- (b) such information and declaration as to the applicant's identity, status, residence and otherwise as the Directors or their authorised agent may from time to time require; and
- (c) payment for the Shares in such manner and at such time and place as the Directors from time to time may specify;

the ICAV may allot and issue such Shares on the relevant Dealing Day at the Subscription Price for each such Share on terms that if the ICAV receives payment for the Shares in a currency other than the Base Currency the ICAV shall convert or arrange for the conversion of monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in the conversion and on terms that the allotment and/ or issue of Shares may take place provisionally if cleared funds have not been received by the ICAV or its authorised agent, provided that the application referred to in sub-paragraph (a) of this Section 10.4 has been received by the ICAV or its authorised agent and provided further that if the information and declarations required pursuant to sub-paragraph (b) of this Section 10.4 and cleared funds representing the subscription monies and the original application form are not received by the ICAV within such period and at such time and place as the Directors

may determine the Directors may cancel any provisional allotment of Shares in respect thereof and if so cancelled the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until returned it may be made use of by the ICAV for its own benefit. Applications received by or on behalf of the ICAV up to such time on a Dealing Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Dealing Day. Such applications as are received by or on behalf of the ICAV after such time on a Dealing Day as the Directors may determine shall be deemed to have been received by or on behalf of the ICAV on the following Dealing Day. If payment in cleared funds in respect of a subscription has not been received in full by the time specified in the Prospectus, the ICAV may charge the applicant interest at such rate (if any) as is set out in the Prospectus and which charge may be payable to the ICAV. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV in order to meet those charges. No interest will be paid on monies received early.

- 10.5 If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder because the Net Asset Value per Share in effect on the Dealing Day was incorrect, the Directors may adjust such Shareholder's Shares by increasing or decreasing them, as appropriate, to such number of Shares as would have been issued at the correct Net Asset Value per Share.
- 10.6 Payment for Shares shall be made at such time and place and to such person on behalf of the ICAV as the Directors may from time to time determine and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions.
- 10.7 The Directors shall be entitled to issue Fractional Shares up to such number of decimal places as the Directors may determine and disclose in the Prospectus where the net subscription monies received by the ICAV are insufficient to purchase an integral number of Shares, provided however that Fractional Shares shall not carry any voting rights and provided further that the Net Asset Value per Share of a Fractional Share of any Class shall be adjusted by the amount which such Fractional Share bears to an integral Share or Class of Shares at the time of issue of such Fractional Share and any dividend payable on such Fractional Shares shall be adjusted in like manner.
- 10.8 No allotment or issue of Shares shall be made in respect of an application which would result in the applicant holding less than the Minimum Holding.
- 10.9 The ICAV may, at the absolute discretion of the Directors, satisfy any application for the allotment or issue of Shares by procuring the transfer to the applicant of fully paid Shares. In any such case, references in this Instrument to allotting and issuing Shares shall, where appropriate, be taken as references to procuring the transfer of Shares.
- 10.10 The ICAV shall be entitled to receive any Investments from an applicant for Shares and to hold such Investments or to sell, dispose of or otherwise convert such Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purpose of allotting and issuing Shares in the ICAV in accordance with the provisions of this Instrument.
- 10.11 Subject to the provisions of the Act and the Regulations, the Directors may in their absolute discretion allot and issue Shares in consideration for, or on terms providing for settlement to be made by, the vesting in the ICAV of any Investments provided that the Directors are satisfied that:
 - (a) the nature of assets to be transferred would qualify as Investments in accordance with the investment objective, policy and restrictions of the relevant Fund;
 - (b) the number of Shares to be issued of the relevant Fund will be not more than the number of Shares which would have been issued for settlement in cash having valued the assets to be exchanged in accordance with Section 17;

- (c) all fiscal duties and charges arising in connection with the vesting of such Investments in the Depositary are paid by the person to whom the Shares are to be issued or, at the discretion of the Directors, partly by such person and partly out of the assets of such Fund;
- (d) the Depositary is satisfied that the terms of any exchange will not be such as are likely to result in any material prejudice to the existing Shareholders of the relevant Fund; and
- (e) the assets have been vested with the Depositary or arrangements have been made to vest the assets with the Depositary.

10.12 No Shares shall be allotted or issued on any Dealing Day on which the determination of the Net Asset Value of the Shares is suspended pursuant to Section 16.5.

10.13 The Directors may require any person to whom Shares are to be allotted to pay to the ICAV a subscription fee or transaction fee in respect of each Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Share to be allotted such amount as the Directors may determine for any Fund or Class and disclose in the Relevant Supplement. The Directors may on any Dealing Day differentiate between applicants as to the amount of the subscription fee required to be paid to the ICAV, and as to the amount of subscription fee to be levied on any Shares or Class.

11. FUND CONVERSION AND EXCHANGE OF SHARES

11.1 Subject to the other provisions of this Instrument, a holder of Shares of any Fund or Class (the "**Original Fund or Class**") on any Dealing Day shall have the right to exchange any or all such Shares for corresponding Shares of another Fund or Class (the "**New Fund or Class**") (such Fund or Class being either an existing Fund or Class or a Fund or Class agreed by the Directors to be brought into existence with effect from that Dealing Day) on the following terms:

- (a) A Shareholder may effect a conversion by notice in writing to the ICAV in such form as the Directors may from time to time determine or approve (a "**Conversion Notice**").
- (b) Conversion of the Shares specified in the Conversion Notice pursuant to this Section shall occur with effect from the Dealing Day on which the Conversion Notice is accepted by the ICAV, the Manager or the Administrator.
- (c) Conversion of the Shares of the Original Fund or Class specified in the Conversion Notice shall be effected in the following manner:
 - (i) such Shares of the Original Fund or Class shall be redeemed by the ICAV and the consideration for such redemption shall be the issue of Shares of the New Fund or Class;
 - (ii) share of the New Fund or Class shall be issued in respect of and in proportion to (as nearly as may be in proportion to) the holding of the Shares of the Original Fund or Class which is being converted; and
 - (iii) the proportion in which Shares of the New Fund or Class are to be issued in respect of Shares of the Original Fund or Class shall be determined in accordance with the following provisions of this Section;

provided always that the right of a Shareholder to convert its Shares into Shares of a corresponding Class in another Fund conferred by this Section shall be conditional upon the ICAV having sufficient available share capital to enable the conversion to be implemented in accordance with the provisions of this Section.

- (d) The Directors shall determine the number of Shares of the New Fund or Class to be issued on conversion in accordance with the following formula:

$$S = \frac{(R \times RP \times ER) - F}{SP}$$

SP

where

S is the number of Shares of the New Class to be allotted.

R is the number of Shares in the Original Class to be redeemed.

RP is the Redemption Price per Share of the Original Class as at the relevant Valuation Point for the relevant Dealing Day.

ER is the currency exchange factor (if any) as determined by the Administrator as representing the effective rate of exchange of settlement on the relevant Dealing Day applicable to the transfer of assets between the relevant Funds or Classes where the base currencies are different or, where the base currencies are the same, ER = 1.

F is the exchange fee is any.

SP is the Subscription Price per Share of the New Class as at the relevant Valuation Point for the relevant Dealing Day.

If S is not an integral number of Shares the Directors reserve the right to issue fractional Shares in the New Class or to return the surplus arising to the Shareholder seeking the exchange.

- (e) The Directors shall be entitled to impose a charge relating to the Shares of the New Fund or Class in an amount not greater than the subscription fee and in accordance with Section 7.12.
- (f) The conversion of the Shares of the Original Fund or Class specified in the Conversion Notice into Shares of the New Fund or Class shall take place on the relevant Dealing Day as determined in accordance with paragraph (b), and the Shareholder's entitlement to Shares as recorded in the Register shall be altered accordingly with effect from that date.
- (g) The transfer of underlying assets between the relevant Funds will be effected within 14 Business Days of the later of:
- (i) the date of receipt by the ICAV of the original completed Conversion Notice and the Share certificates (if any) in respect of the Shares being converted; or
 - (ii) the Dealing Day as of which conversion takes place.
- (h) On conversion, the Directors will redeem, cancel and issue Share certificates where appropriate in accordance with the Shareholder's entitlement to Shares in each Fund.
- (i) The Directors shall, at their discretion, be entitled to refuse an application for conversion where such conversion would result in a Shareholder holding Shares in any Fund with a value less than the Minimum Holding for that Fund.
- (j) If the number of Shares of the New Fund or Class to be issued on conversion is not an integral number of Shares, the ICAV may issue fractional new Shares or return the surplus arising to the Shareholder seeking to convert the Shares of the Original Fund or Class.

12. SUBSCRIPTION PRICE

- 12.1 The Initial Offer Price per Share at which the allotment of Shares shall be made shall be determined by the Directors and adding thereto such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).
- 12.2 The Subscription Price per Share at which the allotment of Shares shall be made following the Initial Offer Period shall be ascertained by determining the Net Asset Value per Share of the applicable Class (or if Shares of a new Class are being issued, at such offer price as may be determined by the Manager or the ICAV or the ICAV and the Manager) of Shares in the relevant Fund in accordance with Section 16 and 17 on the relevant Dealing Day and adding thereto such sum as the Manager or the ICAV or the ICAV and the Manager in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Manager or the ICAV or the ICAV and the Manager may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit provided that such price shall always be determined in the manner described in the Prospectus or in the Relevant Supplement ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).
- 12.3 On a subscription of Shares the Manager or the ICAV or the ICAV and the Manager shall be entitled to charge such subscription fee as may be specified in the Prospectus or in the Relevant Supplement in an amount to be determined by the Manager or the ICAV or the ICAV and the Manager but not to exceed such amount as the Manager or the ICAV or the ICAV and the Manager may determine in respect of any Class and disclose in the Prospectus or in the Relevant Supplement and shall not in any case exceed an amount equal to 5% of the Net Asset Value of the Shares to be purchased.

13. QUALIFIED HOLDERS

- 13.1 No Shares shall be allotted to or issued to or transferred to or be beneficially owned by, except with the consent of the Directors, any U.S. Person. Each subscriber for Shares of the ICAV shall be required to certify that he is not, nor is he acquiring such Shares on behalf of or for the benefit of, except with the consent of the Directors, a U.S. Person, and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the United States to, or for the benefit of, a U.S. Person. No transfer of Shares shall be recorded on the Register unless:
- (a) the transferor shall certify to the ICAV that such sale is not being made directly or indirectly in the United States except pursuant to an exemption from, or if the transaction is not subject to the registration requirements of any U.S. securities laws; and
 - (b) the transferee shall certify to the ICAV that it is not, nor is it acquiring such Shares, on behalf of or for the benefit of, except with the consent of the Directors, a U.S. Person.

The Directors shall have the power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in this Instrument) as they may think necessary for the purposes of ensuring that no Shares in the ICAV are acquired or held by any person in breach of the law or requirements of any country

or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a U.S. Person or by any person in the circumstances described in paragraph (iii) of Section 13.3.

- 13.2 The Directors may upon an application for Shares or at any other time and from time to time require such evidence to be furnished to them in connection with the matters stated in Section 13.1 as they shall in their discretion deem sufficient and if such evidence is not forthcoming may refuse to accept such application or, if Shares have already been issued to any person of whom such a request is made, such person shall be deemed upon the expiration of thirty days from the making of such request, to have requested the redemption of all of his Shares and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Section 14 shall apply subject to Section 13.6 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 16.5.
- 13.3 If a person becomes aware that he is holding or owning Shares in contravention of Section 13 he shall immediately notify the ICAV of such contravention and shall forthwith in writing request the ICAV to redeem such Shares in accordance with Section 14 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Section 13.4.
- (a) Shareholders are required to notify the ICAV immediately in the event that:
- (i) they otherwise hold Shares either directly or beneficially in breach of any law or regulation of any country or governmental authority;
 - (ii) they belong to any class of persons from time to time determined by the Directors; or
 - (iii) otherwise in circumstances having or which may have adverse regulatory, fiscal consequence for the ICAV, the relevant Fund or its Shareholders as a whole for the ICAV or the Shareholders.
- 13.4 Where the Directors become aware that a Shareholder; (i) is a U.S. Person or is holding Shares for the account of a U.S. Person; or (ii) is holding Shares in breach of any laws or requirements of any country or government authority or otherwise in circumstances (whether directly or indirectly) affecting such person or persons, and whether taken alone or in conjunction with any other persons connected or not, or any other circumstances appearing to the Directors to be relevant) which, in the opinion of the Directors, might result in the ICAV or any Shareholder incurring liability to taxation or suffering any other pecuniary or regulatory disadvantage which the ICAV or Shareholder might not otherwise have incurred or suffered; the Directors may; (a) direct the Shareholder to dispose of those Shares to a person who is qualified or entitled to own or hold the Shares within such time period as the Directors stipulate; or (b) redeem the Shares at their Net Asset Value per Share as at the Valuation Point immediately following the date of notification of such mandatory redemptions to the Shareholders.
- 13.5 If any such person upon whom such a notice is served as aforesaid does not within 30 days after such notice has been served transfer such Shares or request in writing the ICAV to redeem the Shares he shall be deemed forthwith upon the expiration of the said 30 days to have so requested the redemption of all his Shares the subject of such notice and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Section 14 shall apply subject to Section 13.6 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 16.5.
- 13.6 Settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to

the person entitled upon such consents being obtained. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited (without interest) upon such consents being obtained.

- 13.7 Any person or persons to whom Section 13.1, 13.3 and 13.4 apply shall indemnify and hold harmless the Directors, the ICAV, the Manager, the Administrator, the Depositary, the Investment Manager, any other service provider to the ICAV as specified in the Prospectus and the Shareholders (each an "Indemnified Party") from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to this Section 13.
- 13.8 Every Shareholder and every investor (being a partnership, company or other investment vehicle or entity other than an individual) who is proposing to subscribe for, acquire or hold more than 10% or more of the Shares of the ICAV must immediately disclose in writing to the Administrator the number of U.S. Persons with a shareholding or interest in such investor or Shareholder. In addition, every Shareholder holding 10% or more of the Shares of the ICAV shall be obliged, for so long as such Shareholder continues to hold 10% or more of the Shares of the ICAV, to immediately disclose in writing to the ICAV any increase or decrease in the number of U.S. Persons with a shareholding or interest in such Shareholder. The Administrator shall be entitled to refuse to allot any Shares to, or to register a transfer in favour of, any investor or Shareholder if such allotment or transfer would result in such investor or Shareholder holding 10% or more of the Shares of the ICAV or, in the event that any Shareholder has been permitted to hold 10% or more of the Shares of the ICAV, to redeem such number of the Shares of the ICAV held by such Shareholder as would result in the number of Shares of the ICAV held by such Shareholder being less than 10% of the Shares of the ICAV.

14. REDEMPTION OF SHARES

- 14.1 Subject to the provisions of the Act and as hereinafter provided, the ICAV may redeem its own outstanding fully paid Shares at any time in accordance with the rules and procedures set out herein.
- 14.2 Subject to the provisions of the Act and as hereinafter provided, a Shareholder may at any time irrevocably request the ICAV or the Manager to redeem all or any part of his Shares at the Redemption Price for each such Share as hereinafter determined and the ICAV or the Manager shall on receipt by it or by its authorised agent of such request redeem or procure the redemption of such Shares at not less than the Redemption Price provided always that any such redemption shall be effected on the following terms and conditions:
- (a) a request for redemption of Shares shall be in such form as the ICAV or the Manager shall prescribe in the Prospectus and shall be delivered by the Shareholder to the Office or to such office of such person from time to time designated by the ICAV or the Manager as its agent for the redemption of Shares on or before such time as shall from time to time be designated by the Board whether on or prior to the relevant Dealing Day and shall be accompanied by such proper evidence as the Directors may at their absolute discretion require in relation to succession or assignment, if applicable;
 - (b) subject as hereinafter provided the Shareholder shall not be entitled to revoke or withdraw a request for redemption of his Shares duly given in accordance with this Section 14.2;
 - (c) the redemption of Shares pursuant to this Section 14.2 shall be effected on the Dealing Day following the day on which the redemption request is delivered in accordance with (a) above or on such other day as the Directors may determine and specify in the Prospectus or on such other Dealing Day as the Directors at the request of such Shareholder may in their absolute discretion agree provided that the

redemption of Shares shall not be effected unless the period designated by the Directors for the delivery of the redemption request pursuant to Section 14.2(a) shall have expired and all Shareholders are notified in advance of such additional Dealing Day. Redemption requests received by or on behalf of the ICAV up to such time on a Dealing Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Dealing Day. Such redemption requests as are received by or on behalf of the ICAV after such time on a Dealing Day as the Directors may determine shall be deemed to have been received by or on behalf of the ICAV on the following Dealing Day;

- (d) the redemption proceeds (less any fees and expenses due and owing by the ICAV and appropriate provision for Duties and Charges in respect of the Shares being redeemed) shall be despatched to the Shareholder by the ICAV, the Manager or its duly authorised agent within such number of days after the day on which redemption of the relevant Shares is effected as the Directors may determine and as shall be specified in the Prospectus and which will not, in any event, be greater than fourteen calendar days (ten Business Days) from the relevant dealing deadline;
- (e) any amount payable to a Shareholder in connection with the redemption of Shares under this Section 14 shall be paid in the Base Currency of the relevant Shares or in such other currency as the Directors shall have determined as appropriate at the rate of exchange for conversion on the date of payment provided that the certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons and provided further that the cost of conversion, if any, shall be debited from the converted payment and any such amount shall unless otherwise agreed with the ICAV, the Manager or its duly authorised agent be paid by electronic bank transfer to the account designated by the relevant Shareholder;
- (f) any amount payable to a Shareholder in connection with the redemption or purchase of Shares under this Section 14.2 may, with the consent of such Shareholder, be paid at the Directors' discretion, by the transfer to such Shareholder of the assets of the ICAV in specie. The nature of the assets and the type of assets to be transferred to each Shareholder shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not materially prejudicial to the interests of the remaining Shareholders, and for the foregoing purposes the value of assets shall be determined on the same basis as used in calculating the Redemption Price of the Shares being so redeemed. The asset allocation shall be subject to the approval of the Depositary. Where a Shareholder requests the redemption of 5% or more of the Net Asset Value, the Directors may do so at their absolute discretion without the consent of the redeeming Shareholder and in that event, the Directors will, at the request of the Shareholder, sell or procure the sale of the relevant assets at the Shareholder's expense, at prices deemed by the Directors or the Manager or the Investment Manager to reasonably reflect the current value thereof having regard to all of the circumstances and will forward the proceeds of sale to the Shareholder;
- (g) if the determination of the Net Asset Value per Share is suspended on any Dealing Day by reason of a declaration or notice by the Directors pursuant to Section 16.5 the right of the applicant Shareholder to have his Shares redeemed pursuant to this Section 14.2 shall be similarly suspended and during the period of suspension he may, with the approval of the ICAV or the Manager, withdraw the request for redemption of his Shares (if any). Any withdrawal of a request for redemption under the provisions of this Section 14.2 shall be made in writing and shall only be effective if actually received by the ICAV, the Manager or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Dealing Day next following the end of the suspension or on such other Dealing Day following the end of the suspension as the Directors at the request of the applicant may agree; and
- (h) on a redemption of Shares the ICAV or the Manager shall be entitled to charge such redemption fee, transaction fee or contingent deferred sales charge as may be

specified in the Prospectus or in the Relevant Supplement in an amount to be determined by the Directors with the approval of the Depositary but not to exceed such amount as the Directors may determine in respect of any Class and disclose in the Prospectus or in the Relevant Supplement and shall not in any case exceed an amount equal to 3% of the lesser of the Net Asset Value of the Shares to be redeemed at the time of redemption and the original cost of the Shares to be redeemed. The ICAV or the Manager shall not increase the maximum fee relating to the redemption of Shares without prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders of the ICAV. In the event of an increase in the redemption fee a reasonable notification period must be provided by the ICAV or the Manager to enable Shareholders redeem their units prior to the implementation of the increase.

- 14.3 Shares which are redeemed by the ICAV shall be cancelled.
- 14.4 The Redemption Price for a Share of any Fund or Class shall be the Net Asset Value per Share on the relevant Dealing Day (as determined in accordance with Section 16) less such sum as the Directors or the Manager, in their absolute discretion, may from time to time determine as an appropriate provision for Duties and Charges in relation to realisation or cancellation of the Share to be redeemed as at the relevant Dealing Day and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). In calculating the Redemption Price, the Directors and the Manager may on any Dealing Day where there are net redemptions, adjust the Redemption Price by deducting an Anti-Dilution Levy to cover dealing costs and preserve the value of the underlying assets of the ICAV.
- 14.5 Upon the redemption of Shares being effected pursuant to this Section 14, the applicant Shareholder shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and such Shares shall be treated as cancelled and the amount of the issued share capital shall be reduced accordingly.
- 14.6 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that, on request, a balance certificate be issued for the balance of such Shares free of charge.
- 14.7 If outstanding redemption requests from Shareholders of a particular Fund on any Dealing Day total in aggregate 10% or more of all outstanding Shares of the ICAV or a Fund or at least 10% of the Net Asset Value of the ICAV or a Fund, the Manager shall be entitled at its discretion to refuse to redeem such excess number of Shares in issue of such Fund on that Dealing Day in respect of which redemption requests have been received in excess of 10% of the Shares in issue or such higher percentage as the Manager shall determine. If the Manager refuses to redeem Shares for these reasons, the requests for redemption on that Dealing Day shall be reduced pro rata and the redemption requests shall be treated as if they were received on each subsequent Dealing Day until all the Shares to which the original request related have been redeemed. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Manager exercises its discretion to refuse to redeem any Shares to which the request relates.
- 14.8 Requests for redemption which have been carried forward from an earlier Dealing Day pursuant to this Instrument shall (subject always to the foregoing limits) be complied with in priority to later requests.
- 14.9 Notwithstanding any other provision of this Instrument, the ICAV shall be entitled at any time and from time to time to compulsorily redeem any or all of the Subscriber Shares at a price of €1.00 per Subscriber Share.

- 14.10 If a redemption of Shares by the ICAV would result in the number of Shareholders falling below two or such other number stipulated by any applicable law from time to time to be the minimum number of Shareholders in the ICAV or where a redemption of Shares by the ICAV would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged from time to time to maintain pursuant to any applicable law the ICAV shall be entitled to defer the redemption of the minimum number of Shares sufficient to ensure compliance by the ICAV with the applicable law. Redemption of such Shares may be deferred until such time as the ICAV is being wound up, or until the ICAV procures the issue of sufficient Shares to ensure that the redemption can be effected. The Directors shall be entitled to select the Shares in respect of which redemption is to be deferred in accordance with this Section 14.10 in such manner as shall appear to the Directors, with the approval of the Depositary, to be fair and reasonable.
- 14.11 Where satisfaction of a redemption request would result in a Shareholder holding a number of Shares in a Fund with a value less than the Minimum Holding for that Fund, the Directors shall be entitled, at their discretion, to treat the application for redemption as an application for the redemption of all of that Shareholder's Shares in the Fund, or to offer the Shareholder an opportunity to amend or withdraw the said redemption request.
- 14.12 If a Shareholder ("Redeeming Shareholder") requests a redemption of Shares which have been held for less than such period as the Directors may determine and specify in the Prospectus or which, in the opinion of the Directors, constitute a substantial holding (the "Redemption Shares") the ICAV may, subject to the prior consent of the relevant Shareholder, satisfy the redemption request by the distribution in specie of assets of the ICAV on such basis as the Directors shall be satisfied does not prejudice the redeeming Shareholder or the remaining Shareholders.
- 14.13 Where the ICAV has redeemed any Debentures then:
- (a) unless any provision to the contrary, whether express or implied, is contained in the Instrument or in any contract entered into by the ICAV, or
 - (b) unless the ICAV has by passing a resolution to that effect or by some other act, shown its intention that Debentures shall be cancelled,

the ICAV shall have the power to re-issue the Debentures by re-issuing the same Debentures or by issuing other Debentures in their place.

15. COMPULSORY REDEMPTION AND TOTAL REDEMPTION

The ICAV may, at its sole discretion, decide to compulsorily redeem or transfer Shares held by a Shareholder if, in the reasonable belief of the Directors, such Shares are acquired, or held directly, or beneficially, by any person:

- (a) whose holding might result in a breach of any applicable law and regulations and/or a requirement of any country or any governmental or other competent authority;
- (b) whose holding might result in the ICAV (including its Shareholders) or any of its delegates incurring any liability (including, but not limited to taxation) or suffering any sanction, penalty, burden or other disadvantage (whether legal, pecuniary, regulatory, administrative or operational) that the ICAV (including any of its Funds, Classes or its Shareholders) and/or its delegates might not otherwise have incurred or suffered or that might result in the ICAV (including any of its Funds) being required to comply with registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply;
- (c) whose holding might result in such Shareholder exceeding any limit to which his/her shareholding is subject and/or if such Shareholder's holding falls below any Minimum Holding as may be specified in the relevant Supplement;

- (d) who has not provided such information or declaration(s), and/or who has falsified such information or declaration(s), as required hereunder, by the Prospectus and/or the Application Form and/or who has not provided subscription monies by the Subscription Settlement Deadline and/or who otherwise owes money to the ICAV and has not provided such monies; or
- (e) whose continued ownership (directly or indirectly) of such Shares is deemed to be harmful or injurious to the business or reputation of the ICAV or any of its delegates and/or is otherwise deemed not to be in the best interests of the ICAV (including any of its Funds, Classes or its Shareholders).

In particular, the ICAV may decide to proceed with the compulsory redemption of Shares held by a person who is (i) a U.S. Person, or held directly by a person who is (ii) a U.S. citizen, (iii) a U.S. tax resident, or (iv) a non-U.S. partnership, non-U.S. trust or similar tax transparent non-U.S. entity that has any partner, beneficiary or owner that is a U.S. Person, U.S. citizen or U.S. tax resident.

Shareholders are required to notify the ICAV immediately in the event that their holding might trigger one of the events specified in paragraphs (a) - (e) above of this Section "Compulsory Redemption", including, but not limited to, if they are, or become U.S. Persons, U.S. citizens, U.S. tax residents or a specified U.S. person for purposes of FATCA.

Any person who becomes aware that he/she is holding Shares in contravention of any of the above provisions and who fails to transfer, or deliver for redemption, his/her Shares, if so directed by the Directors pursuant to the above provisions, or who fails to make the appropriate notification to the ICAV, is obliged to indemnify and hold harmless each of the Directors, the ICAV, the Manager, the Administrator, the Depositary, the relevant Investment Manager and the Shareholders of the ICAV (each an "**Indemnified Party**") from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to any of the above provisions.

The ICAV may redeem the Shares of an untraced Shareholder where during a period of six years no acknowledgement has been received in respect of any contract note or other confirmation of ownership of the Shares sent to the Shareholder, and at the expiration of the said period of six years by notice sent by pre-paid letter addressed to the Shareholder or to the last known address given by the Shareholder or by advertisement in a national daily newspaper published in Ireland or in a newspaper circulating in the area in which such address is located, the ICAV has given notice of its intention to redeem such Shares and during the period of three months after the date of the advertisement and prior to the exercise of the power of redeem the ICAV has not received any communication from the Shareholder. The proceeds of such redemption shall form part of the Fund's assets in respect of which such Shares were issued.

The ICAV is entitled to compulsory redeem and/or cancel such number of Shares held by such person as is required to discharge, and may apply the proceeds of such compulsory redemption in the discharge of, any taxation or withholding tax arising as a result of the holding or beneficial ownership of Shares by such person including any interest or penalties payable thereon. For the avoidance of doubt, a Shareholder may only become liable for tax liabilities imposed on it that arise in such Shareholder's specific jurisdiction(s). Shareholders will not be liable for a chargeable event (as defined in the "*Taxation*" section in the Prospectus) triggered by another Shareholder.

Funds are established for an unlimited period and may have unlimited assets; however, the ICAV may (but is not obliged to) redeem all of the Shares of any Fund or Class in issue if the:

- (a) Shareholders of the relevant Fund or Class pass a Special Resolution providing for such redemption at a general meeting of the Shareholders of such Fund or Class or in writing;

- (b) ICAV or a Fund ceases to be authorised or otherwise officially approved;
- (c) Directors deem it appropriate because of adverse political, economic, commercial, fiscal or regulatory changes affecting the relevant Fund or Class in any way;
- (d) Net Asset Value of the ICAV, the relevant Fund or Class falls below the relevant Minimum Viable Size or the prevailing currency equivalent of the currency in which Shares of the relevant Fund or Class are denominated or such other amount as may be determined by the Directors in their absolute discretion;
- (e) Shares in the relevant Fund or Class cease to be listed on a stock exchange; or
- (f) Directors otherwise deem it to be in the best interests of the Fund or Class.

In each case, the Shares shall be redeemed after giving such days' prior notice as may be required by law to all holders of such Shares or such longer period as the Directors may determine. The redemption of the Shares by the ICAV pursuant to this Section 15.1 shall be effected at the Redemption Price calculated in accordance with Section 15.2 and for the purposes of the calculation of the said Redemption Price the Dealing Day on which the Shares are redeemed shall be the relevant Dealing Day for the purposes of Section 15.2.

All outstanding Shares may be redeemed by the ICAV by not less than thirty days' notice in writing to the appropriate Shareholders or any date after the first anniversary of the date of authorisation of the ICAV by the Central Bank if at any time the Net Asset Value on any Dealing Day falls below an amount which the Directors, on the advice of the Manager or the Investment Manager and the Administrator, believe is economically viable for the ICAV and is disclosed in the Prospectus.

- 15.2 The Redemption Price per Share at which Shares shall be redeemed by the ICAV pursuant to this Section 15 shall be the Net Asset Value per Share on the relevant Dealing Day (as determined in accordance with Section 16) less such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in relation to the realisation or cancellation of the Shares to be redeemed and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). For the avoidance of doubt, the Redemption Price per Share at which the Subscriber Shares shall be redeemed by the ICAV pursuant to Section 14.9 shall be €1 per Subscriber Share.
- 15.3 If all the Shares are to be redeemed as aforesaid the Directors may, at their absolute discretion divide amongst the Shareholders in specie all or part of the assets of the ICAV according to the number of the Shares then held by each person holding Shares of that Class provided however that if any Shareholder so requests the Directors shall liquidate or otherwise dispose of sufficient assets in order to enable the ICAV to distribute the cash proceeds thereof, net of liabilities, to such Shareholder instead of a distribution of assets in specie.
- 15.4 If all the Shares are to be redeemed as aforesaid and the whole or any part of the business or property of the ICAV or any of the assets of the ICAV are proposed to be transferred or sold to another company (hereinafter called the "**Transferee**") the Directors may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

16. DETERMINATION OF NET ASSET VALUE

- 16.1 The Administrator (or other duly appointed agent) shall determine the Net Asset Value expressed in the Base Currency by ascertaining as at each Valuation Point the value of the assets of the ICAV calculated pursuant to Section 17.1, and deducting from such amount the liabilities of the ICAV calculated pursuant to Section 17.1(a).
- 16.2 The Net Asset Value shall be expressed in the Base Currency or in such other currency and shall be rounded upwards or downwards to the nearest number of decimal places as the Directors may determine either generally or in a specific case, and shall be determined, subject to Section 16.5, in accordance with the valuation rules set out hereafter, as at each Valuation Point subject to the Regulations.
- 16.3 In calculating the Net Asset Value of each Class:
- (a) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
 - (b) every Share of the relevant Class agreed to be issued or allotted but not issued by the ICAV on the relevant Dealing Day shall be deemed to be in issue and the assets of the ICAV attributable to such Class shall be deemed to include any cash or other property to be received in respect of such Share;
 - (c) every Share in respect of which a valid redemption request has been received in accordance with such procedures as are specified in the Prospectus shall be deemed to have been redeemed on the relevant Dealing Day and the assets shall be reduced by the amount payable to the Shareholders upon such redemption;
 - (d) there shall be added to the ICAV's assets any actual or estimated amount of any taxation of a capital nature which may be recoverable by the ICAV;
 - (e) there shall be added to the ICAV's assets a sum representing any interest or dividends or other income accrued but not received in respect of such assets;
 - (f) there shall be added to the ICAV's assets the total amount (whether actual or estimated by the Administrator) of any claims for repayment of any taxation levied on income of the ICAV and for double taxation relief in relation to the assets of the ICAV;
 - (g) there shall be added to the ICAV's assets the total amount (whether actual or estimated by the Administrator) of any realised and/or unrealised gains of the ICAV in respect of such assets; and
 - (h) there shall be added to the ICAV's liabilities the total amount (whether actual or estimated by the Administrator) of any realised and/or unrealised losses of the ICAV in respect of such assets.
- 16.4
- (a) The Net Asset Value shall be calculated by ascertaining the value of the ICAV's assets and deducting from such amount its liabilities, which shall include all fees and expenses payable and/or accrued and/or estimated to be payable out of the assets of the ICAV. In the event that the ICAV is further divided into different Classes, the amount of the Net Asset Value of the ICAV attributable to a Class shall be determined by establishing the number of Shares issued in the Class at the relevant Valuation Point and by allocating the relevant fees and expenses to the Class and making appropriate adjustments to take account of distributions paid out of the ICAV, if applicable, and apportioning the Net Asset Value of the ICAV accordingly. In calculating the Net Asset Value per Share the Directors may, on any Dealing Day

where there are net subscriptions, adjust the Net Asset Value by adding an Anti-Dilution Levy to cover dealing costs and to preserve the value of the relevant Fund's underlying assets.

- (b) The Net Asset Value per Share of a Fund shall be determined as at each Valuation Point by dividing the Net Asset Value of the relevant Fund by the number of Shares in issue or deemed to be in issue in such Fund as of the relevant Valuation Day and rounding the resulting total to such number of decimal places as the Directors may determine. In the event that the Shares are further subdivided into Classes, the Net Asset Value per Share in respect of the Class will be calculated by subtracting the value of liabilities of the ICAV attributable to the relevant Class and dividing the resultant figure by the total number of the relevant Class in issue or deemed to be in issue in the ICAV as of the relevant Valuation Day. With respect to Classes that are denominated in a currency other than the Base Currency, the Net Asset Value of each such Class, shall be converted into the designated currency denomination of that Class using the latest available exchange rate at the Valuation Point.
- (c) In calculating the number of Shares in issue:
 - (i) every Share agreed to be issued or allotted but not issued by the ICAV on the Dealing Day shall be deemed to be in issue; and
 - (ii) where notice of a reduction of the share capital by cancellation of Shares has been given by the Directors to the Administrator but such cancellation has not been completed prior to or on the relevant Dealing Day, the Shares to be cancelled shall be deemed not to be in issue.

16.5 The ICAV may at any time with prior notification to the Depositary temporarily suspend the issue, valuation, sale, purchase, redemption or conversion of Shares during:

- (a) the whole or any part of any period when any Regulated Market on which a substantial portion of the Investments for the time being comprised in a Fund are quoted, listed or dealt in is closed otherwise than for ordinary holidays, or during which dealings in any such Regulated Market are restricted or suspended; or
- (b) the whole or any part of any period where, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the ICAV, including the unavailability of relevant prices, the disposal or valuation of any Investments for the time being comprised in a Fund cannot, in the opinion of the ICAV, be effected or completed normally or without prejudicing the interest of Shareholders; or
- (c) any breakdown in the means of communication normally employed in determining the value of any Investments for the time being comprised in a Fund or during any period when for any other reason the value of Investments for the time being comprised in the ICAV cannot, in the opinion of the Manager, be promptly or accurately ascertained; or
- (d) any period when any other reason makes it impossible or impracticable to determine the value of a substantial portion of the assets of the ICAV or any Fund; or
- (e) the whole or any part of any period when a Fund is unable, due to exceptional market conditions or other exceptional circumstances prevailing in one or more Regulated Markets, to repatriate funds for the purposes of making redemption payments or during which the realisation of any Investments for the time being comprised in a relevant Fund, or the transfer or payment of funds involved in connection therewith cannot, in the opinion of the Manager, be effected at normal prices or normal rates of exchange or during which there are difficulties or it is envisaged that there will be difficulties, in transfer of monies or assets required for subscriptions, redemptions or trading; or

- (f) any period in which the redemption of the Shares would, in the opinion of the ICAV, result in a violation of applicable laws; or
- (g) the whole or any part of any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the sole opinion of the Directors, have an adverse impact on the relevant Fund or the remaining Shareholders in such Fund; or
- (h) any period when any transfer of funds involved in the realisation or acquisition of Investments of the relevant Fund cannot, in the opinion of the Directors be effected at normal prices or rates of exchange; or
- (i) the whole or any part of any period in which notice has been given to Shareholders of a resolution to wind up the ICAV; or
- (j) the whole or any part of any period during which dealings in a collective investment scheme in which the relevant Fund has invested a significant portion of its assets, as determined by the ICAV, are suspended; or
- (k) any period when the ICAV is considering a merger of the ICAV or a Fund, provided that notice is being provided to the Shareholders in respect of such merger; or
- (l) the whole or any part of any period when the Manager determines that it is in the best interests of the Shareholders to do so.

The ICAV will exercise this discretion only in circumstances in which the ICAV believes that it is not possible to value or trade a material proportion of the securities held in the portfolio in respect of which such decision is being made.

Notice of any such suspension shall be published, in accordance with the Prospectus by the ICAV in such manner as the Directors may deem appropriate to the persons likely to be affected thereby and shall be notified immediately to the Central Bank and the Shareholders. Where possible, all reasonable steps will be taken to bring any period of suspension to an end as soon as possible. Shareholders who have requested issue, redemption or exchange of Shares of any Class will have their subscription, redemption or exchange request dealt with on the first Dealing Day after the suspension has been lifted unless applications, redemption or exchange requests have been withdrawn prior to the lifting of the suspension. Any such suspension shall be notified without delay to the Central Bank and to the competent authorities in any country in which Shares are registered for sale (as required).

17. VALUATION OF ASSETS

17.1 The value of the assets of the ICAV shall be determined as follows:

- (a) the value of an Investment that is quoted, listed or normally dealt in on a Regulated Market will be the closing or last known market price (i.e., the closing bid / last bid / last traded price / closing mid-market price / latest mid-market price / official closing price published by an exchange) on such Regulated Market as at the Valuation Point, provided that:
 - (i) if an Investment is quoted, listed or normally dealt in on more than one Regulated Market, the relevant Regulated Market will be the market that the Manager (or its delegate) determines constitutes the main market for the Investment or the one that the Manager (or its delegate) determines provides the fairest criteria in a value for the security; and
 - (ii) if an Investment that is normally listed, traded or dealt in on or under the rules of a Regulated Market is acquired or traded at a premium or discount outside of or off the relevant Regulated Market, the level of premium or discount at the Valuation Point may be taken into account when valuing such Investment provided that a competent person, firm or corporation (including the

Investment Manager) appointed by the Manager or the Directors and approved for such purpose by the Depositary ensures that the adoption of such procedure is justifiable in the context of establishing the probable realisation value thereof;

- (b) if prices for an Investment listed, traded or dealt in on the relevant Regulated Market are not available at the relevant time or are unrepresentative, or in the event that any Investments are not listed or traded on any Regulated Market, such investment shall be valued at the probable realisation value estimated with care and in good faith by the Manager or a competent professional person, firm or corporation appointed by the Manager and approved by the Depositary for such purpose or by any other means provided the value is approved by the Depositary;
- (c) fixed income securities may be valued using matrix pricing (i.e. valuing securities by reference to the valuation of other securities which are considered comparable in rating, yield, due date and other characteristics) where reliable market quotations are not available. The matrix methodology will be compiled by the Manager or a competent professional person, firm or corporation appointed by the Manager and approved by the Depositary for such purpose or by any other means provided the value is approved by the Depositary.
- (d) the value of units or shares in collective investment schemes (other than those valued pursuant to paragraph (a) above) will be valued at the latest available Net Asset Value as published by the relevant collective investment scheme or (if bid and offer prices are published) the latest published bid price;
- (e) cash (in hand or deposit) will be valued at its face/nominal value together with accrued interest;
- (f) the value of certificates of deposit, where they do not fall under paragraph (a) above shall be valued if the Directors deem it necessary by reference to the latest available sale price for certificates of deposit of like maturity, amount and credit risk at the Valuation Point or, if such price is not available, at the latest bid price or, if such price is not available or is unrepresentative in the opinion of the Directors of the value of such certificates of deposit, at the probable realisation value estimated with care and in good faith by a competent person, firm or association (including the Investment Manager) appointed by the Directors and approved for the purpose by the Depositary;
- (g) the value of exchange-traded FDI will be based on the settlement price, as determined by the market in question, as at the Valuation Point, provided that where it is not the practice for the relevant market to quote a settlement price or such settlement price is not available for any reason as at the Valuation Point, exchange-traded FDI will be valued in accordance with paragraph (b) above;
- (h) OTC derivative contracts may be valued on a daily basis using either a valuation provided by the relevant counterparty or an alternative valuation such as a valuation calculated by the ICAV or its delegate or by an independent pricing agent. Where the ICAV does use a valuation other than one provided by the relevant counterparty for derivative contracts that are not traded on a Regulated Market (a) it will adhere to the principles on valuation of OTC instruments established by bodies such as the International Organisation of Securities Commissions or the Alternative Investment Management Association; the valuation shall be provided by a competent person appointed by the Manager and approved for the purpose by the Depositary; and (b) the valuation must be reconciled to a valuation provided by the counterparty on a monthly basis. If significant differences arise between the valuation provided by the relevant parties, the ICAV will arrange for these to be reviewed and seek explanations from the relevant parties. Where the ICAV uses a valuation provided by the relevant counterparty for derivative contracts that are not traded on a Regulated Market, the valuation must be approved or verified by a party who is approved for the purpose by

the Depositary and who is independent of the counterparty and the independent verification must be carried out at least weekly;

- (i) forward foreign exchange contracts and interest rate swap contracts will be valued in the same manner as OTC derivative contracts or by reference to freely available market quotations. If the latter is used, there is no requirement to have such prices independently verified or reconciled to the counterparty valuation;
- (j) notwithstanding the foregoing provisions of this Section, when computing the Net Asset Value of a money market fund, the amortised cost method of valuing debt securities will be used. Under this valuation method, securities are valued at cost on the date of purchase and thereafter the Funds assume a constant proportionate amortization of any discount or premium until maturity of the security, with the result that the carrying value of the security normally will not fluctuate in response to market factors. Although the amortised cost method seeks to provide certainty in portfolio valuation, it may result in valuations of any money market fund's securities and the valuation of short-term investments being higher or lower than the market value of such securities. The Net Asset Value of a Share in any money market fund will be calculated to the nearest 1% of the share price of an income share. A review of the amortised cost valuation vis-à-vis market valuation will be carried out in accordance with the requirements of the Central Bank;

In respect of Funds other than money market funds, a review of the amortised cost valuation vis-à-vis market valuation will be carried out in accordance with the requirements of the Central Bank; and

- (k) a Fund that is not a money market scheme may provide for valuation by an amortised cost method in respect of highly rated instruments with a residual maturity not exceeding three months, which have no specific sensitivity to market parameters, including credit risk, and in accordance with the requirements of the Central Bank.

In the event of it being impossible or incorrect to carry out a valuation of a specific asset in accordance with the valuation rules set out in paragraphs (a) to (j) above, or if such valuation is not representative of an asset's fair market value, the Manager (or its delegate) are entitled to use other generally recognised valuation methods in order to reach a proper valuation of that specific asset, provided that the Manager deems it necessary, any alternative method of valuation is approved by the Depositary and the rationale/methodologies used are clearly documented.

The value of a specific asset may be adjusted by the Directors, the Manager (or their delegate) where such an adjustment is considered necessary to reflect the fair value of the asset in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant.

Any value expressed otherwise than in the Base Currency of the relevant Fund shall be converted into the Base Currency of the relevant Fund at the exchange rate (whether official or otherwise) which the Directors shall determine to be appropriate.

Where on any Dealing Day (i) the value of all redemption requests received by the ICAV exceeds the value of all applications for Shares received for that Dealing Day, the Manager may value investments at bid prices or (ii) the value of all applications for Shares received by the ICAV exceeds the value of all redemption requests received for that Dealing Day, the Manager may value Investments at offer prices; provided that the valuation policy selected by the Directors is applied consistently throughout the duration of the ICAV.

For the avoidance of doubt, the Investment Manager is appointed by the ICAV as a competent person in accordance with the requirements of the Central Bank. None of the Directors, the ICAV, the Manager, the Depositary, the Administrator or the Investment Manager shall have any liability in the event that any price or valuation used in good faith in connection with the

above procedures proves to be an incorrect or an inaccurate estimate or determination of the price or value of any part of the property of the ICAV.

- 17.2 The liabilities of the ICAV shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the ICAV (except liabilities taken into account in determining the value of the assets of the ICAV under Section 17.1 above) including, without limitation to the generality of the foregoing:
- (a) all administrative and professional fees and expenses payable and/or accrued including, without prejudice to the generality of the foregoing, all remuneration, fees, costs and expenses payable by the ICAV and/or accrued and/or estimated to be payable by the ICAV to the Manager, the Depositary, the Investment Manager, the Administrator and the legal advisers of the ICAV and to any other person, firm or corporation providing services to the ICAV and all other projected expenses as the Directors consider fair and reasonable and properly payable out of the assets of the ICAV and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the ICAV;
 - (b) any and all outstanding borrowings and all accrued interest payable thereon including, without prejudice to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the ICAV in respect of any Debentures, loan stock, loan notes, bonds or other debt obligations created or issued by the ICAV;
 - (c) all bills, notes and accounts payable;
 - (d) the total amount of any actual or estimated liabilities for any and all tax of whatsoever nature and howsoever arising on the income or deemed income and realised capital gains of the ICAV as at the relevant Dealing Day;
 - (e) the total amount of any actual or estimated liabilities for withholding tax (if any) payable on any of the Investments in respect of the current Accounting Period;
 - (f) an appropriate provision for all taxes and contingent liabilities as determined from time to time by the Directors; and
 - (g) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the ICAV.

- 17.3 Without prejudice to their general powers to delegate their functions, the Directors may delegate any of their functions in relation to the calculation of Net Asset Values and Net Asset Values per Share to the Administrator or to any duly authorised person.

18. TRANSFER AND TRANSMISSION OF SHARES AND DEBENTURES

- 18.1 A Shareholder shall be entitled to transfer or dispose of Shares in the ICAV or Debentures of the ICAV to any person at such price and upon such terms as the Shareholder sees fit provided always that a Shareholder shall not be entitled to transfer Shares and Debentures, except with the consent of the Directors, to a U.S. Person or to a person otherwise disqualified from holding Shares under the terms of this Instrument or otherwise disqualified as a result of any law or regulation of any country or government/authority.

- 18.3 The instrument of transfer of a Share or Debenture shall be signed by or on behalf of the transferor and if applicable by the transferee and shall be delivered to the ICAV and that the transferee is entitled to enter the transfer in the Register. The transferor shall be deemed to

remain the holder of the Share or Debenture until the name of the transferee is entered in the Register in respect thereof.

- 18.4 Unless the Directors in any particular case or generally otherwise agree a transfer of Shares shall not be registered if in consequence of such transfer the transferor or the transferee would hold a number of Shares less than the Minimum Holding or the transfer of would result in a contravention of any provision of Section 18.5 or would produce a result in consistent with any provision in the Prospectus.
- 18.5 The Directors may decline to register any transfer of Shares or Debentures unless the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require accompanied by the Debenture to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and to show the identity of the transferee and the Directors may decline to register a transfer of Shares to Debentures:
- (a) if the transfer is in breach of U.S. securities laws;
 - (b) if the transfer would result in a breach of any applicable law and regulations and/or a requirement of any country or any governmental or other competent authority;
 - (c) if in the opinion of the Directors the transfer would be unlawful or result or be likely to result in any adverse legal, regulatory, pecuniary, tax or fiscal consequences or material administrative disadvantage to the ICAV or the Shareholders;
 - (d) in the absence of satisfactory evidence of the transferee's identity;
 - (e) the proposed transfer would result in a contravention of any provision of the Instrument or would produce a result inconsistent with any provision of the Prospectus;
 - (f) where the ICAV is required to redeem, appropriate or cancel such number of Shares as is required to meet the appropriate tax of the Shareholder on such transfer;
 - (g) if the person to whom shares are to be transferred is prohibited from holding shares in the ICAV for any reason; or
 - (h) where the Directors believe, in their discretion, that it is in the best interests of the ICAV or the Shareholders to do so.
- 18.6 The Directors may at any time determine to temporarily or permanently close any Class or all Classes of a Fund to subscriptions from existing Shareholders and/or new Shareholders in their sole discretion. The Directors may subsequently re-open some or all of the Classes within a Fund to further subscriptions at their discretion and the process of closing and potentially re-opening Classes may be repeated thereafter as the Directors may from time to time determine. The Directors may not give advance notice of such closure to Shareholders.
- 18.7 A proposed transferee may be required to provide such representations, warranties or documentation as the Directors may require in relation to the above matters.
- 18.8 The ICAV shall give the transferee written notice of any refusal to register a transfer of Shares or Debentures. The ICAV is not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of law (including any law that is for the time being in force in a country or territory other than the State).
- 18.9 The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration of transfers shall not be suspended for more than 30 days in any year.

- 18.10 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 18.11 In the case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where the Shareholder was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to interest in the Shares, but nothing in this Section 18 shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 18.12 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of this title as the Directors may require, have the right either to be registered as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder or by the Shareholder under legal disability before such disability.
- 18.13 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all moneys payable or other advantages due on or in respect of the Share, but such person shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor, save as aforesaid, to any of the rights or privileges of a Shareholder unless and until registered as a Shareholder in respect of the Share provided always that the Directors may at any time give notice requiring any such person to elect either to be registered or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.
- 18.14 No person shall be entitled to be registered as a Shareholder until such time as the relevant application form has been completed to the satisfaction of the ICAV.

19. HEDGING POWERS

20. GENERAL MEETINGS AND WRITTEN RESOLUTIONS

- 20.1 General meetings of the ICAV or any Fund shall be held in Ireland.
- 20.2 The Directors have elected to dispense with the holding of an annual general meeting of the ICAV in accordance with section 89(4) of the Act, such election to take effect from the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation and to continue indefinitely unless an annual general meeting is convened in accordance with Section 20.3.
- 20.3 The ICAV will be required to hold an annual general meeting where
- (a) one or more Shareholders holding, or together holding, not less than 10% of the voting rights in the ICAV; or

- (b) the Auditors, may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting. For the avoidance of doubt, such a request cannot be made until one year from the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation.
- 20.4 In circumstances where the ICAV is required to hold an annual general meeting it will comply with the relevant requirements of section 89 of the Act.
- 20.5 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.

Any reasonable expenses incurred by those making the request by reason of the failure of the Directors to convene a meeting shall be repaid to those making the request by the ICAV and any sum so repaid shall be retained by the ICAV out of any sums due or to become due from the ICAV by way of fees or other remuneration in respect of their services to such of the Directors as were in default. For the purpose of a meeting called in accordance with Section 20.7 or Section 20.8, the Directors shall, in the case of a meeting at which a resolution is to be proposed as a Special Resolution, be deemed not to have duly convened the meeting if they do not give such due notice of it. For the avoidance of doubt, a meeting convened under Section 20.7 or Section 20.8 shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by Directors.

21. NOTICE OF GENERAL MEETINGS

- 21.1 At least fourteen calendar days' notice (or such shorter time as may be agreed with the Shareholders from time to time) specifying the place, the day and the hour of the meeting, and the general nature of the business of the meeting (and in the case of an annual general meeting (if any) specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions of Instrument or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.
- 21.2 The Directors, the Depositary, the Administrator, the Manager, the Investment Manager and the Auditors shall be entitled to receive notice of and attend and speak at any general meeting of the ICAV.

- 21.3 In every notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.
- 21.4 The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

22. PROCEEDINGS AT GENERAL MEETINGS

- 22.1 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 23.12 of this Instrument and present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 22.2 If within half an hour after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder present either in person or by proxy shall be a quorum for any such adjourned meeting.
- 22.3 The Chairman or, if absent, the deputy chairman of the Directors, or failing him, some other Director nominated by the Directors or any Shareholder or their representative nominated by the Shareholders shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other nominated Director or any nominated Shareholder or their representatives be present within fifteen minutes after the time appointed for holding the meeting, or, if none of them be willing to act as Chairman, the Directors or any Shareholder or their representatives present shall choose some Director or any Shareholders or their representative present to be chairman or if no Directors or Shareholder or their representatives be present, or if all the Directors or any Shareholder or their representative present decline to take the chair, the Subscriber Shareholders present shall choose a Subscriber Shareholder present to be Chairman.
- 22.4 The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more than ten calendar days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at the adjourned meeting.
- 22.5 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands and every Shareholder and Subscriber Shareholder present in person or by a proxy shall have one vote in respect of each Share or Subscriber Share, as the case may be, held by that Shareholder; provided however that in relation to a resolution which in the opinion of the Directors affects more than one Class or gives or may give rise to a conflict of interest between the Shareholders of respective Classes, such resolution shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of Shareholders if all those Classes, such resolution shall have been passed at a separate meeting of Shareholders of each Class.
- 22.6 A poll shall be taken in such manner and at such place as the Chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

- 22.7 The Chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 22.8 In the case of an equality of votes, the Chairman of the meeting at which the poll takes place shall be entitled to a second or casting vote.
- 22.9 A poll on the election of a Chairman and a poll on a question of adjournment shall be taken forthwith. A poll on any other question shall be taken at such time and place as the Chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 22.10 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 22.11 A demand for a poll may be withdrawn and no notice needs to be given of a poll not taken immediately.
- 22.12 A resolution in writing signed by all the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of this Instrument.
- 22.13 If at any time the Share capital is divided into different Classes of Shares, the rights attached to any Class (unless otherwise provided by the terms of issue of the Shares of that Class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that Class, or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the Shares of that Class, to which the provisions of this Instrument relating to general meetings (including, without limitation, Section 22.12) shall mutatis mutandis apply except that the necessary quorum at any such meeting shall be two persons holding or representing by proxy at least one third of the issued Shares of the Class in question or, at an adjourned meeting, one person holding Shares of the Class in question or his proxy. Any holder of Shares representing one tenth of the Shares in issue of the Class in question present in person or by proxy may demand a poll. The rights attaching to any Class shall not be deemed to be varied by the creation or issue of further Shares of that Class ranking pari passu with Shares already in issue, unless otherwise expressly provided by the terms of issue of those Shares.
- 22.14 A Director shall be entitled, notwithstanding that he is not a Shareholder, to attend and speak at any general meetings and at any separate meeting of the Shareholders. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as Auditors.
- 22.15 The ICAV shall as soon as may be, cause minutes of all proceedings of general meetings of the ICAV to be entered into books kept for that purpose. Any such minute if purporting to be signed by the person chairing the meeting or by the person chairing the next following meeting, shall be evidence of the proceedings. Where minutes have been made in accordance with this Section 22.15 of the proceedings at any general meeting of the ICAV, until the contrary is shown, the meeting shall be deemed to have been duly held and convened, and all proceedings at the meeting to have been duly had, and all appointments of directors or liquidators shall be deemed to be valid. The ICAV, shall, if required by the Director of Corporate Enforcement ("**DCE**"), produce to the DCE for inspection the book or books kept in accordance with this Section 22.15 and shall give to the DCE such facilities for inspecting and taking copies of the contents of the book or books as the DCE may require.

23. VOTES OF SHAREHOLDERS

- 23.1 Subject to any special rights or restrictions for the time being attached to any Fund or Class with the prior approval of the Central Bank, each Shareholder shall have one vote in respect of each Share held as of the relevant record date as defined below. The Subscriber Shareholders shall have one vote irrespective of the number of Subscriber Shares held as of the relevant record date as defined below. The "relevant record date" for these purposes shall be a date being not more than thirty days prior to the date of the relevant general meeting or written resolution as determined by the Directors where a separate written resolution or general meeting of a particular Class is held, in such circumstances, the Shareholders' votes shall be calculated by reference only to each Shareholder's shareholding in that particular Class, is appropriate. In relation to a resolution which in the opinion of the Directors affects more than one Class, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such Class, such resolution shall have been passed at a separate meeting of the Shareholders of each such Classes.
- 23.2 In the case of joint holders of a Share, the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 23.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.
- 23.4 On a poll votes may be given either personally or by proxy.
- 23.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, cast all his votes or cast all the votes he is entitled to in the same way.
- 23.6 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in the usual form or in such form as the Directors may approve provided always that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 23.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 23.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the Office or at such other place as is specified for that purpose in the notice of the meeting or in the instrument of proxy issued by the ICAV not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid.
- 23.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 23.10 The Directors may at the expense of the ICAV send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any Class of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in

the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.

- 23.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the Office before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 23.12 Any body corporate which is a Shareholder may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of this Instrument be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 23.13 With regard to the respective rights and interests of Shareholders of different Funds/and or different Classes, the foregoing provisions of this Instrument shall have effect subject to the following modifications:
- (a) a resolution which in the opinion of the Directors affects one Fund or Class shall be deemed to have been duly passed if passed at a separate meeting of the Shareholders of that Fund or Class;
 - (b) a resolution which in the opinion of the Directors affects more than one Fund or Class but does not give rise to a conflict of interests between the Shareholders of the respective Funds or Classes shall be deemed to have been duly passed if passed at a single meeting of the Shareholders of those Funds or Classes;
 - (c) a resolution which in the opinion of the Directors affects more than one Fund or Class and gives or may give rise to a conflict of interests between the Shareholders of the respective Funds or Classes shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the Shareholders of those Funds or Classes, such resolution shall have been passed at a separate meeting of Shareholders of each such Fund or Class; and
 - (d) to all such meetings as aforesaid all the provisions of this Instrument shall, mutatis mutandis, apply as though references therein to Shares and Shareholders were references to the Shares of the Fund or Class in question and to the Shareholders for the time being of such Funds or Classes respectively.

24. DIRECTORS

- 24.1 The number of the Directors shall not be less than three nor more than nine. The first Directors shall be appointed by the subscribers to this Instrument.
- 24.2 A Director need not be a Shareholder.
- 24.3 The Directors shall have power at any time and from time to time to appoint any person approved by the Central Bank to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. At a general meeting of the ICAV, a motion for the appointment of two or more persons as Directors of the ICAV by a single resolution shall not be made, unless a resolution that it shall be so made has first been agreed to by the meeting without any vote being given against it.

- 24.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine provided always that the aggregate amount of the remuneration payable to the Directors in accordance with this Section 24.4 in any one year shall not exceed an amount as the Directors may from time to time determine and disclose to the Shareholders. Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or Shareholders or any other meetings with regulatory authorities or professional advisers or otherwise in connection with the business of the ICAV.
- 24.5 The Directors may in addition to such remuneration as is referred to in Section 24.4 grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV in general meeting.
- 24.6 Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a Board meeting, appoint any person (including another Director) to be his alternate Director and may in like manner at any time terminate such appointment.
- 24.7 The appointment of an alternate Director shall terminate on the happening of any event which if he were a Director would cause him to vacate such office or if his appointor ceases to be a Director.
- 24.8 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of this Instrument shall apply as if he, instead of his appointor, were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative provided however that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Board, the foregoing provisions of this Section 24.8 shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a Shareholder. An alternate Director shall not, save as aforesaid or as otherwise in the Instrument provided, have power to act as a Director nor shall he be deemed to be a Director for the purposes of the Instrument. If the Director appointing an alternate shall die or otherwise cease to hold the office of director, the appointment of the alternate hereunder shall thereupon cease and terminate.
- 24.9 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the ICAV from time to time direct.
- 24.10 The ICAV may at any time and from time to time by power of attorney appoint any person or persons or corporation to be the attorney or attorneys of the ICAV for any lawful purpose and with such powers, authority and discretions and for such period and subject to the conditions as the Directors on behalf of the ICAV may from time to time think fit. Any such delegates or attorneys may be authorised by the ICAV to sub-delegate all or any of the powers, authorities and discretions for the time being vested in them. In addition to the above, the Directors may empower such delegates and attorneys, either generally or in respect of any specified matters to execute deeds or do any other matter on behalf of the ICAV in any place whether inside or outside the State. A deed signed by such delegate or attorney on behalf of the ICAV shall bind the ICAV and have the same effect as if it were under a Seal.
- 24.11 The office of a Director shall be vacated on any of the following events namely:

- (a) if he resigns his office by notice in writing signed by him and left at the Office;
- (b) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
- (c) if he becomes of unsound mind;
- (d) if he ceases to be a Director by virtue of, or becomes prohibited or restricted from being a Director by reason of, an order made under the provisions of any law or enactment;
- (e) if he be requested by a majority of the other Directors (not being less than two in number) to vacate office;
- (f) if he is removed from office by an Ordinary Resolution in accordance with section 62 of the Act;
- (g) if he is absent from eight successive meetings without leave expressed by resolution of the Directors and the Directors resolve that his office be vacated; or
- (h) if he shall attain such age as the Directors may from time to time determine.

24.12 If a Director has reason to believe that any claim will or might be made against him in respect of any negligence, default, breach of duty or breach of trust (the 'wrong concerned') he may make an application to the court to be relieved of liability in respect of the wrong concerned.

25. TRANSACTIONS WITH DIRECTORS

25.1 A Director may hold any other office or place of profit under the ICAV (other than the office of Auditor) in conjunction with his office of Director and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may determine.

25.2 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his prior to the conclusion of such transaction, a Director notwithstanding his office:

- (a) may be a party to, or otherwise interested in any transaction or arrangement with the ICAV or in which the ICAV is interested; and
- (b) shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any body corporate which enters into any such transaction or arrangement and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

25.3 No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser, professional adviser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the ICAV in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established, but the nature of his interest must be declared by him at the Board meeting at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement, then at the next Board meeting held after he becomes so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, then at the first Board meeting held after he becomes so interested. A general notice in writing given to the Directors by any Director to the effect that he is a shareholder, officer or employee of any specified company or investment vehicle or a partner or employee in any specified firm, and is to be regarded as interested in any contract or arrangement which

may thereafter be made with that company or investment vehicle or firm, shall be deemed a sufficient declaration of interest in relation to any contract or arrangement made.

25.4 For the purposes of this Section 25:

- (a) a general notice in writing given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;
- (b) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his; and
- (c) an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.

25.5 Save as otherwise provided by the provisions of this Section 25 and unless the majority of the Directors acting through the Board otherwise determine, a Director shall be entitled to vote at any Board meeting or a committee of the Board in respect of any contract or arrangement or any proposal whatsoever in which he has any material interest (provided notice of the conflict is provided in accordance with Section 25.4(a) above) and be counted in the quorum in respect of any resolution concerning any such contract, arrangement or proposal including, without limitation to the generality of the foregoing, any resolution concerning any of the following matters, namely:

- (a) the giving of any security, guarantee or indemnity to him in respect of money lent or obligations incurred by him at the request of or for the benefit of the ICAV or any of its subsidiaries;
- (b) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the ICAV or any of its subsidiaries for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
- (c) any proposal concerning an offer of Shares or Debentures or other securities of or by the ICAV or any of its subsidiaries for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof;
- (d) any proposal concerning any other company or firm in which he is interested, directly or indirectly and whether as an officer, shareholder, partner, employee, agent or otherwise howsoever.

25.6 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the ICAV or any company or investment vehicle in which the ICAV is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.

25.7 If any question shall arise at any Board meeting or of a committee of Board as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the Chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.

- 25.8 The Shareholders may by Ordinary Resolution suspend or relax the provisions of Sections 25.5 to 25.7 inclusive to any extent or ratify any transaction not duly authorised by reason of a contravention thereof.
- 25.9 Any Director may act by himself or through his firm in a professional capacity for the ICAV, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, provided that nothing herein contained shall authorise a Director or his firm to act as Auditor.

None of the foregoing shall be answerable for the acts, receipts, neglects, or defaults of the other or others of them, or for joining in any receipt for sake of conformity, or for any bankers, brokers, or other person into whose hands any money or assets of the ICAV may come, or for any defects of title of the ICAV to any property purchased, or for insufficiency or deficiency of or defect of title of the ICAV to any security upon which any moneys of or belonging to the ICAV shall be placed out or invested, or for any loss, misfortune or damage resulting from any such cause as aforesaid, or which may happen in the execution of their respective offices or trusts, or in relation thereto, unless the same shall happen by or through their own negligence, default, breach of duty or breach of trust respectively.
- 39.2 Subject to section 85 of the Act, where a Director acts in breach of his or her duty under section 79(1)(a), (c), (d), (e), (f) or (g), he or she shall be liable to do either or both (as corresponding common law rule or equitable principle relating to bodies corporate with respect to the matter would have required) of the following things:

- (a) account to the ICAV for any gain which he or she makes directly or indirectly from the breach of duty; or
 - (b) indemnify the ICAV for any loss or damage resulting from that breach.
- 39.3 The Depositary, the Administrator, the Manager, the Investment Manager, any distributor and any other service provider to the ICAV shall be entitled to such indemnity from the ICAV upon such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement, the Administration Agreement, the Management Agreement, the Investment Management Agreement or any distribution agreement or other service provider agreement (as applicable), provided that no such indemnity shall extend to any matters arising from the fraud of the Manager, the Investment Manager, the Depositary or the Administrator, the distributor or other service provider to the ICAV or such other standards as may be determined by the Board and provided further that the indemnity complies with the Regulations and the Central Bank's requirements.
- 39.4 The ICAV, the Directors, the Depositary, the Administrator, the Manager, the Investment Manager and any distributor shall be entitled to rely absolutely on any declaration received from a Shareholder as to residence or otherwise of such Shareholder and shall not incur any liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled though not bound to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction.
- 39.5 The ICAV, the Directors, the Depositary, the Administrator, the Manager and the Investment Manager shall incur no liability to the Shareholders for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgment of any court, or by reason of any request announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Instrument neither the ICAV, nor the Directors, nor the Depositary, nor the Administrator, nor the Manager, nor the Investment Manager shall be under any liability therefore or thereby.
- 39.6 This Section shall not, however, exempt the ICAV, the Depositary, the Administrator, the Manager or the Investment Manager, any distributor or any other service provider to the ICAV from any liability they may incur as a result of a failure to adhere to their obligations as set out in the Act or the Regulations or any liability as a result of any fraud or negligence on the part of the ICAV or any liability standard set out in the Depositary Agreement, Management Agreement, Investment Management Agreement, Administration Agreement, distribution agreement or any other service provider agreement.

44. SUBSIDIARIES

44.1 The ICAV may, with the prior approval of the Central Bank, establish one or more wholly owned limited liability subsidiary companies to invest in investments which are permitted under the investment policy of the ICAV for the time being in force and under the Regulations provided that the reasons for establishing any such wholly owned limited liability companies are justified as being in the interests of Shareholders.

44.2 The shares of any such subsidiary shall be held by the Depositary on behalf of the ICAV and any assets of any such subsidiary shall be held by the Depositary or its nominees or otherwise in accordance with the requirements of the Central Bank.

45. APPROVAL FOR CHANGE OF NAME

46.1 The Directors shall, subject to the prior approval of the Central Bank, be entitled to modify, alter or add to the provisions of this Instrument in such manner and to such extent as they may consider necessary or expedient for any purpose other than one which would result in the ICAV ceasing to comply with the terms of the Regulations; provided that,

(b) such modification, alteration or addition has been approved by Ordinary Resolution.

46.2 Within 21 calendar days after the date of the making of such modification, alteration or addition in the Instrument, the ICAV shall deposit with the Central Bank a copy of the Instrument so altered or containing the alterations.
