- 8.7 The Directors may from time to time determine to provide Shareholders in certain tranches with preferential treatment (including but not limited to, in relation to information disclosed to such Shareholders and redemption and dealing terms for such tranches). 9 Funds and tranches of Shares

- 9.1 The ICAV is an umbrella fund with segregated liability between its Funds and each Fund may be comprised of one or more tranches of Shares. The ICAV is comprised of the Funds specified in the Prospectus, as may be amended from time to time.
- 9.2 With the prior approval of the Central Bank, the Directors from time to time may establish a Fund, which may be open-ended, closed-ended or have limited liquidity, by the issue of one or more separate tranches of Shares on such terms as the Directors may resolve. The creation of such additional Funds and one or more separate tranches of Shares shall be in accordance with this Instrument, the Prospectus and the requirements of the Central Bank.
- 9.3 The investment objectives of (and any specific restrictions applicable to) each Fund are set out in the Prospectus. Subject to any specific provisions set out in respect of a particular Fund in the Prospectus, the investment and borrowing powers of each Fund are all those contained in the AIFM Regulations and permitted under the Act.
- 9.4 A Fund may be wound-up by the Directors in their absolute discretion, as if it were a separate ICAV, if the Directors resolve that it is desirable to terminate the Fund and provided the termination is in accordance with the provisions of Section 38, the Act and the AIFM Rules.
- 9.5 The Directors may from time to time re-designate any existing tranche of Shares in the ICAV and merge such tranche of Shares with any other tranche of Shares in the ICAV, provided that Shareholders in such tranche or tranches are first notified by the ICAV and given the opportunity to have the Shares repurchased. With the prior consent of the Directors, Shareholders may convert Shares in one tranche of Shares into Shares of another tranche in the ICAV in accordance with the provisions of Section 12.10 hereof.
- 9.6 For the purpose of enabling Shares of one tranche to be re-designated or converted into Shares of another tranche, the ICAV may take such action as may be necessary to vary or abrogate the rights attached to Shares of one tranche to be converted so that such rights are replaced by the rights attached to the other tranche into which the Shares of the original tranche are to be converted.
- 9.7 Any outstanding tranches of Shares of a Fund may, in the discretion of the Directors, be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another tranche of the same Fund at the prevailing Net Asset Value per Share of such other tranche.
- 9.8 Financial instruments may be used on behalf of specific tranches or tranches in accordance with the Prospectus and the requirements of the Central Bank. Where (i) a tranche or tranches denominated in different currencies are created and currency hedging transactions are entered into in order to hedge any relevant currency exposure; (ii) interest rate hedging transactions are entered into in respect of a specific tranche or tranches; or (iii) financial instruments are utilised on behalf of a specific tranche or tranches in accordance with the requirements of the Central Bank, in each case such transactions will be clearly attributable to a specific tranche and any costs and any resultant gains/losses of the relevant hedging transactions and/or financial instruments will accrue solely to the relevant tranche.

- 9.9 All consideration received by the ICAV for the allotment or issue of Shares of each issue, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate in the accounts of the Depositary from all other moneys of the ICAV and such assets and moneys shall be referred to as a “**Fund**”, there being one such Fund in respect of each issue to which the following provisions shall apply:

- 9.9.2 Any asset derived from another asset comprised in a Fund shall be applied to the same Fund as the asset from which it was derived and any increase or diminution in the value of such an asset shall be applied to the relevant Fund;
- 9.9.3 In the case of any asset which the Directors do not consider as readily attributable to a particular Fund or Funds, the Directors shall have discretion to determine the basis upon which any such asset shall be allocated between Funds and the Directors shall have the power at any time and from time to time to vary such basis;
- 9.9.4 Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the ICAV in respect of or attributable to that Fund and any such liabilities, expenses, costs, charges or reserves of the ICAV not readily attributable to any particular Fund or Funds shall be allocated and charged by the Directors in such manner and on such basis as the Directors in their discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time vary such basis;
- 9.9.5 If, as a result of a creditor proceeding against certain of the assets of the ICAV or otherwise, a liability, expense, cost, charge or reserve would be borne in a different manner from that in which it has been borne under paragraph 9.9.4 above, or in any similar circumstances, the Directors may, with the consent of the Depositary, transfer in the books and records of the ICAV any assets to and from any of the Funds; and
- 9.9.6 Subject as otherwise provided in this Instrument, the assets held in each Fund shall be applied solely in respect of the Shares of the issue to which such Fund appertains and shall belong exclusively to the relevant issue and shall not be used to discharge directly or indirectly the liabilities of or claims against any other Fund and shall not be available for any such purpose.

 - 10.3.3 the date on which each person was entered in the Register as a Shareholder, and
 - 10.3.4 the date on which any person ceased to be a Shareholder.

- 10.6 Where two or more persons are registered as the holders of any Shares they shall be deemed to hold the same as joint tenants, subject to the provisions following:
- 10.6.1 the joint holders of any Shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such Shares;

- 12.4 All information required under the AIFM Rules as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.
- 12.5 The Directors shall be entitled to issue Fractional Shares in any tranche where the subscription monies received by the ICAV are insufficient to purchase an integral number of Shares in that tranche.

- 12.7 The Directors may delegate to the Administrator or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new Shares.

- 12.10 Notwithstanding Article 12 hereof, any allotment of or placing of Shares in a Side Pocket Tranche in accordance with Article 21 hereof shall be made on such terms as the Directors shall in their sole discretion determine provided always that the Directors reasonably believe that such terms shall be in the best interests of Shareholders.

Any Original Shares of a Fund may also, in the discretion of the Directors, be converted into New Shares of the same Fund at the prevailing Net Asset Value per Share of such other New Shares in circumstances set out in the Prospectus.
- 13 Rights in Scheme Property**
- 13.1 The assets of the ICAV shall belong exclusively to the ICAV and no Shareholder shall have any interest in the underlying assets of the ICAV.

Shares may only be issued at a fixed price after the Initial Offer Period where it has been confirmed to the Central Bank by the ICAV that existing Shareholders of the relevant Fund will not be prejudiced.
- 14.2 The price per Share for any tranche of Shares on any Dealing Day following the Initial Offer Period shall be the Net Asset Value per Share in such tranche applicable in the case of issues of Shares in such tranche as determined in accordance with Section 19 and Schedule 2 or such other price as may be determined by the Directors and disclosed in the Prospectus from time to time.
- 14.3 Shares may only be issued at fixed price after the Initial Offer Period where it has been confirmed to the Central Bank by the ICAV that existing Shareholders of the relevant Fund will not be prejudiced.
- 14.4 The Directors may require an applicant for Shares to pay to the ICAV in addition to the price per Share such commission and duties and charges in respect of the Shares as the Directors from time to time may determine.
- 14.5 Notwithstanding any other provision of this Instrument, in calculating the price per Share for any tranche of Shares on any Dealing Day when there are net subscriptions the Directors, or their delegate, may adjust the subscription price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- 14.6 Subject to the provisions of the Act and the AIF Rulebook, the Directors on or with effect from any Dealing Day may issue Shares in any tranche on terms providing for settlement to be made by the vesting in the Depositary, on behalf of the ICAV of any Investments for the time being held or which may be held hereunder and in connection therewith the following provisions shall apply:

 - 14.6.4 no Shares shall be issued until the Investments shall have been vested in, or arrangements have been made to vest the Investments in, the Depositary or its sub-custodian, nominee or agent; and
 - 14.6.5 any duties and charges arising in connection with the vesting of such Investments in the ICAV shall be paid by the person to whom the Shares are to be issued, or by the relevant Fund.
- 14.7 No Shares shall be issued on any Dealing Day on which the determination of the Net Asset Value of such Shares is suspended pursuant to Section 19.3 hereof.
- 14.8 Notwithstanding any other provision of this Instrument in calculating the price per Share on any Dealing Day in respect of any tranche in respect of which it has been determined to charge a performance fee, the Directors may from time to time, and in their sole discretion, determine that the ICAV shall apply a performance fee equalisation formula and will disclose details of such intention in the Prospectus. In such circumstances, the price per Share of the relevant Shares will be deemed to include an equalisation amount which will represent a portion the accrued performance fee of the relevant tranche up to the date of the subscription.
- 15 Qualified Holders**
- 15.1 The ICAV may from time to time impose such restrictions as it think necessary for the purposes of ensuring that no Shares of the ICAV are acquired or held by any person in circumstances:
- 15.1.1 which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or
 - 15.1.2 which would (or would if other Shares were acquired or held in like circumstances) result in the ICAV incurring any liability to taxation or suffering any other adverse consequence (including a requirement to register under any securities or investment or similar laws or governmental regulation of any country or territory); or
 - 15.1.3 which constitutes a breach of this Instrument or the Prospectus as to eligibility or entitlement to hold such Shares and, in this connection, the ICAV may, inter alia, reject at its discretion any subscription for, sale or transfer of, Shares or any conversion.
- 15.2 Details of the specific restrictions imposed by the ICAV, the provisions applicable to a Shareholder who acquires or comes to hold or own Shares in one of the relevant circumstances listed in Section 15.1 above (or where the ICAV has reason to believe this to be the case), the Shareholder's obligations and the ICAV's rights and powers in this regard are set out in Schedule 1 to this Instrument.

16 **Transfer and Transmission of Shares**

- 16.1 All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- 16.2 The instrument of transfer shall be signed by or on behalf of the transferor and need not be signed by the transferee, and shall meet such requirements as may be specified in the Prospectus or as may otherwise be required by the Directors to prove the right of the transferor to transfer the Shares. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- 16.3 A transfer of Shares may not be registered if such transfer would result in the transferor or the transferee holding a number of Shares less than the Minimum Subscription. Only Qualifying Investors and Knowledgeable Investors who certify that they are Qualifying Investors and that they are aware of the risk involved in the proposed investment and that inherent in such investment is the potential to lose all of the sum invested, shall be entered on the Register as a Shareholder and shall be permitted to invest in the ICAV. The Directors shall not register a transfer of Shares unless the transferee is a Qualifying Investor or Knowledgeable Investor and has provided such evidence of identity and / or status as the ICAV or its delegates may require.
- 16.4 The Directors may decline to register any transfer of Shares unless the instrument of transfer is deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer where the transfer would result in a contravention of any provision of this Instrument or would produce a result inconsistent with any provision of the Prospectus or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the ICAV.
- 16.5 The Directors may decline to register a transfer of Shares if the transferee is a U.S. Person or acting for or on behalf of a U.S. Person.
- 16.6 Notwithstanding Section 16.5, the Directors may, in their discretion, authorise the purchase by or transfer of Shares to or on behalf of a U.S. Person if they have sufficient comfort that:
- 16.6.1 any purchaser or transferee that is a U.S. Person is a “qualified purchaser” as defined in the 1940 Act and the rules promulgated thereunder;
 - 16.6.2 any purchaser or transferee that is a U.S. Person is an “accredited investor” as defined in Regulation D under the 1933 Act;
 - 16.6.3 any purchaser or transferee that is a U.S. Person that is generally exempt from U.S. federal income tax;
 - 16.6.4 such purchase or transfer is exempt from registration under, and does not result in a violation of, the 1933 Act or the applicable laws of the U.S. or any U.S. state and otherwise complies with the applicable requirements of any U.S. state;

- 16.6.5 such purchase or transfer would not be reasonably expected to result in the ICAV or any Fund being required to register under the 1940 Act;
 - 16.6.6 such purchase or transfer would not cause a violation of, or require the ICAV or any Fund to register under the 1934 Act;
 - 16.6.7 there will be no adverse tax, pecuniary, legal, regulatory or material administrative disadvantage to the ICAV (including any Fund) or its Shareholders as a whole as a result of such a purchase or transfer; or
 - 16.6.8 such purchase or transfer would not be reasonably expected to result in the AIFM or the Investment Manager being required to register under the Advisers' Act.
- 16.7 If the Directors decline to register a transfer of any Share they shall, within one month after the date on which the instrument of transfer was lodged with the ICAV, give to the transferee written notice of the refusal. For the avoidance of doubt, the Directors are not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of any law (including any law that is for the time being in force in a country or territory other than the State).
- 16.8 The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** (but subject to Section 19.3 above) that such registration of transfers shall not be suspended for more than thirty days in any year.
- 16.9 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 16.10 In the case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the Shares, but nothing in this Section shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 16.11 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder before the death, insolvency or bankruptcy or by the Shareholder under legal disability before such disability.
- 16.12 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but he shall not be

entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety (90) days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

16A Notwithstanding anything contained in this Instrument or in the Act, but subject to and without prejudice to Section 16.3, the Directors shall promptly register any transfer of shares and may not suspend or refuse registration thereof where such transfer:

(i) is to:

- (a) a Secured Party; or
- (b) any nominee of a Secured Party; or
- (c) any transferee of, or buyer from, such Secured Party or nominee of such Secured Party (whether or not such transferee or buyer is a third party transferee or buyer); or
- (d) any combination of the foregoing,

for the purpose of registering such party or parties as legal owner(s) of the relevant shares;

- (ii) is delivered to the ICAV for the purposes set out at (i) above by or on behalf of a Secured Party, by its nominee(s), by any receiver appointed by it or by any buyer or transferee from a Secured Party or from any nominee of a Secured Party; and
- (iii) is executed by (as appropriate) a Secured Party, its nominee(s) or any receiver appointed by it pursuant to any power of sale, right of appropriation or other power under, or arising in respect of, the security over those shares created in favour of a Secured Party,

where "Secured Party" means any person or entity in whose favour such shares have been secured whether acting for its own benefit, or as agent, security agent, security trustee or otherwise for itself and/or another person or entity.

No resolution shall be proposed or passed the effect of which would be to delete or amend this Article 16A unless not less than 45 days' written notice thereof shall have been given to any such Secured Party by the ICAV.

16B The ICAV's first and paramount lien on every share (not being a fully paid share) for all moneys (whether immediately payable or not) called or payable at a fixed time in respect of that share, and the extension of that lien to all dividends payable on such share shall not apply where any such share has been secured in which case such lien shall rank behind any such security.

17 Repurchase of Shares

- 17.1 The ICAV may repurchase its own outstanding fully paid Shares at any time in accordance with the conditions imposed by the Central Bank and the rules and procedures set out herein and in the Prospectus. A Shareholder may at any time irrevocably request the ICAV to repurchase all or any part of his Shares in the ICAV by forwarding a request for repurchase of Shares to the ICAV and, save as otherwise provided in the Prospectus, a repurchase request shall be effective on the Dealing Day following receipt of the repurchase request. Notwithstanding, the ICAV may create limited liquidity Funds where Shareholders have limited rights to request the repurchase of their Shares as provided for in the Prospectus, and may create closed-ended Funds where Shareholders have no right to request the repurchase of their Shares, subject to any conditions set down by the Central Bank.
- 17.2 A request for repurchase of Shares shall be in such form as the ICAV shall prescribe, shall be irrevocable (without the consent of the ICAV) and shall be filed by a Shareholder in written form at the registered office of the ICAV, or at the office of the person or entity from time to time designated by the ICAV as its agent for the repurchase of Shares, and, at the request of the ICAV shall be accompanied by the Share certificate (duly endorsed by the Shareholder), if applicable, or by proper evidence of succession or assignment satisfactory to the ICAV, if applicable.
- 17.3 On receipt of a request for repurchase of Shares duly completed the ICAV shall repurchase the Shares as requested on the Dealing Day on which the repurchase request is effective subject to any suspension of this repurchase obligation pursuant to Section 19.3 hereof. Shares in the capital of the ICAV which are repurchased by the ICAV shall be cancelled. For the avoidance of doubt, Shares held by one Fund in another Fund shall not be cancelled.
- 17.4 The repurchase price per Share in any tranche of Shares shall be the Net Asset Value per Share in that tranche applicable in the case of a repurchase of such Share obtaining on the Dealing Day on which the repurchase request is effective, less such commission and duties and charges as may be set out in the Prospectus such commission[, in the case of open-ended Funds,] shall not exceed 5% of the Net Asset Value of the Shares subject to repurchase.
- 17.5 Notwithstanding any other provision of this Instrument, in calculating the repurchase price per Share for any tranche of Shares on any Dealing Day when there are net redemptions the Directors, or their delegate, may adjust the repurchase price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- 17.6 Payment to a Shareholder under this Section will ordinarily be made in the relevant Tranche Currency, or at the discretion of the Directors in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be despatched no later than 90 days following acceptance of the repurchase request as provided for in Section 17.1 above, except in the case of a limited liquidity or closed ended fund, where payment shall be made in accordance with the time limits set out in the Prospectus.

- 17.7 On repurchase of part only of the Shares held by any Shareholder, the Directors shall procure that a revised Share certificate (if any) or other evidence of ownership shall be issued free of charge for the balance of such Shares, if so requested by a Shareholder.
- 17.8 In the event that a repurchase of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Subscription the Directors may, if they think fit, require that the ICAV repurchase the whole of that Shareholder's holding.
- 17.9 If the ICAV receives requests for the repurchase of Shares in respect of 10 per cent (or 25 per cent in the case of a Fund with quarterly or less frequent redemption facilities, or such other amount in respect of a limited liquidity Fund as the Directors may determine) or more of the outstanding Shares (by number or value) of any Fund on any Dealing Day, the Directors may elect to restrict the total number of Shares of that Fund to be repurchased to 10 per cent (or such other amount, as appropriate) of the outstanding Shares (by number or value) in that Fund, in which case all the relevant requests will be scaled down pro rata to the number of Shares requested to be repurchased. The balance of such Shares will be repurchased on the next Dealing Day, subject to the provisions of this Section 17.9, and such Shares shall be repurchased rateably (as determined by the Directors and disclosed in the Prospectus) to any Shares to be repurchased on that Dealing Day.
- 17.10 A distribution in respect of a redemption may also be made in kind, at the discretion of the Directors, after consultation with the Investment Manager, provided that where the redemption request represents less than 5 per cent of the Net Asset Value of a Fund, the redemption in kind will only be made with the consent of the redeeming Shareholder. The assets to be transferred shall be selected at the discretion of the Directors with the approval of the Depositary and taken at their value used in determining the redemption price of the Shares being so repurchased. As a result, such distributions will only be made if the Depositary considers that they will not materially prejudice the interests of the Shareholders of the relevant Fund as a whole and the Depositary is satisfied that the assets distributed are equivalent to the amount of the distribution declared. Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities. If a Shareholder so requests, the AIFM shall sell the assets to be distributed to that Shareholder and distribute the net cash proceeds to the Shareholder.
- 17.11 Redemptions in specie will only be accepted by the ICAV where the Depositary is satisfied that the terms of the exchange will not be such as are likely to result in any material prejudice to Shareholders in the relevant Fund.
- 17.12 At any time after the issue of Shares, the ICAV shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of Shares in accordance with Section 15 hereof.
- 17.13 In the event that the ICAV is required to account for, deduct or withhold tax on a disposal of Shares by a Shareholder (whether upon a repurchase of Shares, a transfer of Shares or otherwise) or upon payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors shall be entitled to require the compulsory repurchase and cancellation of all or part of the Shares of such Shareholder for the purposes of obtaining sufficient monies to discharge any such tax liability. The Directors shall instruct the Depositary to place the repurchase proceeds received in respect of such a repurchase of

Shares in a separate account so that such monies are separately identifiable for the purposes of discharging any applicable tax liability as aforesaid.

- 17.14 The ICAV may also compulsorily redeem Shares in order to discharge performance related fees which are due and payable to the AIFM and / or the Investment Manager, in such circumstances as are set out in the Prospectus from time to time.
- 17.15 Where the ICAV receives a request for the repurchase of Shares from any Shareholder in respect of which the ICAV is required to account for, deduct or withhold taxation, the ICAV shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of taxation due.
- 17.16 Where a closed-ended Fund proposes to amend the maximum redemption fee or maximum annual fee charged by the AIFM and/or the Investment Manager disclosed in the Prospectus and paid directly out of the assets of such Fund, the approval of such increase by 75% of votes cast in favour of the increase where there is no realistic opportunity to redeem a shareholding, and in all other circumstances, by 50% of the votes cast.
- 17.17 In connection with any closed-ended Fund established by the ICAV, at the end of such closed-ended period as may be disclosed in the Prospectus, relevant Shareholders in such Fund may be given the opportunity to vote on a Special Resolution to extend such closed-ended period in accordance with the requirements of the Central Bank. In the event that no such Special Resolution is passed at the end of the closed-ended period, or any extended closed-ended period, if applicable, then the ICAV will undertake one of the following actions:
- (a) redeem all outstanding Shares of such Fund and thereafter will apply to the Central Bank for revocation of the Fund's approval;
 - (b) convert to an open-ended Fund the relevant details of which will be disclosed in the Prospectus;
 - (c) obtain Shareholder approval to extend the closed-ended period for a further finite period.

18 **Total Repurchase**

- 18.1 The ICAV may redeem all of its Shares or the Shares of any Fund or tranche in issue if:
- 18.1.1 the redemption of the Shares in a tranche or Fund is approved by a resolution in writing signed by all of the holders of the Shares in that tranche or Fund, as appropriate, or is approved by a Special Resolution of all of the holders of the Shares in the ICAV or that tranche, as appropriate;
 - 18.1.2 the Net Asset Value of the Fund, or of a tranche of Shares in a Fund, does not exceed or falls below such amount as may be determined from time to time by the Directors;
 - 18.1.3 the Directors deem it appropriate because of adverse political, economic, fiscal or regulatory factors affecting the ICAV or relevant tranche or Fund of Shares;

- 18.1.4 where the Depositary has served notice of its intention to retire and an alternative depositary has not been appointed within 90 days from the date of such notice; or
 - 18.1.5 in such other circumstances as may be set out in the Prospectus from time to time.
- 18.2 Where a repurchase of Shares pursuant to Section 17 or 18 would result in the number of Shareholders falling below two or such other minimum number of Shareholders as the Act may stipulate as the legal minimum number of Shareholders in an ICAV or would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged to maintain as the Act may stipulate, the ICAV may defer the repurchase of such Shares the repurchase of which would result in such number or amount not being satisfied until the ICAV is wound up or until the ICAV procures the issue of sufficient Shares to ensure that the aforesaid number and amount are satisfied. The ICAV shall be entitled to select the Shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.
- 19 Determination of Net Asset Value and Temporary Suspension of Dealings**
- 19.1 The ICAV shall determine the Net Asset Value of the ICAV, and each Fund as at each Valuation Point. The Net Asset Value shall be expressed in the Base Currency as a per Share figure for the issue of Shares and for the repurchase of Shares, respectively as appropriate.
- 19.2 The Net Asset Value per Share of the ICAV shall be calculated by dividing the assets of the ICAV less its liabilities by the number of Shares in issue and shall be determined in accordance with Section 20 and Schedule 2 hereof.
- 19.3 The Directors may, in consultation with the Depositary, temporarily suspend the determination of the Net Asset Value and the sale, issue, valuation, allotment and/or redemption of Shares of a Fund during:
- 19.3.1 any period when any organised exchange on which a substantial portion of the investment for the time being comprised in the relevant Fund are quoted, listed, traded or dealt in is closed otherwise than for ordinary holiday, or during which dealings in any such organised exchange are restricted or suspended;
 - 19.3.2 any period where, as a result of political, military, economic or monetary events, conditions of financial markets or other circumstances beyond the control, responsibility and power of the Directors, the disposal or valuation of investments for the time being comprised in the relevant Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Shareholders of that Fund;
 - 19.3.3 any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in the relevant Fund or during any period when for any other reason the value of investments for the time being comprised in the Fund cannot, in the opinion of the Directors, be promptly or accurately ascertained;

- 19.3.4 any period when the ICAV is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of investments for the time being comprised in the Fund, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices;
 - 19.3.5 any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on the Fund or the remaining Shareholders in the relevant Fund;
 - 19.3.6 any period (other than ordinary holiday or customary weekend closings) when any market or exchange which is the main market or exchange for a significant part of the instruments or positions is closed, or in which trading thereon is restricted or suspended;
 - 19.3.7 any period when proceeds of any sale or repurchase of the Shares cannot be transmitted to or from the account of the relevant Fund;
 - 19.3.8 any period in which the repurchase of the Shares would, in the opinion of the Directors, result in a violation of applicable laws;
 - 19.3.9 any period after a notice convening a meeting of Shareholders for the purpose of dissolving the ICAV or terminating a Fund has been issued, up to and including the date of such meeting of Shareholders; or
 - 19.3.10 any period during which dealings in a collective investment scheme in which the Fund has invested a significant portion of its assets are suspended; or
 - 19.3.11 any period when the Directors determine that it is in the best interests of the Shareholders of a Fund to do so.
- 19.4 The ICAV may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of Shares shall be effected on the substitute Dealing Day.
- 19.5 Any such suspension shall be published by the ICAV in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the ICAV, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and in any event within the same Business Day.
- 20 Valuation of Assets**
- 20.1 The Net Asset Value of the ICAV and the ICAV's assets shall be determined in accordance with requirements of the Central Bank, and subject thereto, in accordance with Schedule 2 to this Instrument. The Net Asset Value per Share will be made available to Shareholders in the manner described in the Prospectus.

21 Side Pockets

- 21.1 From time to time, a portion of the ICAV's assets may consist of one or more illiquid investments (including investments that are illiquid at the time of purchase) that the Directors determine, in their sole discretion, to be subject to practical, regulatory, contractual or legal restrictions on disposition (each such investment or portfolio of investments is referred to herein as a **"Side Pocket Investment"**).
- 21.2 Each Shareholder who is a Shareholder at the time a Side Pocket Investment is acquired, or at the time an existing investment or portfolio of investments is determined to be a Side Pocket Investment, may be issued shares in such tranche (each a **"Side Pocket Tranche"**) with regard to such Side Pocket Investment as the Directors may determine (**"Tranche S Shares"**).
- 21.3 Upon identifying an investment or portfolio of investments as a Side Pocket Investment, a pro-rata portion of each existing Shareholder's shares (and, if such Shareholder holds more than one tranche of shares, pro-rata according to such Shareholder's holdings of such shares) will be converted to Tranche S Shares of a new Side Pocket Tranche by way of redemption and re-issue, without any obligation on the Shareholders or the ICAV to take any other action and without the requirement for any notice to be served on such Shareholder.
- 21.4 Shares which are redeemed and re-issued as Tranche S Shares may include shares in respect of which a suspension or a partial suspension of redemptions is in effect on the date on which such redemption and re-issue occurs and the entire holding of any relevant Shareholders on the Dealing Day prior to the implementation of the suspension or partial suspension of redemptions may be taken into account in calculating the pro rata portion of shares held by such Shareholder which are to be redeemed and re-issued as Tranche S Shares.
- 21.5 Tranche S Shares of a new Side Pocket Tranche will be issued to a Shareholder in a Base Currency amount equal to (i) the aggregate value of such Shareholder's shares divided by the aggregate value of all of the issued and outstanding shares (excluding for this purpose, any Tranche S Shares then outstanding and in the event that a suspension or a partial suspension of redemption is in effect on the date of such issue, calculated based on the shares in issue on the last Dealing Day on which no suspension or partial suspension of redemptions was in effect) multiplied by (ii) the book value of the Side Pocket Investment attributable to the relevant Tranche S Shares.
- 21.6 Members who purchase shares after a Fund acquires a Side Pocket Investment are not entitled to receive any Tranche S Shares with respect to such Side Pocket Investment or to participate in the gain, loss or income relating to such Tranche S Shares. For the purpose of determining the number of Tranche S Shares in a Side Pocket Tranche to be issued to each Member, the initial Net Asset Value per Tranche S Share of such Side Pocket Tranche shall be such amount as the Directors may determine. Tranche S Shares may also be designated in the Tranche Currency of any shares which were redeemed in conjunction with the issue of such Tranche S Shares.

22 General Meetings

- 22.1 All general meetings of the ICAV shall be held in Ireland.

- 22.2 Subject to Section 22.3, the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next **PROVIDED THAT** so long as the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation it need not hold it in the year of its incorporation or in the following year.
- 22.3 The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' written notice to all Shareholders. Any such election has effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Section 22.3 has effect for a year, one or more Shareholders of the ICAV holding, or together holding, not less than 10% of the voting rights in the ICAV or the auditors of the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
- 22.4 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- 22.5 The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Act.
- 23 Notice of General Meetings**
- 23.1 At least twenty-one clear days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.
- 23.2 The Directors, the AIFM, the Investment Manager, the Depositary, the Administrator and the Auditors shall each be entitled to receive notice of, and attend and speak at, any general meeting of the ICAV.
- 23.3 In each notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.
- 23.4 The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.
- 24 Proceedings at General Meetings**
- 24.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election

of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

- 24.2 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders holding voting Shares present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 25.12 to be present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 24.3 If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- 24.4 The chairman or, if absent, the deputy chairman of the ICAV, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Shareholders present shall choose some Shareholder present to be chairman.
- 24.5 The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- 24.6 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands of those Shareholders holding voting Shares, unless a resolution is not passed unanimously on such show of hands, in which case such resolution shall be decided on a poll. Unless a poll is so taken, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 24.7 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 24.8 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

- 24.9 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 24.10 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 24.11 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 24.12 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 24.13 If at any time the share capital is divided into different tranches of Shares, the rights attached to any tranche (unless otherwise provided by the terms of issue of the Shares of that tranche or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that tranche, or with the sanction of an Extraordinary Resolution passed at a separate general meeting of the holders of the Shares of that tranche, to which the provisions of this Instrument relating to general meetings shall mutatis mutandis apply, save that the quorum at any such general meeting shall be two or more Shareholders present in person or by proxy together holding at least one-third of the Shares of the relevant tranche.

25 Votes of Shareholders

- 25.1 Subject to any special rights or restrictions for the time being attached to any tranche of Shares in accordance with the requirements of the Central Bank, each Shareholder shall be entitled to such number of votes as shall be produced by dividing the aggregate net asset value of that Shareholder's Shareholding (expressed or converted in Base Currency, calculated as of the relevant record date and excluding, where appropriate, the impact of any Tranche Currency hedging) by one. Where a separate written resolution or general meeting of a particular tranche of Shares is held, in such circumstances, the Shareholder's votes shall be calculated by reference only to the net asset value of each Shareholder's Shareholding in that particular tranche, as appropriate. The Subscriber Shareholders shall have one (1) vote for each Subscriber Share held. The "relevant record date" for these purposes shall be a date being not more than thirty (30) days prior to the date of the relevant general meeting or written resolution as determined by the Directors. In relation to a resolution which in the opinion of the Directors affects more than one (1) tranche of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such tranche of Shares, such resolution shall have been passed at a separate meeting of the Shareholders of each such tranches. The Directors may in their discretion create tranches which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the ICAV.
- 25.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint

holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.

- 25.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 25.4 On a poll votes may be given either personally or by proxy.
- 25.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- 25.6 The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing, or if the appointer is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in any usual form or in such form as the Directors may approve **PROVIDED ALWAYS** that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 25.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 25.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the ICAV or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting or the taking of a poll at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid.
- 25.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 25.10 The Directors may at the expense of the ICAV send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any tranche of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 25.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no notice in writing of such death, insanity, revocation or transfer shall have been received by the ICAV

at the registered office of the ICAV, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.

- 25.12 Any body corporate which is a Shareholder or creditor of the ICAV may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 25.13 A resolution in writing signed by all of the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the ICAV.
- 25.14 The provisions of Sections 22, 23, 24 and 25 shall apply *mutatis mutandis* to meetings of each tranche of Shareholders.

26 Directors

- 26.1 Unless otherwise determined by the ICAV by Ordinary Resolution, the number of the Directors shall not be less than two nor more than twelve.
- 26.2 A Director need not be a Shareholder.
- 26.3 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- 26.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The aggregate remuneration of the Directors shall not exceed €100,000 per annum (or such other sum as the Directors may from time to time determine and disclose to the Shareholders). Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the ICAV.
- 26.5 The Directors may in addition to such remuneration as is referred to in Section 26.4 hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.
- 26.6 The office of a Director shall be vacated by a Director in any of the following events, namely:
- 26.6.1 if he resigns his office by notice in writing signed by him and left at the registered office of the ICAV;

- 26.6.2 if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - 26.6.3 if he becomes of unsound mind;
 - 26.6.4 if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;
 - 26.6.5 if he is requested by a majority of the other Directors (not being less than two in number) to vacate office;
 - 26.6.6 if he is removed from office by an Ordinary Resolution, in accordance with section 62 of the Act.
- 26.7 Notwithstanding any other provision of this Instrument or any other agreement or document, the ICAV may from time to time by Ordinary Resolution remove any Director before the expiration of his or her term of office and appoint another person in place of the Director so removed. In addition, the ICAV may from time to time by Ordinary Resolution appoint additional directors to the Board. The provisions of this Instrument are in addition to and separate from the powers set out in Section 62 of the Act.
- 26.8 At a general meeting, a motion for the appointment of two or more persons as Directors of the ICAV by a single resolution shall not be made, unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.
- 26.9 Subject to the requirements of the Central Bank, any Director may at any time by instrument in writing under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.
- 26.10 The appointment of an alternate Director shall determine if his appointer ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
- 26.11 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointer as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointer) were a Director. If he himself shall be a director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointer is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointer. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointer is a Shareholder. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director.

- 26.12 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointer as such appointer may by notice in writing to the ICAV from time to time direct.

27 Directors, Offices and Interests

- 27.1 The Directors may appoint one or more of their body to the office of managing Director or joint managing Director or to any other executive office under the ICAV (including, where considered appropriate, the office of chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.
- 27.2 A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his ordinary remuneration, as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- 27.3 The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- 27.4 The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- 27.5 A Director may hold any other office or place of profit under the ICAV (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may arrange.
- 27.6 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his, a Director notwithstanding his office:
- 27.6.1 may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and
 - 27.6.2 shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- 27.7 No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship

thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.

27.8 A copy of every declaration made and notice given in relation to a Director's Shares shall be entered within three days after the date of making or giving thereof in a book kept for this purpose. Such book shall be open for inspection during normal business hours without charge by any Director, Secretary, Auditor or Shareholder at the registered office of the ICAV and shall be produced at every general meeting of the ICAV and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting by any Shareholder or holder of debentures of the ICAV.

27.9.1 a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or tranche of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;

27.9.2 an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his;

27.9.3 an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointer shall be treated as an interest of the alternate Director.

27.10 Save as otherwise provided by this Instrument, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the ICAV. Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.

27.11 A Director shall be entitled to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely:

27.11.1 the giving of any security, guarantee or indemnity to him in respect of money lent by him to the ICAV or any of its Subsidiary Companies or obligations incurred by him at the request of or for the benefit of the ICAV or any of its Subsidiary Companies; or

27.11.2 the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the ICAV or any of its Subsidiary Companies for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security; or

- 27.11.3 any proposal concerning any offer of shares or other securities of or by the ICAV or any of its Subsidiary Companies for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof; or
- 27.11.4 any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or shareholder or otherwise howsoever, provided that he has disclosed such interest to the ICAV.
- 27.12 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the ICAV such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote (and be counted in the quorum) in respect of each resolution, except that concerning his own appointment.
- 27.13 If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
- 27.14 The ICAV, by Ordinary Resolution, may suspend or relax the provisions of this section to any extent or ratify any transaction not duly authorised by reason of a contravention of this section.

28 Powers of Directors

- 28.1 The business of the ICAV shall be managed by the Directors, who may exercise all such powers of the ICAV as are not by the Act, by the AIFM Rules or hereby required to be exercised by the ICAV in general meeting, subject, nevertheless, to the provisions of the Act, to the AIFM Rules and to the regulations herein contained being not inconsistent with the aforesaid regulations as may be prescribed by the ICAV in general meeting, but no regulations made by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. - 30.3 The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with the provisions hereof or a majority or quorum of Directors cannot be attained, the continuing Directors or Director may act for the purpose of filling vacancies in their number or of summoning general meetings of the ICAV, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Shareholders may summon a general meeting for the purpose of appointing Directors.

- 30.6 A resolution in writing signed by all the Directors for the time being entitled to receive notice of a meeting of the Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors. - 30.10 The Directors may delegate their powers relating to the management of the ICAV's assets to the AIFM or the Investment Manager or to any duly authorised Officer or other person, subject to such terms and conditions as the Directors in their absolute discretion may resolve.
- 30.11 All acts done by any meeting of Directors, or of a committee of Directors or by any person authorised by the Directors shall, notwithstanding it be afterwards discovered that there was some defect in the appointment or authorisation of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.

- 30.14 Any Director may participate in a meeting of the Directors or any committee of the Directors by means of a conference telephone or other telecommunication equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting.

31 **Secretary**

The Secretary shall be appointed by the Directors. The Secretary shall be appointed by the Directors for such term, at such remuneration and on such conditions as they may think fit; and any Secretary so appointed may be removed by them. Anything required or authorised to be done by the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by any officer of the ICAV authorised generally or specially in that behalf by the Directors **PROVIDED THAT** any provisions hereof requiring or authorising anything to be done by a Director and the Secretary shall not be satisfied by its being done by the same person acting both as Director and as, or in the place of, the Secretary. - 32.3 The term "*authorised signatories*" shall mean:

32.3.1 a Director;

32.3.2 the Secretary or any joint secretary of the ICAV.

- 32.4 The Directors may from time to time and at any time by power of attorney, appoint any company, firm or person or any fluctuating body of persons whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the ICAV for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under this Instrument of Incorporation) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorneys as the Directors may think fit, and may also authorise any such attorney to sub delegate all or any of the powers, authorities and discretions vested in him. 33 Dividends

- 33.1 The Directors may from time to time as they think fit pay such dividends on any tranche of Shares of the ICAV as appear to the Directors to be justified, subject to any policy statement in relation to dividends in the Prospectus.
- 33.2 Unless otherwise provided for in the Prospectus, the aggregate amount available for distribution by way of dividend in any Accounting Period in respect of a tranche of Shares shall be a sum equal to the aggregate of the ICAV's share capital, accumulated reserves, net realised and net unrealised capital gains and losses and the net income received by the ICAV (whether in the form of dividends, interest or otherwise) during the Accounting Period.
- 33.3 The Directors may, with the sanction of an Ordinary Resolution, distribute in kind among Shareholders by way of dividend or otherwise any of the assets of the ICAV (other than any assets which have a contingent liability).

- 33.7 No dividend or other amount payable to any holder of Shares shall bear interest against the ICAV. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the ICAV until claimed. Payment by the ICAV of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the ICAV a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the relevant Fund.
- 33.8 At the option of any Shareholder, the Directors may apply all dividends declared on a tranche of Shares held by such Shareholder in the issue of additional Shares in that tranche in the ICAV to that Shareholder at the Net Asset Value obtaining when such dividends are declared and on such terms as the Directors from time to time may resolve, provided, however, that any Shareholder shall be entitled to elect to receive a cash dividend in respect of the Shares held by that Shareholder.

- 33.9.2 the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect of which the Share election has been duly exercised (the “**Elected Shares**”), and in lieu thereof additional Shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued Shares;
- 33.9.3 the additional Shares so issued shall rank pari passu in all respects with the fully-paid Shares then in issue save only as regards participation in the relevant dividend (or Share election in lieu);
- 33.9.4 the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalization, with full power to the Directors to make such provision as they think fit in the case of Shares becoming distributable in fractions so that, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the ICAV or the ICAV issues Fractional Shares; and
- 33.9.5 the Directors may on any occasion determine that rights of election shall not be made available to any Shareholder with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
- 33.10 Where the ICAV proposes to pay a distribution to a Shareholder, it shall be entitled to deduct from the distribution such amount that may be necessary to discharge the ICAV's liability to taxation in respect of such distribution and the ICAV shall arrange to discharge the amount of taxation due.

- 35.5 A copy of the Annual Report including the balance sheet (including every document required by law to be annexed thereto) together with a copy of the Directors' report and the Auditors' report shall be made available by the ICAV to every person entitled under the Act and the AIFM Rules to receive them and if any of the Shares are quoted on any stock exchange, the required number of copies of these documents shall be forwarded at the same time to such stock exchange.
- 35.6 In accordance with Irish law and regulations, the Directors may elect to prepare the Annual Report and accounts in accordance with generally accepted accounting practice in the State or in accordance with such international accounting standards or such alternative body of accounting standards as may be permitted under the Act and the AIFM Regulations from time to time.

- 38.1 If the ICAV or a Fund shall be wound up or dissolved, the liquidator shall apply the assets of the ICAV or the Fund (as appropriate) in satisfaction of the relevant creditors' claims in such manner and order as the liquidator thinks fit subject to section 154 of the Act.
- 38.2 The assets of the ICAV or the Fund (as appropriate) available for distribution (after satisfaction of the relevant creditors' claims) amongst the relevant Shareholders shall be distributed pro rata to the holders of the Shares of each tranche in the ICAV or the Fund (as appropriate) and shall be allocated pro rata to the number of Shares in that tranche held by them.
- 38.3 If the ICAV or a Fund shall be wound up or dissolved (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may with the authority of an Ordinary Resolution of the ICAV or the Shareholders of the Fund (as appropriate), divide among the relevant Shareholders pro-rata to the value of their Shareholdings in the ICAV or in the relevant Fund (as appropriate and as determined in accordance with Section 19 herein) in specie the whole or any part of the assets of the ICAV or the Fund, and whether or not the assets shall consist of property of a single kind and may for such purposes value any tranche or tranches of property in accordance with the valuation provisions in Section 20. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of the relevant Shareholders as the liquidator shall think fit, and the liquidation of the ICAV or the Fund may be closed and the ICAV or the Fund dissolved, but not so that any Shareholder shall be compelled to accept any asset in respect of which there is a liability. If a Shareholder so requests, the AIFM shall sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder. The relevant Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities.

39 Indemnity

- 39.1 The Directors, Secretary and other officers or servants for the time being of the ICAV, for the time being acting in relation to any of the affairs of the ICAV and each of them, and each of their heirs, administrators and executors, shall be indemnified and secured harmless out of the assets and profits of the ICAV from and against all actions, costs, charges, losses, damages and expenses, which they or any of them, their or any of their heirs, administrators or executors shall or may incur or sustain by reason of any contract entered into or any act done, concurred in, or omitted in or about the execution of their duty or supposed duty in their respective offices or trusts, except such (if any) as they shall incur or sustain by or through their own negligence, default, breach of duty or breach of trust respectively, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the ICAV and have priority as between the Shareholders over all other claims. None of the foregoing shall be answerable for the acts, receipts, neglects, defaults or breaches of the other or others of them, or for joining in any receipt for sake of conformity, or for any bankers, brokers, or other person into whose hands any money or

assets of the ICAV may come, or for any defects of title of the ICAV to any property purchased, or for insufficiency or deficiency of or defect of title of the ICAV to any security upon which any moneys of or belonging to the ICAV shall be placed out or invested, or for any loss, misfortune or damage resulting from any such cause as aforesaid, or which may happen in the execution of their respective offices or trusts, or in relation thereto, unless the same shall happen by or through their own negligence, default, breach of duty or breach of trust respectively.

- 39.2 The Depositary, the Administrator, the Distributor, the Investment Manager and any sub-investment manager to the ICAV shall be entitled to such indemnity from the ICAV upon such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement, the Administration Agreement, the Distribution Agreement, the Investment Management Agreement and any sub-investment management agreement (as applicable).
- 39.3 The ICAV, the Directors, the Depositary, the Administrator, the Investment Manager and any sub-investment manager to the ICAV shall each be entitled to rely absolutely on any declaration received from a Shareholder as to the residence or otherwise of such Shareholder and shall not incur any liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled, though not bound, to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction.
- 39.4 The Distributor shall also have the power to grant indemnities in favour of any such sub-distributors, nominees, agents or delegates out of the assets of the ICAV, in accordance with the terms as may be agreed from time to time between the ICAV and the Distributor
- 39.5 The ICAV, the Directors, the Depositary, the Administrator, the Investment Manager and any sub-investment manager to the ICAV shall incur no liability to the Shareholders for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgment of any court, or by reason of any request announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Instrument neither the ICAV nor the Director nor, subject to the terms of the Depositary Agreement, the Administration Agreement, the Investment Management Agreement and any sub-investment management agreement, the Depositary nor the Administrator nor the Investment Manager nor any sub-investment manager shall be under any liability therefore or thereby.

40 Destruction of Documents

- 40.1 The ICAV may destroy:

- 40.1.2 any instrument of transfer of Shares which has been registered at any time after the expiry of six years from the date of registration thereof; and
- 40.1.3 any other document on the basis of which an entry in the Register is made at any time after the expiry of ten years from the date an entry in the Register was first made in respect of it;

and it shall conclusively be presumed in favour of the ICAV that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the ICAV **PROVIDED ALWAYS** that:

- 40.1.4 the foregoing provisions of this section shall apply only to the destruction of a document in good faith and without express notice to the ICAV that the preservation of such document was relevant to a claim;
- 40.1.5 nothing contained in this Section shall be construed as imposing upon the ICAV any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- 40.1.6 references in this Section to the destruction of any document includes references to its disposal in any manner.

41 **Severability**

If any term, provision, covenant or restriction of this Instrument is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and restrictions of this Instrument shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

42 **Modification of this Instrument**

- 42.1 No modification shall be made to this Instrument without the approval of the Central Bank. Any such modification may only be made in accordance with the requirements of the Act.
- 42.2 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, without the prior approval of the Shareholders where the Depositary certifies that the modification, alteration or addition does not materially prejudice the interests of the Shareholders and is not one which the Central Bank has specified as one requiring approval of the Shareholders.
- 42.3 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, with the sanction of an ordinary resolution of a meeting of Shareholders duly convened and held in accordance with the provisions

contained in this Instrument, provided that no such modification, alteration or addition shall be made which shall reduce the interest in any Fund of any Shareholder (without similarly reducing the interests of all Shareholders in such Fund) or reduce the percentage of Shares required to consent to any modification, alteration or addition without the consent of all Shareholders.

- 42.4 Without prejudice to the foregoing, the ICAV shall be entitled (and without the sanction of an ordinary resolution as aforesaid) to modify, alter or add to the provisions of this Instrument in such manner and to such extent as they may consider necessary or expedient having regard to the provisions of any fiscal enactments for the time being in force affecting the ICAV and any arrangements approved by the Revenue Commissioners of Ireland in relation to the carrying into effect hereof or to conform to any legislation, provided that no such modification, alteration or addition shall impose upon any Shareholder any obligation to make any further payment in respect of his Shares or to accept any liability in respect thereof.

Schedule 1

Qualified Holders Restrictions

- (a) No shares (other than the Subscriber Shares which may be issued to persons who are not Qualifying Investors or Knowledgeable Investors) shall be allotted or issued to or transferred to or be beneficially owned by any U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or a Knowledgeable Investor. The ICAV may refuse to register any transfer of Shares to a US Person, or a person who is not a Qualifying Investor or a Knowledgeable Investor. Each subscriber for shares of the ICAV shall be required to certify that he is a Qualifying Investor or Knowledgeable Investor and that he is not, nor is he acquiring such shares on behalf of, or for the benefit of, a U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or Knowledgeable Investor and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such shares in the U.S. or to, or for the benefit of, a U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or Knowledgeable Investor. No issue or transfer of shares shall be recorded on the Register unless:
- (i) the subscriber or the transferor, as the case may be, shall certify to the ICAV that such acquisition or transfer is not being made directly or indirectly by or to a U.S. Person (subject to the discretion of the Directors) or a person who is not a Qualifying Investor or a Knowledgeable Investor;
 - (ii) the subscriber or transferee, as the case may be, shall certify to the ICAV that it is not, nor is it acquiring such shares on behalf of, or for the benefit of, a U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or a Knowledgeable Investor; and
 - (iii) the subscriber or transferee, as the case may be, shall provide the ICAV with such declarations as to tax residence or ordinary tax residence as may be requested by the ICAV from time to time whether in respect of the subscriber or transferee, as appropriate, (or of the proposed beneficial owner where the subscriber or transferee is acting as an intermediary).
- (b) To be entered on the Register an investor must subscribe for or acquire shares by transfer to the value of not less than the Minimum Subscription amount as set out in the Rules relating to funds marketing solely to Qualifying Investors and certify that he is a Qualifying Investor, unless the investor has certified that he/she/it is a Knowledgeable Investor, that they are aware that the Fund is normally marketed to Qualifying Investors who are subject to a minimum subscription of €100,000, or such other amount as the Central Bank may determine from time to time, that he/she/it is aware of the risk involved in the proposed investment and of the fact that inherent in such investment is the potential to lose all of the sum involved. Within the European Union, the ICAV may only be marketed to investors who are professional clients (as defined in AIFMD) unless the EU member state in question permits, under the laws of that EU member state, the ICAV to be sold to other categories of investors and this permission encompasses the other categories of investors set out in the definition of "Qualifying Investor" in these Articles.

- (c) The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in these Articles) as they may think necessary for the purpose of ensuring that no shares in the ICAV are acquired or held by any person as described in Article 9(a) or (f).
- (d) The Directors may upon an application for shares or on a transfer or transmission of shares or at any other time and from time to time require such evidence or declarations to be furnished to them in connection with the matters stated in Articles 9(a) and (f) as they shall in their discretion deem sufficient.
- (e) If a person becomes aware that he is holding or owning shares in contravention of Article 9 he shall forthwith in writing request the ICAV to repurchase such shares in accordance with Article 10 or shall transfer such shares to a person duly qualified to hold the same unless he has already received a notice under Article 9(g).
- (f) If it shall come to the notice of the Directors or if the Directors shall have reason to believe that any shares are owned directly or beneficially by:
 - (i) any person in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares; or
 - (ii) any person who is, or has acquired such shares on behalf of or for the benefit of, a U.S. Person (subject to the discretion of the Directors) or a person who is not a Qualifying Investor or a Knowledgeable Investor; or
 - (iii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons whether connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the ICAV or any Member incurring any liability to taxation or suffering regulatory, pecuniary or material administrative disadvantage which the ICAV or such Member might not otherwise have incurred or suffered; or
 - (iv) any person who does not supply any of the information or declarations required hereunder within seven (7) days of a request to do so being sent by the Directors; or
 - (v) any person who holds shares with a value which is less than the Minimum Subscription (save where such investor is a Knowledgeable Investor);
 - (vi) the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) to such person or persons requiring him or them to transfer such shares to a person who is qualified or entitled to own the same or to request in writing the repurchase of such shares in accordance with Article 10 or (in the case of (f) only) to purchase additional shares in order to meet the Minimum Subscription requirement within thirty (30) days.
- (g) If any person upon whom such a notice is served as aforesaid does not within 30 days of the date of such notice (or such lesser period as may be specified in the Prospectus) transfer such shares or request in writing the ICAV to repurchase the shares he shall be

deemed forthwith upon the expiration of 30 days (or such lesser period as may be specified in the Prospectus) to have so requested the repurchase of all of his shares which are the subject of such notice whereupon he shall be bound to deliver the confirmation of ownership in respect of the shares to the ICAV forthwith and the Directors shall be entitled to appoint any person to execute such documents as may be required for the purposes of the repurchase. The deemed request to repurchase the shares may not be withdrawn notwithstanding that the determination of the Net Asset Value for such shares may have been suspended.

- (h) Subject to any requisite official consents first having been obtained, settlement shall be effected by depositing the repurchase monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of such evidence of ownership as the Directors may require representing the shares previously held by such person, together with the repurchase request duly signed. Upon deposit of such repurchase monies as aforesaid such person shall have no further interest in such shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the repurchase monies so deposited (without interest) upon such consents being obtained and against the production of the said evidence of ownership with the repurchase request duly signed.
- (i) The Directors may resolve that the provisions of the foregoing Schedule 1 shall be disapplied, in whole or in part, for a defined period or otherwise, in the case of U.S. Persons.

Schedule 2

Valuation of Assets

VALUATION OF ASSETS

- (a) The Net Asset Value of the ICAV shall be calculated in accordance with the provisions of this Schedule 2.
- (b) The Net Asset Value per Share of a Fund shall be calculated by dividing the assets of the relevant Fund less its liabilities by the number of shares in issue in that Fund. Shares of Funds are expected to perform differently and each Fund will bear its own fees and expenses to the extent specifically attributable to that Fund. Any liabilities of the ICAV that are not attributable to any Fund shall be allocated amongst the Funds based on their respective Net Asset Value or on any other basis approved by the Directors following consultation with the Depositary having taken into account the nature of the liabilities.
- (c) Where a Fund is made up of more than one tranche of shares, the Net Asset Value of each tranche shall be determined by calculating the amount of the Net Asset Value of the relevant Fund attributable to each tranche. The amount of the Net Asset Value of a Fund attributable to a tranche shall be determined by establishing the number of shares in issue in the tranche, by allocating relevant Tranche Expenses (as defined below) and management fees to the tranche and making appropriate adjustments to take account of distributions paid out of the Fund, if applicable, and apportioning the Net Asset Value of the Fund accordingly. Where the Directors have created different tranches of shares within a Fund in accordance with Article 4(f) and have determined that (i) currency hedging transactions may be entered into in order to hedge any relevant currency exposure of any tranche within a Fund denominated in a currency other than the Base Currency; (ii) interest rate hedging transactions may be entered into in respect of specific tranches within a Fund; or (iii) any financial derivative instruments may be utilised on behalf of specific tranches within a Fund in accordance with the requirements of the Central Bank (collectively “Tranche Derivative Transactions”), in each case the Administrator shall adjust the Net Asset Value per share of the tranche in order to reflect the costs and resultant gains/losses of such hedging transactions and/or financial derivative instruments. Where the Directors have created a tranche of shares in a Fund which does not participate in “new issues” offerings as such term is defined under FINRA Rule 5130, the costs and resultant gains/losses attributable to such “new issues” will not be allocated to such tranche and will be instead allocated pro rata to all other tranches in the relevant Fund.

The Net Asset Value per share of a tranche shall be calculated by dividing the Net Asset Value of the tranche by the number of shares in issue in that tranche. Tranche Expenses or management fees or charges not attributable to a particular tranche may be allocated amongst the tranches based on their respective Net Asset Value or any other reasonable basis approved by the Directors and having taken into account the nature of the fees and charges. Tranche Expenses or management fees relating specifically to a tranche will be charged to that tranche. In the event that tranches of shares within a Fund are issued which are priced in a currency other than the base currency for that Fund currency conversion costs will be borne by that tranche.

“Tranche Expenses” means any expenses attributable to a specific tranche including hedging costs, if any, legal fees, marketing expenses and the expenses of registering a

tranche in any jurisdiction or with any stock exchange, regulated market or settlement system and such other expenses arising from such registration and such further expenses howsoever arising as may be disclosed in the Prospectus.

- (d) Where the Directors have determined to issue different series within a tranche of shares in a Fund, the Net Asset Value per share with respect to a series of shares initially will be equal to the Net Asset Value per share of such series as of the date of its creation. Since the various series of shares are issued at different dates, the Net Asset Value per share of one series will differ from the Net Asset Value per share of another series. Any appreciation or depreciation of the Net Asset Value of a Fund in a Valuation Period shall be allocated among the different series of Shares in the relevant Fund pro rata in accordance with the Net Asset Value of each series at the beginning of the applicable Valuation Period prior to any accrued Performance Fee but after adjustment for any subscriptions, distributions and redemptions in the Fund as of the beginning of the Valuation Period. The Net Asset Value per share (prior to any applicable Performance Fee accrual) for each series of shares of a Fund is determined by attributing in each Valuation Period any appreciation or depreciation of the Net Asset Value of the Fund among the different series of shares, and then dividing the Net Asset Value of such series by the number of outstanding shares therein. The Net Asset Value for each series of shares shall be appropriately adjusted to account for dividends paid with respect to such shares and for additional subscriptions, distributions and redemptions. Shares within a series will have the same Net Asset Value per share.

Where the Directors have created different tranches of shares within a Fund in accordance with Article 4(f) and have determined that Tranche Derivative Transactions may be entered into in respect of a tranche or that a particular tranche will not participate in “new issues” offerings as such term is defined under FINRA Rule 5130, the Administrator shall adjust the Net Asset Value per share of the tranche in order to reflect the costs and resultant gains/losses of such hedging transactions and/or financial derivative instruments and/or to allocate the costs and resultant gains/losses attributable to such “new issues” to all other tranches in the Fund pro rata. Accordingly, any appreciation or depreciation of the Net Asset Value of the relevant Fund resulting from expenses, income, gains and losses that are attributable to any Tranche Derivative Transactions in respect of a tranche or investment in “new issues” shall be attributable solely to the tranche to which it relates. The Net Asset Value per Share of each series of a tranche shall be equal to the Net Asset Value of such series divided by the number of outstanding Shares therein.

- (e) In determining the value of the assets and securities of any Fund, each investment which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued at the latest available bid price as at the relevant Valuation Point. If the investment is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be that which the ICAV (or its AIFM) or an external valuer shall determine provides the fairest criterion of value for the investment. If prices for an investment quoted, listed or traded on the relevant Recognised Market are not available at the relevant time or are unrepresentative in the opinion of the ICAV (or its AIFM) or an external valuer such investment shall be valued at such value as shall be estimated with care and good faith as the probable realisation value of the investment by the ICAV (or its AIFM) or an external valuer. None of the ICAV (or its AIFM), an external valuer, the Administrator or the Depositary shall be under any liability if a price reasonably believed by them to be the latest available price, is found not to be such.

- (f) The value of any investment which is not normally quoted, listed or traded on or under the rules of a Recognised Market or in respect of which the ICAV (or its AIFM) or an external valuer determine that the latest price is not representative of its fair market value, shall be valued at its probable realisation value as estimated by the ICAV (or its AIFM) or an external valuer.
- (g) Shares in collective investment schemes which are not valued in accordance with the provisions above shall be valued on the basis of the latest available net asset value of such shares. If such prices are unavailable, the shares will be valued at their probable realisation value estimated by the ICAV (or its AIFM) or an external valuer.
- (h) Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the ICAV (or its AIFM) or an external valuer any adjustment should be made to reflect the fair value thereof. The value of any cash on hand, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof.
- (i) Derivative instruments including swaps, interest rate futures contracts and other financial futures contracts which are traded on a Recognised Market shall be valued at the settlement price as determined by the relevant Recognised Market at the relevant Valuation Point, provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any reason, such instruments shall be valued at their probable realisation value as the ICAV (or its AIFM) or an external valuer shall determine.
- (j) Derivative instruments not dealt on a Recognised Market shall be valued at a price obtained from the counterparty or on the basis of their probable realisation value determined by the ICAV (or its AIFM) or by an external valuer. Notwithstanding the above provisions, forward foreign exchange contracts and interest rate swap contracts may be valued by reference to freely available market quotations.
- (k) Notwithstanding the above provisions, the ICAV (or its AIFM) or an external valuer may adjust the valuation of any particular asset, class of assets, or Fund, or permit some other method of valuation to be used in relation to any particular asset, class of assets, or Fund if it considers that such adjustment is required to reflect more fairly the value thereof.
- (l) Notwithstanding any other provisions of these Articles, the ICAV (or its AIFM) or an external valuer may determine that, in relation to any Fund, the value of the relevant Investments shall be calculated by reference to the bid price, where redemptions exceed subscriptions on that Business Day, or by reference to the offer price, where subscriptions exceed redemptions on that Business Day, for such Investments as at the Valuation Point. The ICAV (or its AIFM) or an external valuer may also determine that the assets of any specific Fund may be valued on a closing bid, last traded, closing mid-market or latest mid-market price basis. Any such policies shall be applied consistently in respect of a Fund and in respect of all Investments of that Fund.
- (m) In calculating the Net Asset Value of the assets:

- (i) every share allotted by the ICAV shall be deemed to be in issue and the assets shall be deemed to include not only the relevant cash and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of shares allotted;
 - (ii) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
 - (iii) where notice of a repurchase of shares has been given to the Depositary but such cancellation has not been completed the Shares to be cancelled shall be deemed not to be in issue and the value of the assets shall be reduced by the amount payable to a Shareholder upon such cancellation;
 - (iv) where any amount in one currency is required to be converted into another currency the Directors may effect such conversion using such rates as the Directors shall determine at the relevant time except where otherwise specifically provided herein;
 - (v) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable including outstanding borrowings (if any) but excluding liabilities taken into account under sub-paragraph (ii) above and any estimated liability for tax on and such amount in respect of contingent or projected expenses as the Administrator considers fair and reasonable having regard to the provisions of the Prospectus and the Articles of Association of the ICAV;
 - (vi) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a regulated market or if no such price is available a price certified by a stockbroker or other person approved by the Depositary or such price as the Directors consider in the circumstances to be reasonable and which is approved by the Depositary;
 - (vii) there shall be added to the assets a sum representing any interest or dividends accrued but not received and a sum representing unamortised expenses;
 - (viii) there shall be added to the assets the amount (if any) available for distribution in respect of the last preceding Accounting Period but in respect of which no distribution has been declared;
 - (ix) there shall be deducted from the assets the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable including accrued interest on borrowings (if any); and
 - (x) the value of assets shall be rounded upwards to the nearest one decimal place (or such other number of decimal places as may be determined by the ICAV).
- (n) Without prejudice to their general powers to delegate their functions herein certified, the Directors may delegate any of their functions in relation to the calculation of Net Asset

Value to the Administrator, to a committee of the Directors or to any other duly authorised person.
