provided that when issuing a Class in regard to any Fund, the Directors may allocate commission, Duties and Charges and ongoing expenses on a basis which is different from that which applies in the case of Shares in other Classes in the Fund.

- 5.14 Notwithstanding anything contained in this Instrument:
- (a) the costs, gains/income and losses attributable to any Investments and transactions relating to an Asset-Specific Share Class shall accrue solely to the Shareholders of the relevant Class;
 - (b) any such Investments or transactions must be clearly attributable to a particular Class only; and
 - (c) any Investment (including without limitation any derivative transaction) relating to an Asset-Specific Share Class shall be valued in accordance with the provisions of this Instrument.
- 5.15 Subject as otherwise provided herein, the Investments held in each Fund shall be applied solely in respect of the Shares of the Class (or Classes as the case may be) to which such Fund appertains.
- 5.16 The ICAV may pay any brokerage or commission in connection with the allotment or issue of Shares.
- 5.17 No person shall be recognised by the ICAV as holding any Shares on trust and the ICAV shall not be bound by or required to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Shares or (except only as this Instrument otherwise provide or as by law required) any other right in respect of any Share, except an absolute right of title thereto in the registered holder.

6. REGISTRATION AND SHARE CERTIFICATES

- 6.1 Subscriber Shares and Shares are issued in fully registered book-entry form only. Share certificates will not be issued by the ICAV and a Shareholder in the ICAV shall have his title to Shares evidenced by having his name, address, the number of Shares held by him or her, as of the date of entry and cessation of membership of the ICAV and the number and the Fund entered in the Register. The Directors shall refuse to make any entry on the Register in respect of any Shares held by any person whose name has not already been entered on the Register where such person holds a number of Shares less than the Minimum Holding. To be entered on the register, Shareholders must apply for or acquire Shares to the value of not less than the minimum subscription amount as set out in the AIF Rulebook, certify that they meet the Qualifying Investor criteria as set out in the AIF Rulebook and certify that they are aware of the risk involved in the proposed investment and of the fact that inherent in such investment is the potential to lose all of the sum involved.
- 6.2 Written confirmation confirming entry on the Register shall be issued to all Shareholders within such period as the Directors may determine from time to time (as disclosed in the Prospectus). The Shareholder's name will not be entered in the Register until the full purchase price has been paid to the ICAV and a confirmation note has been issued to the Shareholder.
- 6.3 Registration will only be accepted in the name of companies, trusts, partnerships or individuals. Shares purchased for individuals under 18 years of age must be registered in the name of a parent or guardian, but may be designated with the minor's initials for identification. A Shareholder whose name appears in the Register shall, if the Directors so determine in relation to the Shares of any Class, be entitled after issue of a final confirmation note to be issued with a share certificate or share certificates representing the number of Shares held by him. Written confirmation of entry on the register will be issued to Shareholders. Share certificates will only be issued if specifically requested at the time of application for Shares.

- 6.4 A Shareholder whose name appears in the Register shall, if the Directors so determine in relation to the Shares of any Class, be entitled after issue of a final confirmation note to be issued with a certificate of all Shares allotted or transferred (meaning a transfer that is (where appropriate) duly stamped and is otherwise valid, and does not include such a transfer as the ICAV is, for any reason, entitled to refuse to register and does not register) representing the number of Shares held by him.
- 6.5 The ICAV shall not be bound to register more than four persons as the joint holders of any Share or Shares.
- 6.6 Where two or more persons are registered as the holders of any Shares they shall be deemed to hold the same as joint holders, subject to the following provisions:
- (a) the joint holders of any Shares shall be jointly and severally liable in respect of all payments which are to be made in respect of such Shares;
 - (b) any one of several joint holders of a Share may give effectual receipts for any dividend, bonus or return of capital payable in respect of such Share to the joint holder;
 - (c) any notice given to one of several joint holders of Shares shall be deemed notice given to all the joint holders; and
 - (d) the vote of any one of several joint holders of the Share who tenders a vote whether by person or by proxy shall be accepted to the exclusion of votes of the other joint holders.

7. ALLOTMENT, ISSUE AND CONVERSION OF SHARES

- 7.1 Shares issued prior to the first Dealing Day will be issued at the Initial Offer Price as specified in the Prospectus.
- 7.2 All issues of Shares thereafter shall be effected or made with effect from a Dealing Day at the Net Asset Value per Share of the applicable Fund and Class, (or if Shares of a new Fund or Class are being issued, at such offer price as may be determined by the Directors, or their delegates or as set forth in the Prospectus for that Fund), as of the Valuation Day in respect of the relevant Dealing Day. All allotments and all issues of Shares pursuant to subscription orders received on or prior to the relevant Dealing Day for a Fund, shall be effected or made with effect from the relevant Dealing Day and/or such later day or days as may be contemplated in the Prospectus. The ICAV may provisionally allot and/or issue Shares on a Dealing Day on the basis that the Shares shall be issued on receipt by the ICAV or its authorised agent of cleared funds from the subscriber for the relevant Shares or, if provisionally issued, shall be cancelled in the event that the ICAV or its authorised agent does not receive cleared funds from the subscriber for the relevant Shares within a reasonable time as specified in the Prospectus. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV, in order to meet these charges. No interest will be paid by the ICAV on monies received early.
- 7.3 The ICAV shall from time to time decide the denomination in which Shares will be issued.
- 7.4 Subject as hereinafter provided, on receipt by the ICAV or its authorised agent during the Initial Offer Period and/or prior to the initial issue of Shares:
- (a) an application for Shares in a Fund in such form as the Directors may from time to time determine and as specified in the Prospectus;
 - (b) such information and declarations as to the applicant's identity, status, residence and otherwise as the Directors or their authorised agent may from time to time require; and
 - (c) payment for the Shares in such manner and at such time and place as the Directors from time to time may specify, provided that if payment is made in a currency other than

the currency designated for the Shares, the ICAV shall convert or arrange for the conversion of the monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in connection with the conversion,

the ICAV may allot and issue such Shares on the first Dealing Day following the close of the relevant Initial Offer Period at the Initial Offer Price for each such Share in such Fund provided that if any such application is received after such time following the close of the relevant Initial Offer Period as the Directors may determine, the ICAV will refuse the application or defer the allotment or issue of such Shares until the next succeeding Dealing Day and provided further that if the information and declarations required pursuant to sub-paragraph (b) of this Section 7.4 and cleared funds representing the subscription monies in respect of the Shares and the original application form are not received by the ICAV within such period as the Directors may determine the Directors shall cancel any provisional allotment and/or issue of Shares in respect thereof and if so cancelled the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until return it may be made use of by the ICAV for its own benefit. If payment in cleared funds in respect of a subscription has not been received in full by the time specified in the Prospectus, the ICAV may charge the applicant interest at such rate (if any) as is set out in the Prospectus and which charge may be payable to the ICAV. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV in order to meet those charges. No interest will be paid on monies received early.

7.5 Subject as hereinafter provided, on receipt by the ICAV or its authorised agent after the Initial Offer Period and/or after the initial issue of Shares of:

- (a) an application for Shares in a Fund in such form as the Directors may from time to time determine; and
- (b) such information and declarations as to the applicant's identity, status, residence and otherwise as the Directors or their authorised agent may from time to time require; and
- (c) payment for the Shares in such manner and at such time and place as the Directors from time to time may specify,

the ICAV may allot and issue such Shares on the relevant Dealing Day at the Subscription Price for each such Share of such Fund on terms that if the ICAV receives payment for the Shares in a currency other than the Base Currency of the Fund the ICAV shall convert or arrange for the conversion of monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in the conversion and on terms that the allotment and/or issue of Shares may take place provisionally if cleared funds have not been received by the ICAV or its authorised agent, provided that the application referred to in sub-paragraph (a) of this Section 7.5 has been received by the ICAV or its authorised agent and provided further that if the information and declarations required pursuant to sub-paragraph (b) of this Section 7.5 and cleared funds representing the subscription monies and the original application form are not received by the ICAV within such period and at such time and place as the Directors may determine the Directors shall cancel any provisional allotment of Shares in respect thereof and if so cancelled the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until returned, it may be made use of by the ICAV for its own benefit. Applications received by or on behalf of the ICAV up to such time on a Dealing Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Dealing Day. Such applications as are received by or on behalf of the ICAV after such time on a Dealing Day as the Directors may determine shall be deemed to have been received

by or on behalf of the ICAV on the following Dealing Day. If payment in cleared funds in respect of a subscription has not been received in full by the time specified in the Prospectus, the ICAV may charge the applicant interest at such rate (if any) as is set out in the Prospectus and which charge may be payable to the ICAV. The Directors, in their absolute discretion, may waive such charge in whole or in part. In addition, the Directors will have the right to sell all or part of the applicant's holding of Shares in the Fund or any other Fund of the ICAV in order to meet those charges. No interest will be paid on monies received early.

- 7.6 If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder because the Net Asset Value per Share in effect on the Dealing Day was incorrect, the Directors may adjust such Shareholder's Shares by increasing or decreasing them, as appropriate, to such number of Shares as would have been issued at the correct Net Asset Value per Share.
- 7.7 The ICAV will make available to prospective Shareholders such information as may be reasonably required by the Legislation in respect to an investment in the Fund.
- 7.8 Payment for Shares shall be made at such time and place and to such person on behalf of the ICAV as the Directors may from time to time determine and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions.
- 7.9 The Directors shall be entitled to issue Fractional Shares up to such number of decimal places as the Directors may determine and disclose in the Prospectus where the net subscription monies received by the ICAV are insufficient to purchase an integral number of Shares, provided however that Fractional Shares shall not carry any voting rights and provided further that the Net Asset Value per Share of a Fractional Share of any Share shall be adjusted by the amount which such Fractional Share bears to an integral Share at the time of issue of such Fractional Share and any dividend payable on such Fractional Shares shall be adjusted in like manner.
- 7.10 No allotment or issue of Shares shall be made in respect of an application which would result in the applicant holding less than the Minimum Holding. No allotment or issue of Shares shall be made to any person who has not subscribed for the minimum subscription amount as set out in the AIF Rulebook and who has not certified that he is a Qualifying Investor.

The ICAV may (at the option of the Directors) satisfy any application for the allotment or issue of Shares by procuring the transfer to the applicant of fully paid Shares. In any such case, references in this Instrument to allotting and issuing Shares shall, where appropriate, be taken as references to procuring the transfer of Shares.

- 7.11 The ICAV shall be entitled to receive any Investments from an applicant for Shares and to hold such Investments or to sell, dispose of or otherwise convert such Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purpose of allotting and issuing Shares in the ICAV in accordance with the provisions of this Instrument.
- 7.12 Subject to the provisions of the Act, the Directors may in their absolute discretion allot and issue Shares in any Fund in consideration for, or on terms providing for settlement to be made by, the vesting in the Depositary of any Investments provided that the Directors are satisfied that:
- (a) the nature of assets to be transferred would qualify as Investments in accordance with the investment objective, policy and restrictions of the relevant Fund;
 - (b) the number of Shares to be issued will not be more than the number which would have been issued for settlement in cash having valued the Investments to be exchanged in accordance with Section 14;
 - (c) all fiscal duties and charges arising in connection with the vesting of such Investments in the Depositary are paid by the person to whom the Shares are to be issued or, at the

discretion of the Directors, partly by such person and partly out of the assets of the Fund;

- (d) the Depositary is satisfied that the terms of such exchange will not be such as are likely to result in any material prejudice the existing Shareholders;
 - (e) the nature of the assets to be transferred would qualify as investments in accordance with the investment objectives, policies and restrictions of the relevant Fund; and
 - (f) the Investments have been vested in the Depositary or its sub-depositary, nominee or agent.
- 7.13 No Shares shall be allotted or issued on any Dealing Day on which the determination of Net Asset Value of the Shares is suspended pursuant to Section 13.14.
- 7.14 The Directors may require any person to whom Shares are to be allotted to pay to the ICAV an initial charge in respect of each Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Share to be allotted such amount as the Directors may determine and disclose in the Prospectus.
- 7.15 The Directors may in their absolute discretion refuse to accept any application for Shares or Subscriber Shares or accept any application in whole or in part without assigning any reason therefor.
- 7.16 Any outstanding Class may, in the discretion of the Directors be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another Class at the prevailing Net Asset Value per Share of such other Class.
- 7.17 Except where dealings in the relevant Shares have been temporarily suspended in the circumstances described in Section 13.14 and to the extent that Shareholders will be entitled on any Dealing Day to convert any or all of their Shares of any Fund ("**Original Fund**") into Shares in any other Fund ("**New Fund**") on such terms and such switching fee (if any) as are disclosed in the Prospectus.
- 7.18 The Directors may issue Shares in exchange for investments in accordance with the particular investment objective and policies of the Fund. No Shares may be issued in exchange for such investments unless the Directors are satisfied that (i) the number of Shares issued will not be more than the number which would have been issued for settlement in cash having valued the investments to be exchanged in accordance with the valuation provisions set out in the Instrument and summarised herein; and (ii) all fiscal duties and charges arising in connection with the vesting of such investments in the Depositary for the account of the Fund are paid by the person to whom the Shares in the Fund are to be issued and the Depositary is satisfied that (a) the terms of such exchange shall not materially prejudice the Shareholders and (b) that the investments have been vested in the Depositary.
- 7.19 Shareholders of any Class within a Fund may switch to another Class within this Fund or to the same or another Class of another Fund as the Directors may permit.

If the switch would result in the Shareholder holding a number of Shares in the original Class or Fund with a value of less than the Minimum Holding, the Directors may, in their discretion, convert the whole of the applicant's holding of Shares in the Class or Fund or refuse to effect any switch. No switches will be made during any period in which the rights of Shareholders to require the redemption of their Shares are suspended. The general provisions on procedures for redemptions will apply equally to switching.

The number of Shares to be issued in the new Class and/or Fund will be calculated in accordance with the following formula:

$$A = \frac{B \times C \times D}{E}$$

Where

A = number of Shares of the new Class or Fund to be allocated

B = number of Shares of the original Class or Fund to be converted

C = redemption price per Shares on the relevant Dealing Day for the original Class or Fund

D = the currency conversion factor determined by the ICAV as representing the prevailing rate of exchange of settlement on the relevant Dealing Day applicable to the transfer of assets between the relevant Funds (where the base currencies of the relevant Funds are different) or where the base currencies of the relevant Classes or Funds are the same D = 1

E = subscription price per Shares on the relevant Dealing Day for the new Class or Fund.

8. SUBSCRIPTION PRICE

8.1 The Initial Offer Price per Share at which the allotment of Shares shall be made shall be determined by the Directors and adding thereto such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

8.2 The Subscription Price per Share at which the allotment of Shares shall be made following the Initial Offer Period shall be ascertained by determining the Net Asset Value per Share of the applicable Class (or if Shares of a new Class are being issued, at such offer price as may be determined by the Directors, or their delegates) of Shares in the relevant Fund in accordance with Section 13 and 14 on the Valuation Day in respect of the relevant Dealing Day and adding thereto such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit provided that such price shall always be determined in the manner described in the Prospectus for the Fund (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

8.3 The Directors may, when calculating the Subscription Price add a subscription charge or on any Dealing Day when there are net subscriptions, adjust the Subscription Price by adding an anti-dilution levy or swing pricing adjustment to cover dealing costs and to preserve the value of the underlying assets of the ICAV.

9. QUALIFIED HOLDERS, COMPULSORY TRANSFER AND COMPULSORY REDEMPTION

9.1 The Directors may impose such restrictions as they may think necessary for the purpose of ensuring that no Shares in the ICAV are acquired or held directly or beneficially by:

- (a) any person in breach of the law or requirements of any country or governmental authority by virtue of which such person is not qualified to hold Shares including without limitation any exchange control regulations;
- (b) or for the benefit of a person who is not a Qualifying Investor (other than persons which benefit from an exemption from the minimum subscription requirement and qualifying investor criteria) or where required to give effect to the terms upon which Shares were issued to the Shareholder as described in this Prospectus with respect to those Shares (including for the avoidance of doubt, any equalisation policy);
- (c) any person who the Directors, or the Administrator acting on the ICAV's instructions, suspect are not compliant with FATCA or may cause the ICAV or the relevant Fund to become non-compliant with FATCA;
- (d) any person who in the event of any liability or charge arising in respect of Shares or any Shareholder, the ICAV is entitled to redeem, repurchase, appropriate or cancel such number of Shares as is required to meet the appropriate liability or charge to any tax, levy, import, duty or other charge or withholding of a similar nature (including penalty of interest payable in connection with any failure to pay or any delay in paying any of the same) of such Shareholder and to account for such appropriate tax to the relevant tax authorities;
- (e) any person who fails to comply with the terms and/or conditions of the issue and/or settlement of its Shares or any agreement with the ICAV to subscribe for further Shares or any person who otherwise becomes classified by the Directors as a Defaulting Shareholder in accordance with the terms of the relevant Supplement;
- (f) any person who, in the reasonable opinion of the Directors, would preclude the relevant Fund from making an investment or any type of Investments or render the making of any investment or any type of Investments more difficult or burdensome for the relevant Fund;
- (g) any person who holds less than the Minimum Holding or where a transfer by any investor results in the Minimum Holding of that investor falling below an aggregate Net Asset Value of the Minimum Holding for the relevant Class or who does not supply any information or declaration required under this Instrument;
- (h) any person, whose ownership gives rise to a breach of any applicable law or requirement in any jurisdiction (including where an investor is no longer a Qualifying Investor, as the same is defined herein), or may, in the sole and conclusive opinion of the Directors (i) prejudice the tax status or residence of the ICAV or its Shareholders; or (ii) cause the ICAV, its Shareholders, any Fund or any Class any legal regulatory, pecuniary, tax, fiscal or material administrative disadvantage; or (iii) cause the ICAV or any Fund to be required to comply with the registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply or (iv) would cause the assets of a relevant Fund to become "plan assets" for the purposes of ERISA;
- (i) any person, where the Directors believe, in their sole discretion, that the holding of Shares by such person would not be in the best interests of the relevant Fund, the ICAV or the other Shareholders;

and the Directors may reject in their discretion any application for Shares or any transfer of Shares to any persons who are so excluded from purchasing or holding Shares and at any time redeem or require the transfer of Shares held by Shareholders who are so excluded from purchasing or holding Shares in accordance with this Section 9 or take such other action as may be permissible to discontinue the business relationship with such persons.

In addition to the foregoing, the Directors may redeem, repurchase, appropriate or cancel such number of Shares as is required: (i) in the event of any liability or charge to Taxation arising in respect of Shares or any Shareholder, to meet the appropriate liability or charge to Taxation of

such Shareholder and to account for such appropriate tax to the relevant tax authorities; (ii) to give effect to the terms upon which Shares were issued to the Shareholder as described in the Prospectus with respect to those Shares (including, for the avoidance of doubt, any equalisation policy); and (iii) in the case of Funds that are loan originating Funds, in the event that the diversification requirements imposed by the Central Bank and set out in the relevant Supplement are breached and Shareholders do not approve the continuation of the relevant Fund at the level of diversification that has been achieved within the timeframe imposed by the Central Bank.

9.2 In addition to Section 9.1, no transfer of Shares shall be recorded on the Register:

- (a) if in the opinion of the Directors the transfer would be unlawful or result or be likely to result in any adverse regulatory, tax or fiscal consequence or material administrative burden to the ICAV or the Shareholders including, without limitation, if it would cause the Shares of the ICAV to be required to register pursuant to the Securities Exchange Act of 1934, as amended, or the rules promulgated thereunder, to register as an investment company under the 1940 Act or to register any Shares under the 1933 Act or if such transfer would cause a Fund to be treated as a publicly traded partnership taxable as a corporation under Section 7704 of the Code for U.S. tax purposes;
- (b) in the absence of satisfactory evidence of the transferee's identity; or
- (c) if the transfer is a "chargeable event" giving rise to an obligation on the ICAV to deduct appropriate tax unless the ICAV is satisfied that it can levy the aggregate tax on this proposed transferor by way of forfeiture of such number of Shares of the proposed transferor as are necessary to discharge such liability and unless the ICAV receives a valid Declaration from the proposed transferee.

The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in this Instrument) as they may think necessary for the purposes of ensuring that no Shares in the ICAV are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by any person in the circumstances described in Section 9.6.

9.3 Shareholders are required to notify the ICAV immediately in the event that:

- (a) they become Irish Residents;
- (b) they cease to be Exempt Investors;
- (c) the Declaration made by or on their behalf is no longer valid;
- (d) they hold Shares for the account or benefit of (i) Irish Residents; or (ii) Irish Residents who cease to be Exempt Investors and in respect of which the Declaration made on their behalf is no longer valid; or
- (e) they otherwise hold Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, tax or fiscal consequences for or be a material administrative burden to the ICAV or the Shareholders.

9.4 The Directors may upon an application for Shares or at any other time and from time to time require such evidence to be furnished to them in connection with the matters stated in Section 9.1 or 9.2 as they shall in their discretion deem sufficient and if such evidence is not forthcoming may refuse to accept such application or, if Shares have already been issued to any person of whom such a request is made, such person shall be deemed upon the expiration of thirty days from the making of such request, to have requested the redemption of all of his Shares whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any

person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Section 12 shall apply subject to Section 9.9 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 13.

- 9.5 If a person becomes aware that he is holding or owning Shares in contravention of Section 9 he shall forthwith in writing request the ICAV to redeem such Shares in accordance with Section 9 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Section 9.6.
- 9.6 Where the Directors become aware that a Shareholder is holding Shares in breach of any law or regulation or otherwise in circumstances as set out under Section 9.1 above, the Directors may: (a) direct such Shareholder to dispose of the relevant Shares to a person who is qualified or entitled to own or hold the Shares or (b) redeem the Shares at the Net Asset Value per Share as at the Dealing Day immediately following the date of notification to the Shareholder.
- 9.7 If any such person upon whom such a notice is served as aforesaid does not within thirty days after such notice has been served transfer such Shares or request in writing the ICAV to redeem the Shares he shall be deemed forthwith upon the expiration of the said thirty days to have so requested the redemption of all his Shares the subject of such notice whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such repurchase the provisions of Section 10 shall apply subject to Section 9.9 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 13.
- 9.8 Settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of the certificate or certificates representing the Shares previously held by such person with the redemption request on the reverse of each duly signed. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited (without interest) upon such consents being obtained and against the production of the said certificate or certificates with the redemption request on the reverse of each duly signed as aforesaid.
- 9.9 Any person or persons to whom Section 9.1, 9.2, 9.3, 9.4 and 9.5 apply shall indemnify the Directors, the ICAV, the AIFM, the Investment Manager, the Depositary, the Administrator and the Shareholders (each an "**Indemnified Party**") from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to this Section 9. Additionally any such person or persons shall indemnify and keep the ICAV indemnified against any loss arising to the ICAV by reason of the ICAV becoming liable to account for tax in any jurisdiction on the happening of a chargeable event if no deduction, redemption or cancellation has been made to meet the tax liability.

10. REDEMPTION OF SHARES

- 10.1 Subject to the provisions of the Act and as hereinafter provided, the ICAV may repurchase its own outstanding fully paid Shares at any time in accordance with the rules and procedures set out herein. The Directors have the power to determine the times on which Shares in open-ended Funds with limited liquidity will be repurchased by the ICAV together with the settlement terms and any minimum repurchase quotas and such terms will be set out in the Prospectus. Notwithstanding this right, certain Funds may be established in accordance with Section 31 hereof with no right of redemption, subject to the requirements of the Central Bank.

- 10.2 Subject to the provisions of the Act and as hereinafter provided, a Shareholder in an open-ended Fund may, at any time irrevocably request the ICAV to redeem all or any part of his Shares at the Redemption Price for each such Share as hereinafter determined and the ICAV shall on receipt by it or by its authorised agent of such request redeem or procure the redemption of such Shares at not less than the Redemption Price provided always that any such redemption shall be effected on the following terms and conditions:
- (a) a request for redemption of Shares shall be in such form as the ICAV shall prescribe and shall be delivered by the Shareholder to the Office or to such office of such person from time to time designated by the ICAV as its agent for the redemption of Shares on or before such time as shall from time to time be designated by the Board whether on or prior to the relevant Dealing Day and shall be accompanied by such proper evidence as the Directors may at their absolute discretion require in relation to succession or assignment, if applicable;
 - (b) save for closed ended funds (details which are set out in Section 31) or open ended funds with limited liquidity, redemption facilities will be provided on at least a quarterly basis and, upon request, the ICAV will be able to redeem at least 10% of its Net Asset Value on a monthly basis or 25% of its Net Asset Value on a quarterly basis or in the case of open-ended with limited liquidity Funds such other percentage as may be specified in the Prospectus (the "**Specified Percentage**").
 - (c) subject as hereinafter provided the Shareholder shall not be entitled to revoke or withdraw a request for redemption of his Shares duly given in accordance with this Section 10.2;
 - (d) the redemption of Shares pursuant to this Section 10.2 shall be effected on the Dealing Day following the day on which the redemption request is delivered in accordance with (a) above or on such other day as the Directors may determine and specify in the Prospectus or on such other Dealing Day as the Directors at the request of such Shareholder may in their absolute discretion agree provided that all Shareholders are notified in advance of such additional Dealing Day. Redemption requests received by or on behalf of the ICAV up to such time on a Dealing Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Dealing Day. Such redemption requests as are received by or on behalf of the ICAV after such time on a Dealing Day as the Directors may determine shall be deemed to have been received by or on behalf of the ICAV on the following Dealing Day;
 - (e) the redemption proceeds (less an appropriate provision for Duties and Charges in respect of the Shares being redeemed) shall be dispatched to the Shareholder by the ICAV or its duly authorised agent within such number of Dealing Days after the day on which redemption of the relevant Shares is effected as the Directors may determine and as shall be specified in the Prospectus and which will not, in any event, be greater than 90 calendar days (95 calendar days in respect of the Funds that invest in Underlying Funds) from the dealing deadline;
 - (f) any amount payable to a Shareholder in connection with the redemption of Shares under this Section 10 shall be paid in the Base Currency of the relevant Shares or in such other currency as the Directors shall have determined as appropriate at the rate of exchange for conversion on the date of payment provided that the certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons and provided further that the cost of conversion, if any, shall be debited from the converted payment and any such amount shall unless otherwise agreed with the ICAV or its duly authorised agent be paid by electronic bank transfer to the account designated by the relevant Shareholder;
 - (g) if the determination of the Net Asset Value per Share is suspended on any Valuation Day by reason of a declaration or notice by the Directors pursuant to Section 13.14 hereof the right of the applicant Shareholder to have his Shares redeemed pursuant to

this Section 10.2 shall be similarly suspended and during the period of suspension he may, with the approval of the ICAV, withdraw the request for redemption of his Shares (if any). Any withdrawal of a request for redemption under the provisions of this Section 10.2 shall be made in writing and shall only be effective if actually received by the ICAV or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Dealing Day next following the end of the suspension or on such other Dealing Day following the end of the suspension as the Directors at the request of the applicant may agree;

- (h) on a redemption of Shares, the ICAV shall be entitled to charge a redemption fee of up to 5.00% of the Net Asset Value per Share in an amount and on such terms as may be determined by the Directors with the approval of the Depositary and disclosed in the Prospectus;
- (i) any increase in the maximum redemption charge (if any) disclosed in the relevant Supplement in respect of an open-ended Fund may not be increased without prior approval of the Shareholders on the basis of a majority of votes cast at a general meeting. In the event of an increase in the redemption charge a reasonable notification period must be provided to Shareholders by the ICAV with respect to the relevant Fund in order to enable Shareholders to redeem their Shares prior to the implementation of the increase; and
- (j) any amount payable to a Shareholder in connection with the redemption or purchase of Shares under this Section 10.2 may, at the discretion of the Directors and with the consent of the Shareholder concerned, be paid by the transfer to such Shareholder of the assets of the ICAV in specie, provided that the nature of the assets and the type of assets to be transferred to each Shareholder shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Shareholders, and for the foregoing purposes the value of assets shall be determined on the same basis as used in calculating the Redemption Price of the Shares being so repurchased subject to the approval of the Depositary.

10.3 Shares which are redeemed by the ICAV shall be cancelled.

10.4 The Redemption Price for a Share shall be the Net Asset Value per Share on the Valuation Day in respect of the relevant Dealing Day (as determined in accordance with Section 13) less such sum as the Directors, in their absolute discretion, may from time to time determine as an appropriate provision for Duties and Charges in relation to realisation or cancellation of the Share to be redeemed as at the relevant Valuation Day and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

10.5 Upon the redemption of Shares being effected pursuant to this Section 10, the applicant Shareholder shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and such Shares shall be treated as cancelled and the amount of the issued share capital shall be reduced accordingly.

10.6 If outstanding redemption requests in any open-ended Fund from Shareholders on any Dealing Day aggregate to an amount in excess of the Specified Percentage (as described at Section 10.2(b)) of the Net Asset Value of all of the Shares in issue on any Dealing Day, the Directors shall be entitled subject to the terms of the Prospectus to refuse to redeem such number of Shares in any Fund in issue on that Dealing Day (as discussed at Section 10.2(b)) in respect of which redemption requests have been received in excess of Specified Percentage (as discussed at Section 10.2(b)) as the Directors shall determine. If the Directors refuse to redeem

Shares for these reasons, the requests for redemption shall be reduced rateably and the Shares to which each redemption request relates which are not redeemed shall be redeemed on each subsequent Dealing Day in priority to any request received thereafter or in such other manner as may be specified in the Prospectus, provided that the ICAV shall not be obliged to redeem more than Specified Percentage outstanding on any Dealing Day, until all the Shares to which the original request related have been redeemed. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.

- 10.7 If outstanding redemption requests in any open-ended Fund with limited liquidity aggregate to an amount in excess of the percentage disclosed in the Prospectus the Directors shall be entitled subject to the terms of the Prospectus to refuse to redeem such number of Shares in any Fund in issue on that Dealing Day (as discussed at Section 10.2(b)) in respect of which redemption requests have been received in excess of Specified Percentage (as discussed at Section 10.2(b)) as the Directors shall determine. If the Directors refuse to redeem Shares for these reasons, the requests for redemption shall be reduced rateably and the Shares to which each redemption request relates which are not redeemed shall be redeemed on each subsequent Dealing Day in priority to any request received thereafter or in such other manner as may be specified in the Prospectus, provided that the ICAV shall not be obliged to redeem more than Specified Percentage outstanding on any Dealing Day, until all the Shares to which the original request related have been redeemed. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.
- 10.8 Requests for redemption which have been carried forward from an earlier Dealing Day pursuant to this Instrument shall (subject always to the foregoing limits) be complied with in priority to later requests.
- 10.9 The ICAV reserves the right in the absolute discretion of the Directors to effect part or all of any redemption payments in kind or in specie where the redemption request for Shares represents 5% or more of the Net Asset Value of the relevant Fund on any Dealing Day. In such event, redeeming investors will receive securities or assets (or part securities/assets, part cash) with a value (calculated on the same basis as the Net Asset Value of the Fund), when aggregated with any cash portion of the redemption payment, equal to the redemption payment to which they are otherwise entitled. Where the redemption in specie is effected at the Directors' discretion the ICAV shall, if a Shareholder so requests, sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder. Where a redemption is made in specie, the asset allocation is subject to approval by the Depositary and it is subject to the Depositary being satisfied that the terms of the exchange will not be such as are likely to result in any material prejudice to Shareholders. Alternatively where it is not practicable to make the in-specie redemption directly, the Directors may transfer the whole or part of the assets of the ICAV to a Transferee Entity on terms that Shareholders in the ICAV (or where relevant a Fund) shall receive from the Transferee Entity shares or units in the Transferee Entity of equivalent value to their shareholdings in the ICAV or the Fund and such assets shall be sold for the benefit of such redeeming Shareholder.
- 10.10 Notwithstanding any other provision of this Instrument, the ICAV shall be entitled at any time and from time to time and at the discretion of the Directors to repurchase any or all of the Subscriber Shares at a price of €1.00 per Subscriber Share to the extent Subscriber Shares have been issued.
- 10.11 If a redemption of Shares by the ICAV would result in the number of Shareholders falling below two or such other number stipulated by any applicable statute or regulation from time to time to be the minimum number of Shareholders in the ICAV or where a redemption of Shares by the ICAV would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged from time to time to maintain pursuant to any applicable statute or law, the ICAV shall be entitled to defer the redemption of the minimum number of Shares sufficient to ensure compliance by the ICAV with the applicable statute or law. Redemption of such Shares may be deferred until such time as the ICAV is being wound up, or until the ICAV procures the issue of sufficient Shares to ensure that the redemption can be effected. The

Directors shall be entitled to select the Shares in respect of which redemption is to be deferred in accordance with this Section 10.11 in such manner as shall appear to the Directors, with the approval of the Depositary, to be fair and reasonable.

10.12 Where satisfaction of a redemption request would result in a Shareholder holding a number of Shares in the ICAV less than or with a value less than the Minimum Holding for the ICAV, the Directors shall be entitled, at their discretion, to treat the application for redemption as an application for the redemption of all of that Shareholder's Shares in the ICAV, unless the Directors otherwise determine.

10.13 Where provided for in the Prospectus, the Directors may, when calculating the Redemption Price, on any Dealing Day when there are net redemptions, adjust the Redemption Price by deducting an anti-dilution levy or swing pricing adjustment to cover dealing costs and to preserve the value of the underlying assets of the ICAV.

10.14 Where the ICAV has redeemed any Debentures then:

- (a) unless any provision to the contrary, whether express or implied is contained in the instrument or in any contract entered into by the ICAV, or
- (b) unless the ICAV has, by passing a resolution to that effect or by some other act, shown in its intention that Debentures shall be cancelled,

the ICAV shall have the power to re-issue the Debentures by re-issuing the same Debentures or by issuing the other Debentures in their place.

10.15 Any Fund established that offers redemptions on a less than quarterly basis (or such other timeframe indicated by the Central Bank) or provides for a period of more than 90 days (or such other timeframe indicated by the Central Bank) between the Dealing Deadline and the payment of the Redemption Price will be classified as "Open-Ended with limited liquidity".

11. COMPULSORY REDEMPTION

11.1 The Directors have the right to compulsorily redeem all or some of the Shares held by a Shareholder at the Net Asset Value per Share less Duties and Charges as at the Valuation Point immediately prior to the date such redemption is to take effect if the Directors for any reason, determine in their absolute discretion to do so.

11.2 The Directors may compulsorily redeem Shares where:

- (a) the Directors consider that the continued investment by such Shareholder would contravene the relevant criteria for eligibility for investing in the ICAV, or where required to give effect to the terms upon which Shares were issued to the Shareholder as described in this Prospectus with respect to those Shares (including for the avoidance of doubt, any equalisation policy); or
- (b) their ownership gives rise to a breach of any applicable law or requirement in any jurisdiction (including where an investor is no longer a Qualifying Investor, as the same is defined herein), or may, in the sole and conclusive opinion of the Directors: (i) prejudice the tax status or residence of the ICAV or its Shareholders; or (ii) cause the ICAV or its Shareholders to suffer any legal, regulatory, pecuniary, tax, fiscal or material administrative disadvantage; or (iii) cause the ICAV to be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply; or (iv) cause the assets of the ICAV to become "plan assets" for the purposes of ERISA; or
- (c) the Directors, or the Administrator acting on the ICAV's instructions, suspect a Shareholder is not compliant with FATCA or may cause the ICAV or the relevant Fund to become non-compliant with FATCA; or

- (d) the investor holds Shares with an aggregate Net Asset Value of less than the minimum subscription for the relevant Class or where a transfer or redemption by any investor results in the minimum subscription of that investor falling below an aggregate Net Asset Value of the minimum subscription for the relevant Class; or
- (e) the Directors in their sole discretion consider it to be in the best interests of the ICAV and the Shareholders to do so; or
- (f) in the event of any liability or charge arising in respect of Shares or any Shareholder, the ICAV is entitled to redeem, repurchase, appropriate or cancel such number of Shares as is required to meet the appropriate liability or charge to any tax, levy, import, duty or other charge or withholding of a similar nature (including penalty of interest payable in connection with any failure to pay or any delay in paying any of the same) of such Shareholder and to account for such appropriate tax to the relevant tax authorities; or
- (g) the investor fails to comply with the terms or conditions of the issue or settlement of its Shares or any agreement with the ICAV to subscribe for further Shares or the investor otherwise becomes classified by the Directors as a Defaulting Shareholder in accordance with the terms of the relevant Supplement; or
- (h) the relevant Shareholder's ownership of Shares, as reasonably determined by the Directors would preclude the relevant Fund from making any investment or any type of investments or render the making of any investment or any type of investments more difficult or burdensome for the relevant Fund.

12. TOTAL REDEMPTION

- 12.1 The ICAV may redeem all (but not some) of the Shares of the ICAV or the Shares of any Class or of any Fund then in issue upon the occurrence of any of the events set out in Section 38 and/or in any circumstances as may be set out in the Prospectus and/or where the Directors believe it is in the best interests of the Shareholders.
- 12.2 The redemption of the Shares by the ICAV pursuant to this Section 12 shall be effected at the Redemption Price calculated in accordance with Section 12.3 hereof and for the purposes of the calculation of the said Redemption Price the day on which the Shares are repurchased shall be the relevant Dealing Day for the purposes of Section 12.3 hereof.
- 12.3 The Redemption Price per Share at which Shares shall be redeemed by the ICAV pursuant to this Section 12 shall be the Net Asset Value per Share as at the Valuation Day in respect of the relevant Dealing Day (as determined in accordance with Section 13) less such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in relation to the realisation or cancellation of the Share to be repurchased and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). The Redemption Price per Share at which the Subscriber Shares to the extent Subscriber Shares are issued shall be redeemed by the ICAV pursuant to this Section 12 shall be €1.00 per Subscriber Share.
- 12.4 If all the Shares are to be redeemed as aforesaid, redemption proceeds may be paid by way of distribution in specie where the Shareholders so resolve by way of Special Resolution by dividing amongst the Shareholders in specie all or part of the assets of the ICAV according to the number of the Shares then held by each person holding Shares; provided, however that if a Shareholder so requests, the Directors shall liquidate or otherwise dispose of the assets and distribute the cash proceeds thereof, net of liabilities, to such Shareholder instead of a distribution of assets in specie.

12.5 If all the Shares are to be repurchased as aforesaid and the whole or any part of the business or property of the ICAV or any of the assets of the ICAV are proposed to be transferred or sold to a Transferee Entity the Directors may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee Entity for distribution among the Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee Entity.

13. DETERMINATION OF NET ASSET VALUE

13.1 The following pricing criteria set out the standard pricing methodology in respect of the ICAV unless otherwise varied by the AIFM or an External Valuer.

13.2 In calculating the Net Asset Value attributable to each Fund or Class:

- (a) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (b) every Share agreed to be issued or allotted but not issued by a Fund on the relevant Valuation Day shall be deemed to be in issue and the assets of the Fund shall be deemed to include any cash or other property received in respect of such Share;
- (c) there shall be added to a Fund's assets any actual or estimated amount of any Taxation of a capital nature which may be recoverable by the ICAV;
- (d) there shall be added to a Fund's assets a sum representing any interest or dividends or other income accrued but not received in respect of such assets;
- (e) there shall be added to a Fund's assets the total amount (whether actual or estimated) of any claims for repayment of any Taxation levied on income of a Fund and for double Taxation relief in relation to the assets of the Fund;
- (f) there shall be added to a Fund's assets, the total amount (whether actual or estimated) of any realised and/or unrealised gains of the Fund in respect of such assets; and
- (g) there shall be added to a Fund's liabilities, the total amount (whether actual or estimated) of any realised and/or unrealised losses of the Fund in respect of such assets.

13.3 The Net Asset Value per Share with respect to a Series of a Fund initially will be equal to the Net Asset Value per Share of such Series as of the date of its creation. The various Series will be issued at different dates and accordingly the Net Asset Value per Share of one Series will differ from the Net Asset Value per Share of another Series. The Net Asset Value per Share for each Series within each Class (prior to any applicable Performance Fee accrual) is determined by attributing in each Performance Period any appreciation or depreciation of the Net Asset Value of the relevant Fund among the different Series pro rata in accordance with the Net Asset Value of each Class at the beginning of the applicable Performance Period, prior to any year-to-date accrued Performance Fee, and then dividing the Net Asset Value of such Class by the number of outstanding Shares therein. Shares within a Series will have the same Net Asset Value per Share. The portion of the Performance Fee accrued to a particular Series, including without limitation, any Special Investment Share Classes will then be debited against the Net Asset Value of that Class.

13.4

- (a) Values expressed in a currency other than the Base Currency will be converted into the Base Currency at the latest available exchange rate as determined by the Administrator as of the relevant Valuation Day:
- (b) in calculating the number of Shares in issue:
 - (i) every Share agreed to be issued or allotted but not issued by the ICAV on the Valuation Day shall be deemed to be in issue; and
 - (ii) where notice of a reduction of the share capital by cancellation of Shares has been given by the Directors to the Administrator but such cancellation has not been completed prior to or on the relevant Valuation Day, the Shares to be cancelled shall be deemed not to be in issue.

13.5 Temporary Suspension of Dealings

The Directors, the AIFM or the External Valuer may at any time temporarily suspend the determination of the Net Asset Value of any Fund or Class and the issue, redemption or conversion of Shares of any Fund or Class during the whole or any part of the period:

- a) during which one or more underlying funds of a Fund has suspended the determination of its or their Net Asset Value(s) or has suspended redemptions or withdrawals or has imposed liquidity constraints which are then continuing;
- b) when any Recognised Market on which a substantial portion of the Investments are quoted, listed, traded or dealt in is closed otherwise than for customary weekend or ordinary holidays, or during which dealings in any such Recognised Market are restricted or suspended or trading on any relevant futures exchange or market is restricted or suspended;
- c) when trading on any exchange, over-the-counter market or quotation system of any security held by the Fund is suspended or limited and the Directors determine that such suspension or limitation is material to the Fund (by reason of movements in price exceeding limits permitted by such exchange, market or quotation system or otherwise);
- d) when, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the Directors, the disposal or valuation of Investments cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interests of Shareholders or if the Net Asset Value cannot be fairly calculated or if such disposal would be materially prejudicial to the Shareholders in general;
- e) any breakdown in the means of communication normally employed in determining the value of any Investments or during any period when for any other reason the value of Investments cannot, in the opinion of the Directors, be promptly or accurately ascertained;
- f) when a Fund is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of Investments, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- g) where the Directors have determined, in their sole discretion, that any such redemption may have a material adverse effect on the Fund's ability to meet any margin call or comply with any covenant in any derivatives agreement, repurchase agreement or credit agreement;
- h) when in which the redemption of Shares would, in the opinion of the Directors, result in a violation of applicable laws, regulations or rules of any national securities exchange, self-regulatory organization, regulatory agency or exchange applicable to the ICAV, the Fund,

the Directors or any service provider to the ICAV or the Fund or any of their respective affiliates;

- i) where the disposition of any asset of the Fund, or other transactions involving the sale, transfer or delivery of funds, securities or other assets of the Fund are not reasonably practicable without being detrimental to the Fund or the interests of the redeeming or remaining Shareholders;
- j) where any emergency exists or material adverse change or disruption has occurred in the financial, banking or capital markets generally, as a result of which disposal by the ICAV of Investments which constitute a substantial portion of the assets of any Fund is not practically feasible or otherwise has had or could reasonably be expected to have a material adverse effect on a Fund;
- k) when any event has occurred and is continuing which may cause the liquidation of a Fund or in which notice has been given to Shareholders of a resolution to wind up a Fund; or
- l) when the Directors consider it to be the best interests of the Funds or Shareholders,

provided always that no such suspension may be effected in circumstances where such determination, issue, redemption or conversion is required by a lender (or agent or trustee on behalf of any lender) in connection with any loan or other credit afforded to the relevant Fund or the ICAV or any security granted by the ICAV in connection with such loan or credit.

13.6 Details of any such suspension will also be notified to all Shareholders who have requested issue or redemption of Shares of any Class or exchange of Shares of one Class to another in such manner as may be directed by the Directors. Notice of any such suspension shall be notified to the Central Bank, Irish Stock Exchange (if applicable) and any other competent authority immediately and in any event within the Business Day on which such suspension took effect and through such other medium as the Directors may from time to time determine. When possible, all reasonable steps will be taken to bring any period of suspension to an end as soon as possible. Shareholders who have requested issue or redemption of Shares of any Class will have their subscription or redemption request dealt with on the first Dealing Day after the suspension has been lifted unless applications or redemption requests have been withdrawn prior to the lifting of the suspension.

13.7 Save where the determination of the Net Asset Value per Share has been temporarily suspended in the circumstances described above, the Net Asset Value per Share as of the most recent Valuation Day shall be made available to Shareholders at the office of the Administrator, at such intervals as are set out in the Prospectus, and will be notified by the Administrator without delay to the Irish Stock Exchange (if applicable).

14. VALUATION OF ASSETS

14.1 All references to the AIFM in this Section 14 includes reference to the ICAV where it is designated as internally managed. Valuation will be carried out as often as each Fund deals and at least once a year for Funds which are open-ended with limited liquidity or closed-ended. The value of the assets of a Fund shall be determined as follows and in accordance with valuation methodology set out in the Prospectus or according to such alternative method of valuation in relation to any particular asset as the AIFM or the External Valuer consider appropriate if the AIFM considers that the method of valuation herein provided for does not provide a fair or appropriate valuation of that asset and that the proposed alternative method of valuation will not materially prejudice Shareholders.

14.2 The assets of the ICAV and each of the Funds shall be deemed to include inter alia:

- (a) Subscription monies receivable for Shares allocated, all cash in hand, on deposit, or on call including any interest accrued thereon and all accounts receivable;
- (b) All bills, demand notes, certificates of deposit and promissory notes;

- (c) All bonds, forward currency transactions, time notes, shares, stock, convertibles, units of or participation in collective investment schemes, debentures, debenture stock, subscription rights, warrants, futures contracts, option contracts, swap contracts, contracts for difference, fixed rate securities, floating rate securities, securities in respect of which the return and/ or repurchase amount is calculated by reference to any index, price or rate, financial instruments and other investments and securities owned or contracted for in respect of the ICAV, other than rights and securities issued by it;
 - (d) All stock and cash dividends and cash distributions to be received in respect of the Fund and not yet received by the ICAV but declared to stockholders on record on a date on or before the day as of which the Net Asset Value is being determined;
 - (e) All interest accrued on any interest in loans or loan participations interest-bearing securities owned by the ICAV except to the extent that the same is included or reflected in, the principal value of such loan or security;
 - (f) All other Investments of a Fund;
 - (g) The establishment costs attributable to the ICAV and the cost of issuing and distributing Shares of the ICAV insofar as the same have not been written off; and
 - (h) All other assets of each Fund of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors, the AIFM or the External Valuer.
- 14.3 The AIFM or External Valuer must ensure that the Prospectus discloses the method of valuation (if any) will be availed of. The Prospectus may provide for different methods or amend the methods set out here.
- 14.4 The liabilities of the ICAV shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the ICAV (except liabilities taken into account in determining the value of the assets of the ICAV under Section 14.2 above) including, without limitation to the generality of the foregoing:
- (a) all administrative and professional fees and expenses payable and/or accrued including, without prejudice to the generality of the foregoing, all remuneration, fees, costs and expenses payable by the ICAV and/or accrued and/or estimated to be payable by the ICAV to the Depositary, the Administrator, the Investment Manager, the Sub-Investment Manager and the legal advisors of the ICAV and to any other person, firm or corporation providing services to the ICAV and all other projected expenses (including any operational expenses) as the Directors, the AIFM or the External Valuer consider fair and reasonable and properly payable out of the assets of the ICAV and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the ICAV;
 - (b) any and all outstanding borrowings and all accrued interest payable thereon including without limitation and all costs, fees and other amounts payable in connection therewith, without prejudice to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the ICAV in respect of any debentures, debenture stock, loan stock, loan notes, bonds or other debt obligations created or issued by the ICAV;
 - (c) all bills, notes and accounts payable;
 - (d) all expenses payable and/or accrued (the latter on a day-to-day basis);
 - (e) all known liabilities, including the amount of any unpaid interest distribution declared upon the Shares in a Fund, contractual obligations for the acquisition of investments or other property for the payment of money and outstanding payments on any Shares previously redeemed;

- (f) the total amount of any actual or estimated liabilities for any and all tax of whatsoever nature and howsoever arising on the income or deemed income and realised capital gains of the Fund as at the relevant Valuation Day;
- (g) the total amount of any actual or estimated liabilities for withholding tax (if any) payable on any of the Investments in respect of the current Accounting Period;
- (h) an appropriate provision for all taxes and contingent liabilities as determined from time to time by the Directors, the AIFM or the External Valuer;
- (i) all other liabilities of the Fund of whatsoever kind and nature except liabilities represented by Shares in the ICAV; and
- (j) the total amount (whether actual or estimated by the Directors, the AIFM or the External Valuer) of any other liabilities properly payable out of the assets of the Fund.

In determining the amount of such liabilities, the Directors, the AIFM or the External Valuer may calculate administrative and other expenses of a regular or reoccurring nature on an estimated figure for yearly or other periods in advance and accrue same in equal proportions over any such period.

14.5 Without prejudice to their general powers to delegate their functions, the AIFM may delegate any of their functions in relation to the calculation of Net Asset Values and Net Asset Values per Share, to the Administrator. In the absence of bad faith or manifest error, every decision taken by the AIFM or any duly authorised person on behalf of the ICAV in calculating a Net Asset Value or Net Asset Value per Share, shall be final and binding on the ICAV and on present, past and future Shareholders.

14.6 In calculating the Net Asset Value, the following principles will apply:

- (a) The AIFM or an External Valuer shall be entitled to value the assets of any Fund using the amortised cost method of valuation. Where an amortised cost valuation method is utilised, an Investment is valued at its cost of acquisition adjusted for amortisation of premium or accretions of discount rather than at current market value:
 - (i) the amortised cost method of valuation may only be used in relation to Funds which comply with the Central Bank's requirements for money market funds and where a review of the amortised cost valuation vis-a-vis market valuation will be carried out in accordance with the Central Bank's guidelines;
 - (ii) money market instruments in a non-money market fund may be valued on an amortised basis in accordance with the Central Bank's requirements.
- (b) In the case of Funds that are loan originating Funds, the AIFM or an External Valuer will value loans or participations in loans at fair value based upon the principles and methods of valuation adopted by the AIFM or an External Valuer. Where market quotations are not available (and it is expected that market values for loans or participations in loans in which a Fund invests will not typically be readily available), an income approach will be utilised by the AIFM or an External Valuer which will employ a valuation methodology to convert future cash flows or earnings to a single current (discounted) amount.
- (c) In the case of debt securities, which are quoted, listed or traded on or under the rules of any Recognised Market shall be valued at the closing bid price as at each Valuation Point. Equity securities for which the primary market is a Recognised Market shall be valued at the official closing price published by an exchange on such Recognised Market as at each Valuation Point or, if there was no trade on such date, at the mean between the last bid and asked prices or at the last bid price on such day in the absence of an asked price. If the security is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be

that which the AIFM or an External Valuer determines provides the fairest criterion of value for the security. For equity securities, this will be the primary exchange on which securities are traded unless otherwise determined by the AIFM or an External Valuer. If prices for a security quoted, listed or traded on the relevant Recognised Market are not available at the relevant time or are unrepresentative in the opinion of the AIFM or an External Valuer, such security shall be valued at such value as shall be estimated with care and good faith as the probable realisation value of the Investment by the AIFM or an External Valuer or by any other means provided that the value is approved by the Depositary. Neither the Directors nor the Administrator, the AIFM, the External Valuer or the Depositary shall be under any liability if a price reasonably believed by them to be the latest available price may be found not to be such.

- (d) The value of any security, including debt and equity securities, which is not normally quoted, listed or traded on or under the rules of a Recognised Market or in respect of which the AIFM or an External Valuer determines that the closing bid price or official closing price published by an exchange as set out above is not representative of its fair market value, shall be valued at its probable realisation value as determined with care and in good faith by the AIFM or an External Valuer.
- (e) The value of leveraged loans and sub-participations in leveraged loans will be the bid price obtained from an independent pricing source. Individual bid quotes on loan assets may also be obtained from major banks that have dedicated resources to secondary trading. The value of any leveraged loan and sub-participations in leveraged loans in respect of which the AIFM or an External Valuer determines that the applicable bid price as set out above is not representative of its fair market value, shall be valued at its probable realisation value as determined with care and in good faith by the AIFM or an External Valuer.
- (f) Shares in collective investment schemes shall be valued on the basis of the latest published net asset value of such shares. If such prices are unavailable, the shares will be valued at their probable realisation value estimated with care and good faith by the AIFM or an External Valuer.
- (g) Cash deposits and similar assets shall be valued at their face value together with accrued interest unless in the opinion of the AIFM or an External Valuer any adjustment should be made to reflect the fair value thereof.
- (h) In the case of derivative instruments including swaps, interest rate futures contracts and other financial futures contracts which are traded on a Recognised Market shall be valued at the settlement price as determined by the relevant Recognised Market at the close of business on that market on the Valuation Day, provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any reason, such instruments shall be valued at their probable realisation value estimated with care and good faith by the AIFM or an External Valuer.
- (i) In the case of derivative instruments which are not dealt on a Recognised Market shall be valued on each Valuation Day at the mid-price by reference to freely available market quotations supplied by an independent pricing agent or by any other means determined by the AIFM or an External Valuer. Notwithstanding the above provisions, forward foreign exchange contracts and interest rate swap contracts may be valued by reference to freely available market quotations.
- (j) Notwithstanding the above provisions the AIFM or an External Valuer may (a) adjust the valuation of any listed investment or (b) permit some other method of valuation to be used if, having regard to currency, applicable rate of interest, maturity, marketability and/or such other considerations as they deem relevant, they consider that such adjustment or alternative method of valuation is required to reflect more fairly the value thereof;

- (k) Notwithstanding any other provisions of this Instrument, the Directors may determine that, in relation to any Fund, the value of any Investment which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued by reference to the last bid price, the last traded price, the closing mid-market price, the latest mid-market price or the official closing price published by an exchange on the principal exchange or market for such Investment as at the Valuation Point.
- (l) If in any case a particular value is not ascertainable as above provided or if the AIFM or the External Valuer shall consider that some other method of valuation better reflects the fair value of the relevant Investment then in such case the method of valuation of the relevant Investment shall be such as the AIFM or the independent valuer shall decide.
- (m) Values of assets and liabilities expressed in a currency other than the Base Currency of the relevant Fund will be converted by the Administrator into the Base Currency of the ICAV at the latest available exchange rate at the Valuation Point.
- (n) Notwithstanding the foregoing, where at any time of any valuation any asset of the ICAV has been realised or contracted to be realised there shall be included in the assets of the ICAV in place of such asset the net amount receivable by the ICAV in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the AIFM or the External Valuer as receivable by the ICAV.
- (o) The AIFM or the External Valuer, may, in order to comply with any applicable accounting standards, present the value of any assets of the ICAV in financial statements to Shareholders in a manner different to that set out in this Instrument.
- (p) In determining the value of the assets there shall be added to the assets any interest or dividends accrued but not received and any amounts available for distribution but in respect of which no distribution has been made and there shall be deducted from the assets all liabilities accrued unless the Administrator has been notified by the AIFM that such interest or dividend is likely to be withheld or otherwise remain unpaid on the due date.

Notwithstanding anything to the contrary herein, during any period when the applicable Fund's assets are subject to ERISA, and/or Section 4975 of the Code, all valuation will be based on independent pricing sources. Notwithstanding the foregoing, where at any time of any valuation any asset of the ICAV has been realised or contracted to be realised there shall be included in the assets of the ICAV in place of such asset the net amount receivable by the ICAV in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the AIFM or the External Valuer as receivable by the ICAV.

- 14.7 In valuing the assets, the AIFM or the relevant External Valuer as applicable, may in their absolute discretion, permit any other method of valuation to be used if they consider that such alternative method of valuation is necessary and better reflects value in accordance with good accounting practice or in a particular market or prevailing market conditions and is in accordance with the valuation policy of the ICAV.
- 14.8 The value of an Investment may be adjusted by the AIFM where such an adjustment is considered necessary to reflect its fair value estimated with care and good faith by the AIFM or the relevant External Valuer, in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant. The rationale for adjusting the value must be clearly documented.
- 14.9 Every decision taken by the AIFM or any duly authorised person on behalf of the AIFM in calculating the Net Asset Value of a Fund or Class or the Net Asset Value per Share shall be final and binding on the ICAV and on present, past or future Shareholders.

- 14.10 Any variation from the methods used to value the assets of a Fund shall be explained and justified (including the reason for the change of the methods, and details on the new methods and the rationale for using them). If required the Directors shall ensure that the Prospectus is updated accordingly, and if they deem appropriate, procure that Shareholders are notified of such variation(s). The variations and justifications for same shall also be documented in an updated version of the AIFM's valuation policies and procedures.
- 14.11 The method of valuation to be used for each asset of the Fund(s) will be outlined in the Prospectus. The Prospectus may provide for different methods or amend the methods set out here.

15. TRANSFER AND TRANSMISSION OF SHARES AND DEBENTURES

- 15.1 A Shareholder shall be entitled to transfer or dispose of his Shares in the ICAV or Debentures of the ICAV to any person at such price and upon such terms as he sees fit provided always that a Shareholder shall not be entitled to transfer his Shares and Debentures, except with the consent of the Directors or to a person otherwise disqualified from holding Shares under the terms of this Instrument or otherwise disqualified as a result of any law or regulation of any country or government/authority.

The transferor shall be deemed to remain the holder of the Share or Debenture until the name of the transferee is entered in the Register in respect thereof.
- 15.4 A Shareholder whose name appears in the Register shall, if the Directors so determine in relation to the Shares of any Class, be entitled after issue of a final confirmation note to be issued with a certificate of all Shares allotted or transferred (meaning a transfer that is (where appropriate) duly stamped and is otherwise valid, and does not include such a transfer as the ICAV is, for any reason, entitled to refuse to register and does not register) representing the number of Shares held by him.
- 15.5 The Directors may decline to register any transfer of Shares or Debentures unless the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require accompanied by the certificate (if any) for the Shares or Debentures to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and to show the identity of the transferee and the Directors may decline to register a transfer of Shares or Debentures:
- (a) in the absence of satisfactory evidence that the proposed transferee is not and will not be holding units on behalf of, directly or indirectly, a disqualified person or if the transfer is in breach of U.S. securities laws;
 - (b) if in the opinion of the Directors the transfer would be unlawful or result or be likely to result in any adverse legal regulatory, pecuniary, tax or fiscal consequences or material administrative burden to the ICAV or the Shareholders as a whole;
 - (c) in the absence of satisfactory evidence of the transferee's identity;
 - (d) if the ICAV would be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be obliged to comply;

- (e) where the ICAV is required to redeem, appropriate or cancel such number of Shares as is required to meet the appropriate tax of the Shareholder on such transfer.
- (f) if the proposed transferee has not certified in writing to the ICAV or its delegate that it is a Qualifying Investor and that it is aware of the risk involved in investment in the ICAV and of the fact that inherent in the investment is the potential to lose all of the sum invested;
- (g) the proposed transfer would result in a contravention of any provision of the Instrument or would produce a result inconsistent with any provision of the Prospectus;
- (h) if the transferee, if not an existing Shareholder, has not completed an application form as specified in the Prospectus to the satisfaction of the Directors; or
- (i) where the Directors believe, in their discretion, that it is in the best interests of the ICAV or the Shareholders to do so.

A proposed transferee may be required to provide such representations, warranties or documentation as the Directors may require in relation to the above matters.

- 15.6 The ICAV shall give the transferee written notice of any refusal to register a transfer of Shares or Debentures. The ICAV is not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of law (including any law that is for the time being in force in a country or territory other than Ireland).
- 15.7 The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration of transfers shall not be suspended for more than thirty days in any year.
- 15.8 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 15.9 In the case of the death of a Shareholder, the survivors or survivor where the deceased was joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the Shares, but nothing in this Section 15 shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 15.10 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder or by the Shareholder under legal disability before such disability.
- 15.11 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all moneys payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor, save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share provided always that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

15.12 No person shall be entitled to be registered as a Shareholder until such time as the relevant application form has been completed to the satisfaction of the ICAV.

16. HEDGING POWERS

16.1 The Directors may exercise all the powers of the ICAV to employ techniques and instruments for hedging and investment purposes in relation to the Investments or any of them or any other assets or any borrowing by the ICAV.

17. GENERAL MEETINGS AND WRITTEN RESOLUTIONS

17.1 All general meetings of the ICAV shall be held in Ireland and in accordance with the Act.

17.2 The Directors of the ICAV have elected to dispense with the holding of an annual general meeting in accordance with section 89(4) of the Act from the date the registration order made by the Central Bank with respect to the ICAV comes into operation and to continue indefinitely unless an annual general meeting is convened in accordance with Section 17.3. Shareholders are hereby notified of this fact for all purposes of section 89 of the Act.

17.3 The ICAV will be required to hold an annual meeting where:

(a) one or more Shareholders holding, or together holding, not less than 10% of the voting rights in the ICAV; or

(b) the Auditors,

may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting. For the avoidance of doubt, such request cannot be made until one year from the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation.

17.4 In circumstances where the ICAV is required to hold an annual general meeting it will comply with the relevant requirements of section 89 of the Act.

17.5 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.

17.6 The Directors may call an extraordinary general meeting whenever they think fit. If at any time in the case of the ICAV or any Fund, there are not sufficient Directors capable of forming a quorum, any Director or Shareholder may convene an extraordinary general meeting of the ICAV in the same manner as nearly as possible as that in which meetings may be convened by the Directors.

17.7 One or more Shareholders holding, or together holding, at any time not less than 50% of the voting rights in the ICAV or any Fund may convene an extraordinary general meeting of the ICAV or any Fund.

17.8 The Directors shall, at the request of one or more Shareholders holding, or together holding, at the date of making of the request, not less than 10% of the voting rights of the ICAV or any Fund, proceed to convene an extraordinary general meeting of the ICAV or any Fund.

17.9 The request shall state the objects of the meeting and shall be signed by those making the request and deposited at the registered office of the ICAV and may consist of several documents in like form each signed by one or more of those making the request.

- 17.10 If the Directors do not within 21 days after the date of the deposit of the request proceed to convene a meeting to be held within 2 months after that date, those making the request, or any of them representing more than 50% of the total voting rights of all of them, may themselves convene a meeting, but any meeting so convened shall not be held more than 3 months after the date the request was first made.
- 17.11 Any reasonable expenses incurred by those making the request by reason of the failure of the Directors duly to convene a meeting shall be repaid to those making the request by the ICAV and any sum so repaid shall be retained by the ICAV out of any sums due or to become due from the ICAV by way of fees or other remuneration in respect of their services to such of the Directors as were in default.
- 17.12 For the purposes of Sections 17.8 to 17.11, the Directors shall, in the case of a meeting at which a resolution is to be proposed as a Special Resolution, be deemed not to have duly convened the meeting if they do not give such due notice of it.
- 17.13 A meeting convened under Sections 17.8 to 17.11 shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by Directors.
- 17.14 Unless otherwise specified in the Instrument, instead of matters being put to Shareholders for consideration and approval at general meetings, such can be put to Shareholders by way of written resolutions, subject to the below requirements.

17.15 Unanimous written resolutions

17.16 A resolution in writing:

- (a) signed by all Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV or any Fund duly convened and held, and
- (b) if described as a special resolution shall be deemed to be a Special Resolution.
- (c) may consist of several documents in like form each signed by one or more Shareholders.
- (d) shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Shareholder to sign, and, where the resolution states a date as being the date of his signature by any Shareholder, the statement shall be prima facie evidence that it was signed by him on that date.
- (e) if passed, but not contemporaneously signed, the ICAV shall notify the Shareholders, within 21 days after the date of delivery of the resolution of the fact that the resolution has been passed.
- (f) if passed, the signatories shall within 14 days after the date of its passing, procure delivery to the ICAV of the documents constituting the written resolution. Without prejudice to the use of the other means of delivery generally permitted by this Act, such delivery may be effected by electronic mail or the use of a facsimile machine.
- (g) if passed, the ICAV shall retain the documents constituting the resolution as if they constituted the minutes of the proceedings of a general meeting of the ICAV or any Fund. The terms of the resolution shall be entered in books kept for the purpose.
- (h) if passed, shall not be invalidated by non-compliance with (e), (f) and (g).

17.17 The above provisions do not apply to:

- (b) that is:
 - (i) described as being a special resolution, and
 - (ii) signed by the requisite majority of members, and
 - (iii) in respect of which the conditions specified in (c) are satisfied, shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV or any Fund duly convened and held.

- (i) a date earlier than that referred to in subsection (e)(i) or (ii) (not being earlier than the date on which the resolution was signed by the last Shareholder to sign) is specified in the resolution as the date on which it shall have been deemed to have been passed,
- (ii) all Shareholders of the ICAV or any Fund concerned entitled to attend and vote on that resolution state, in a written waiver signed by each of them, that the application of the notice periods is waived, and
- (iii) there accompanies the delivery to the ICAV the documents that written waiver (which may be so delivered to the ICAV by any of the means referred to in that subsection),

then the resolution shall be deemed to have been passed on the date specified in it.

- (g) which has a waiver in respect of notice period, the written waiver may consist of several documents in like form each signed by one or more Shareholders.
- (h) does not apply to:

- (l) If passed, unless and until delivery of the documents constituting the written resolution is procured to the ICAV, the resolution shall not have effect. However, it is immaterial, as regards the resolution's validity, whether subsection (i) or (k) is complied with.

18. NOTICE OF GENERAL MEETINGS

- 18.1 At least 14 calendar days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting (if any) specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions of this Instrument or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.
- 18.2 The Directors, the Depositary, the Administrator, the AIFM, the Investment Manager, the Sub-Investment Manager and the Auditors shall be entitled to receive notice of and attend and speak at any general meeting of the ICAV.

- 18.4 The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

19. PROCEEDINGS AT GENERAL MEETINGS

- 19.1 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 20.11 of this Instrument and present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 19.2 If within half an hour after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder present either in person or by proxy shall be a quorum for any such adjourned meeting.

The Chairman or, if absent, the deputy chairman of the Directors, or failing him, some other Director nominated by the Directors or any member or their representative nominated by the members shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other nominated Director or any nominated member or their representatives be present within fifteen minutes after the time appointed for holding the meeting, or, if none of them be willing to act as Chairman, the Directors or any member or their representatives present shall choose some Director or any member or their representative present to be chairman or if no Directors or member or their representatives be present, or if all the Directors or any member or their representative present decline to take the chair, the Subscriber Shareholders present shall choose a Subscriber Shareholder present to be Chairman.

- 19.3 The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more than ten calendar days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at the adjourned meeting.
- 19.4 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands and every Shareholder and Subscriber Shareholder present in person or by a proxy shall have one vote in respect of each Share or Subscriber Share, as the case may be, held by him; provided however that in relation to a resolution which in the opinion of the Directors affects more than one Class or gives or may give rise to a conflict of interest between the Shareholders of respective Classes, such resolution shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of Shareholders if all those Classes, such resolution shall have been passed at a separate meeting of Shareholders of each Class.
- 19.5 A poll shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 19.6 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

- 19.7 In the case of an equality of votes the chairman of the meeting at which the poll takes place shall be entitled to a second or casting vote.
- 19.8 A poll on the election of a chairman and a poll on a question of adjournment shall be taken forthwith. A poll on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 19.9 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 19.10 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 19.11 A resolution in writing signed by all the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and if described as a special resolution shall be deemed to be a Special Resolution within the meaning of this Instrument.
- 19.12 If at any time the Share capital is divided into different Classes, the rights attached to any Class (unless otherwise provided by the terms of issue of the Shares of that Class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied, amended or abrogated with the consent in writing of the holders of three-fourths of the issued Shares of that Class, or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the Shares of that Class, to which the provisions of this Instrument relating to general meetings (including, without limitation, Section 19.14) shall mutatis mutandis apply, save for any variation, amendment or abrogation which, in the view of the Directors, does not materially prejudice the interests of all or any relevant Shareholders. Any such variation, amendment or abrogation will be set out in the Prospectus or the relevant Supplement issued in connection with the relevant Fund.
- 19.13 A Director shall be entitled, notwithstanding that he is not a Shareholder, to attend and speak at any general meeting and at any separate meeting of the Shareholders. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as Auditors.
- 19.14 The ICAV shall as soon as may be, cause minutes of all proceedings of general meetings of the ICAV to be entered into books kept for that purpose. Any such minute if purporting to be signed by the person chairing the meeting or by the person chairing the next following meeting, shall be evidence of the proceedings. Where minutes have been made in accordance with this Section 19.14 of the proceedings at any general meeting of the ICAV, until the contrary is shown, the meeting shall be deemed to have been duly held and convened, and all proceedings at the meeting to have been duly had, and all appointments of directors or liquidators shall be deemed to be valid. The ICAV, shall, if required by the Director of Corporate Enforcement, produce to the Director for inspection the book or books kept in accordance with this Section 19.14 and shall give to the Director such facilities for inspecting and taking copies of the contents of the book or books as the Director may require.

20. VOTES OF SHAREHOLDERS

- 20.1 Subject to any special rights or restrictions for the time being attached to any Shares:
- (a) on a show of hands, every Shareholder who is present in person or by proxy at a meeting of Shareholders shall have one vote; and
 - (b) on a poll, every Shareholder who is present in person or by proxy at a meeting of Shareholders shall have one vote in respect of each Share held by him.

- 20.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 20.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 20.4 On a poll votes may be given either personally or by proxy.
- On a poll, a Shareholder entitled to more than one vote need not, if he votes, cast all his votes or cast all the votes he is entitled to in the same way.
- 20.5 The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing, or if the appointer is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in the usual form or in such form as the Directors may approve provided always that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 20.6 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.

- 23.7 If any question shall arise at any Board meeting or of a committee of Board as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.
- 23.8 The Shareholders may by Ordinary Resolution suspend or relax the provisions of Sections 23.5 to 23.7 inclusive to any extent or ratify any transaction not duly authorised by reason of a contravention thereof.
- 23.9 Any Director may act by himself or through his firm in a professional capacity for the ICAV, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, provided that nothing herein contained shall authorise a Director or his firm to act as Auditor.
- 23.10 The Directors may from time to time appoint one or more of their body to be the holder of any executive office on such terms and for such period as they may determine and, without

The general powers given by this Section shall not be limited or restricted by any special authority or power given to the Directors by this or any other section.
- 25.2 The validity of an act done by the Directors shall not be called into question on the ground of lack of capacity by reason of anything contained in the Instrument. However, this does not affect the duty of the Directors to observe any limitation on their powers.
- 25.3 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the ICAV, and all other receipts for moneys paid to the ICAV shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

- 25.6 If a Director has reason to believe that any claim will or might be made against him in respect of any negligence, default, breach of duty or breach of trust (the 'wrong concerned') he may make an application to the court to be relieved of liability in respect of the wrong concerned.

26. BORROWING POWERS

The Directors and/or the AIFM on behalf of the ICAV where an external AIFM is appointed may, in accordance with the Act and the requirements of the Central Bank, exercise all the powers of the ICAV to borrow money (including the power to borrow for the purpose of repurchasing Shares) and to mortgage, charge or pledge its undertaking, property and assets or any part thereof and to issue debentures, debenture stock bonds and other securities whether outright or as security for any debt, liability or obligation of the ICAV, provided that all borrowing powers are within the limits and conditions laid down by the Central Bank.

If there be no Directors or Director able or willing to act, then any two Shareholders may summon a general meeting for the purpose of appointing Directors.

The Directors may from time to time elect and remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.

- 27.5 The chairman or, failing him, the deputy chairman shall preside at all meetings of the Directors, but if there be no chairman or deputy chairman, or if at any meeting the chairman or deputy chairman be not present within thirty minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
- 27.6 A resolution in writing signed by all the Directors for the time being entitled to receive notice of a Board meeting and to vote thereat shall be as valid and effectual as a resolution passed at a Board meeting duly convened. Any such resolution may consist of several documents in the like form each signed by one or more of the Directors, and for the purposes of the foregoing signature by any alternate Director shall be as effective as the signature of the Director by whom he is appointed.
- 27.7 A Board meeting for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.

- 27.10 All acts done by any meeting of Directors, or of a committee of Directors or by any person acting as a Director or authorised by the Directors shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.
- 27.11 The Directors shall cause minutes to be made of:
- (a) all appointments of officers made by the Directors;
 - (b) the names of the Directors present at each Board meeting and of any committee of Directors; and
 - (c) all resolutions and proceedings of all meetings of the ICAV and of the Directors and of committees of Directors.

- 27.13 Any Director may participate in a Board meeting by means of a conference telephone or other telecommunication equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting and such meeting shall be deemed to have been convened in the place from which the conference telephone call or similar telecommunication is initiated provided always that the quorum must be constituted in accordance with Section 27.3.

28. CHAIRMAN

- 28.1 The Directors may from time to time appoint one or more of their body to act as chairman of the ICAV ("Chairman") and (subject to the restriction on the maximum aggregate remuneration payable to the Directors under Section 22.6) may fix his or their remuneration.
- 28.2 Every Chairman shall be liable to be dismissed or removed from his position as Chairman by the Directors and another person appointed in his place. The Directors may, however, enter into an agreement with any person who is or is about to become a Chairman with regard to the length and terms of his employment, but so that the remedy of any such breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the ICAV in general meeting.

29. SECRETARY

The Secretary shall be appointed by the Directors. Anything required or authorised to be done by or to the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by or to any officer of the ICAV authorised generally or

specially in that behalf by the Directors provided that any provisions of this Instrument requiring or authorising anything to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary. The Secretary shall be appointed by the Directors for such term, at such remuneration and on such conditions as they may think fit; and any Secretary so appointed may be removed by them. The Directors shall have a duty to ensure that the person appointed as Secretary has the skills necessary to discharge his or her statutory and other legal duties and such other duties as may be delegated to the Secretary by the Directors (including in the case of the appointment of one of the Directors as Secretary).

30. THE SEAL

- 30.1 The ICAV will not have a Seal or an Official Seal as provided for under sections 33 and 34 of the Act respectively and documents to be executed under a Seal or an Official Seal will be executed in accordance with section 32(5) of the Act, as described in 30.2.
- 30.2 A document has the same effect as if executed under Seal if it is expressed (in whatever form of words) to be executed by the ICAV and it is signed on behalf of the ICAV by:
- (a) 2 authorised signatories of the ICAV which for the purpose of this Section **Error! Reference source not found.** include any Director, the Secretary and any person authorised by the Directors in accordance with this Instrument; or
 - (b) by a Director in the present of a witness who attests the signature.
- 30.3 The Directors may determine to provide the ICAV with a Seal and Official Seal from time to time. The Directors may from time to time as they see fit determine the persons and the number of such persons who shall authenticate the affixing of a Seal and/or an Official Seal, and until otherwise so determined the affixing of a Seal and/or an Official Seal shall be authenticated by two Directors or by one Director and the Secretary, or some other person duly authorised by the Directors, and the Directors may authorise different persons for different purposes

31. CLOSED-ENDED FUNDS

- 31.1 The ICAV may establish Funds which are closed-ended and there may be no opportunity for Shareholders to redeem Shares in advance of the end of the closed end period in respect of such Funds, unless otherwise provided for in accordance with the requirements of the Central Bank.
- 31.2 The closed end period for such Funds will be the lesser of (i) the period from the initial closing date until the termination date as set out in the Prospectus or (ii) a specific duration from the initial closing date, subject to extension as set out below and as set out in the Prospectus in respect of such a Fund. The ICAV may establish closed-ended Funds including those which may make capital calls in such amounts and at such frequency as the ICAV or the AIFM may deem necessary and on such terms as may be set out in the Prospectus which may include specific terms in relation to equalisation amongst Shareholders making commitments to invest in a Fund or make initial Capital Contributions to a Fund on different dates (and terms relating to any interest or other fees payable by Shareholders in such circumstances), terms relating to any excusal provisions which may be offered to Shareholders, terms relating to Defaulting Shareholders who fail to make Capital Contributions in accordance with the terms of the Prospectus, terms relating to the establishment of any investment period during which investments may be made by a Fund, terms relating to the circumstances under which distributions may be made to Shareholders during the life of a Fund and any, terms governing the re-investment of realised investment proceeds, terms relating to the use of alternative investment vehicles or other special purpose vehicles ("**AIVs**") as a means through which investments may be made, including, but not limited to, terms relating to the transfer of any uncalled capital commitments from a Fund to such AIV's and any other customary terms applicable to closed-ended Funds. For the avoidance of doubt, a Shareholder that is a Feeder Fund will only be considered a Defaulting Shareholder with respect to the portion of its Shares attributable to the defaulting investor(s) in such Feeder Fund.

- 31.3 The ICAV may delegate the authority to make capital calls to the AIFM or a delegate thereof. Unless otherwise provided for in the Prospectus, a Shareholder must contribute the amount specified on the relevant capital call notice (each, a “**Capital Call Notice**”) by the due date specified on the relevant Capital Call Notice. Capital calls will be made on the terms and subject to the conditions set out in the Prospectus. Capital Contributions made by a Shareholder in respect of a duly made capital call will proportionately reduce such Shareholder’s unfunded capital commitments. Shareholders will generally be required to fund their Capital Contributions on a pro rata basis based on the relative size of their capital commitments. However, from time to time, Shareholders may be required to contribute capital on a non-pro rata basis where explicitly provided for under the terms of the Prospectus.
- 31.4 On the expiry of the closed end period of the Fund, one of the following options will be exercised by the ICAV:
- (a) The ICAV will wind-up the Fund and apply to the Central Bank for revocation of the Fund’s approval; or
 - (b) The Fund will repurchase all outstanding Shares at the relevant Redemption Price and the ICAV will apply to the Central Bank for revocation of the Fund’s approval; or
 - (c) The ICAV will convert the Fund into an open-ended Fund, the details of which will be disclosed in the Prospectus; or
 - (d) The closed-ended period of the Fund will be extended by up to such further additional periods as disclosed in the Prospectus. Any such optional extensions shall be at the discretion of the ICAV, with the prior approval of the Shareholders by a Special Resolution cast by Shareholders (on a one Share one vote basis) at a meeting of the Shareholders during the last year of the closed-ended period and during each of the additional years, if applicable. The ICAV shall, as soon as possible (a) following the defeat of such resolution or (b) on or prior to the expiry of the extended closed-ended period, taking into account the best interests of the Shareholders, liquidate the Fund’s portfolio of investments and shall return the net proceeds thereof, as and when such proceeds become available, to Shareholders through distribution payments. The Fund shall then be wound-up and the ICAV shall apply to the Central Bank for revocation of the Fund’s approval.
- 31.5 In the case of changes to the investment objective, changes to the duration, or material changes to the investment policies of any Fund which is closed-ended, where there is no opportunity for Shareholders to redeem or otherwise exit the closed-ended Fund, the change may not be effected without prior approval of at least 75% of votes cast at a general meeting of the Shareholders of that Fund. If there is an opportunity for Shareholders to redeem or otherwise exit the closed-ended Fund, the change may not be effected without prior approval of at least 50% of votes cast at a meeting of the Shareholders of that Fund.
- 31.6 Any increase in the maximum annual fee charged by the AIFM or investment manager (where this fee is paid directly out of the assets of the ICAV) disclosed in the Prospectus or the maximum redemption charge (if any) disclosed in the Prospectus in respect of a closed-ended Fund where there is no opportunity for Shareholders to redeem or otherwise exit the Fund, may not be effected without prior approval of at least 75% of votes cast at a meeting of the Shareholders of that Fund. - (a) Subject to the provisions of the Act, the liquidator shall firstly apply the assets of each Fund in such manner and order as he thinks fit in satisfaction of creditors' claims relating to that Fund.
- (b) The assets available for distribution among the Shareholders shall then be applied in the following priority:
 - (i) firstly, in the payment to the Shareholders of each Class or Fund of a sum in the Base Currency (or in any other currency selected and at such rate of exchange as determined by the liquidator) as nearly as possible equal to the Net Asset Value of the Shares of the relevant Class or Fund held by such Shareholders respectively as at the date of commencement of winding up provided that there are sufficient assets available to enable such payment to be made;
 - (ii) secondly, in the case of the winding up of the ICAV, in the payment to the holders of non-participation Shares of sums up to the consideration paid in respect thereof provided that if there are insufficient assets to enable such payment to be in full made, no recourse shall be had to the assets comprised within any of the Funds;
 - (iii) thirdly, in the payment to the Shareholders of each Class or Fund of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Shares held the relevant Class or Fund; and
 - (iv) fourthly, in the case of the winding up of the ICAV, any balance then remaining and not attributable to any Fund or Class shall be apportioned between the Funds and Classes pro-rata to the Net Asset Value of each Fund or Class immediately prior to any distribution to Shareholders and the amounts so apportioned shall be paid to Shareholders pro-rata to the number of Shares in that Fund or Class held by them.

If a Shareholder so requests, the liquidator shall procure the sale of assets to be distributed and shall distribute the proceeds to the Shareholders. The liquidator may, with the like authority, transfer the whole or part of the assets of the ICAV to a Transferee Entity on terms that Shareholders in the ICAV shall receive from the Transferee Entity shares or units in the Transferee Entity of equivalent value to their shareholdings in the ICAV and sold for the benefit of such redeeming Shareholder, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no member shall be compelled to accept any assets in respect of which there is liability.
- (e) A Fund may be wound up pursuant to section 154 of the Act and in such event the provisions of (a) – (d) above in respect of the winding-up of the ICAV shall apply mutatis mutandis in respect of that Fund.
- (f) Notwithstanding any other provision contained in this Instrument, should the Directors at any time and in their absolute discretion resolve, in accordance with the summary

Any liquidator appointed to wind up the ICAV shall distribute the assets of the ICAV in accordance with the provisions of this Instrument.

38. TERMINATION OF THE ICAV OR A FUND OR A CLASS

38.1 The ICAV or any Fund or any Class may be terminated by the Directors, in their sole discretion, and redeem all (but not some) of the Shares of any Class or of any Fund then in issue if:

- (c) the Shareholders of the ICAV or the relevant Fund or the relevant Class (as the case may be) pass a Special Resolution to approve the redemption of all the Shares in the ICAV or the relevant Fund or the relevant Class; or
- (d) at any time after the launch of the ICAV or the relevant Fund if the Net Asset Value of the relevant Fund falls below such minimum amount as may be specified in the relevant Supplement; or

- (f) the redemption of the Shares in a Class is approved by a resolution in writing signed by all of the Shareholders in that Class; or
- (g) at any time after the launch of the relevant Fund, the Directors consider, in their sole opinion, that the return profile or original investment objective of the Fund is no longer achievable and that amendment of such objectives would materially alter the risk profile or rationale of the Fund as presented by the ICAV when the Fund was launched; or
- (h) the AIFM has served notice of its intention to retire under the terms of the AIFM Agreement (and has not revoked such notice) and no new AIFM (as applicable) has been appointed by the ICAV within such period as may be prescribed by the AIFM Agreement or the Prospectus; or
- (i) the Depositary has served notice of its intention to retire under the terms of the Depositary Agreement (and has not revoked such notice) and no new depositary has been appointed by the ICAV with the approval of Central Bank within such period as may be prescribed by the Depositary Agreement or the Prospectus; or
- (j) in the case of Funds that are loan originating funds, in the event that the diversification requirements imposed by the Central Bank and set out in the Prospectus are breached and Shareholders do not approve the continuation of the relevant Fund at the level of diversification that has been achieved within the timeframe imposed by the Central Bank; or
- (k) if the Directors in their discretion consider termination of the ICAV or the Fund appropriate and in the best interests of Shareholders.

- 38.2 The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Section or otherwise.
- 38.3 The Directors shall give notice in writing of a termination of a Class, a Fund or the ICAV to the Shareholders in the relevant Class, Fund or the ICAV and by such notice affix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine. In such circumstances and unless otherwise stated in the notice, all of the Shareholders of that Class, the Fund or the ICAV will be deemed to have had requested that their Shares in the Fund be redeemed by the Directors on the termination date selected by the Directors and otherwise in accordance with the redemption procedure set out in the Prospectus.
- 38.4 With effect on and from the date as at which any Fund is to terminate or such other date as the Directors may determine:
- (a) No Shares of the relevant Class or Fund or the ICAV (as applicable) may be issued or sold by the ICAV;
 - (b) The AIFM shall, on the instructions of the Directors, realise all the Investments then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund or the ICAV as the Directors think advisable);
 - (c) The Depositary shall, on the instructions of the Directors from time to time, distribute to the Shareholders of the relevant Class, Fund or the ICAV in proportion to their respective interests in the relevant Class or Fund or the ICAV all net cash proceeds derived from the realisation of Investments of the relevant Class, Fund or the ICAV and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay EUR1 or its equivalent in the relevant currency in respect of each Share of the relevant Fund and provided also the Depositary shall be entitled to retain out of any monies in its hands full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands;
 - (d) Every distribution shall be made only after the production of evidence of title to the Shares to the satisfaction of the Depositary together with such form of request for payment and receipt as the Depositary shall in its absolute discretion require; and
 - (e) Shareholders' distribution proceeds may contain an income element, equivalent to that part of the Net Asset Value of the Share, which reflects the accrued income (if any) to the date of termination.
- 38.5 Upon termination, Shareholders are entitled to receive distributions in proportion to their respective interests in the relevant Class of the relevant Fund after all liabilities, costs and expenses have been deducted. Such distributions will be the net cash proceeds derived from the realisation of the property of Fund unless by agreement between the ICAV, the Depositary and the relevant Shareholder, distributions are made in specie.
- 38.6 On a winding up of all the Funds, the balance of any assets of the ICAV then remaining, not comprised in any of the Funds shall be apportioned as between Funds (and Classes thereof) pro rata based upon the Net Asset Value of each Fund immediately prior to any distribution to Shareholders, which shall be distributed amongst the Shareholders of each Fund pro rata based upon the number of Shares in that Fund held by them.

None of the foregoing shall be answerable for the acts, receipts, neglects, or defaults of the other or others of them, or for joining in any receipt for sake of conformity, or for any bankers, brokers, or other person into whose hands any money or assets of the ICAV may come, or for any defects of title of the ICAV to any property purchased, or for insufficiency or deficiency of or defect of title of the ICAV to any security upon which any moneys of or belonging to the ICAV shall be placed out or invested, or for any loss, misfortune or damage resulting from any such cause as aforesaid, or which may happen in the execution of their respective offices or trusts, or in relation thereto, unless the same shall happen by or through their own negligence, default, breach of duty or breach of trust respectively.

- 39.4 The ICAV, the Directors, the AIFM, the Depositary, the Administrator and the Investment Manager shall be entitled to rely absolutely on any declaration received from a Shareholder as to residence or otherwise of such Shareholder and shall not incur any liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled though not bound to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction.

"US Profit" and "US Loss" means for each taxable year or other period, an amount equal to the Fund's taxable income or tax loss for the year or other period, determined in accordance with Code Section 703(a) (including all items of income, gain, loss or deduction required to be stated separately under Code Section 703(a)(1)), with the following adjustments:

- (a) any income of the Fund that is exempt from U.S. federal income tax and not otherwise taken into account in computing Profit or Loss will be added to taxable income or tax loss;
- (b) any expenditures of the Fund described in Code Section 705(a)(2)(B) or treated as Code Section 705(a)(2)(B) expenditures under Treasury Regulations Section 1.704-1(b)(2)(iv)(i), and not otherwise taken into account in computing Profit or Loss, will be subtracted from taxable income or tax loss;

- (d) in lieu of depreciation, amortisation and other cost recovery deductions taken into account in computing taxable income or tax loss, there will be taken into account depreciation for the taxable year or other period as determined in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g);
- (e) any items specially allocated pursuant to this Instrument shall not be considered in determining Profit or Loss; and
- (f) any increase or decrease to US Capital Accounts as a result of any adjustment to the Book Value of Fund assets pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) or (g) shall constitute an item of Profit or Loss as appropriate.

45.3 US Capital Accounts

43.3.1 Establishment and Maintenance

- (a) A separate capital account will be established and maintained for each Shareholder (a "US Capital Account"). Each Shareholder's US Capital Account shall be adjusted as follows:
 - i. the amount of any cash and the Book Value of any property of any Shareholder contributed to the capital of the Fund (net of any liabilities assumed by the Fund or which are secured by any property contributed by such Shareholder) shall be credited to the US Capital Account of that Shareholder;
 - ii. the amount of cash and the Book Value of any property distributed by the Fund to any Shareholder (net of any liabilities assumed by the Shareholder or which are secured by any property distributed to such Shareholder by the Fund) shall be debited against the US Capital Account of that Shareholder; and
 - iii. the US Net Income and US Net Loss (and other items of income, gain, loss, deduction or credit) of the Fund allocated to any Shareholder in accordance with Section 45.6.1, 45.6.2, 45.6.3 or 45.6.4 shall be credited to and debited against, respectively, the US Capital Account of that Shareholder.
- (b) Provisions of this Instrument relating to the maintenance of US Capital Accounts are intended to comply with Code Section 704(b) and the Treasury Regulations promulgated thereunder and shall be interpreted and applied in a manner consistent

with such statutory and regulatory provisions. Without limiting the foregoing, any allocations for a particular financial year pursuant to the allocation provisions set forth in this Section which would violate the requirements of Code Section 704(b) and the Treasury Regulations promulgated thereunder shall not be made and there shall instead be made allocations generally provided herein as determined by the Directors. The Directors also shall (i) make any adjustments that are necessary or appropriate to maintain equality between the US Capital Accounts of the Shareholders and the amount of capital reflected on the Fund's balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b)(2)(q) and (ii) make any appropriate modifications in the event unanticipated events might otherwise cause this Section 45.3 not to comply with Code Section 704(b) and the Treasury Regulations promulgated thereunder.

45.4 Revaluation of Fund Property for the US Capital Accounts

- (a) Upon the occurrence of a Revaluation Event, for the purposes of the US Capital Accounts, the Directors may revalue all property of the Fund (whether tangible or intangible) for book purposes to reflect the Adjusted Fair Market Value of the Fund's property immediately prior to the Revaluation Event. In the event that Fund's property is so revalued, the US Capital Accounts will be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f).
- (b) Upon the distribution of the Fund's property to a Shareholder, if the Fund's property is not revalued pursuant to 43.4(a) the property to be distributed will be revalued for book purposes to reflect the Adjusted Fair Market Value of such property immediately prior to such distribution, and the US Capital Accounts of all Shareholders will be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(e).

45.5 Restoration of Negative Balances

No Shareholder with a deficit balance in its US Capital Account will have any obligation to the Fund, to any other Shareholder or to any third party to restore or repay said deficit balance.

45.6 Allocation of Profits and Losses

45.6.1 Profits and Losses

Except as otherwise provided in this Section, all items of income, gain, loss, deduction and credit comprising the US Profits or US Losses of the Fund for each financial year will be allocated among the Shareholders in accordance with Section 37 of this Instrument, the objective of which is to allocate such items in accordance with each Shareholder's economic interest in the respective item, as determined by the Directors pursuant to Code Sections 704(b) and (c) and the related Treasury Regulations. Unless the Directors determine otherwise, allocations will be made among the Shareholders such that the US Capital Account of each Shareholder, immediately after giving effect to such allocations, shall equal (proportionately), as nearly as possible, (i) the amount of the distributions that would be made to such Shareholder if (A) the Fund were dissolved and terminated, (B) its affairs were wound up and each of its remaining assets were sold for its Book Value (limited with respect to each Nonrecourse Liability to the Book Value of the assets securing such liability), (C) all liabilities of the Fund were satisfied; and (D) the net assets of the Fund were distributed to the Shareholders in accordance with Section 37 of this Instrument immediately after making the allocation, minus (ii) the Shareholder's share of Fund Minimum Gain and Shareholder Nonrecourse Debt Minimum Gain, computed immediately before the hypothetical sale of assets, minus (iii) any obligation of the Shareholder to make any Capital Contribution at the time pursuant to this Instrument.

45.6.2 Special Allocations

- (a) Notwithstanding any other provision of this Section 45.6, if there is a net decrease in Fund Minimum Gain or Shareholder Nonrecourse Debt Minimum Gain (determined in accordance

with the principles of Treasury Regulation Sections 1.704-2(d) and 1.704-2(i)) during any Fund taxable year, each Shareholder shall be specially allocated items of the Fund's income and gain for such year (and, if necessary, subsequent years) in an amount equal to its respective share of such net decrease during such year, determined pursuant to Treasury Regulations Sections 1.704-2(g) and 1.704-2(i)(5). The items to be so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(f). This Section 45.6.2(a) is intended to comply with the minimum gain chargeback requirement in such Regulations Section and shall be interpreted consistently therewith including that no chargeback shall be required to the extent of the exceptions provided in Treasury Regulations Section 1.704-2(f) and 1.704-2(i)(4).

(b) Notwithstanding any other provision of this Section 45.6 other than Section 45.6.2(a) above, in the event any Shareholder unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of the Fund's income and gain shall be specially allocated to such Shareholder in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit created by such adjustments, allocations or distributions as promptly as possible; provided, that, an allocation pursuant to this Section 45.6.2(b) shall be made only if and to the extent that a Shareholder would have an Adjusted Capital Account Deficit in excess of such sum after all other allocations provided for in this Section 45.6.2 have been tentatively made as if this Section were not in this Instrument.

(c) In the event any Shareholder has an Adjusted Capital Account Deficit at the end of any financial year, each such Shareholder shall be specially allocated items of the Fund's income and gain in the amount of such excess as quickly as possible; provided, that, an allocation pursuant to this Section 45.6.2(c) shall be made only if and to the extent that a Shareholder would have an Adjusted Capital Account Deficit in excess of such sum after all other allocations provided for in this Section have been made as if Section 45.6.2(b) and this Section 45.6.2(c) were not in this Instrument.

(d) Nonrecourse Deductions from a particular investment for any financial year or other period shall be specially allocated in proportion to the US Profits from such investment allocated to the Shareholders, respectively or, if there are no US Profits for such financial year or other period from such Investment, Nonrecourse Deductions shall be allocated to the Shareholders in proportion to their respective interests in the Fund.

(e) Any Shareholder Nonrecourse Deductions for any financial year or other period shall be specially allocated to the Shareholder who bears the economic risk of loss with respect to the Shareholder Nonrecourse Debt to which such Shareholder Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2.

(f) Deductions in respect of management fees and other expenses that are funded by Capital Contributions will be allocated to the Shareholders in accordance with their funded Capital Contributions made to pay such fees and expenses.

(g) All special allocations described in this Section 45.6.2 (the "**Special Allocations**") are intended to comply with Code Section 704 and the related Treasury Regulations. In the event that the Directors determine a Special Allocation described above does not comply with the Code or applicable Treasury Regulations, the Directors will make such allocation in a manner consistent with the Code and Treasury Regulations as described in Section 45.6.4 below. To the extent consistent with the manner in which US Profits and US Losses are intended to be shared among Shareholders, any Special Allocations shall be taken into account in determining subsequent allocations of US Profits and US Loss, so that the cumulative amount of US Profit and US Loss allocated among the Shareholders shall equal those amounts that would have been allocated in the absence of any Special Allocations.

45.6.3 Other Allocations

If during any taxable year of the Fund there is a change in any Shareholder's interest in the Fund, allocations of US Profits and US Losses for such taxable year will take into account the

varying interests of the Shareholders in the Fund in any manner determined by the Directors consistent with the requirements of Code Section 706.

45.6.4 Reallocation

If the Directors determine that the Code or any Treasury Regulations require allocations of items of income, gain, loss, deduction or credit different from those set forth in this Section 45.6, the Directors are hereby authorised to make new allocations in reliance on the Code and such Treasury Regulations, and no such new allocation will give rise to any claim or cause of action by any Shareholder.

45.7 Allocation of Tax Items

45.7.1 For each financial year, items of income, deduction, gain, loss or credit that are recognised for U.S. federal income tax purposes shall be allocated among the Shareholders pursuant to Treasury Regulations Section 1.704-1(b) in such manner as to reflect equitably amounts credited to or debited from each Shareholder's US Capital Account for the current and prior financial years. Allocations under this Section 45.7.1 shall be made pursuant to the principles of Code Section 704(c) and in conformity with Treasury Regulations Sections 1.704-1(b)(2)(iv)(f), 1.704-1(b)(4)(i) and 1.704-3 promulgated thereunder, or the successor provisions to such Section and Regulations, such that, to the extent possible, realised gains and losses are allocated to those who were Shareholders in the periods during which such gains and losses accrued in proportion to their holdings during such period. In the absolute discretion of the Directors, the Fund may aggregate realised gains and losses for this purpose in any manner permitted by Treasury Regulations Section 1.704-3.

45.7.2 Notwithstanding anything in Section 45.7.1 to the contrary, in the event that a Shareholder withdraws all or part of its US Capital Account (including by reason of death), the Directors may, in their absolute discretion, specially allocate items of the Fund's gain or loss to that Shareholder for tax purposes to reduce the amount, if any, by which the amount distributable to the Shareholder upon the withdrawal differs from that Shareholder's adjusted basis for its withdrawn interest, or otherwise reduce any discrepancy between amounts previously allocated to the Shareholder's US Capital Account and amounts previously allocated to that Shareholder for U.S. federal income tax purposes.

45.7.3 All matters concerning the valuation of assets of the Fund, the allocation of profits, gains and losses among the Shareholders, including taxes thereon, and accounting procedures not expressly provided for by the terms of this Instrument shall be determined by the Directors in consultation with the AIFM, whose determination shall be final and conclusive as to all of the Shareholders.

45.7.4 The Shareholders acknowledge and are aware of the income tax consequences of the allocations made by this Section 45.7 and hereby agree to be bound by the provisions of this Section 45.7 in reporting their shares of items of income, gain, loss, deduction and credit for U.S. federal, state and local income tax purposes.

45.8 Partnership Representative

The Directors shall designate the "partnership representative" within the meaning of Code Section 6223(a) and shall, to the extent necessary, appoint the "designated individual" within the meaning of Treasury Regulation Section 301.6223-1(b)(3)(i), and as such will have sole authority to make elections and otherwise act on behalf of the Fund in any audit proceeding. Each Shareholder (or former Shareholder) agrees to indemnify the Fund for any taxes (and related interest, penalties or other charges or expenses) payable by the Fund and attributable to such Shareholder's (or former Shareholder's) Shares in the Fund, as reasonably determined by the Directors. The foregoing obligation shall survive the withdrawal of any Shareholder, the dissolution and liquidation of the Fund, or both. Any cost or expense incurred by the partnership representative (or its designated individual) in its role as such, shall be treated as an operational expense of the Fund.

45.9 Tax Treatment

The Shareholders intend that the Fund shall be treated as a partnership for U.S. federal income tax purposes. The Shareholders agree to take all actions, including the amendment of this Instrument and the execution of other documents, including Internal Revenue Service Form 8832, as may be required to qualify for and receive such treatment as a partnership for U.S. federal tax purposes. The Shareholders, the Directors and the Fund shall take no action that would cause the Fund to be classified as other than a partnership for U.S. federal income tax purposes.

46. APPROVAL FOR CHANGE OF NAME

46.1 If the ICAV proposes to change the name by which it is incorporated, it shall not do so unless the change is approved by the Central Bank as being neither undesirable nor misleading on an application of this Section.

46.2 Upon the change of name of the ICAV, the Central Bank will:

- (a) update the register of ICAVs so as to reflect that change;
- (b) alter the copy of the registration order of the ICAV to reflect its new name; and
- (c) give a written notice of that alteration to the ICAV.

47. MODIFICATION OF THE INSTRUMENT

47.1 The Directors and the Depositary shall, subject to the prior approval of the Central Bank, be entitled to modify, alter or add to the provisions of this Instrument in such manner and to such extent as they may consider necessary or expedient for any purpose other than one which would result in the ICAV ceasing to comply with the terms of the AIFMD Regulations; provided that,

- (a) the Depositary has certified in writing that in its opinion such modification, alteration or addition does not prejudice the interests of the Shareholders and does not relate to any such matter as may be specified by the Central Bank as one in the case of which an alteration may be made only if approved by the Shareholders; or
- (b) such modification, alteration or addition has been approved by Ordinary Resolution.

47.2 Within 21 days after the date of the making of such modification, alteration or addition in the Instrument, the ICAV shall deposit with the Central bank a copy of the Instrument so altered or containing the alterations.

47.3 In this Section, the terms "modification, alteration or addition" do not include a change in the name of the ICAV the requirements for which are set out in Section 46 of this Instrument.
