- 7.12 Subject to the provisions of the Act, the Directors may in their absolute discretion allot and issue Shares in any Sub-Fund in consideration for, or on terms providing for settlement to be made by, the vesting in the Depositary of any Investments provided that the Directors are satisfied that:
- (a) the nature of assets to be transferred would qualify as Investments in accordance with the investment objective, policy and restrictions of the relevant Sub-Fund;

- (b) the number of Shares to be issued will not be more than the number which would have been issued for settlement in cash having valued the Investments to be exchanged in accordance with Section 7.18;
 - (c) all fiscal duties and charges arising in connection with the vesting of such Investments in the Depositary are paid by the person to whom the Shares are to be issued or, at the discretion of the Directors, partly by such person and partly out of the assets of the Sub-Fund;
 - (d) the Depositary is satisfied that the terms of such exchange will not be such as are likely to result in any material prejudice the existing Shareholders;
 - (e) the nature of the assets to be transferred would qualify as investments in accordance with the investment objectives, policies and restrictions of the relevant Sub-Fund; and
 - (f) the Investments have been vested in the Depositary or its sub-depositary, nominee or agent.
- 7.13 No Shares shall be allotted or issued on any Dealing Day on which the determination of Net Asset Value of the Shares is suspended pursuant to Section 12.7.
- 7.14 The Directors may require any person to whom Shares are to be allotted to pay to the ICAV an initial charge in respect of each Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Share to be allotted such amount as the Directors may determine and disclose in the Prospectus.
- 7.15 The Directors may in their absolute discretion refuse to accept any application for Shares or accept any application in whole or in part without assigning any reason therefor.
- 7.16 Any outstanding Class of Shares may, in the discretion of the Directors be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another Class at the prevailing Net Asset Value per Share of such other Class.
- 7.17 Subject as hereinafter provided and to any restrictions imposed pursuant to this Instrument or by the Directors as disclosed in the Prospectus or Relevant Supplement, a Shareholder of any Sub-Fund or Class (the "**Original Sub-Fund**") may request the conversion of all or any Shares held by him into Shares of another Sub-Fund or Class or another Class in the same Sub-Fund (the "**New Sub-Fund**") either existing or agreed to be brought into existence as provided herein. The Directors in their discretion may impose a minimum conversion amount in relation to any particular Sub-Fund or Class or refuse to accept a conversion request without assigning any reasons therefor.
- 7.18 The request for conversion may be made by the said Shareholder (hereinafter called the "**Applicant**") giving to the ICAV at such place as the Directors may from time to time determine a notice (hereinafter called "**Conversion Notice**") in such form and by such time and means as the Directors may from time to time determine.
- 7.19 Where permitted by the Directors, the conversion of the Shares in the Original Sub-Fund comprised in a Conversion Notice delivered to the ICAV pursuant to this Clause, together with such evidence of title as the Directors may require, shall be made with respect to the Redemption Day in respect of the Original Sub-Fund following receipt of a Conversion Note PROVIDED THAT: (a) the Shares proposed to be converted have a value at the time of conversion of not less than the value of the Minimum Subscription for the New Sub-Fund or such other amount as may be determined by the Directors from time to time and the Shareholder otherwise satisfies the criteria determined by the Directors for investment in the New Sub-Fund; and/or (b) the Directors may, in their discretion, accept a conversion request for processing on a Redemption Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of conversion requests for such Redemption Day so long as such conversion request is received prior to the Valuation Point for the relevant Redemption Day.

- 7.20 The Applicant shall not without the consent of the Directors or its authorised agent be entitled to withdraw a Conversion Notice duly made in accordance with this Clause except in any circumstances in which he would be entitled to withdraw a request for redemption of Shares, and any such withdrawal shall only be effective if made in compliance with the Regulations in relation to redemptions.
- 7.21 Conversion of the Shares of the Original Sub-Fund comprised in the Conversion Notice shall be effected in such manner permitted by the Central Bank and this Instrument and without prejudice to the generality of the foregoing may be effected by the redemption of Shares of the Original Sub-Fund (save that the redemption monies shall not be released to the Applicant) and the allotment and issue of Shares of the New Sub-Fund. For the avoidance of doubt in the case of any closed-ended Sub-Fund the Directors may declare a specific Redemption Day (and corresponding Valuation Day) for the purposes of giving effect to a conversion of Shares.
- 7.22 The number of Shares of the New Sub-Fund to be allotted and issued on Conversion shall be determined by the Directors or their delegate in accordance (or as nearly as may be in accordance) with the following formula (or such other formula as may be described in the Supplement for the relevant Sub-Fund(s)):

$$A = \frac{B \times C \times D}{E}$$

Where

A = number of Shares of the new Class and/or Sub-Fund to be allocated

B = number of Shares of the original Class or Sub-Fund to be converted

C = redemption price per Shares on the relevant Dealing Day for the original Class or Sub-Fund

D = the currency conversion factor determined by the ICAV as representing the prevailing rate of exchange of settlement on the relevant Dealing Day applicable to the transfer of assets between the relevant Sub-Funds (where the base currencies of the relevant Sub-Funds are different) or where the base currencies of the relevant Classes or Sub-Funds are the same D = 1

E = subscription price per Shares on the relevant Dealing Day for the new Class and/or Sub-Fund.

- 7.23 Upon conversion the Directors shall cause the appropriate amount or value of assets attributable to the Shares of the Original Sub-Fund to be transferred or attributed to the New Sub-Fund.
- 7.24 Fractions of Shares of the New Sub-Fund may be allotted on conversion.
- 7.25 The Directors may, at their absolute discretion, which discretion may be delegated to their delegate, charge a fee on the conversion of Shares in the Original Sub-Fund into Shares in the New Sub-Fund up to a maximum of 5% of the realised value of Shares in the Original Sub-Fund being converted, PROVIDED THAT the Directors (or their delegate, where applicable) may reduce or waive the conversion charge and may at their absolute discretion distinguish between Shareholders accordingly.
- 7.26 Where a conversion request would result in a Shareholder holding a number of Shares in either the Original Sub-Fund or the New Sub-Fund which would be less than the Minimum Holding for the New Sub-Fund, the Directors may, if they think fit, convert the whole of such Shareholder's holding in the Original Sub-Fund to Shares in the New Sub-Fund or refuse to effect any conversion from the Original Sub-Fund.

7.27 Nothing herein shall compel the Directors to convert Side Pocket Shares into any Shares of any other Sub-Fund or Class at the request of any Shareholder. Notwithstanding the foregoing, the Directors may in their sole discretion convert Side Pocket Shares into Shares of another Sub-Fund or Class either existing or established as provided herein PROVIDED THAT the Side Pocket Shares proposed to be converted have not previously been the subject of a request for redemption of Shares. The number of Shares of the New Sub-Fund to be issued on conversion of Side Pocket Shares shall be determined by the Directors in accordance with Clause 14.06 hereof PROVIDED THAT the reference to NAV shall be understood to mean the price at which Side Pocket Shares may be redeemed by the Directors in accordance with Clause 12.19 hereof.

8. SUBSCRIPTION PRICE

8.1 The time and the terms upon which, and the Subscription Price per Share at which the initial offer or placing of Shares shall be made shall be determined by the Directors.

8.2 In the case of Shares issued after the end of a Sub-Fund's Initial Offer Period, any issuance of a Share with respect to any Subscription Day shall be made at a Subscription Price per Share ascertained by:-

- (a) determining the Net Asset Value per Share of the relevant Sub-Fund or Class of Shares as at the Valuation Point for the relevant Dealing Day in accordance with Clause 15.00 of this Instrument;
- (b) adding thereto a provision for Duties and Charges, if the Directors so determine; and
- (c) rounding the resulting total to such number of decimal places as the Directors may determine.

8.3 The Directors may, when calculating the Subscription Price add a subscription charge or on any Dealing Day when there are net subscriptions, adjust the Subscription Price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the ICAV.

9. QUALIFIED HOLDERS

9.1 The Directors may impose such restrictions as they may think necessary, and as may be further provided for in the Prospectus or Relevant Supplement, including compulsory redemption, in circumstances where:

- (a) the Directors consider that the continued investment by a Shareholder would contravene the relevant criteria for eligibility for investing in the ICAV, as provided in the definition of "Qualifying Investors" above, or where required to give effect to the terms upon which Shares were issued to the Shareholder as described in this Instrument with respect to those Shares;
- (b) their ownership gives rise to a breach of any applicable law or requirement in any jurisdiction (including where an investor is no longer a Qualifying Investor, as the same is defined herein), or may, in the sole and conclusive opinion of the Directors: (i) prejudice the tax status or residence of the ICAV or its Shareholders; or (ii) cause the ICAV or its Shareholders to suffer any legal, regulatory, pecuniary, tax, fiscal or material administrative disadvantage; or (iii) cause the ICAV to be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply; or (iv) cause the assets of the ICAV to become "plan assets" for the purposes of ERISA;
- (c) the investor holds Shares with an aggregate Net Asset Value of less than the Minimum Holding for the relevant Class; or (ii) where a transfer by any investor results in the Minimum Holding of that investor falling below an aggregate Net Asset Value of the Minimum Holding for the relevant Class;

- (d) the Directors in their sole discretion consider it to be in the best interests of the ICAV and the Shareholders to do so;
- (e) in the event of any liability or charge to taxation arising in respect of Shares or any Shareholder, the ICAV is entitled to redeem, repurchase, appropriate or cancel such number of Shares as is required to meet the appropriate liability or charge to taxation of such Shareholder and to account for such appropriate tax to the relevant tax authorities;
- (f) the investor fails to comply with the terms and/or conditions of issue of its Shares or any agreement with the ICAV to subscribe for further Shares or the investor otherwise becomes classified by the Directors as a defaulting Shareholder in accordance with the terms of the Relevant Supplement; or
- (g) following the enforcement of security in respect of the Shares of such Sub-Fund pursuant to the terms of any share charge in respect of such Shares (the "**Share Charge**"), the Directors determine in accordance with the terms of such Share Charge to terminate the Sub-Fund and distribute any remaining assets of the Sub-Fund to the secured lender or its agent or nominee whether in cash or in specie in the absolute discretion of the Directors, in settlement of any amounts outstanding under the finance documents to which the Share Charge relates.

and the Directors (or any duly appointed delegate on behalf of the ICAV) may reject in their discretion any application for Shares by or any transfer of Shares to any persons who are so excluded from purchasing or holding Shares and pursuant to this Instrument at any time redeem or require or direct the transfer of Shares held by Shareholders who are so excluded from purchasing or holding Shares.

- 9.2 The Directors shall be entitled to assume without enquiry that none of the Shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to Clause 9.4 below PROVIDED THAT the Directors may upon an application for Shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in Clause 9.1 as they shall in their discretion deem sufficient.
- 9.3 If a person becomes aware that he is holding or owning Shares in contravention of Clause 9.1 he shall forthwith in writing request the ICAV to redeem such Shares in accordance with Clause 12 of this Instrument or transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Clause 9.4.
- 9.4 If it shall come to the notice of the Directors or if the Directors shall have reason to believe that any Shares are owned directly or beneficially by any person or persons in breach of any restrictions imposed by the Directors pursuant to Clause 9.1 the Directors shall be entitled to (i) give notice (in such form as the Directors deem appropriate) to such person requiring him to (a) transfer such Shares to a person who is qualified or entitled to own the same without contravening any restriction imposed by the Directors, or (b) request in writing the redemption of such Shares in accordance with Clause 9 and/or (ii) appropriate, compulsorily redeem and/or cancel such number of Shares held by such person as is required to discharge and may apply the proceeds of such compulsory redemption in the discharge of any taxation or withholding tax arising as a result of the holding or beneficial ownership of Shares by such person including any interest or penalties payable thereon. This Clause 9.4 is without prejudice to the provisions of this Instrument that apply in respect of Defaulting Members under Clause 29 of this Instrument. The Directors may also redeem any Shares held by a Shareholder for the purposes of making any distributions to Shareholders in respect of a Sub-Fund or Class pursuant to Clause 30. The Directors may also redeem any Shares held by a Shareholder in order to meet any charges incurred by a Sub-Fund as a result of it borrowing monies on a temporary basis pending receipt of subscription monies from the relevant Shareholder. Until such required redemption is effected, the holder of such Shares shall not be entitled to any rights or privileges attaching to such Shares other than the redemption thereof.

- 9.5 If any person upon whom such a notice is served as aforesaid does not within such time as determined by the Directors after such notice has been served transfer the Shares the subject matter of the notice or request in writing the ICAV to redeem the Shares he shall be deemed forthwith upon the expiration of the time determined by the Directors to have requested the redemption of all his Shares the subject of such notice whereupon the ICAV shall be deemed to be appointed his attorney with authority to appoint any person to sign on his behalf such documents as may be required for the purposes of the redemption. To any such redemption the provisions of Clause 12 shall apply subject to Clause 11.6 below save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the Net Asset Value of the relevant Sub-Fund or Class of Shares may have been suspended under Clause 12 of this Instrument.
- 9.6 Settlement of any redemption or transfer effected pursuant to Clauses 9.4 or 9.5 hereof, shall be effected by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled subject to such consents as may be necessary being obtained. Upon deposit of the redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited without interest. Notwithstanding the foregoing the ICAV may apply the proceeds of such compulsory redemption in the discharge of any taxation or withholding tax arising as a result of the holding or beneficial ownership of Participating Shares by a Shareholder including any interest or penalties payable thereon.
- 9.7 Any person or persons to whom Clauses 9.1, 9.2, 9.4 or 9.5 shall apply shall indemnify the ICAV, the Directors, the AIFM, Investment Manager, the Administrator, the Depositary and any Member for any claims, demands, proceedings, liabilities, damages, losses, costs, expense directly or indirectly suffered by any or all of them as a result of such person or persons acquiring or holding Shares in the ICAV.
- 9.8 If, as a result of the status of a Member, the ICAV becomes liable to account for tax, in any jurisdiction, including any interest or penalties thereon if an event giving rise to a tax liability occurs, the ICAV shall be entitled to deduct such amount from the payment arising on such event or to compulsorily redeem or cancel such number of Shares held by the Member or the beneficial owner of the Shares as have a value sufficient after the deduction of any redemption charges to discharge any such liability. The relevant Member shall indemnify and keep the ICAV indemnified against any loss arising to the ICAV by reason of the ICAV becoming liable to account for tax and any interest or penalties thereon on the happening of an event giving rise to a tax liability including if no such deduction, appropriation or cancellation has been made. The Members also must indemnify the ICAV for the ICAV's obligations for taxes attributable to lower-tier entities including for the avoidance of doubt any collective investment schemes in which the ICAV may invest on behalf of a Sub-Fund. The ICAV may also have additional rights against the Members for taxes not described above.

10. REDEMPTION OF SHARES

- 10.1 Subject to the provisions of the Act and as hereinafter provided, the ICAV may redeem its own outstanding fully paid Shares at any time in accordance with the rules and procedures set out herein. The Directors have the power to determine the times on which Shares in open-ended with limited liquidity Sub-Funds will be repurchased by the ICAV and such terms will be set out in the Prospectus. Notwithstanding this right, certain Sub-Funds may be established in accordance with Section 29 below with no right of redemption, subject to the requirements of the Central Bank.
- 10.2 Subject to the provisions of the Act and as hereinafter provided, a Shareholder may in relation to open-ended Sub-Funds only, subject to the restrictions set out in Section 29 in respect of closed-ended Sub-Funds at any time irrevocably request the ICAV to redeem all or any part of his Shares at the Redemption Price for each such Share as hereinafter determined and the ICAV shall on receipt by it or by its authorised agent of such request redeem or procure the redemption of such Shares at not less than the Redemption Price provided always that any such redemption shall be effected on the following terms and conditions:

- (a) a request for redemption of Shares shall be in such form as the ICAV shall prescribe and shall be delivered by the Shareholder to the Office or to such office of such person from time to time designated by the ICAV as its agent for the redemption of Shares on or before such time as shall from time to time be designated by the Board whether on or prior to the relevant Dealing Day and shall be accompanied by such proper evidence as the Directors may at their absolute discretion require in relation to succession or assignment, if applicable;
- (b) save for closed-ended Sub-Funds (details of which are set out in Section 29) or open-ended Sub-Funds with limited liquidity redemption facilities will be provided on at least a quarterly basis and, upon request, the ICAV will redeem at least 10% of its Net Asset Value on a monthly basis or 25% of its Net Asset Value on a quarterly basis (the "**Specified Percentage**").
- (c) subject as hereinafter provided the Shareholder shall not be entitled to revoke or withdraw a request for redemption of his Shares duly given in accordance with this Section 10.2;
- (d) the redemption of Shares pursuant to this Section 10.2 shall be effected on the Dealing Day following the day on which the redemption request is delivered in accordance with (a) above or on such other day as the Directors may determine and specify in the Prospectus or on such earlier day as the Directors at the request of such Shareholder may in their absolute discretion agree provided that all Shareholders are notified in advance of such additional Dealing Day. Redemption requests received by or on behalf of the ICAV up to such time on a Business Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Business Day. Such redemption requests as are received by or on behalf of the ICAV after such time on a Business Day as the Directors may determine shall be deemed to have been received by or on behalf of the ICAV on the following Business Day;
- (e) the Redemption Price (less an appropriate provision for Duties and Charges in respect of the Shares being redeemed) shall be dispatched to the Shareholder by the ICAV or its duly authorised agent within such number of days after the day on which redemption of the relevant Shares is effected as the Directors may determine and as shall be specified in the Prospectus and which will not, in any event, be greater than 90 calendar days (95 calendar days in respect of Sub-Funds that invest in other investment Sub-Funds) from the dealing deadline;
- (f) any amount payable to a Shareholder in connection with the redemption of Shares under this Section 10 shall be paid in the Base Currency of the relevant Shares or in such other currency as the Directors shall have determined as appropriate at the rate of exchange for conversion on the date of payment provided that the certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons and provided further that the cost of conversion, if any, shall be debited from the converted payment and any such amount shall unless otherwise agreed with the ICAV or its duly authorised agent be paid by electronic bank transfer to the account designated by the relevant Shareholder;
- (g) if the determination of the Net Asset Value per Share is suspended on any Valuation Day by reason of a declaration or notice by the Directors pursuant to Section 12.7 hereof the right of the applicant Shareholder to have his Shares redeemed pursuant to this Section 10.2 shall be similarly suspended and during the period of suspension he may, with the approval of the ICAV, withdraw the request for redemption of his Shares (if any). Any withdrawal of a request for redemption under the provisions of this Section 10.2 shall be made in writing and shall only be effective if actually received by the ICAV or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Dealing Day next following the end of the suspension or on such other

Business Day following the end of the suspension as the Directors at the request of the applicant may agree;

- (h) on a redemption of Shares, the ICAV shall be entitled to charge a redemption fee of up to 5.00% of the Net Asset Value per Share in an amount and on such terms as may be determined by the Directors with the approval of the Depositary and disclosed in the Prospectus; and
- (i) any amount payable to a Shareholder in connection with the redemption or purchase of Shares under this Section 10.2 may, at the discretion of the Directors and with the consent of the Shareholder concerned (which consent may be provided pursuant to and in accordance with the terms of a Share Charge as defined in Section 10.15(g)), be paid by the transfer to such Shareholder of the assets of the ICAV in specie, provided that the nature of the assets and the type of assets to be transferred to each Shareholder shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Shareholders, and for the foregoing purposes the value of assets shall be determined on the same basis as used in calculating the Redemption Price of the Shares being so repurchased and the asset allocation subject to the approval of the Depositary.

10.3 Shares which are redeemed by the ICAV shall be cancelled.

10.4 Following the processing of a redemption request, the Member will be paid a price per Share equal to the Redemption Price per Shares (less any applicable Redemption Charge plus any clawback payments which may be made by the Investment Manager as described in the Relevant Supplement) ascertained by:

- (a) determining the Net Asset Value of the relevant Sub-Fund or Class of Shares as at the Valuation Point for the relevant Redemption Day in accordance with the provisions of Clause 15.00 hereof, excluding as determined by the Directors in their absolute discretion, any Side Pocket Shares;
- (b) deducting therefrom a provision for Duties and Charges if the Directors so determine;
- (c) in the event of requests for redemption exceeding subscription applications for the relevant Sub-Fund or Class on any Dealing Day, and if the Directors so determine, deducting therefrom such provision representing an anti-dilution levy to provide for market spreads, dealing costs and preserve the value of the underlying assets of the relevant Sub-Fund as the Directors determine;
- (d) dividing the resulting amount by the number of Shares which are issued or deemed to be in issue in the relevant Sub-Fund or Class; and
- (e) rounding the resulting total to such number of decimal places as the Directors may determine.

10.5 Upon the redemption of Shares being effected pursuant to this Section 10, the applicant Shareholder shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and such Shares shall be treated as cancelled and the amount of the issued share capital shall be reduced accordingly.

10.6 If any Shareholder requests the redemption of Shares equal to 5% or more (as may be stated in the Prospectus) of the Net Asset Value of the Shares in issue in any Sub-Fund on any Dealing Day, the Directors may in their absolute discretion, distribute underlying investments equivalent to the value of the Shareholder's Shares rather than cash which action shall be in good faith, provided that any such distribution shall not materially prejudice the interest of other Shareholders and provided further that the asset allocation is subject to the approval of

the Depositary. In such circumstances, the Shareholder will have the right to instruct the Directors to procure the sale of such underlying investments on its behalf in which case the Shareholder will receive the proceeds net of all fiscal duties and charges incurred in connection with the sale of such underlying investments. If any Shareholder requests the redemption of Shares below 5% of the Net Asset Value of the Shares in issue in any Sub-Fund on any Dealing Day, the Directors may in their absolute discretion and with the consent of the redeeming Shareholder distribute the underlying investment equivalent to the value of the Shareholder's Shares rather than cash which action shall be in good faith, provided that any such distribution shall not materially prejudice the interest of other Shareholders and provided further that the asset allocation is subject to the approval of the Depositary.

- 10.7 If outstanding redemption requests in open-ended Sub-Funds only from Shareholders on any Dealing Day aggregate to an amount in excess of the Specified Percentage (as described at Section 10.2(b)) of the Net Asset Value of all of the Shares in issue on any Dealing Day, the Directors shall be entitled subject to the terms of the Prospectus to refuse to redeem such number of Shares in any Sub-Fund in issue on that Dealing Day (as discussed at Section 10.2(b)) in respect of which redemption requests have been received in excess of Specified Percentage (as discussed at Section 10.2(b)) as the Directors shall determine. If the Directors refuse to redeem Shares for these reasons, the requests for redemption shall be reduced rateably and the Shares to which each redemption request relates which are not redeemed shall be redeemed on each subsequent Dealing Day, provided that the ICAV shall not be obliged to redeem more than Specified Percentage outstanding on any Dealing Day, until all the Shares to which the original request related have been redeemed. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.
- 10.8 Requests for redemption which have been carried forward from an earlier Dealing Day pursuant to this Instrument shall (subject always to the foregoing limits) be complied with in priority to later requests.
- 10.9 Notwithstanding any other provision of this Instrument, the ICAV shall be entitled at any time and from time to time to compulsorily repurchase any or all of the Subscriber Shares at a price of €1.00 per Subscriber Share to the extent Subscriber Shares or Capitalisation Shares have been issued.
- 10.10 If a redemption of Shares by the ICAV would result in the number of Shareholders falling below two or such other number stipulated by any applicable statute or regulation from time to time to be the minimum number of Shareholders in the ICAV or where a redemption of Shares by the ICAV would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged from time to time to maintain pursuant to any applicable statute or law the ICAV shall be entitled to defer the redemption of the minimum number of Shares sufficient to ensure compliance by the ICAV with the applicable statute or law. Redemption of such Shares may be deferred until such time as the ICAV is being wound up, or until the ICAV procures the issue of sufficient Shares to ensure that the redemption can be effected. The Directors shall be entitled to select the Shares in respect of which redemption is to be deferred in accordance with this Section 10.10 in such manner as shall appear to the Directors, with the approval of the Depositary, to be fair and reasonable.
- 10.11 Where satisfaction of a redemption request would result in a Shareholder holding a number of Shares in the ICAV less than or with a value less than the Minimum Holding for the ICAV, the Directors shall be entitled, at their discretion, to treat the application for redemption as an application for the redemption of all of that Shareholder's Shares in the ICAV, unless the Directors otherwise determine.
- 10.12 Where provided for in the Prospectus, the Directors may, when calculating the price at which shares may be redeemed, (the "**Redemption Price**") Price, on any Dealing Day when there are net redemptions, adjust the Redemption Price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the ICAV.
- 10.13 Where the ICAV has redeemed any Debentures then:

- (a) unless any provision to the contrary, whether express or implied, is contained in the Instrument or in any contract entered into by the ICAV, or
- (b) unless the ICAV has, by passing a resolution to that effect or by passing a resolution to that effect or by some other act, shown its intention that Debentures shall be cancelled,

the ICAV shall have the power to re-issue the Debentures by re-issuing the same Debentures or by issuing other Debentures in their place.

10.14 The ICAV has the right to compulsorily redeem all or some of the Shares held by a Shareholder at the Net Asset Value per Share less Duties and Charges as at the Valuation Point immediately prior to the date such redemption is to take effect if the Directors shall determine in their absolute discretion to do so.

10.15 The ICAV intends to compulsorily redeem Shares where:

- (a) the ICAV may require that a Shareholder redeem the whole or a specified percentage of his investment if the Directors consider that the continued investment by such Shareholder would contravene the relevant criteria for eligibility for investing in the ICAV, described under "Qualifying Investor" above, or where required to give effect to the terms upon which Shares were issued to the Shareholder as described in this Prospectus with respect to those Shares (including for the avoidance of doubt, any equalisation policy); or
- (b) their ownership gives rise to a breach of any applicable law or requirement in any jurisdiction (including where an investor is no longer a Qualifying Investor, as the same is defined herein), or may, in the sole and conclusive opinion of the Directors: (i) prejudice the tax status or residence of the ICAV or its Shareholders; or (ii) cause the ICAV or its Shareholders to suffer any legal, regulatory, pecuniary, fiscal or material administrative disadvantage; or (iii) cause the ICAV to be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply; or (iv) cause the assets of the ICAV to become "plan assets" for the purposes of ERISA. The ICAV may also compulsorily redeem those Shares owned directly or beneficially by any person where they consider it to be in the best interests of the ICAV and the Shareholders to do so;
- (c) the investor holds Shares with an aggregate Net Asset Value of less than the Minimum Holding for the relevant Class of Shares; or (ii) where a transfer by any investor results in the Minimum Holding of that investor falling below an aggregate Net Asset Value of the Minimum Holding for the relevant Class of Shares;
- (d) in the event of any liability or charge to Taxation arising in respect of Shares or any Shareholder, the ICAV is entitled to redeem, repurchase, appropriate or cancel such number of Shares as is required to meet the appropriate liability or charge to Taxation of such Shareholder and to account for such appropriate tax to the relevant tax authorities;
- (e) in the case of Sub-Funds that are loan originating Sub-Funds, in the event that the diversification requirements imposed by the Central Bank and set out in the Prospectus are breached and Shareholders do not approve the continuation of the relevant Sub-Fund at the level of diversification that has been achieved within the timeframe imposed by the Central Bank;
- (f) the investor fails to comply with the terms and/or conditions of issue of its Shares or any agreement with the ICAV to subscribe for further Shares or the investor otherwise becomes classified by the Directors as a Defaulting Shareholder in accordance with the Prospectus; or

- (g) following the enforcement of security in respect of the Shares of such Sub-Fund pursuant to the terms of any share charge in respect of such Shares (the "**Share Charge**"), the Directors determine in accordance with the terms of the Share Charge to compulsorily redeem such Shares and transfer any remaining assets of the Sub-Fund to the secured lender or its agent or nominee whether in cash or in specie in the absolute discretion of the Directors, in settlement of the redemption of such Shares and any amounts outstanding under the finance documents to which the Share Charge relates.
- 10.16 In the case of closed-ended Sub-Funds that are loan originating Sub-Funds, a redemption request may be accepted and distributions may be made during the life of the loan originating Sub-Fund to the extent that there is unencumbered cash or liquid assets available for distribution or redemption purposes and that such distributions or redemptions will not endanger the regulatory compliance or liquidity related obligations of the loan originating Sub-Fund (or as otherwise may be permitted by the Central Bank). Unless the assets of the loan originating Sub-Fund are valued by reference to prevailing market prices, a redemption request cannot be accepted without the approval of Shareholders by way of a Special Resolution.
- 10.17 Any Sub-Fund established that offers redemptions on a less than quarterly basis (or such other timeframe indicated by the Central Bank) or provides for a period of more than 90 days (or such other timeframe indicated by the Central Bank) between the Dealing Deadline and the payment of the Redemption Price will be classified as "Open-Ended with limited liquidity".

11. TOTAL REDEMPTION

- 11.1 The ICAV may at the sole and absolute discretion of the Directors, on the giving by the ICAV to Shareholders of not less than such period of notice, ending on a Redemption Day, as the Directors may determine and/or as may be disclosed in the Prospectus or Supplement for the relevant Sub-Fund, redeem at the Redemption Price with respect to such Redemption Day, all of the Shares in any Sub-Fund or Class or all Sub-Funds or Classes not previously redeemed. For the avoidance of doubt in the case of any closed-ended Sub-Fund the Directors may declare a specific Redemption Day (and corresponding Valuation Day) for the purposes of giving effect to a total redemption of Shares in accordance with this Clause 11.00. Any such redemption shall be effected at the Redemption Price.
- 11.2 The ICAV shall redeem all of the Shares in any Sub-Fund or Class not previously redeemed if the holders of 75% or more in value of the Shares in issue in respect of the relevant Sub-Fund or Class resolve at a meeting of the Shareholders of such Sub-Fund or Class duly convened and held that such Shares should be redeemed.
- 11.3 The Directors may in their absolute discretion resolve to retain sufficient monies prior to effecting total redemption of Shares in accordance with this Clause 11.00 to cover the costs associated with the subsequent termination of the relevant Sub-Fund; or the liquidation of the ICAV.
- 11.4 If all the Shares are to be redeemed as aforesaid, redemption proceeds may be paid by way of distribution in specie where the Shareholders so resolve by way of Special Resolution by dividing amongst the Shareholders in specie all or part of the assets of the ICAV according to the number of the Shares then held by each person holding Shares; provided, however that if a Shareholder so requests, the Directors shall liquidate or otherwise dispose of the assets and distribute the cash proceeds thereof, net of liabilities, to such Shareholder instead of a distribution of assets in specie.
- 11.5 If all the Shares are to be repurchased as aforesaid and the whole or any part of the business or property of the ICAV or any of the assets of the ICAV are proposed to be transferred or sold to another company or investment vehicle (hereinafter called the "Transferee") the Directors may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other

like interests or property in or of the Transferee for distribution among the Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

12. DETERMINATION OF NET ASSET VALUE

- 12.1 In accordance with the Regulations and subject to general oversight by the ICAV, or the AIFM where an external AIFM is appointed, the ICAV or the AIFM will ensure that it establishes appropriate and consistent procedures to ensure that a proper and independent valuation of each Sub-Fund's assets can be performed. Valuation will be carried out as often as the relevant Sub-Fund deals and at least once a year for Sub-Funds which are open-ended with limited liquidity or closed-ended.
- 12.2 The ICAV, the AIFM or its duly appointed agent as an External Valuer appointed in accordance with the Central Bank's requests and the Regulations shall determine the Net Asset Value of a Sub-Fund expressed in the Base Currency of the Sub-Fund by ascertaining on each Valuation Day the value of the assets of the Sub-Fund calculated pursuant to Section 12.1 hereof, and deducting from such amount the liabilities of the Sub-Fund calculated pursuant to 12.2 hereof.
- 12.3 The Net Asset Value of a Sub-Fund or a Class shall be expressed in the currency in which that Sub-Fund or Class is designated or in such other currency as the Directors may determine either generally or in relation to a particular Sub-Fund or Class or in a specific case, and shall be determined, subject to Section 12.6 hereof, in accordance with the valuation rules set out hereafter, on every Valuation Day subject to the Act.
- 12.4 The Net Asset Value per Share may be published through such media as the Directors may from time to time determine and set out in the Prospectus.
- 12.5 In calculating the Net Asset Value attributable to each Sub-Fund or Class:
- (a) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
 - (b) every Share agreed to be issued or allotted but not issued by a Sub-Fund on the relevant Valuation Day shall be deemed to be in issue and the assets of the Sub-Fund shall be deemed to include any cash or other property to be received in respect of such Share;
 - (c) there shall be added to a Sub-Fund's assets any actual or estimated amount of any Taxation of a capital nature which may be recoverable by the ICAV;
 - (d) there shall be added to a Sub-Fund's assets a sum representing any interest or dividends or other income accrued but not received in respect of such assets;
 - (e) there shall be added to a Sub-Fund's assets the total amount (whether actual or estimated) of any claims for repayment of any Taxation levied on income of a Sub-Fund and for double Taxation relief in relation to the assets of the Sub-Fund;
 - (f) there shall be added to a Sub-Fund's assets, the total amount (whether actual or estimated) of any realised and/or unrealised gains of the Sub-Fund in respect of such assets; and
 - (g) there shall be added to a Sub-Fund's liabilities, the total amount (whether actual or estimated) of any realised and/or unrealised losses of the Sub-Fund in respect of such assets.

The Net Asset Value per Share with respect to a Series within a class of Shares of a Sub-Fund initially will be equal to the Net Asset Value per Share of such Series as of the date of its creation. The various Series of Shares will be issued at different dates and accordingly the Net Asset Value per Share of one Series will differ from the Net Asset Value per Share of another Series. The Net Asset Value per Share for each Series within each class of Shares (prior to any applicable Performance Fee accrual) is determined by attributing in each Performance Period any appreciation or depreciation of the Net Asset Value of the relevant Sub-Fund among the different Series of Shares pro rata in accordance with the Net Asset Value of each class at the beginning of the applicable Performance Period, prior to any year-to-date accrued Performance Fee, and then dividing the Net Asset Value of such class by the number of outstanding Shares therein. Shares within a Series will have the same Net Asset Value per Share. The portion of the Performance Fee accrued to a particular Series of Shares, including without limitation, any Side Pocket Classes will then be debited against the Net Asset Value of that class.

12.6

- (a) Values expressed in a currency other than the Base Currency will be converted into the Base Currency at the latest available exchange rate as determined by the Administrator as of the relevant Valuation Day:
- (b) in calculating the number of Shares in issue:
 - (i) every Share agreed to be issued or allotted but not issued by the ICAV on the Valuation Day shall be deemed to be in issue; and
 - (ii) where notice of a reduction of the share capital by cancellation of Shares has been given by the Directors to the Administrator but such cancellation has not been completed prior to or on the relevant Valuation Day, the Shares to be cancelled shall be deemed not to be in issue.

12.7 Temporary Suspension of Dealings

The Directors, the AIFM or the External Valuer may at any time, temporarily suspend the determination of the Net Asset Value of any Sub-Fund and the issue, redemption or conversion of Shares of any Sub-Fund during the whole or any part of the period:

- (d) when any of the principal markets on which any significant portion of the Investments of the Sub-Fund from time to time are quoted, listed, traded or dealt in is closed (otherwise than for customary weekend or ordinary holidays) or during which dealings therein are restricted or suspended or trading on any relevant futures exchange or market is restricted or suspended;
- (e) when, as a result of political, economic, military or monetary events or any other circumstances outside the control, responsibility and power of the Directors, any disposal or valuation of Investments of the relevant Sub-Fund is not, in the opinion of the Directors, reasonably practicable without this being seriously detrimental to the interests of owners of Shares in general or the owners of Shares of the relevant Sub-Fund in general or if, in the opinion of the Directors, the Net Asset Value cannot fairly be calculated or such disposal would be materially prejudicial to the owners of Shares in general;
- (f) when any breakdown occurs in the means of communication normally employed in determining the value of any of the Investments of the Sub-Fund or when for any other reason the value of any of the Investments or other assets of the Sub-Fund cannot reasonably or fairly be ascertained;
- (g) when the ICAV is unable to repatriate Sub-Funds required for the purpose of making redemption payments or when such payments cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange or during which any transfer

of Sub-Funds involved in the realisation or acquisition of Investments or when payments due on redemptions cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;

- (h) any period when any emergency exists as a result of which disposal by the ICAV of Investments which constitute a substantial portion of the assets of any Sub-Fund is not practically feasible;
- (i) upon the publication of a notice of a general meeting of Shareholders to wind up the ICAV or terminate a Sub-Fund; or
- (j) during any period when the Directors consider it to be in the best interests of the Sub-Fund or Shareholders,

provided always that no such suspension may be effected in circumstances where such determination, issue, redemption or conversion is required by a lender (or agent or trustee on behalf of any lender) in connection with any loan or other credit afforded to the ICAV or any security granted by the ICAV in connection with such loan or credit.

- 12.8 Details of any such suspension will also be notified to all Shareholders who have requested issue or redemption of Shares of any class or exchange of Shares of one class to another in such manner as may be directed by the Directors, the AIFM or the External Valuer. Notice of any such suspension shall be provided without delay and in any event within the working day on which such suspension took effect to the Central Bank, the Irish Stock Exchange (if applicable) and any other competent authority. Where possible, reasonable steps will be taken to bring any period of suspension to an end as soon as possible. Shareholders who have requested the issue or redemption of Shares of any class will have their subscription or redemption request dealt with on the first Valuation Day after the suspension has been lifted unless applications or redemptions requests have been withdrawn prior to the lifting of the suspension.

13. VALUATION OF ASSETS

- 13.1 Valuation will be carried out as often as each Sub-Fund deals and at least once a year for Sub-Funds which are open-ended with limited liquidity or closed-ended. The value of the assets of a Sub-Fund shall be determined as follows and in accordance with valuation methodology set out in the Prospectus or according to such alternative method of valuation in relation to any particular asset as the Directors (the AIFM or External Valuer) consider appropriate if the Directors or the AIFM consider that the method of valuation herein provided for does not provide a fair or appropriate valuation of that asset and that the proposed alternative method of valuation will not materially prejudice shareholders.

- 13.2 The assets of the ICAV and each of the Sub-Funds shall be deemed to include inter alia:

- (a) Subscription monies receivable for Shares allocated, all cash in hand, on deposit, or on call including any interest accrued thereon and all accounts receivable;

- 13.3 The AIFM or External Valuer must ensure that the Prospectus discloses the method of valuation (if any) will be availed of. The Prospectus may provide for different methods or amend the methods set out here.
- 13.4 The liabilities of the ICAV shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the ICAV (except liabilities taken into account in determining the value of the assets of the ICAV under Section 13.2 above) including, without limitation to the generality of the foregoing:
- (a) all administrative and professional fees and expenses payable and/or accrued including, without prejudice to the generality of the foregoing, all remuneration, fees, costs and expenses payable by the ICAV and/or accrued and/or estimated to be payable by the ICAV to the Depositary, the Administrator, the Investment Manager and the legal advisers of the ICAV and to any other person, firm or corporation providing services to the ICAV and all other projected expenses as the Directors, the AIFM or the External Valuer consider fair and reasonable and properly payable out of the assets of the ICAV and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the ICAV;
 - (b) any and all outstanding borrowings and all accrued interest payable thereon and all costs, fees and other amounts payable in connection therewith including, without prejudice to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the ICAV in respect of any debentures, debenture stock, loan stock, loan notes, bonds or other debt obligations created or issued by the ICAV;

In determining the amount of such liabilities, the Directors, the AIFM or the External Valuer may calculate administrative and other expenses of a regular or reoccurring nature on an estimated figure for yearly or other periods in advance and accrue same in equal proportions over any such period.

13.5 Without prejudice to their general powers to delegate their functions, the Directors or the AIFM may delegate any of their functions in relation to the calculation of Net Asset Values and Net Asset Values per Share, to the Administrator. In the absence of bad faith or manifest error, every decision taken by the Directors or the AIFM or any duly authorised person on behalf of the ICAV in calculating a Net Asset Value or Net Asset Value per Share, shall be final and binding on the ICAV and on present, past and future Shareholders.

- (i) The AIFM or an External Valuer shall be entitled to value the assets of any Sub-Fund using the amortised cost method of valuation. Where an amortised cost valuation method is utilised, an Investment is valued at its cost of acquisition adjusted for amortisation of premium or accretions of discount rather than at current market value:
- (k) the amortised cost method of valuation may only be used in relation to Sub-Funds which comply with the Central Bank's requirements for money market Sub-Funds and where a review of the amortised cost valuation vis-a-vis market valuation will be carried out in accordance with the Central Bank's guidelines;
- (l) money market instruments in a non-money market Sub-Fund may be valued on an amortised basis in accordance with the Central Bank's requirements;
 - (i) In the case of Funds that are loan originating funds, the AIFM or an External Valuer will value loans and/or participations in loans at fair value based upon the principles and methods of valuation adopted by the AIFM or an External Valuer. Where market quotations are not available (and it is expected that market values for loans and/or participations in loans in which a Fund invests will not typically be readily available), an income approach will be utilised by the AIFM or an External Valuer which will employ a valuation methodology to convert future cash flows or earnings to a single current (discounted) amount. This valuation methodology will take account of a range of factors including:
 - (A) comparable market multiples;
 - (B) the value of the collateral for the loan and the security interest to that collateral;
 - (C) the ability of a company or other issuer in which a Fund makes an Investment (a "Portfolio Company"), to service its debt; and
 - (D) analysis of the Portfolio Company's financial ratios and results, the market conditions in its market, sector and/or industry, and a comparison against similar metrics of the Portfolio Company's peers;

(m)

- (i) the value of an Investment which is quoted, listed or normally dealt in on a regulated market shall (save in the specific cases set out in the relevant paragraphs below) be the last traded price on such regulated market as at the Valuation Point or the closing mid-market price when no last traded price is available, provided that:
- (n) if an Investment is quoted, listed or normally dealt in on more than one regulated market, the Investment Manager or an External Valuer may, in its absolute discretion, select any one of such markets for the foregoing purposes (provided that the AIFM or an External Valuer has determined that such market constitutes the main market for such Investment or provides the fairest criteria for valuing such securities) and once selected a market shall be used for future calculations of the Net Asset Value with respect to that Investment unless the AIFM (or its delegate) or an External Valuer otherwise determines; and
- (o) in the case of any Investment which is quoted, listed or normally dealt in on a regulated market but in respect of which for any reason, prices on that market may not be available at any relevant time, or, in the opinion of the Investment Manager, may not be representative, the value therefor shall be the probable realisation value thereof estimated with care and in good faith by the AIFM (or its delegate) or an External Valuer;
- (p) in the case of any Investment which is quoted, listed or normally dealt in on a regulated market but which was acquired at a premium or at a discount outside or off the relevant market, the level of premium or discount at the date of valuation may be taken into account when valuing such Investment;
 - (i) the value of any Investment which is not quoted, listed or normally dealt in on a regulated market shall be the probable realisable value estimated with care and in good faith by the AIFM (or its delegate) or an External Valuer;
 - (ii) the value of any Investment which is a unit of or participation in an open-ended collective investment scheme/mutual Sub-Fund shall be calculated at the latest available net asset value of such unit/participation or if unavailable and if appropriate in the opinion of the Investment Manager or the External Valuer, the estimated net asset value per unit/participation as provided by the relevant scheme or if unavailable at its probable realisation value estimated with care and in good faith by the AIFM (or its delegate) or the External Valuer. Where estimated values are used, these shall be final and conclusive notwithstanding any subsequent variation in the net asset value of the relevant scheme as published by the collective investment scheme;
 - (iii) the value of any prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received shall be deemed to be the full amount thereof unless in any case the AIFM is of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the AIFM may consider appropriate in such case to reflect the true value thereof;
 - (iv) cash in hand and cash deposits shall be valued at their nominal value plus accrued interest from the date on which the same were acquired or made;
 - (v) treasury bills shall be valued at the last traded price on the market on which same are traded or admitted to trading as at the Valuation Point, provided that where such price is not available, same shall be valued at the probable realisation value estimated with care and good faith by the AIFM (or its delegate) or an External Valuer;
 - (vi) bonds, notes, debenture stocks, certificates of deposit, bank acceptances, trade bills and similar assets shall be valued at the last traded price on the

market on which these assets are traded or admitted for trading (being the market which is the sole market or in the opinion of the Investment Manager or an External Valuer the principal market on which the assets in question are quoted or dealt in) plus any interest accrued thereon from the date on which same were acquired;

- (vii) forward foreign exchange contracts shall be valued by reference to the price at which a new forward foreign exchange contract of the same size and maturity could be undertaken, that is by using forward exchange prices derived by applying Reuters deposit (mid) rates to WM Reuters Exchange rates;
- (viii) the value of any exchange traded futures contracts and options (including index futures) which are dealt in on a regulated market shall be the settlement price as determined by the market in question, provided that if such settlement price is not available for any reason or is unrepresentative, same shall be valued at the probable realisation value estimated with care and good faith by the AIFM (or its delegate) or an External Valuer;
- (ix) Derivative contracts traded on a regulated market shall be valued at the settlement price as determined by the market. If the settlement price is not available, the value shall be the probable realisation value estimated with care and in good faith by (i) the AIFM (or its delegate) or (ii) an External Valuer) appointed by the AIFM for such purpose.
- (x) Derivative contracts which are not traded on a regulated market and not cleared by a clearing counterparty (each an "OTC derivative") will be valued in accordance with market practice subject to the valuation provisions detailed in Article 11 of Regulation (EU_ No. 648/2012 on OTC derivatives, central counterparties and trade repositories (EMIR) and the related Commission Delegated Regulation No 149/2013. Derivative contracts which are not traded on a regulated market and which are cleared by a central clearing counterparty shall be valued on the basis of a quotation provided by the relevant counterparty and verified periodically by a party independent of the counterparty selected for such purpose by the AIFM.
- (xi) Forward foreign exchange and interest rate swaps contracts for which market quotations are freely available will be valued by reference to market quotations (in which case there is no requirement to have such prices independently verified or reconciled to the counterparty valuation). If no such market quotations are available, interest rate swaps contracts will be valued in accordance with the previous paragraph;
- (xii) In the case of a private equity/venture capital Sub-Fund, and except where otherwise provided in the Prospectus, the value of any private equity/venture capital investment made by such a Sub-Fund shall be determined by the AIFM or the External Valuer in its reasonable discretion in accordance with the International Private Equity and Venture Capital Valuation Guidelines ("IPEV") as adopted by the European Private Equity and Venture Capital Association ("EVCA") (or any replacement thereof endorsed by EVCA);
- (xiii) Property will be valued as of the Valuation Point for each Dealing Day in every year, or such other Valuation Point as the AIFM or the External Valuer may in its discretion decide taking account of market conditions, in the following manner:
 - (i) full valuations will be carried out on an annual basis as at a Valuation Point (with desktop valuations for each additional valuation within the relevant annual period where there is more than one Valuation Point per year) by by one of the AIFM or the External Valuer or the Independent Valuer in

accordance with guidelines published by (in Ireland) the Royal Institute of Chartered Surveyors (RICS) Appraisal and Valuation Standards (application in Ireland), i.e. the Red Book, (in the United Kingdom), the RICS Appraisal and Valuation Standards, i.e. the Red Book, (in all other countries), the RICS Appraisal and Valuation Standards with relevant applications in each country or if such standards do not exist in a given country, the valuation standards formulated and published by the International Valuation Standards Committee, all as may be amended from time to time; where a counterparty valuation is used, it must be provided on at least a monthly basis and approved or verified at least monthly by a party independent of the counterparty, which may be the AIFM or the External Valuer;

- (ii) when a valuation is carried out, the AIFM, the External Valuer or the Independent Valuer must issue a signed and dated valuation identifying the Property and stating:
 - (A) market value of the Property;
 - (B) market rental value of the Property;
 - (C) aggregated rental income;
 - (D) extent to which it is occupied;
 - (E) for development properties, the extent to which any allowance has been made in the valuation for any agreed sale or guaranteed rental when the development is completed.
- (xiv) Where negotiations have been entered into to buy, sell or develop land or buildings, these will be disregarded unless there is a legally binding agreement;
- (xv) Properties will be valued at open market value;
- (xvi) Included in the valuation are reasonable estimates of costs which would be incurred by the ICAV in disposing of a Property, such as commissions and legal fees which shall be at normal commercial rates;
- (q) notwithstanding the foregoing, where at any time of any valuation any asset of the ICAV has been realised or contracted to be realised there shall be included in the assets of the ICAV in place of such asset the net amount receivable by the ICAV in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the AIFM or the External Valuer as receivable by the ICAV;
- (r) the AIFM or the External Valuer, may, in order to comply with any applicable accounting standards, present the value of any assets of the ICAV in financial statements to Shareholders in a manner different to that set out in the Instrument.
- (s) any certificate as to Net Asset Value of Shares given in good faith (and in the absence of negligence or manifest error) by the AIFM shall be binding on all parties.
- (b) notwithstanding any of the foregoing sub-paragraphs, the Directors, the AIFM or the External Valuer may adjust the value of any Investment or permit some other method of valuation to be used if, having regard to currency, applicable rate of interest, maturity, marketability and/or such other considerations as it may deem relevant, it considers that such adjustment is required to reflect the fair value thereof and may, in order to comply with applicable accounting standards, present the value of any assets

of the ICAV in financial statements to Shareholders in a manner different to that set out in this Prospectus;

- (c) if in any case a particular value is not ascertainable as above provided or if the Directors, the AIFM or the External Valuer shall consider that some other method of valuation better reflects the fair value of the relevant Investment then in such case the method of valuation of the relevant Investment shall be such as the Directors, the AIFM or the External Valuer shall decide;
- (d) values of assets and liabilities expressed in a currency other than the Base Currency of the relevant Sub-Fund will be converted by the Administrator into the Base Currency of the Sub-Fund at the latest available exchange rate at the Valuation Point;
- (e) in determining the value of the assets there shall be added to the assets any interest or dividends accrued but not received and any amounts available for distribution but in respect of which no distribution has been made and there shall be deducted from the assets all liabilities accrued;
- (f) notwithstanding the foregoing, where at any time of any valuation any asset of the ICAV has been realised or contracted to be realised there shall be included in the assets of the ICAV in place of such asset the net amount receivable by the ICAV in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the AIFM or the External Valuer as receivable by the ICAV.

The method of valuation to be used for each asset of the Sub-Fund(s) will be outlined in the Prospectus. The Prospectus may provide for different methods or amend the methods set out here.

14. TRANSFER AND TRANSMISSION OF SHARES AND DEBENTURES

- 14.1 A Shareholder shall be entitled to transfer or dispose of his Shares in the ICAV or Debentures of the ICAV to any person at such price and upon such terms as he sees fit provided always that a Shareholder shall not be entitled to transfer his Shares and Debentures, except with the consent of the Directors, to a US Person other than a Permitted U.S. Person or to a person otherwise disqualified from holding Shares under the terms of this Instrument or otherwise disqualified as a result of any law or regulation of any country or government/authority.
- 14.2 Notwithstanding anything contained in this Instrument, the Directors shall promptly register any transfer of any Share issued by the ICAV with respect to a Sub-Fund and may not suspend registration thereof provided such transfer:-
 - (a) is to the bank or person to which the Shares have been charged by way of security, whether as agent and trustee for a group of banks or persons or otherwise, or to any nominee or any transferee of such a bank or person (a "**Secured Institution**") and that Secured Institution is a Qualifying Investor, and in the case of a US Person, that Secured Institution is a Permitted U.S. Person;
 - (b) is effected in writing in any usual or common form, signed by or on behalf of the transferor and is delivered to the ICAV for registration by a Secured Institution or its nominee or transferee in order to register the Secured Institution as legal owner of the Shares together with the original of any supporting anti-money laundering or related documentation; and
 - (c) is executed by a Secured Institution or its nominee or transferee pursuant to the power of sale or other power under such security,

and furthermore, notwithstanding anything to the contrary contained in this Instrument or in any agreement or arrangement applicable to any Shares, no transferor or proposed transferor of any such Shares to a Secured Institution or its nominee or

transferee and no Secured Institution or its nominee or transferee (each a “**Relevant Person**”), shall be subject to, or obliged to comply with, any rights of pre-emption contained in this Instrument or any such agreement or arrangement nor shall any Relevant Person be otherwise required to offer the Shares which are or are to be the subject of any transfer as aforesaid to the shareholders for the time being of the ICAV or any of them, and no such shareholder shall have any right under the Instrument or otherwise howsoever to require such Shares to be transferred to them whether for consideration or not.

- 14.3 Subject to the requirements of the Central Bank, all transfers of Shares and Debentures shall be effected by transfer in writing in any usual or common form or in any other form as is required to prove the right of the transferor to the transfer the Shares or Debentures approved by the Directors from time to time and every form of transfer shall state the full name and address of the transferor and transferee.
- 14.4 The instrument of transfer of a Share or Debenture shall be signed by or on behalf of the transferor and if applicable by the transferee and shall be delivered to the ICAV so that the transferee is entitled to enter the transfer in the Register. The transferor shall be deemed to remain the holder of the Share or Debenture until the name of the transferee is entered in the Register in respect thereof.
- 14.5 Subject always to Section 14.2, the Directors may decline to register any transfer of Shares or Debentures unless the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require accompanied by the Debentures to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and to show the identity of the transferee and the Directors may decline to register a transfer of Shares or Debentures:
- (a) in the absence of satisfactory evidence that the proposed transferee is not and will not be holding units on behalf of, directly or indirectly, a disqualified person or if the transfer is in breach of U.S. securities laws;
 - (b) if in the opinion of the Directors the transfer would be unlawful or result or be likely to result in any adverse legal regulatory, pecuniary, tax or fiscal consequences or material administrative burden to the ICAV or the Shareholders as a whole;
 - (c) in the absence of satisfactory evidence of the transferee's identity;
 - (d) if the ICAV would be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be obliged to comply;
 - (e) if the transfer would cause the assets of the ICAV to become "plan assets" for the purposes of ERISA;
 - (f) where the ICAV is required to redeem appropriate or cancel such number of Shares as is required to meet the appropriate tax of the Shareholder on such transfer.
 - (g) if the proposed transferee has not certified in writing to the ICAV or its delegate that it is a Qualifying Investor and that it is aware of the risk involved in investment in the ICAV and of the fact that inherent in the investment is the potential to lose all of the sum invested;
 - (h) the proposed transfer would result in a contravention of any provision of the Instrument or would produce a result inconsistent with any provision of the Prospectus;
 - (i) if the transferee, if not an existing Shareholder, has not completed an application form as specified in the Prospectus to the satisfaction of the Directors; or

- (j) where the Directors believe, in their discretion, that it is in the best interests of the ICAV or the Shareholders to do so.

A proposed transferee may be required to provide such representations, warranties or documentation as the Directors may require in relation to the above matters.

- 14.6 The ICAV shall give the transferee written notice of any refusal to register a transfer of Shares or Debentures. The ICAV is not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of law (including any law that is for the time being in force in a country or territory other than the State).

29. CLOSED-ENDED SUB-FUNDS

- 29.1 The ICAV may establish Sub-Funds which are closed-ended . For the avoidance of doubt, a Shareholder that is a Feeder Fund will only be considered a "Defaulting Shareholder" with respect to the portion of its Shares attributable to the defaulting investor(s) in such Feeder Fund;
- 29.3 The ICAV may delegate the authority to make capital calls to the AIFM or a delegate thereof. Unless otherwise provided for in the Prospectus, a Shareholder must contribute the amount specified on the relevant capital call notice (each, a "**Capital Call Notice**") by the due date specified on the relevant Capital Call Notice. Capital calls will be made on the terms and subject to the conditions set out in the Prospectus. Capital Contributions made by a Shareholder in respect of a duly made capital call will proportionately reduce such Shareholder's unfunded Capital Commitment. Shareholders will generally be required to fund their Capital Contributions on a pro rata basis based on the relative size of their Capital Commitments. However, from time to time, Shareholders may be required to contribute capital on a non-pro rata basis where explicitly provided for under the terms of the Prospectus.
- 29.4 During the period following the initial offer or placing of Shares a closed- ended Sub-Fund of the ICAV will be closed to redemptions at the request of Shareholders or may be subject to restriction on redemptions pursuant to the provisions of this Instrument (the "**Closed-Ended Period**").The Closed End Period for such Sub-Funds will be the lesser of (i) the period from the initial closing date until the termination date as set out in the Prospectus or (ii) a specific duration from the initial closing date, subject to extension as set out below and as set out in the Prospectus in respect of such a Sub-Fund.
- 29.5 On the expiry of the closed end period of the Sub-Fund, one of the following options will be exercised by the ICAV:
- (a) as the Directors consider appropriate, taking into account the interests of Shareholders as they deem appropriate, liquidate the Sub-Fund's portfolio of Investments and return the net proceeds thereof to Shareholders as and when such proceeds become available through distributions or the compulsory repurchase of Shares, and, following such liquidation, terminate the Sub-Fund and apply to the Central Bank for revocation of the Sub-Fund's approval. Such liquidation shall commence immediately upon expiry of the Closed-Ended Period of the Sub-Fund unless extended pursuant to Clause 29.3 (d) below;

- (b) repurchase all outstanding Shares in the relevant Sub-Fund and will apply to the Central Bank for revocation of the relevant Sub-Fund's approval PROVIDED THAT, if the relevant Sub-Fund is the last Sub-Fund of the ICAV, the Directors will apply to the Central Bank for revocation of the ICAV's authorisation;
 - (c) convert the relevant Sub-Fund into an open-ended Sub-Fund, the relevant subscription and redemption details of which shall be in accordance with the requirements of the Central Bank and specified in an addendum to the Prospectus or in a new Prospectus or Supplement to the Prospectus issued upon such conversion and as determined by a duly convened and held general meeting of Shareholders of that Sub-Fund; or
 - (d) obtain the approval of Shareholders by way of Special Resolution to extend the Closed-Ended Period of the Sub-Fund for a further finite period. However, where a redemption facility is available to those Shareholders who do not wish to extend the Closed-Ended Period, an Ordinary Resolution shall be sufficient to extend the Closed-Ended Period.
- 29.6 If there is proposed to be a change in the closed-ended period of any such Sub-Fund, or any increase to the maximum stated fees charged by the AIFM or the Investment Manager, or a redemption fee imposed, this may only be done with the prior approval of the Shareholders by a Special Resolution.
- 29.7 In the case of closed-ended Funds that are loan originating Funds, a redemption request may be accepted and distributions may be made during the life of the loan originating Fund to the extent that there is unencumbered cash or liquid assets available for distribution or redemption purposes and that such distributions or redemptions will not endanger the regulatory compliance or liquidity related obligations of the loan originating Fund (or as otherwise may be permitted by the Central Bank). Unless the assets of the loan originating Fund are valued by reference to prevailing market prices, a redemption request cannot be accepted without the approval of Shareholders by way of a Special Resolution.
- 29.8 In the case of closed-ended Funds that are not loan originating Funds, a redemption request may be accepted and distributions may be made during the life of the Fund in accordance with such terms as may be set out in the Prospectus subject to compliance with the requirements of the Central Bank as may be amended from time to time.

(b) the Depositary desires to retire or the ICAV desires to remove the Depositary from office and no replacement Depositary, subject to the prior approval of the Central Bank and Clause 4.02(b), is appointed within such time frame agreed by the ICAV in the applicable Depositary Agreement and the Members resolve to wind up the ICAV by Ordinary Resolution; or

(c) the AIFM desires to retire or the ICAV desires to remove the AIFM from office and no replacement AIFM, subject to the prior approval of the Central Bank, is appointed within such time frame agreed by the ICAV in the applicable AIFM Agreement or otherwise as determined by the Directors and the Members resolve to wind up the ICAV by Ordinary Resolution; or

(d) when it becomes illegal or in the opinion of the Directors of the ICAV impracticable or inadvisable to continue operating the ICAV; or

- (e) the ICAV ceases to be authorised or otherwise approved by the Central Bank; or
 - (f) the Members resolve by Ordinary Resolution that the ICAV cannot by reason of its liabilities continue its business and that it be wound up.
- 35.2 In all cases other than those set out in Clause 35.01 above, the Members may resolve to wind up the ICAV by Special Resolution in accordance with the summary approval procedure as provided for in the Act.
- 35.3 In the event of a winding up the liquidator shall firstly apply the assets of the ICAV in satisfaction of creditors' claims in such manner and order as he thinks fit. The liquidator shall in relation to the assets available for distribution among Members make such transfers thereof to and from the Sub-Funds or Classes as may be necessary in order that the effective burden of creditors' claims may be shared between the Members of different Sub-Funds or Classes in such proportions as the liquidator in his discretion deems equitable.
- 35.4 The assets available for distribution among the Members shall be applied in the following priority:
- (i) firstly, in the payment to the Shareholders of each Class or Sub-Fund of a sum in the Base Currency (or in any other currency selected by the liquidator and at such rate of exchange as determined by the liquidator) as nearly as possible equal to the Net Asset Value of the Shares of the relevant Class or Sub-Fund held by such Shareholders respectively as at the date of commencement of winding up;
 - (ii) secondly, in the payment to the holders of Subscriber Shares of sums up to the consideration paid therefore out of the assets of the ICAV not comprised within a Sub-Fund PROVIDED THAT if there are insufficient assets to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Sub-Funds;
 - (iii) thirdly, in the payment to the Shareholders of each Class or Sub-Fund of any balance then remaining in the relevant Sub-Fund, such payment being made in proportion to the number of Shares held in the relevant Class or Sub-Fund; and
 - (iv) fourthly, any balance then remaining and not attributable to a Sub-Fund or Class shall be apportioned between the Sub-Funds and Classes pro-rata to the Net Asset Value of the relevant Sub-Funds or attributable to each Class immediately prior to any distribution to Members and the amounts so apportioned shall be paid to Members pro-rata to the number of shares in that Sub-Fund or Class held by them.
- 35.5 The liquidator may with the authority of an Ordinary Resolution of the ICAV divide among the Shareholders (pro rata to the value of their respective shareholdings in the ICAV) in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind PROVIDED THAT any Shareholder shall be entitled to request the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale. The costs of any such sale shall be borne by the relevant Shareholder. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no Shareholder shall be compelled to accept any asset in respect of which there is any liability. Further the liquidator may with like authority transfer the whole or part of the assets of the ICAV to a company or collective investment scheme (the "**Transferee Company**") on terms that Shareholders in the ICAV shall receive from the Transferee Company shares or units in the Transferee Company of equivalent value to their shareholdings in the ICAV.

35.6 Notwithstanding any other provision contained in this Instrument, should the Directors at any time and in their absolute discretion resolve that it would be in the best interests of the Shareholders to wind up the ICAV, then any such winding up shall be commenced in accordance with the summary approval procedure as provided for in the Act. Any liquidator appointed to wind up the ICAV shall distribute the assets of the ICAV in accordance with the provisions of this Clause 36.00.

36. TERMINATION OF SUB-FUNDS

36.1 The Directors may (but shall not be required to) determine in their discretion to compulsorily redeem all (but not some) of the Shares or the Shares of any Class or of any Sub-Fund not previously redeemed if on any Dealing Day the Net Asset Value of the ICAV, the Class or the Sub-Fund is less than €50,000,000 or its foreign currency equivalent or such other amount as may be determined by the Directors and set out in the Relevant Supplement. The redemption will take effect on the next Dealing Day (or such other day as the Directors may determine) for each Sub-Fund at a price per Share equal to a pro rata share of the assets of the Sub-Fund after repayment of the nominal value of the Shares less all liabilities including those accrued or contingent upon the termination of the ICAV.

36.2 A Sub-Fund or Class may also be terminated:

- (a) if the holders of Shares of the relevant Sub-Fund or Class pass a unanimous resolution to approve the redemption of all the Shares in the relevant Sub-Fund or Class;
- (b) on the sale of the last of the Investments of the Sub-Fund or Class;
- (c) if the Directors in their discretion consider termination of the Sub-Fund or Class appropriate and in the best interests of Shareholders;
- (d) on the merger of one Sub-Fund with another Sub-Fund within the ICAV or with another collective investment vehicle;
- (e) if following the enforcement of security in respect of the Shares of the Sub-Fund pursuant to the terms of a charge over Shares, the Directors determine in accordance with the terms of such charge over Shares to terminate the Sub-Fund and distribute any remaining assets of the Sub-Fund to the secured lender or its agent or nominee in cash or in specie, in their absolute discretion, in settlement of any amounts outstanding under the finance documents to which such charge over Shares relates.

36.3 The ICAV shall give notice thereof to the Shareholders in writing and by such notice fix the date on which such termination is to take effect which day shall not be less than one month after the service of such notice.

36.4 Upon termination, Shareholders are entitled to receive distributions in proportion to their respective interests in the relevant Class of the relevant Sub-Fund after all liabilities, costs and expenses have been deducted. Such distributions will be the net cash proceeds derived from the realisation of the property of the Sub-Fund unless by agreement between the ICAV, the Depositary and the relevant Shareholder, distributions are made in specie.

36.5 Every distribution shall be made only after the production of evidence of title to the Shares to the satisfaction of the Depositary together with such form of request for payment and receipt as the Depositary shall in its absolute discretion require.

36.6 Shareholders' distribution proceeds may contain an income element, equivalent to that part of the Net Asset Value of the Share, which reflects the accrued income (if any) to the date of termination.

36.7 The Directors and the Depositary undertake to carry out the termination procedures as soon as reasonably possible after the decision/Resolution to terminate has taken place.

- 36.8 The Directors shall give notice of a termination of a Sub-Fund to the Shareholders in the relevant Sub-Fund and by such notice affix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.
- 36.9 With effect on and from the date as at which any Sub-Fund is to terminate or such other date as the Directors may determine:
- (a) No Shares of the relevant Sub-Fund may be issued or sold by the ICAV;
 - (b) The Investment Manager shall, on the instructions of the Directors, realise all the Investments then compromised in the relevant Sub-Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Sub-Fund as the Directors think advisable); and
 - (c) The Depositary shall, on the instructions of the Directors from time to time, distribute to the Shareholders of the relevant Sub-Fund in proportion to their respective interests in the relevant Sub-Fund all net cash proceeds derived from the realisation of Investments of the relevant Sub-Fund and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay EUR1 or its equivalent in the relevant currency in respect of each Share of the relevant Sub-Fund and provided also the Depositary shall be entitled to retain out of any monies in its hands full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Sub-Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands.

None of the foregoing shall be answerable for the acts, receipts, neglects, or defaults of the other or others of them, or for joining in any receipt for sake of conformity, or for any bankers, brokers, or other person into whose hands any money or assets of the ICAV may come, or for any defects of title of the ICAV to any property purchased, or for insufficiency or deficiency of or defect of title of the ICAV to any security upon which any moneys of or belonging to the ICAV shall be placed out or invested, or for any loss, misfortune or damage resulting from any such cause as aforesaid, or which may happen in the execution of their respective offices or trusts, or in relation thereto, unless the same shall happen by or through their own negligence, default, breach of duty or breach of trust respectively.
- 37.2 Subject to section 85 of the Act, where a Director acts in breach of his or her duty under section 79(1)(a), (c), (d), (e), (f) or (g), he or she shall be liable to do either or both (as corresponding common law rule or equitable principle relating to bodies corporate with respect to the matter would have required) of the following things:

- 37.3 The Depositary, the Administrator and the Investment Manager shall be entitled to such indemnity from the ICAV upon such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement, the Administration Agreement and the Investment Management Agreement (as applicable), provided that no such indemnity shall extend to any matters arising from the gross negligence or fraud of the Investment Manager, the Depositary or the Administrator or such other standards as may be determined by the Board.
- 37.4 The ICAV, the Directors, the Depositary, the Administrator and the Investment Manager shall be entitled to rely absolutely on any declaration received from a Shareholder as to residence or otherwise of such Shareholder and shall not incur any liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled though not bound to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction. Notwithstanding any other provision of this Section the Depositary shall be liable to the ICAV and the Shareholders for any loss arising from its negligence, fraud, bad faith, wilful default or recklessness in the performance of its duties or such other standards as may be determined by the Board.
- 37.5 The ICAV, the Directors, the Depositary, the Administrator and the Investment Manager shall incur no liability to the Shareholders for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgment of any court, or by reason of any request announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Instrument neither the ICAV nor the Director nor, subject to the terms of the Depositary Agreement, the Administration Agreement and the Investment Management Agreement (as applicable), the Depositary nor the Administrator nor the Investment Manager, shall be under any liability therefore or thereby. Notwithstanding any other provision of this Section the Depositary shall be liable to the ICAV and the Shareholders for any loss arising from its negligence, fraud, bad faith, wilful default or recklessness in the performance of its duties or such other standards as may be determined by the Board.
