanding redemption requests from Shareholders on any Dealing Day total in aggregate of the Specified Percentage on any Dealing Day with respect to the period of a calendar month or quarter (as applicable), the Directors shall be entitled, subject to the terms of the Prospectus, to refuse to redeem such number of Shares in issue on that Dealing Day in respect of which redemption requests have been received in excess of the Specified Percentage of the Shares in issue as the Directors shall determine. If the Directors refuse to redeem Shares for these reasons, the requests for redemption shall be reduced rateably and the Shares to which each redemption request relates which are not redeemed shall be redeemed on each subsequent Dealing Day in accordance with the terms of the Prospectus. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.
- 14.9 If outstanding redemption requests in any open-ended Fund with limited liquidity aggregate to an amount in excess of the percentage disclosed in the prospectus the Directors shall be entitled subject to the terms of the Prospectus to refuse to redeem such number of Shares in any Fund in issue on that Dealing Day in respect of which redemption requests have been received in excess of Specified Percentage as the Directors shall determine. If the Directors refuse to redeem Shares for these reasons, the requests for redemption shall be reduced rateably and the Shares

to which each redemption request relates which are not redeemed shall be redeemed on each subsequent Dealing Day in accordance with the terms of the Prospectus. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.

- 14.10 Requests for redemption which have been carried forward from an earlier Dealing Day pursuant to this Instrument shall (subject always to the foregoing limits) be complied with in accordance with the terms of the Prospectus.
- 14.11 Notwithstanding any other provision of this Instrument, the ICAV shall be entitled at any time and from time to time and at the discretion of the Directors to repurchase any or all of the Subscriber Shares at a price of €1.00 per Subscriber Share to the extent Subscriber Shares have been issued.
- 14.12 If a redemption of Shares by the ICAV would result in the number of Shareholders falling below two or such other number stipulated by any applicable statute or regulation from time to time to be the minimum number of Shareholders in the ICAV or where a redemption of Shares by the ICAV would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged from time to time to maintain pursuant to any applicable statute or law the ICAV shall be entitled to defer the redemption of the minimum number of Shares sufficient to ensure compliance by the ICAV with the applicable statute or law. Redemption of such Shares may be deferred until such time as the ICAV is being wound up, or until the ICAV procures the issue of sufficient Shares to ensure that the redemption can be effected. The Directors shall be entitled to select the Shares in respect of which redemption is to be deferred in accordance with this Section 14.12 in such manner as shall appear to the Directors, with the approval of the Depositary, to be fair and reasonable.
- 14.13 Where satisfaction of a redemption request would result in a Shareholder holding a number of Shares in the ICAV less than or with a value less than the Minimum Holding for the ICAV, the Directors shall be entitled, at their discretion, to treat the application for redemption as an application for the redemption of all of that Shareholder's Shares in the ICAV, unless the Directors otherwise determine.
- 14.14 Where provided for in the Prospectus, the Directors may, when calculating the Redemption Price on any Dealing Day when there are net redemptions, adjust the Redemption Price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the ICAV.
- 14.15 Where the ICAV has redeemed any Debentures then:
- (a) unless any provision to the contrary, whether express or implied, is contained in the Instrument or in any contract entered into by the ICAV, or
 - (b) unless the ICAV has, by passing a resolution to that effect or by passing a resolution to that effect or by some other act, shown its intention that Debentures shall be cancelled,

the ICAV shall have the power to re-issue the Debentures by re-issuing the same Debentures or by issuing other Debentures in their place.

The ICAV has the right to compulsorily redeem all or some of the Shares held by a Shareholder at the Net Asset Value per Share less Duties and Charges as at the Valuation Point immediately prior to the date such redemption is to take effect if the Directors shall determine in their absolute discretion to do so.

14.16 The ICAV may compulsorily redeem the whole or a specified percentage of a particular Shareholder's Shares where:

- a) the Directors consider that the continued investment by such Shareholder would contravene the relevant criteria for eligibility for investing in the ICAV, described under "Qualifying Investor" above, or where required to give effect to the terms upon which Shares were issued to the Shareholder with respect to those Shares (including for the avoidance of doubt, any equalisation policy);
- b) their ownership gives rise to a breach of any applicable law or requirement in any jurisdiction (including where an investor is no longer a Qualifying Investor, as the same is defined herein), or may, in the sole and conclusive opinion of the Directors: (i) prejudice the tax status or residence of the ICAV or its Shareholders; or (ii) cause the ICAV or its Shareholders to suffer any legal, regulatory, pecuniary, fiscal or material administrative disadvantage; or (iii) cause the ICAV to be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply;
- c) the Directors, or the Administrator acting on the ICAV's instructions, suspects those Shares are held by any person who is not compliant with FATCA or CRS or may cause the ICAV or the relevant Fund to become non-compliant with FATCA or CRS;
- d) the investor fails to comply with the terms and/or conditions of the issue and/or settlement of its Shares or any agreement with the ICAV to subscribe for further Shares or the investor otherwise becomes classified by the Directors as a Defaulting Shareholder in accordance with the terms of the relevant Supplement; or
- e) the relevant Shareholder's ownership of Shares, as reasonably determined by the Directors, would preclude the relevant Fund from making any investment or any type of investments or render the making of any investment or any type of investments more difficult or burdensome for the relevant Fund.
- f) the investor holds Shares with an aggregate Net Asset Value of less than the Minimum Holding for the relevant Class of Shares; or (ii) where a transfer by any investor results in the Minimum Holding of that investor falling below an aggregate Net Asset Value of the Minimum Holding for the relevant Class of Shares;
- g) redemption of the Shares is required to meet any liability or charge to Taxation arising in respect of the Shares or the Shareholder or is required to account for such appropriate tax to the relevant tax authorities; or
- h) the Directors consider it to be in the best interests of the ICAV and the Shareholders to do so.

15. TOTAL REDEMPTION

15.1 The ICAV may redeem all (but not some) of the Shares or the Shares of any class or of any Fund then in issue if:

- (a) the Shareholders of the ICAV or the class or the Fund (as the case may be) pass a Special Resolution providing for such redemption at a general meeting of the holders of the Shares of the ICAV or the class or the Fund;
- (b) at any time after the first anniversary of the close of the Initial Offer Period, the Net Asset Value of the ICAV, the relevant Fund or a class of Shares (as the case may be) falls

below such amount as shall be determined by the Directors and notified to Shareholders in the Prospectus;

- (c) in the opinion of the Directors, the holding of such shares may result in regulatory, preliminary legal, taxation or material administrative disadvantage to the ICAV or the Shareholders as may be more particularly set out in the Prospectus;
- (d) the Depositary shall have exercised its right to request such a redemption pursuant to the provisions of Section 8 hereof;
- (e) the redemption of the Shares in a class is approved by a resolution in writing signed by all of the holders of the Shares in that class;
- (f) The redemption of the Shares by the ICAV pursuant to this Section 15 shall be effected at the repurchase price calculated in accordance with Section 15 hereof and for the purposes of the calculation of the said Redemption Price the day on which the Shares are repurchased shall be the relevant Dealing Day for the purposes of Section 15 hereof.
- (g) the ICAV receives written notification from an external AIFM or an Investment Manager that, following a period of 90 days from the date of the last investment, the AIFM or the Investment Manager (as applicable) has been unable to identify in the primary or secondary markets, collateral of the type or amount required to meet the investment objectives of the relevant Fund and that in the opinion of the AIFM and/or the Investment Manager (as applicable) the situation is unlikely to change; or
- (h) the Depositary has served notice of its intention to retire under the terms of the Depositary Agreement (and has not revoked such notice) and no new depositary has been appointed by the ICAV with the approval of Central Bank pursuant to the provisions of Section 4 hereof; or
- (i) if the Directors in their discretion consider termination of the ICAV or the Fund or the Class appropriate and in the best interests of Shareholders.

15.2 The redemption price per Share at which Shares shall be redeemed by the ICAV pursuant to this Section 15.2 shall be the Net Asset Value per Share as at the Valuation Day immediately prior to the relevant Dealing Day (as determined in accordance with Section 17.1) less such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in relation to the realisation or cancellation of the Share to be repurchased and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). The redemption price per Share at which the Subscriber Shares shall be redeemed by the ICAV pursuant to this Section 15.2 shall be €1.00 per Subscriber Share.

15.3 If all the Shares are to be redeemed as aforesaid, redemption proceeds may be paid by way of distribution in specie where the Shareholders so resolve by way of Special Resolution by dividing amongst the Shareholders in specie all or part of the assets of the ICAV according to the number of the Shares then held by each person holding Shares; provided, however that if a Shareholder so requests, the Directors shall liquidate or otherwise dispose of the assets and distribute the cash proceeds thereof, net of liabilities, to such Shareholder instead of a distribution of assets in specie.

15.4 If all the Shares are to be repurchased as aforesaid and the whole or any part of the business or property of the ICAV or any of the assets of the ICAV are proposed to be transferred or sold to another company (hereinafter called the "Transferee") the Directors may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

16. DETERMINATION OF NET ASSET VALUE

16.1 In accordance with the AIFMD Regulations and subject to general oversight by the ICAV (where an external AIFM is appointed), the AIFM will ensure that it establishes appropriate and consistent procedures to ensure that a proper and independent valuation of each Fund's assets can be performed.

16.2 The AIFM or its duly appointed agent as an External Valuer appointed in accordance with the Central Bank's requests and the AIFMD Regulations shall determine the Net Asset Value of a Fund expressed in the Base Currency of the Fund or the relevant Class by ascertaining on each Valuation Day the value of the assets of the Fund calculated pursuant to Section 17.1 hereof, and deducting from such amount the liabilities of the Fund calculated pursuant to Section 17 hereof or such other fraction as the Directors may determine and shall be calculated to the nearest two decimal places.

16.3 The Net Asset Value of a Fund or a Class shall be expressed in the currency in which that class of Shares is designated or in such other currency as the Directors may determine either generally or in relation to a particular Fund or Class or in a specific case, and shall be determined, subject to Section 16 hereof, in accordance with the valuation rules set out hereafter, as often as each Fund deals, on every Valuation Day subject to the Act.

16.4 The Net Asset Value per Share may be published through such media as the Directors may from time to time determine and set out in the Prospectus.

16.5 In calculating the Net Asset Value attributable to each Fund or Class:

- (a) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (b) every Share agreed to be issued or allotted but not issued by a Fund on the relevant Valuation Day shall be deemed to be in issue and the assets of the Fund shall be deemed to include any cash or other property to be received in respect of such Share;
- (c) where notice of a reduction of the share capital by the cancellation of Shares been given by the Directors to the Depositary but such cancellation has not been completed, the assets of a Fund shall be reduced by the amount payable to the Shareholders upon such cancellation;
- (d) there shall be added to a Fund's assets any actual or estimated amount of any taxation of a capital nature which may be recoverable by the ICAV;
- (e) there shall be added to a Fund's assets a sum representing any interest or dividends or other income accrued but not received in respect of such assets;

- (f) there shall be added to a Fund's assets the total amount (whether actual or estimated by the Directors) of any claims for repayment of any taxation levied on income of a Fund and for double taxation relief in relation to the assets of the Fund;
- (g) there shall be added to a Fund's assets, the total amount (whether actual or estimated) of any realised and/or unrealised gain in the Fund in respect of such assets; and
- (h) there shall be added to a Fund's liabilities, the total amount (whether actual or estimated by the Directors) of any realised and/or unrealised losses of the Fund in respect of such assets.

16.6

- (a) The Net Asset Value per Share with respect to a Series of a Fund initially will be equal to the Net Asset Value per Share of such Series as of the date of its creation. The various Series will be issued at different dates and accordingly the Net Asset Value per Share of one Series will differ from the Net Asset Value per Share of another Series. The Net Asset Value per Share for each Series within each Class (prior to any applicable Performance Fee accrual) is determined by attributing in each Performance Period any appreciation or depreciation of the Net Asset Value of the relevant Fund among the different Series pro rata in accordance with the Net Asset Value of each class at the beginning of the applicable Performance Period, prior to any year-to-date accrued Performance Fee, and then dividing the Net Asset Value of such Class by the number of outstanding Shares therein. Shares within a Series will have the same Net Asset Value per Share. The portion of the Performance Fee accrued to a particular Series, including without limitation, any Side Pocket Classes will then be debited against the Net Asset Value of that Class.
- (b) Values expressed in a currency other than the Base Currency will be converted into the Base Currency at the latest available exchange rate as determined by the Administrator as of the relevant Valuation Day.
- (c) In calculating the number of Shares in issue:
 - (i) every Share agreed to be issued or allotted but not issued by the ICAV on the Valuation Day shall be deemed to be in issue; and
 - (ii) where notice of a reduction of the share capital by cancellation of Shares has been given by the Directors to the Administrator but such cancellation has not been completed prior to or on the relevant Valuation Day, the Shares to be cancelled shall be deemed not to be in issue.

16.7 Temporary Suspension of Dealings

The Directors, the AIFM or the External Valuer may, at any time, temporarily suspend the determination of the Net Asset Value of any Fund or Class and the redemption or conversion of any Fund or Class during the whole or any part of the period:

- (a) any period during which one or more Underlying Funds has suspended the determination of its or their Net Asset Value(s) and/or has suspended redemptions or withdrawals and/or has imposed liquidity constraints which are then continuing;
- (b) any period when any Recognised Market on which a substantial portion of the Investments comprised in a Fund are quoted, listed or dealt in is closed otherwise than

for ordinary holidays, or during which dealings in any such market are restricted or suspended;

- (c) any period when, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the Directors, the disposal or valuation of investments for the time being comprised in a Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interests of Shareholders or if the Net Asset Value cannot be fairly calculated or if such disposal would be materially prejudicial to the Shareholders in general;;
- (d) any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in a Fund or during any period when for any other reason the value of investments for the time being comprised in a Fund cannot, in the opinion of the Directors, be promptly or accurately ascertained;
- (e) any period when a Fund is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of Investments for the time being comprised in a Fund, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- (f) any period where any emergency exists as a result of which disposal by the ICNAV of Investments which constitute a substantial portion of the assets of any Fund is not practically feasible;
- (g) any period when in which the redemption of Shares would, in the opinion of the Directors, result in a violation of applicable laws;
- (h) any period in which notice has been given to Shareholders of a resolution to wind up a Fund; or
- (i) any period when the Directors determine that it is in the best interests of the Shareholders to do so.

Details of any such suspension will also be notified to all Shareholders who have requested issue or redemption of Shares of any class or exchange of Shares of one class to another in such manner as may be directed by the Directors, the AIFM or the External Valuer. Notice of any such suspension shall be provided without delay and in any event within the working day on which such suspension took effect to the Central Bank, the Irish Stock Exchange (if applicable) and any other competent authority. Where possible, reasonable steps will be taken to bring any period of suspension to an end as soon as possible. Shareholders who have requested the issue or redemption of Shares of any Fund or class will have their subscription or redemption request dealt with on the first Dealing Day after the suspension has been lifted unless applications or redemptions requests have been withdrawn prior to the lifting of the suspension. Save where the determination of the Net Asset Value per Share has been temporarily suspended in the circumstances described above, the Net Asset Value per Share as of the most recent Valuation Day shall be made public at the office of the Administrator, at such intervals as are set out in the Prospectus, and will be notified by the Administrator without delay to the Irish Stock Exchange (if applicable).

17. VALUATION OF ASSETS

- 17.1 The value of the assets of a Fund shall be determined as follows or according to such alternative method of valuation in relation to any particular asset as the AIFM or External Valuer consider

appropriate if the AIFM or External Valuer consider that the method of valuation herein provided for does not provide a fair or appropriate valuation of that asset:

- (a) In determining the value of the assets of each Fund each Investment which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued at the closing bid price or (if bid and offer quotations are made), at the latest available middle market quotation on the relevant Recognised Market at the relevant Valuation Day provided that the value of any investment listed, quoted or traded on a Recognised Market but acquired or traded at a premium or at a discount outside or off the Recognised Market shall be valued taking into account the level of premium or discount as of the date of valuation of the investment and the AIFM or External Valuer must ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security. If the Investment is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be that which the AIFM or External Valuer determine provides the fairest criterion of value for the Investment. If prices for an Investment quoted, listed or traded on the relevant Recognised Market are not available at the relevant time or are unrepresentative in the opinion of the AIFM or External Valuer such Investment shall be valued at such value as shall be certified with care and good faith as the probable realisation value of the Investment by the AIFM or External Valuer or at such other value as is considered in the circumstances to be the probable realisation value of the Investment. Neither the Directors the AIFM or External Valuer nor the Administrator or the Depositary shall be under any liability if a price reasonably believed by them to be the latest available middle market quotation may be found not to be such.
- (b) Shares or units in collective investment schemes will be valued at the last available net asset value for such shares or units on the relevant Valuation Day provided that if events have occurred which may have resulted in a material negative change in the net asset value of such shares or units since the date on which the last net asset value was calculated, the value of such shares or units may be adjusted in order to reflect, in the reasonable opinion of the AIFM, such negative change.
- (c) The value of any asset which is not normally quoted, listed or traded on or under the rules of a Recognised Market or in respect of which the AIFM or External Valuer determine that the latest available middle market quotation is not representative of its fair market value, shall be valued at its probable realisation value as determined by the AIFM or External Valuer in good faith and with care.
- (d) Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the AIFM or External Valuer and any adjustment should be made to reflect the fair value thereof. The value of any cash on hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof.
- (e) Derivative instruments including interest rate futures contracts and other financial futures contracts which are dealt in on a Recognised Market shall be valued by reference to the settlement price as of the relevant Valuation Day as determined by the relevant Recognised Market provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any reason, such instruments shall be valued at such value as shall be certified with care and in good faith at their probable realisation value by a competent professional person, firm or corporation.

Over-the-counter derivative instruments will be valued on a monthly basis or such other frequency as disclosed in the Prospectus at the settlement price as provided by the

counterparty and such valuation will be verified at least monthly by a third party bank, other credit institution or another appropriate professional person independent of the counterparty appointed by the AIFM or External Valuer.

- (f) The value of forward foreign exchange contracts which are dealt on a Recognised Market shall be calculated by reference to the price appearing to the AIFM or External Valuer to be the price at which a new forward contract of the same size, currency and maturity as determined by the relevant Recognised Market could be effected as at the relevant Valuation Day, provided that if such market price is not available for any reason such contracts shall be valued on a monthly basis at the settlement price as provided by the counterparty and such valuation will be verified at least monthly by a third party bank, other credit institution or another appropriate professional person independent of the counterparty appointed by the AIFM or External Valuer.
 - (g) Any swap transactions will be valued on a monthly basis at the settlement price as provided by the counterparty and such valuation will be verified at least monthly by a third party bank, other credit institution or another appropriate professional person independent of the counterparty appointed by the AIFM or External Valuer.
 - (h) Certificates of Deposit shall be valued by reference to the official close of business price or the best bid price for certificates of deposit of like maturity, amount and credit risk at the relevant Valuation Day or, if such price is not available, at probable realisation value. Treasury Bills and Bills of Exchange shall be valued with reference to bid prices ruling in the relevant markets for such instruments of like maturity, amount and credit risk at the relevant Valuation Day.
 - (i) Notwithstanding the above provisions the AIFM or External Valuer may adjust the valuation of any asset or permit some other method of valuation to be used if, having regard to currency, applicable rate of interest, maturity, marketability and/or such other considerations as the deems relevant, they consider that such adjustment is required to reflect more fairly the value thereof.
 - (j) Values of assets and liabilities expressed in a currency other than the Base Currency of a Fund will be converted into the Base Currency of the Fund at the latest available exchange rate at the Valuation Day.
 - (k) In determining the value of the assets there shall be added to the assets any interest or dividends accrued but not received and any amounts available for distribution but in respect of which no distribution has been made and there shall be deducted from the assets all liabilities accrued.
- 17.2 The liabilities of the ICAV or a Fund shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the ICAV or the Fund (except liabilities taken into account in determining the value of the assets of the ICAV or the Fund under Section 17.1 above) including, without limitation to the generality of the foregoing:
- (a) all administrative and professional fees and expenses payable and/or accrued including, without limitation to the generality of the foregoing, all remuneration, fees, costs and expenses payable and/or accrued and/or estimated to be payable to the Depositary, the AIFM, the Investment Manager, the Distributor, the Administrator and the legal advisers of the ICAV and to any other person, firm or corporation providing services to the ICAV and all other projected expenses as the Directors consider fair and reasonable and properly payable out of the assets of the ICAV and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the ICAV;

- (b) any and all outstanding borrowings and all accrued interest payable thereon including, without limitation to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the ICAV in respect of any debentures, debenture stock, loan stock, loan notes, bonds or other debt obligations created or issued by the ICAV;
 - (c) all bills, notes and accounts payable;
 - (d) the total amount of any actual or estimated liabilities for any and all tax of whatsoever nature and howsoever arising on the income or deemed income and realised capital gains of the ICAV or of the relevant Fund as at the relevant Dealing Day;
 - (e) the total amount of any actual or estimated liabilities for withholding tax (if any) payable on any of the Investments in respect of the current Accounting Period;
 - (f) an appropriate provision for all taxes and contingent liabilities as determined from time to time by the Directors; and
 - (g) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the ICAV or of the relevant Fund.
- 17.3 Without prejudice to their general powers to delegate their functions, the AIFM may delegate any of their functions in relation to the calculation of the Net Asset Value of the Fund and the Net Asset Value per Share to any duly authorized person. In the absence of bad faith or manifest error, every decision taken by the AIFM or External Valuer or any duly authorized person on behalf of the ICAV in calculating the Net Asset Value per Share, shall be final and binding on the ICAV and on present, past and future Shareholders.

18. TRANSFER AND TRANSMISSION OF SHARES AND DEBENTURES

- 18.1 A Shareholder shall be entitled to transfer or dispose of his Shares or Debentures to any person at such price and upon such terms as he sees fit provided always that a Shareholder shall not be entitled to transfer his Shares or Debentures, except with the consent of the Directors, to a US Person other than a Permitted U.S. Person or to a person otherwise disqualified from holding Shares under the terms of this Instrument or otherwise howsoever.
- 18.2 All transfers of Shares and Debentures shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors from time to time and every form of transfer shall state the full name and address of the transferor and transferee.
- 18.3 The instrument of transfer of a Share or Debenture shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- 18.4 The Directors may decline to register any transfer of Shares or Debentures unless the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require accompanied by the certificate (if any) for the Shares or Debentures to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and to show the identity of the transferee and the Directors may decline to register a transfer of Shares or Debentures:
- (a) in the absence of satisfactory evidence that the proposed transferee is not and will not be holding units on behalf of, directly or indirectly, a disqualified person or if the transfer is in breach of U.S. securities laws;

- (b) if in the opinion of the Directors the transfer would be unlawful or result or be likely to result in any adverse legal, regulatory, pecuniary, tax or fiscal consequences or material administrative burden to the ICAV or the Shareholders as a whole;
- (c) in the absence of satisfactory evidence of the transferee's identity;
- (d) if the ICAV would be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be obliged to comply;
- (e) where the ICAV is required to redeem appropriate or cancel such number of Shares or Debentures as is required to meet the appropriate tax of the Shareholder on such transfer.
- (f) if the proposed transferee has not certified in writing to the ICAV or its delegate that it is a Qualifying Investor and that it is aware of the risk involved in investment in the ICAV and of the fact that inherent in the investment is the potential to lose all of the sum invested;
- (g) the proposed transfer would result in the transferor or the transferee holding shares with a value less than such amount as set out in the Prospectus or a contravention of any provision of the Instrument or would produce a result inconsistent with any provision of the Prospectus;
- (h) if the transferee, if not an existing Shareholder, has not completed an application form as specified in the Prospectus to the satisfaction of the Directors; or
- (i) where the Directors believe, in their discretion, that it is in the best interests of the ICAV or the Shareholders to do so.

A proposed transferee may be required to provide such representations, warranties or documentation as the Directors may require in relation to the above matters.

- 18.5 The ICAV shall give the transferee written notice of any refusal to register a transfer of Shares or Debentures. The ICAV is not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of law (including any law that is for the time being in force in a country or territory other than the State).
- 18.6 The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration of transfers shall not be suspended for more than thirty days in any year.
- 18.7 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 18.8 In the case of the death of a Shareholder, the survivors or survivor where the deceased was joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the Shares, but nothing in this Section 18.8 shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 18.9 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the

Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder or by the Shareholder under legal disability before such disability.

Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next provided that so long as the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation it need not hold it in the year of its incorporation or in the following year.
- 20.3 The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' notice to all Shareholders. Any such election has effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Section 20.3 has effect for a year, one or more Shareholders of the ICAV holding, or together holding, not less than 10% of the voting rights in the ICAV or the auditors of the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
- 20.4 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- 20.5 The Directors may call an extraordinary general meeting whenever they think fit. If at any time in the case of the ICAV, there are not sufficient Directors capable of forming a quorum, any Director

- 20.8 The request shall state the objects of the meeting and shall be signed by those making the request and deposited at the registered office of the ICAV and may consist of several documents in like form each signed by one or more of those making the request.
- 20.9 If the Directors do not within 21 days after the date of the deposit of the request proceed to convene a meeting to be held within 2 months after that date, those making the request, or any of them representing more than 50% of the total voting rights of all of them, may themselves convene a meeting, but any meeting so convened shall not be held more than 3 months after the date the request was first made.
- 20.10 Any reasonable expenses incurred by those making the request by reason of the failure of the Directors duly to convene a meeting shall be repaid to those making the request by the ICAV and any sum so repaid shall be retained by the ICAV out of any sums due or to become due from the ICAV by way of fees or other remuneration in respect of their services to such of the Directors as were in default.
- 20.11 For the purposes of Sections 20.7 to 20.10, the Directors shall, in the case of a meeting at which a resolution is to be proposed as a special resolution, be deemed not to have duly convened the meeting if they do not give such due notice of it.
- 20.12 A meeting convened under Sections 20.7 to 20.10 shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by Directors.

21. NOTICE OF GENERAL MEETINGS

- 21.1 At least fourteen calendar days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions of this Instrument or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.

22. PROCEEDINGS AT GENERAL MEETINGS

- 22.1 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 23.12 of this Instrument and present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 22.2 If within half an hour after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder present either in person or by proxy shall be a quorum for any such adjourned meeting.
- 22.3 The chairman or, if absent, the deputy chairman of the Directors, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or, if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman or if no Directors be present, or if all the Directors present decline to take the chair, the Subscriber Shareholders present shall choose a Subscriber Shareholder present to be chairman.
- 22.4 The Chairman, with the consent of the Shareholders present or represented at any meeting at which a quorum is present (and shall if so directed by the meeting) may adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, at the least ten calendar days' notice is required, specifying the place, the day and the hour of the adjourned meeting, but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting.
- 22.5 At any general meeting, a resolution put to the vote of the meeting shall be decided on a poll.
- 22.6 A poll shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 22.7 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 22.8 In the case of an equality of votes the chairman of the meeting at which the poll takes place shall be entitled to a second or casting vote.
- 22.9 A poll on the election of a chairman and a poll on a question of adjournment shall be taken forthwith. A poll on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 22.10 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 22.11 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.

- 22.12 A resolution in writing signed by all the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and if described as a Special Resolution shall be deemed to be a special resolution within the meaning of this Instrument.
- 22.13 If at any time the Share capital is divided into different Classes of Shares, the rights attached to any Class (unless otherwise provided by the terms of issue of the Shares of that Class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied, amended or abrogated with the consent in writing of the holders of three-fourths of the issued Shares of that Class, or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the Shares of that Class, to which the provisions of this Instrument relating to general meetings (including, without limitation, Section 22.13) shall mutatis mutandis apply, save for any variation, amendment or abrogation which, in the view of the Directors, does not materially prejudice the interests of all or any relevant Shareholders. Any such variation, amendment or abrogation will be set out in the Prospectus or the relevant Supplement issued in connection with the relevant Fund.
- 22.14 A Director shall be entitled, notwithstanding that he is not a Shareholder, to attend and vote at any general meetings and at any separate meeting of the Shareholders. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as Auditors.
- 22.15 The ICAV shall as soon as may be, cause minutes of all proceedings of general meetings of the ICAV to be entered into books kept for that purpose. Any such minute if purporting to be signed by the person chairing the meeting or by the person chairing the next following meeting, shall be evidence of the proceedings. Where minutes have been taken in accordance with this Section 22.15 of the proceedings at any general meeting of the ICAV, until the contrary is shown, the meeting shall be deemed to have been duly held and convened, and all proceedings at the meeting to have been duly had, and all appointments of directors or liquidators shall be deemed to be valid.  - (b) on a poll, every Shareholder who is present in person or by proxy at a meeting of Shareholders shall have one vote in respect of each Share held by him.

Notwithstanding any other provisions of this Instrument, the Directors may specify, in relation to a class of Shares, that any holder of that class of Shares who is a Permitted U.S. Person, or who is owned or controlled by one or more U.S. Persons, who holds or owns Shares constituting 10% or more of the voting power of the ICAV or that class of Shares of the ICAV then in issue, may only exercise voting rights with respect to the Shares of that class which represent less than 10% of the voting power of the ICAV, or such class of Shares of the ICAV then in issue, whichever is the lesser. The Subscriber Shareholders shall, have one vote for each Subscriber Share held. The "relevant record date" for these purposes shall be a date being not more than thirty days prior to the date of the relevant general meeting or written resolution as determined by the Directors. Where a separate written resolution or General Meeting of a particular class of Shares is held, in such circumstances, the Shareholders' votes shall be calculated by reference only to each

Shareholder's shareholding in that particular class, as appropriate. In relation to a resolution which in the opinion of the Directors affects more than one class, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such class, such resolution shall have been passed at a separate meeting of the Shareholders of each such class.

- 23.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 23.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 23.4 On a poll votes may be given either personally or by proxy.
- 23.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, cast all his votes or cast all the votes he is entitled to in the same way.
- 23.6 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in the usual form or in such form as the Directors may approve provided always that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 23.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 23.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the Office or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than forty eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid.
- 23.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 23.10 The Directors may, at the expense of the ICAV, send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 23.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the Office before

the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.

- 23.12 Any body corporate which is a Shareholder may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of this Instrument be deemed to be present in person at any such meeting if a person so authorised is present thereat.

- 24.3 In addition to the foregoing, such Shareholders afforded preferential treatment with respect to their investment in a Fund by the ICAV, the AIFM and/or an Investment Manager may:

25. DIRECTORS

- 25.1 The number of the Directors shall not be less than two.
- 25.2 At a general meeting a motion for the appointment of two or more persons as Directors by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.

- 25.6 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine provided always that the aggregate amount of the remuneration payable to any one Director in accordance with this Section 25.6 in any one year shall not exceed such amount as disclosed in the Prospectus without the approval of the Board of Directors. Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Board or general meetings or Class meetings of the ICAV or any other meetings in connection with the business of the ICAV.
- 25.7 The Directors may in addition to such remuneration as is referred to in Section 25.6 of this Instrument grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV in general meeting.
- 25.8 Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a Board meeting, appoint any person (including another Director) to be his alternate Director and may in like manner at any time terminate such appointment.
- 25.9 The appointment of an alternate Director shall terminate on the happening of any event which if he were a Director would cause him to vacate such office or if his appointor ceases to be a Director.
- 25.10 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of this Instrument shall apply as if he, instead of his appointor, were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative provided however that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act his signature to any resolution in writing of the Directors and for the purposes of affixing the Seal or the Official Seal shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Board, the foregoing provisions of this Section 25.10 shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid or as otherwise in this Instrument provided, have power to act as a Director nor shall he be deemed to be a Director for the purposes of this Instrument. If the Director appointing an alternate shall die or otherwise cease to hold the office of director, the appointment of the alternate hereunder shall thereupon cease and terminate.
- 25.11 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the ICAV from time to time direct.

26.2 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his prior to the conclusion of such transaction, a Director notwithstanding his office:

- (a) may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and
- (b) shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any body corporate which enters into any such transaction or arrangement and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

26.3 No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser, professional adviser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the ICAV in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established, but the nature of his interest must be declared by him at the Board meeting at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement, then at the

next Board meeting held after he becomes so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, then at the first Board meeting held after he becomes so interested. A general notice in writing given to the Directors by any Director to the effect that he is a shareholder, officer or employee of any specified company or a partner or employee in any specified firm, and is to be regarded as interested in any contract or arrangement which may thereafter be made with that company or firm, shall be deemed a sufficient declaration of interest in relation to any contract or arrangement made.

26.4 For the purposes of this Section 26:

- (a) a general notice in writing given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;
- (b) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his; and
- (c) an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.

26.5 Save as otherwise provided by the provisions of this Section 26 and unless the majority of the Directors acting through the Board otherwise determine, a Director shall be entitled to vote at any Board meeting or a committee of the Board in respect of any contract or arrangement or any proposal whatsoever in which he has any material interest and be counted in the quorum in respect of any resolution concerning any such contract, arrangement or proposal including, without limitation to the generality of the foregoing, any resolution concerning any of the following matters, namely:

- (a) the giving of any security, guarantee or indemnity to him in respect of money lent or obligations incurred by him at the request of or for the benefit of the ICAV or any of its subsidiaries;
- (b) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the ICAV or any of its subsidiaries for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
- (c) any proposal concerning an offer of Shares or Debentures or other securities of or by the ICAV or any of its subsidiaries for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof;
- (d) any proposal concerning any other company or investment vehicle or firm in which he is interested, directly or indirectly and whether as an officer, shareholder, partner, employee, agent or otherwise howsoever;

26.6 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the ICAV or any company or investment vehicle in which the ICAV is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.

- 26.7 If any question shall arise at any Board meeting or of a committee of Board as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.
- 26.8 The Shareholders may by Ordinary Resolution suspend or relax the provisions of Sections 25.1 to 25.9 inclusive to any extent or ratify any transaction not duly authorised by reason of a contravention thereof.
- 26.9 Any Director may act by himself or through his firm in a professional capacity for the ICAV, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, provided that nothing herein contained shall authorise a Director or his firm to act as Auditor.
- 26.10 The Directors may from time to time appoint one or more of their body to be the holder of any executive office on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke such appointment.
- 26.11 The Directors may entrust to and confer upon any Director holding any executive office any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.
- 26.12 Any Director may continue to be or become a director, managing director, manager or other officer or shareholder of any company or collective investment scheme in which the ICAV may be interested or associated in business, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or shareholder of any such other company or collective investment scheme. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the ICAV or exercisable by them as directors of such other company or collective investment scheme, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to the directors, managing directors, managers or other officers of such company).

27. POWERS OF DIRECTORS

- 27.1 The business of the ICAV shall be managed by the Directors, who may exercise all such powers of the ICAV as are not by the Act, AIFMD Regulations or by this Instrument required to be exercised by the ICAV in general meeting, but no regulations made by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Section shall not be limited or restricted by any special authority or power given to the Directors by this or any other Section.
- 27.2 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the ICAV, and all other receipts for moneys paid to the ICAV shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.
- 27.3 The Directors may exercise all the powers of the ICAV to invest all or any funds of the ICAV as authorised by this Instrument.

- 27.4 The Directors may invest in collective investment undertakings with which the ICAV is linked by common management and control or by substantial direct or indirect holding provided that the said collective investment undertaking has investment policies consistent with the investment policies of the ICAV. No such investment may be made unless the manager of the relevant collective investment undertaking has agreed to waive any preliminary or initial charge which it might otherwise be entitled to charge for its own benefit in respect of such investment.

28. BORROWING POWERS

The ICAV shall, as soon as possible (a) following the defeat of such resolution or (b) on or prior to the expiry of the extended closed-ended period, taking into account the best interests of the Shareholders, liquidate the Fund's portfolio of investments and shall return the net proceeds thereof, as and when such proceeds become available, to Shareholders through distribution payments.  - (d) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they think fit in the case of Shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the ICAV or the ICAV issues Fractional Shares; and
 - (e) the Directors may on any occasion determine that rights for election shall not be made available to any Shareholder with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in any such event, the provisions aforesaid shall be read and construed subject to such determination.

36.5 Any notice in writing or other document in writing required to be served upon or sent to the ICAV shall be deemed to have been duly given if sent by post to the Office or left at the Office.

37. USE OF ELECTRONIC COMMUNICATION

37.1 Notwithstanding anything to the contrary in this Instrument, whenever any person (including without limitation the ICAV, a Director, the Secretary, a Shareholder or any officer) is required or permitted to give information in writing such information may be given or received by electronic means or in electronic form, whether as an electronic communication or otherwise. The use of such electronic communication shall conform to any regulations which may from time to time be made by the Directors. The Directors may at any time vary or revoke any regulations made pursuant to this Section.

37.2 Regulations made by the Directors pursuant to this Section may include measures designed to:

- (a) ensure the security of electronic communication;
- (b) establish and authenticate the identity of the giver or recipient, as the case may be, of the information; and
- (c) record consent of the giver or recipient of the information by electronic means or in electronic form.

37.3 For the avoidance of doubt, any giver or recipient of information who has opted to give or receive information by electronic means or in an electronic form may at any time by notice given in

conformity with regulations made by the Directors, opt to give or receive the information in any one of the other forms permitted by Instrument.

38. WINDING UP

38.1

- (a) If the ICAV shall be wound up the liquidator shall subject to the provisions of the Act apply the assets of the ICAV attributable to each Fund in such manner and order as he thinks fit in satisfaction of creditors' claims related to that Fund.
- (b) The assets available for distribution among the Shareholders shall then be applied in the following priority:
 - (i) firstly, in the payment to the holders of the Shares of each Fund of a sum in the Base Currency (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the aggregate Net Asset Value per Share of such Fund held by such Shareholders respectively as at the date of commencement to wind up provided that there are sufficient assets available to enable such payment to be made;
 - (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the ICAV; and
 - (iii) thirdly, in the payment to the holders of Shares of any balance then remaining, such payment being made in proportion to the number of Shares held.
- (c) If the ICAV shall be wound up (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may, with the authority of a Special Resolution and any other sanction required by the Act, divide among the Shareholders in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the member or different classes of Shareholders. The liquidator will only make such distributions if he considers that they will not materially prejudice the interests of the Shareholders as a whole and the Depositary is satisfied that the assets distributed

are equivalent to the amount of the distribution to which the liquidator has deemed the Shareholder to be entitled. If a Shareholder so requests, the liquidator shall procure the sale of assets to be distributed and shall distribute the cash proceeds thereof, net of all duties and charges incurred in connection with the sale of such underlying investments, to the shareholder in question. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no member shall be compelled to accept any assets in respect of which there is liability.

39. TERMINATION OF FUNDS

39.1 The ICAV or any Fund may be terminated by the Directors, in their sole discretion, in any of the following events:

- (a) in the context of an open-ended Fund (including open-ended Funds with limited liquidity), following a Special Resolution of the Shareholders approving the termination of the Fund;
- (b) in the context of a closed-ended Fund, at the end of the closed-ended period;
- (c) on the occurrence of a Key Man Event;
- (d) on the sale of the last of the Fund's Investments;
- (e) all of the Shares of the Fund have been redeemed;
- (f) if the Depositary has served notice of its intention to retire under the terms of the Depositary Agreement (and has not revoked such notice) and no new Depositary has been appointed by the ICAV with the approval of Central Bank within six months from the date of service of such notice;
- (g) if the AIFM has served notice of its intention to retire under the terms of the AIFM Agreement (and has not revoked such notice) and no new AIFM has been appointed by the ICAV with the approval of the Central Bank within six months from the date of service of such notice;
- (h) if the ICAV shall cease to be authorised by the Central Bank under the AIFMD Regulations or if the Directors reasonably believe that the ICAV is likely to cease to be authorised by the Central Bank having taken legal advice in that regard;
- (i) if any law shall be passed which renders it illegal or in the reasonable opinion of the Directors, in consultation with the AIFM, impracticable or inadvisable to continue the ICAV; or
- (j) if the Directors in their absolute discretion consider termination of a Fund appropriate and in the best interests of the Shareholders.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Section or otherwise.

39.2 The Directors shall give notice of a termination of a Fund to the Shareholders in the relevant Fund and by such notice affix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute

discretion determine. In such circumstances and unless otherwise stated in the notice, all of the Shareholders of that Fund will be deemed to have had requested that their Shares in the Fund be redeemed by the Directors on the termination date selected by the Directors and otherwise in accordance with the redemption procedure set out in the Prospectus.
