7.

- (1) The Depositary shall be a company qualified to act as Depositary of a UCITS pursuant to Part 5 and Part 6, Chapter 3 of the Regulations, and which has the approval of the Central Bank.
- (2) Notwithstanding the provisions of Clause 7(1) the Depositary may with the consent of the Directors appoint any other person to hold as nominee for the Depositary any Investments which cannot conveniently be held by or in the name of the Depositary. The Depositary may upon the terms and conditions of the Depositary Agreement procure that Investments may be held by persons other than the Depositary.

8.

- (1) In the event of the ICAV wishing to remove the Depositary or of the Depositary desiring to retire the Manager shall use their endeavours to find a company willing to act as Depositary and having the qualifications referred to in Clause 7 to act as Depositary and upon doing so the Directors shall appoint such company to be Depositary in place of the retiring Depositary. The appointment of the new Depositary must be approved by the Central Bank in advance.
- (2) The current Depositary may not retire until a new Depositary (who has been approved in advance by the Central Bank) has been appointed.
- (3) Despite attempts by the ICAV to appoint a new Depositary, if no replacement for the current Depositary has been appointed in accordance with Regulation 32 of the Central Bank UCITS Regulations and (ii) the current Depositary is unwilling or unable to act as such, then:
 - (a) a general meeting will be convened at which an ordinary resolution, or such a resolution passed by such majority as is specified in this Instrument of Incorporation to wind up or otherwise dissolve the ICAV is so proposed; and
 - (b) the appointment of the current Depositary may be terminated only on the revocation of the authorisation of the ICAV.
- (4) The ICAV may terminate the appointment of the Depositary only: (i) upon the appointment of a new Depositary, or (ii) upon the revocation of the authorisation of the ICAV.

MANAGEMENT AND DEPOSITARY AGREEMENTS

9.

- (1) The terms of any agreement entered into by the ICAV appointing any person to act as Manager or Depositary of the ICAV (other than the original agreements appointing the first Manager or first Depositary entered into prior to the first issue of Shares other than to the subscribers of the Instrument of Incorporation), and any variations made after the first issue of Shares other than the Subscriber Shares to any such agreement then in force, shall be subject to approval by a resolution passed by the majority of holders for the time being of the Shares (or of any series thereof as the case may require) present or represented by proxy at a meeting of the holders of such Shares.

- (2) Approval of an agreement referred to in paragraph (1) of this Clause shall not be required where either:
- (a) the terms of any new agreement entered into for the appointment of a new Manager or Depositary do not differ materially from those in force with the former Manager or Depositary on termination of its appointment; or
 - (b) the agreement relates to a variation to an existing agreement and the ICAV, the Manager and the Depositary each certify that any such variation:
 - (i) is required only to enable the affairs of the ICAV to be more conveniently or economically managed or otherwise to benefit the holders of Shares;
 - (ii) will not prejudice the interests of the then existing holders of Shares or any of them;
 - (iii) will not alter the fundamental provisions or objects of the agreement; and
 - (iv) will not operate to release the Manager or the Depositary from any responsibility to the ICAV.
- (3) The ICAV shall establish and implement procedures that are to be followed for the purpose of replacing the Manager or the Administrator. The procedures for the replacement of the Manager or the Administrator shall ensure the protection of Shareholders in the event of such replacement and shall be approved by the Board and shall be in accordance with the requirements of the Central Bank.
- (4) Any agreements between the ICAV and the Manager and Depositary and any amendments or variation thereto shall be in accordance with the requirements of the Central Bank UCITS Regulations.

SHARE CAPITAL

10.

- (1) The share capital of the ICAV shall be equal to the value for the time being of the issued share capital of the ICAV. The minimum issued share capital of the ICAV shall be not less than the currency equivalent of €2.00 represented by two Subscriber Shares of no par value. The maximum issued share capital of the ICAV shall be 500 billion Shares of no par value.
- (2) The actual value of the paid up share capital of the ICAV shall be at all times equal to the Net Asset Value of the ICAV or the value of the assets of the ICAV after the deduction of its liabilities.

11.

- (1) Subscriber Shares shall only be issued up to a currency equivalent of €2.
- (2) A Subscriber Share shall have no entitlement to:
 - (a) a share of the Investments or profits arising therefrom.
 - (b) receive a distribution from the assets or capital of a Sub-Fund.

- (c) vote at General Meetings of the ICAV save as provided for in this Instrument of Incorporation.
 - (3) Any Subscriber Shares which are not for the time being owned by the Investment Manager or its affiliates or nominees shall be subject to requisition under Clause 38 hereof.
 - (4) Each Subscriber Share may, at any time, be redeemed at the option of the Directors at the paid up value thereof.
- 12.
- (1) The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to offer, allot or otherwise deal with or dispose of relevant securities up to an amount equal to the authorised but as yet unissued share capital of the ICAV.
 - (2) The ICAV may before such expiry make an offer or agreement which would or might require relevant securities to be allotted after such expiry, and the Directors may allot relevant securities in pursuance of such offer or agreement, notwithstanding that the authority hereby conferred has expired.
 - (3) Subject to the foregoing, the Shares shall be at the disposal of the Directors who may offer, allot or otherwise deal with or dispose of them to such persons at such times and on such terms as they think proper.
 - (4) The Directors may in their absolute discretion refuse to accept any application for Shares in the ICAV or accept any application in whole or in part. In the case of any such refusal the relevant subscription monies shall be returned to the applicant without interest and at his own risk.
 - (5) The ICAV may on any issue of Shares pay such brokerage fees or commissions as may be lawful.
 - (6) The Shares of each Sub-Fund may be designated by the Directors as different types of Shares within that particular Sub-Fund. The Directors have power to issue different types of Shares in each Sub-Fund to investors and may create hedged and unhedged share types within the Sub-Fund. The creation of different types of Shares will be notified in advance to the Central Bank and must be effected in accordance with the requirements of the Central Bank. For the avoidance of doubt “types” of Shares in a Sub-Fund may also be referred to as different “series” of Shares throughout this Instrument of Incorporation and other documentation relating to the ICAV.
 - (7) The Directors may in their absolute discretion differentiate between the different types of Shares including, without limitation, as regards the level of fees payable, base currency, interest rate, currency hedging and dividend policy. In addition, each type of Share within a Sub-Fund may incur different preliminary and redemption charges and may have a different distribution policy or currency of designation.
 - (8) Where series of Shares denominated in different currencies are created within a Sub-Fund and currency hedging transactions are entered into in order to hedge any relevant currency exposure, such transactions will be clearly attributable to a specific Share series and any costs and gains/losses of the hedging transactions will accrue solely to the relevant series of Shares. Furthermore, no currency Share series may be leveraged as a result of using such currency hedging transactions. Although not the intention,

over-hedged or under-hedged positions may arise as a result of currency hedging at Share series level due to factors outside the control of the Investment Manager (or its delegate). However, hedged positions will be kept under review to ensure that over-hedged positions will not exceed 105% of the Net Asset Value of the Share series and that positions in excess of 100% of the Net Asset Value of the Share series will not be carried forward from month to month. The costs and gains/losses of the hedging transactions will accrue solely to the relevant series of Shares. This strategy may substantially limit Shareholders of the series of Shares from benefiting if the series currency falls against the Base Currency and/or the currency in which the assets of a Sub-Fund are denominated.

- (9) Where a Shareholder switches from one Sub-Fund to another, Shares will be issued as the relevant type of Shares within that Sub-Fund.
13. No person shall be recognised by the ICAV as holding any Share upon any trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share, or (except only as by this Instrument of Incorporation otherwise provided or as by law required) any other right in respect of any Share except an absolute right to the entirety thereof in the registered holder.

ALLOTMENT OF SHARES

14. (1) Subject to Clause 15(3) and except as otherwise agreed by the Directors and subject as hereinafter provided, the ICAV on receipt by it (or its authorised agents) up to the relevant time as may be set out in an applicable Supplement of:
- (a) an application for Shares in such form as the Directors may from time to time determine; and
- (b) such relevant declarations as to status, identity, residence and otherwise as the Directors may from time to time require;

may allot such Shares on the next following Dealing Day for each such Share at the Subscription Price calculated by reference to that Dealing Day in accordance with Clause 15. If the application and/or declarations referred to in paragraph (1)(a) and (b) of this Clause are received after the relevant cut-off time for subscription requests (as set out in the applicable Supplement) the ICAV may treat such application as having been received on the next Business Day and may (if that Business Day is a Dealing Day) defer the allotment of such Share until the next following Dealing Day after receipt of the application and/or declarations referred to in paragraph (1)(a) and (b) of this Clause and the Subscription Price shall be determined accordingly as herein provided.

- (2) The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to allot relevant securities within the meaning of section 38 of the Act.
- (3) No Shares may be issued unless the equivalent of the full Subscription Price is paid into the assets of the ICAV within a reasonable time which shall be set out in the Prospectus or the applicable Supplement.
- (4) Subject as provided in Clause 15(7)(a), an application for Shares shall not, without the consent of the ICAV, be capable of being withdrawn by the applicant once given.

15.

- (1) Without prejudice to the provisions of Clause 15(3), the allotment of Shares shall (unless the Directors otherwise agree) be made on condition that (unless settlement has already been effected) the applicant shall effect settlement within such period and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions and in the manner required by the Directors and that in the event of late settlement the applicant may be required to compensate the ICAV for the amount of any loss arising as a result thereof (as conclusively determined by the Directors) and in the event of the applicant failing to make settlement within the relevant period specified by the Directors as set out in the relevant Supplement for the allotment, such (provisional) allotment may be cancelled absolutely and the application refused or alternatively the application may be treated as an application for such number of Shares as may be purchased or subscribed for with such payment as has been made.
- (2) The ICAV may (at the option of the Directors) satisfy any application for the allotment of Shares by procuring the transfer to the applicant of fully-paid Shares at a price per Share equivalent to the relevant Subscription Price per Share as determined hereunder. In any such case, references in this Instrument of Incorporation to allotting Shares shall where appropriate be taken as references to procuring the transfer of Shares.
- (3) The terms on which and the price per Share at which the first allotment of Shares of any series (other than to the subscribers of the Instrument of Incorporation) shall be effected within the usual time limits and the specific time of such issue shall be determined by the Directors.
- (4) Any subsequent allotment of Shares of any series shall be made on any Dealing Day at the Subscription Price per Share of the relevant series being a sum not less than the Redemption Price per Share of the relevant series on the same Dealing Day and not more than a sum calculated by:-
 - (a) ascertaining the Net Asset Value of the Sub-Fund to which the Shares or, if relevant, that portion of the Sub-Fund to which Shares of a particular type are attributable in either case, (the “**Appropriate Sub-Fund**”);
 - (b) adding thereto such sum as the Manager (or where relevant, the Directors) may consider appropriate to protect the interests of all Shareholders against the dilution in value of the Appropriate Sub-Fund on account of the costs associated with the acquisition of assets (an Anti-Dilution Levy);
 - (c) dividing the aggregate of the amount calculated under (a) and (b) above by the number of Shares of the relevant series then in issue;
 - (d) adding thereto a subscription charge of an amount which shall be determined by the Directors but which shall not exceed 5% of the relevant Subscription Price (without taking into account such subscription charge); and
 - (e) rounding the resulting amount to such number of decimal places as the Directors may determine.
- (5) Any subscription charge made pursuant to paragraph (4)(d) of this Clause shall be allowable by the ICAV to or for the benefit of the Manager or such of its agents as the Manager may direct and the Directors may differentiate between any applicants and between series of Shares (and types of Shares within that series) as to the amount of such subscription charge within the permitted limit.

- (6) A swing-pricing mechanism to counter the dilution of a Sub-Fund's assets and protect Shareholders from the impact of transaction costs arising from subscription and redemption activity may also be employed by the ICAV and/or one or more Sub-Funds, the details of which will be set out in the Prospectus or applicable Supplement.
- (7) If the Directors and the Depositary shall be satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to existing Shareholders, the Directors may in their absolute discretion allot Shares in specie on terms providing for settlement to be made by the vesting in the Depositary on behalf of the ICAV of any securities, bonds or other assets of whatsoever nature and wheresoever situate that may be acquired by the ICAV in conformity with the Regulations and the investment policy, objective and restrictions of the ICAV or a Sub-Fund as determined from time to time by the Directors and in connection therewith the following provisions shall apply:
- (a) for the avoidance of doubt, in determining the number of Shares to be issued in exchange for the vesting in the Depositary on behalf of the ICAV of securities, bonds or other assets, the Subscription Price for such Shares shall be determined in accordance with paragraph 4 of this Clause;
 - (b) the number of Shares to be allotted shall be not more than that number which would have fallen to be allotted for settlement in cash against the payment of a sum equal to the value at the Valuation Point for the relevant Dealing Day of the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the ICAV as determined by the Directors in accordance with paragraph (d) below;
 - (c) the Directors may provide that the whole or any part of the duties and charges arising in connection with the vesting of the securities, bonds or other assets in the Depositary on behalf of the ICAV shall be paid by the ICAV or by the person to whom the Shares are to be allotted or partly by the ICAV and partly by such person;
 - (d) the value of the securities, bonds or other assets to be vested in the Depositary on behalf of the ICAV shall be determined by the Directors on the same basis as that provided for in Clause 21 hereof; and
 - (e) the Directors may require that the person to whom the Shares are to be allotted shall warrant to the ICAV that the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the ICAV are the absolute beneficial property of that person and are not the subject of any assignment, charge, lien, encumbrance, equity, licence, user or other agreement, right or claim whatsoever and all of the same are valid, subsisting and not subject to revocation or cancellation. The Directors shall further require that person to deliver to the Depositary or its nominee, bonds or other assets title to which is capable of transfer by delivery and otherwise to execute such documents and take such other steps (or procure the necessary parties to do so) as shall be required by the Directors for vesting the securities, bonds or other assets in the Depositary on behalf of the ICAV. Such securities, bonds or other assets so accepted must be consistent with the investment objective and policy and restrictions of the relevant Sub-Fund.

- (8) The following provisions shall apply in connection with the issue of Shares pursuant to paragraphs (4) - (6) of this Clause:
- (a) no Shares shall be allotted on a Dealing Day (except those for which applications had been previously received and accepted by the ICAV) during any periods when the issue or the redemption of Shares is suspended pursuant to Clause 22 hereof. Unless withdrawn prior to the expiry of the period of suspension referred to in the preceding sentence, applications will be considered on the Dealing Day immediately following the day on which such suspension is lifted. Any such withdrawal shall be made in writing and shall not be effective until it has actually been received by the ICAV (or its authorised agent);
 - (b) the Directors may issue Shares on terms that the person to whom they are issued shall bear any duties and charges which may be incurred outside Ireland;
 - (c) where any subscription moneys are not an exact multiple of the Subscription Price per Share of the series applied for a fraction of a Share may be issued at the discretion of the Directors rounding to such number of decimal places as the Directors may determine;
 - (d) the Directors shall have power to impose such restrictions as they may think necessary for the purpose of ensuring that save as permitted by any relevant foreign law no Shares in the ICAV are acquired or held by any person in breach of the laws or requirements of any country or governmental authority; and
 - (e) for the purposes hereof Shares which have been allotted shall be deemed to come into issue at the close of business on the relevant Subscription Day in respect of such allotment.

REDEMPTION OF SHARES

16.

- (1) Subject to the provisions of the Act and the Regulations and as otherwise hereinafter provided and except as otherwise agreed by the Directors, the ICAV, on receipt by it (or one of its authorised agents) up to the relevant time as set out in the applicable Supplement (the “**Notification Date**”) of :
- (i) a request in such form as the Directors may from time to time determine (hereinafter in this Clause called a “**Redemption Request**”) for the redemption of all or any portion of the Shares of a series held by a Shareholder (hereinafter in this Clause called the “**Applicant**”); and
 - (ii) such evidence as to title to the Shares to be redeemed as the Directors may have made available to the Applicant upon his acquisition of the relevant Shares to be redeemed;

shall redeem such Shares on the next following Dealing Day at the Redemption Price for each such Share calculated on such Dealing Day in accordance with Clause 17 hereof or procure the purchase thereof at not less than the Redemption Price for each such Share as aforesaid provided that:-

- (a) Where a Redemption Request is received after the relevant cut-off time for Redemption requests (as set out in the applicable Supplement), the ICAV may treat such request as having been received in respect of the next following Dealing Day and the Redemption Price shall be determined accordingly as herein provided.
 - (b) At the request of the Applicant the Directors may but shall not be bound to redeem such Shares on the next Dealing Day.
 - (c)
 - (i) Subject as provided in sub-paragraph (d) hereof, in the event that evidence as to title is not received by the appropriate notice period for such Redemption Request as referred to in Clause 16(1) the Directors may proceed to redeem or procure the purchase of the Shares comprised in the Redemption Request on the next following Dealing Day, but settlement of the aggregate of the Redemption Price for all such Shares (hereinafter in this Clause called the “**Proceeds**”) shall not be made until such time as the evidence as aforesaid is received by the ICAV or one of its authorised agents.
 - (ii) If settlement is postponed pursuant to sub-paragraph (i) above the Proceeds will be deposited by the ICAV in a bank for payment to the Applicant against surrender of the Contract Note or other evidence as to title representing the Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require.
 - (iii) Upon the deposit of the Proceeds in a bank, pursuant to sub-paragraph (ii) above the Applicant shall have no further interest in any of the Shares comprised in the Redemption Request or any claim against the ICAV in respect thereof except the right to receive the Proceeds so deposited (without interest) upon surrender of the Contract Note or other evidence as to title.
 - (d) The Directors may at their option dispense with the production of any Contract Note or other evidence as to title which shall have become defaced lost or destroyed upon compliance by the Applicant with the like requirements to those applying in the case of an application by him for replacement of a defaced lost or destroyed Contract Note or other evidence as to title under Clause 32.
- (2) Subject as hereinafter provided, the Applicant shall not without the consent of the ICAV be entitled to withdraw his Redemption Request once given or his Contract Note or other evidence as to title.
- (3) If on any Dealing Day the issue, conversion and redemption of Shares are suspended pursuant to Clause 22 hereof the right of the Applicant to have such Shares redeemed pursuant to paragraph (1) of this Clause 16 on that Dealing Day shall be similarly suspended and on any Dealing Day on which the Applicant’s right to have them redeemed is so suspended he may withdraw his Redemption Request and his Contract Note or other evidence as to title. Any such withdrawal under the provisions of this Clause shall be made in writing and shall not be effective until it has actually been received by the ICAV (or its authorised agent). If no such withdrawal is made, the day on which the redemption of such Shares shall be effected shall be the Dealing Day immediately following the day on which such suspension is lifted.

- (4)
- (a) The redemption of Shares shall be made on terms that (subject to any requisite official consents first having been obtained) the ICAV or its authorised agent shall effect settlement of the Proceeds:
 - (i) in the currency in which the relevant series of Shares is designated unless the Directors otherwise determine in any particular case or generally in relation to Shares of any series;
 - (ii) within 10 Business Days from the relevant Notification Date; and
 - (iii) in accordance with any payment instructions given by the Applicant to the ICAV or its authorised agent at the time of submitting the Redemption Request provided that the Directors are satisfied that there is no practical or legal impediment to the implementation of such instructions. If the Directors are not so satisfied or no payment instructions have been given as aforesaid, settlement shall be effected (subject to any requisite official consents first having been obtained) either by cheque or in such other manner as the Directors may deem appropriate.
 - (b) The ICAV shall not be liable for any loss or damage suffered or incurred by any Applicant or any other person as a result of or arising out of late settlement howsoever such loss or damage may arise.
- (5) Unless a lower number of Shares is specified in the Redemption Request, the Redemption Request will be taken to apply to all the Shares held by the Applicant or represented by the appropriate Contract Note.
- (6) On the redemption of part only of the Shares referred to in any Contract Note the Directors shall procure the issue of a further Contract Note in respect of such Shares or such other evidence as to title as the Applicant may agree with the Directors to be sent to the Applicant.
- (7)
- (a) Subject to the provisions of this paragraph but notwithstanding any provision of this Instrument of Incorporation, the ICAV shall not be bound to redeem or procure the purchase of more than 10% of the total number of Shares of a Sub-Fund then outstanding on any single Dealing Day or 10% of the Net Asset Value of the Sub-Fund.
 - (b) If the ICAV shall receive requests for redemption on any Dealing Day of a number of Shares in respect of a Sub-Fund of a value greater than that provided for in paragraph (7)(a) of this Clause, the Manager (or where relevant, the ICAV) may refuse to redeem any Shares in excess of 10% of the total number of Shares in the Sub-Fund or such higher percentage that the Manager (or the ICAV) may determine. The ICAV shall carry forward for redemption or purchase on the next Dealing Day the balance of each request on a pro rata basis and so on to each succeeding Dealing Day until each request has been complied with in full.
 - (c) Any requests for redemption which have been carried forward from an earlier Dealing Day pursuant to paragraph (7)(b) of this Clause shall (subject to the foregoing limits) be complied with pro rata to later requests (accordingly, the

redemption requests carried forward shall be treated as if they were received on each subsequent Dealing Day until all Shares to which the original request related, have been redeemed).

- (8) The Redemption Price may be satisfied by the ICAV paying cash or, provided that the Directors or the Manager are satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to any remaining Shareholders and with the agreement of the relevant Shareholder, making a redemption in specie, at the discretion of the Directors and the Manager, to such Shareholder of Investments equalling the aggregate Redemption Price (or together with any such cash payment when aggregated with the value of the Investments being distributed as are equal to such Redemption Price). The asset allocation of any redemption in specie is subject to the approval of the Depositary.
- (9) Any such redemption in specie must be with the consent of the redeeming Shareholders unless the redemption request represents 5% or more of the Net Asset Value of the ICAV. In such circumstances, the Manager (or where relevant, the ICAV) shall, if requested by the redeeming Shareholder be required to sell the relevant assets on behalf of that Shareholder but the cost of such sale shall be borne by that Shareholder.
- (10) Notwithstanding paragraph (8) above, where the redeeming Shareholder requests redemption of a number of Shares that represent 5 per cent or more of the Net Asset Value of the ICAV or relevant Sub-Fund, the Manager may, without the consent of the redeeming Shareholder, where utilising the discretion of the ICAV, determine to redeem that Shareholder in specie and: (i) in that event, the ICAV shall, if requested to do so, sell the assets on behalf of the Shareholder after the redemption has been effected; and (ii) the cost of any sale in accordance with sub-paragraph (i) can be charged to the Shareholder.
- (11) Shares redeemed shall be deemed to cease to be in issue at the close of business on the relevant Dealing Day in respect of the redemption and such redeemed Shares shall be cancelled.
- (12) For the avoidance of doubt, the purchase/cross investment by a Sub-Fund in respect of Shares in other Sub-Funds of the ICAV shall not result in those Shares being cancelled, repurchased or redeemed.

REDEMPTION PRICE

17.

- (1) The redemption of Shares of any series shall be made at the Redemption Price per Share of that series calculated by the Directors and being not more than the Subscription Price for a Share of the same series calculated by reference to the same Dealing Day pursuant to Clause 15 hereof and not less than a sum calculated in the following manner:
 - (a) ascertaining the Net Asset Value of the Appropriate Sub-Fund;
 - (b) deducting therefrom such sum as the Directors may consider appropriate to protect the interests of all Shareholders against dilution in value of the Appropriate Sub-Fund on account of the costs associated with the Redemption of assets (an Anti-Dilution Levy);

- (c) dividing the aggregate of the amount calculated under (a) and (b) above by the number of Shares of the relevant series then in issue;
 - (d) making such adjustment as the Directors consider appropriate if in order to meet requests for redemption it is necessary to realise assets of the appropriate Sub-Fund immediately or to borrow money;
 - (e) rounding the resulting amount to such number of decimal places as the Directors may determine;
 - (f) at the Directors' discretion deducting therefrom a redemption charge which shall be determined by the Directors but which shall not exceed 3% of the relevant Redemption Price (without taking into account such redemption charge). The ICAV shall not increase the maximum charge relating to redemption of Shares without the prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders of the ICAV or the relevant Sub-Fund, as applicable. In the event of an increase in the redemption charge, a reasonable notification period must be provided by the ICAV to enable Shareholders redeem their Shares prior to the implementation of the increase.
- (2) A swing-pricing mechanism to counter the dilution of a Sub-Fund's assets and protect Shareholders from the impact of transaction costs arising from subscription and redemption activity may also be employed by the ICAV and/or one or more Sub-Funds, the details of which will be set out in the Prospectus or applicable Supplement.
- (3) Upon the redemption of a Share being effected pursuant to this Instrument of Incorporation the Shareholder shall cease to be entitled to any rights in respect thereof and accordingly his name shall be removed from the Register with respect thereto and the Share shall be cancelled and the amount of the ICAV's issued share capital shall be reduced accordingly. The Share shall be available for re-issue and until re-issue shall form part of the unissued share capital of the ICAV.
- (4) Any redemption charge made pursuant to paragraph (1)(f) of this Clause shall be allowable by the ICAV to or for the benefit of the Manager or such of its agents as the Manager may direct and the Directors may differentiate between any Shareholders and between series of Shares as to the amount of such redemption charge within the permitted limit.

QUALIFIED HOLDERS

18.

- (1) If it shall come to the notice of the Directors that any Shares are owned directly or beneficially by any person:
- (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any series of persons from time to time for the purposes of this Clause determined by the Directors and the Depositary;
 - (c) such that the status, standing or tax residence of the ICAV is or may be prejudiced or the ICAV may suffer any pecuniary disadvantage which it would not otherwise have suffered; or

- (d) falling within any category of restricted person as may be determined by the Directors in their absolute discretion and disclosed in the Prospectus,

then the ICAV may give notice to such person requiring him to transfer such Shares to a person who is qualified or entitled to own the same or give a request in writing for the redemption of such Shares in accordance with Clause 16(1). If any person upon whom such a notice is served pursuant to this paragraph does not within thirty days after service of such notice transfer his Shares or give an irrevocable request in writing to redeem his Shares or establish to the satisfaction of the ICAV (whose judgment shall be final and binding) that he is qualified, entitled and permitted to own the Shares, he shall be deemed upon the expiration of thirty days to have given a request in writing for the redemption of all his Shares pursuant to Clause 16(1) whereupon he shall be bound forthwith to deliver to the ICAV (or its duly authorised agent) the Contract Note in respect of such Shares or such other evidence as to title as the Directors may require.

- (2) A person who becomes aware that he is holding or owning Shares within any of the categories referred to in paragraph (1) above shall forthwith unless he has already received a notice pursuant to paragraph (1) above either transfer all his Shares to a person qualified or permitted to own the same or give a request in writing for the redemption of all his Shares pursuant to Clause 16(1).
- (3) The proceeds of any redemption effected pursuant to this Clause will be deposited by the ICAV in a bank for payment to any such person against surrender of the Contract Note representing the Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require. Upon the deposit of such proceeds of redemption as aforesaid, such person shall have no further interest in such Shares or any claim against the ICAV in respect thereof except the right to receive the proceeds of redemption so deposited (without interest) upon surrender of the said Contract Note or other evidence as to title.
- (4) The exercise by the ICAV of the power conferred by this Clause shall not be questioned or invalidated in any case on the ground that there was insufficient evidence of ownership of Shares by any person or that the true ownership of any Shares was otherwise than appeared to the ICAV at the relevant date provided the said powers shall have been exercised in good faith.
- (5) The Directors may at any time and from time to time call upon any holder of Shares by notice in writing to provide the Directors with such information and evidence as they shall require upon any matter connected with or in relation to such holder of Shares in order to satisfy themselves that Shares are not owned directly or beneficially by any person:
 - (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any series of persons from time to time for the purposes of this Clause determined by the Directors; or
 - (c) such that the status, standing or tax residence of the ICAV is or may be prejudiced or the ICAV may suffer any pecuniary disadvantage which it would not otherwise have suffered as a result of that person continuing to own Shares.
- (6) If such information and evidence is not so provided within a reasonable time (not being more than five days after service of the notice requiring the same) the Directors shall forthwith serve such holder of Shares with a further notice calling upon him, within

seven days after service of such further notice, to transfer his Shares or to request the redemption of such Shares in accordance with Clause 16(1) and, failing action by him within such seven days to implement that notice, he shall be deemed to have given a request in writing for the redemption of all his Shares in accordance with Clause 16(1), whereupon he shall be bound forthwith to deliver to the ICAV or one of its duly authorised agents the Contract Note for his Shares or such other evidence as to title as the Directors may require and until such time as the Contract Note or such other evidence as to title as the Directors may require as aforesaid is received by the ICAV or one of its duly authorised agents the proceeds of any such redemption shall be deposited by the ICAV in a bank in accordance with Clause 18(3) hereof.

- (7) If the ICAV becomes liable to account for tax in any jurisdiction in the event that a holder or beneficial owner of a Share were to receive a distribution in respect of his/her Shares or to dispose (or be deemed to have disposed) of his/her Shares in any way (a “**Chargeable Event**”), the Directors or their agent shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily repurchase such number of Shares held by the holder or such beneficial owner of the Shares as are required to meet the amount of tax. The relevant holder of Shares shall indemnify and keep the ICAV indemnified against loss arising to the ICAV by reason of the ICAV becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deduction, appropriation, cancellation or compulsory repurchase has been made.

CONVERSIONS

19. Subject as herein provided a holder of Shares of any Sub-Fund (hereinafter in this Clause called the “**Original Sub-Fund**”) shall have the right to convert all or any portion of such Shares comprised in one or more Written Confirmations of Entry into Shares of another Sub-Fund (hereinafter in this Clause called the “**New Sub-Fund**”) either existing or agreed by the Directors to be brought into existence on terms hereinafter appearing or established on such terms as may be provided in the Prospectus:-
- (1) The right of conversion is exercisable by the said holder (hereinafter in this Clause called the “**Applicant**”) giving to the ICAV (or one of its authorised agents) a notice (hereinafter in this Clause called a “**Conversion Notice**”) in such form as the Directors may from time to time determine.
- (2) Subject to the receipt by the ICAV (or one of its authorised agents) of a Conversion Notice up to the relevant cut-off time as set out in the Prospectus or the applicable Supplement on which the conversion is to be effected (or such other time as the Directors may determine either generally or in relation to a particular Sub-Fund or in any specific case) the conversion of the Shares comprised in the Conversion Notice shall be effected on the Dealing Day in respect of which the Conversion Notice was received. Conversion Notices not received by the relevant cut-off time may, at the discretion of the Directors, be held over and applied at the next following Dealing Day.
- (3) The Applicant shall not without the consent of the ICAV be entitled to withdraw a Conversion Notice given in accordance with this Clause except in any circumstances in which if it were a Redemption Request he would be entitled to withdraw it in accordance with Clause 16(3) hereof and any such withdrawal shall only be effective if made in compliance with the same requirements as to writing and actual receipt as are imposed by the said Clause 16(3).

(4) Conversion of the Shares comprised in the Conversion Notice shall be effected on the relevant Dealing Day by the redemption of the Shares of the Original Sub-Fund and the allotment and issue of Shares of the New Sub-Fund in proportion to (or as nearly as possible in proportion to) the holding of the Shares of the Original Sub-Fund and where conversion is effected in accordance with this Clause the number of Shares of the New Sub-Fund to be allotted and issued shall be determined in accordance with the following provisions of this Clause provided that the right of conversion shall be conditional upon the ICAV having sufficient available unissued share capital to enable the conversion to be implemented in the manner determined by the Directors as aforesaid.

(5) The number of Shares of the New Sub-Fund to be allotted and issued on conversion shall be determined by the Directors as nearly as possible in accordance with the following formula:

$$\text{NSH} = \frac{\text{OSH} \times \text{RP}}{\text{SP}}$$

where

NSH is the number of Shares of the New Sub-Fund;

OSH is the number of Shares of the Original Sub-Fund specified in the Conversion Notice;

RP is the Redemption Price of a Share of the Original Sub-Fund as determined in accordance with Clause 17(1) hereof by reference to the relevant Dealing Day; and

SP is the Subscription Price of a Share of the New Sub-Fund calculated in accordance with Clause 15 hereof by reference to the relevant Dealing Day.

(6) Fractions of Shares of the New Sub-Fund may not be allotted on conversion and any monies which would provide an entitlement to only a fraction of a Share of the New Sub-Fund shall be returned to the Applicant.

(7) On the relevant Business Day the Manager shall debit the Sub-Fund attributable to Shares of the Original Sub-Fund with an amount equal to $\text{OSH} \times \text{RP}$ and shall credit the Sub-Fund attributable to Shares of the New Sub-Fund with the appropriate amount in the currency in which the New Sub-Fund is designated.

(8) No Contract Note in respect of Shares of the New Sub-Fund allotted on conversion shall be issued until the ICAV (or its authorised agent) has received the Contract Note representing the relevant number of Shares of the Original Sub-Fund so converted with the Conversion Notice on the reverse thereof duly completed and signed or shall have received such other evidence as to title as the Directors may require together with a Conversion Notice in a form acceptable to the Directors.

(9) On any conversion the Manager shall be entitled to deduct a fee not exceeding 1% of the Net Asset Value of OSH (as defined above), together with an amount in respect of any duties and charges arising out of such conversion.

(10) Where a Shareholder converts from the Original Sub-Fund to the New Sub-Fund and the Shares in the New Sub-Fund are designated as Shares of different types in accordance with Clause 12(6), Shares in the New Sub-Fund will be issued as Shares of the relevant type, as applicable (whether or not the Shares in the Original Sub-Fund

were designated as Shares of different types in accordance with Clause 12(6)). Where the Shares of the Original Sub-Fund are designated as Shares of different types in accordance with Clause 12(6), and the Shareholder converts to a New Sub-Fund (the Shares of which are not designated as Shares of different types in accordance with Clause 12(6)) the Shares will be issued of the single type in the New Sub-Fund. Shareholders may not convert from one type to another within the same Sub-Fund.

CLASSES OF SHARES

20.

- (1) Each Share shall be issued as a Share of a particular Sub-Fund. Each Series shall be designated in such currency as the Directors may determine.
- (2) The Directors shall have the authority, subject to the approval of the Central Bank, to create new Sub-Funds. The Directors shall also have the authority, subject to the approval of the Central Bank to change the name of any Sub-Fund at any time during the life of that Sub-Fund and shall promptly, following the resolution of the Directors to make such change, notify the Shareholders in that Sub-Fund of such change of name.
- (3) The following provisions shall apply to each Sub-Fund:
 - (a) the proceeds from the issue of each Share shall be applied to the Sub-Fund established for that Share, and the assets and liabilities and income and expenditure attributable thereto shall be applied to such Sub-Fund subject to the provisions of the Instrument of Incorporation;
 - (b) where any asset is derived from another asset, the derived asset shall be applied to the same Sub-Fund as the assets from which it was derived and on each revaluation of an asset the increase or diminution in value shall be applied to the relevant Sub-Fund;
 - (c) in the case of any asset which the Directors do not consider as attributable to a particular Sub-Fund, the Directors shall have discretion, subject to the approval of the Depositary, to determine the basis upon which any such asset shall be allocated between Sub-Funds and the Directors shall have the power at any time, subject to the approval of the Depositary, to vary such basis provided that the approval of the Depositary shall not be required in any such case where the asset is allocated between all Sub-Funds pro rata to their net asset values at the time when the allocation is made;
 - (d) the Directors shall have the discretion, subject to the approval of the Depositary, to determine the basis upon which any liability (which, without limitation, may include all operating expenses of the ICAV such as stamp duties, taxes, brokerage or other expenses of acquiring and disposing of investments, the fees and expenses of the auditors and legal advisers, the costs of printing and distributing reports, accounts and any prospectus, publishing prices and any relevant registration fees etc.) shall be allocated between Sub-Funds (including conditions as to the subsequent re-allocation thereof if circumstances so permit) and shall have power at any time and from time to time to vary such basis, provided that the approval of the Depositary shall not be required in any such case where a liability is allocated between the Sub-Funds pro rata to their net asset values; and

- (e) subject to the approval of the Depositary, the Directors may transfer any assets to and from Sub-Funds if, as a result of a creditor proceeding against certain of the assets of the ICAV or otherwise, a liability would be borne in a different manner from that in which it would have been borne under paragraph (d) above or in any similar circumstances.
- (4) The assets and liabilities of each Sub-Fund shall belong exclusively to such Sub-Fund to which they are attributable. Such assets shall be segregated in the books and records of the ICAV from the assets of all other Sub-Funds and shall not be allocated, nor shall they be pooled with the assets of any other Sub-Fund, to discharge directly or indirectly the liabilities or any claims against any other such Sub-Fund and shall not be available for any such purpose. The Directors shall have power by resolution of the Board of Directors to adopt for any Sub-Fund such investment restrictions as they shall in their absolute discretion deem necessary or appropriate.
- (5) Where series of Shares denominated in different currencies are created within the Sub-Fund and currency hedging transactions are entered into in order to hedge any relevant currency exposure, such transactions will be clearly attributable to a specific Share series and any costs and gains/losses of the hedging transactions will accrue solely to the relevant series of Shares. While not the intention, over-hedged or under-hedged positions may arise due to factors outside the control of the relevant Sub-Fund. Furthermore, except over-hedging as described above, no currency Share series may be leveraged at the time of entering into such currency hedging transactions. Any currency hedging will be limited to 105% of the Net Asset Value attributable to each series of Shares. Hedged positions will be kept under review by the Investment Manager to ensure they do not exceed the permitted level. Any positions materially in excess of 100% of the Net Asset Value of the relevant Share Series will not be carried forward from month to month. The costs and gains/losses of the hedging transactions will accrue solely to the relevant series of Shares. This strategy may substantially limit Shareholders of the series of Shares from benefiting if the series currency falls against the base currency and/or the currency in which the assets of a Sub-Fund are denominated.

VALUATIONS OF FUNDS

21.

The Net Asset Value for each Series of Shares shall be determined separately by reference to the Sub-Fund appertaining to that Series of Shares and to each such determination the following provisions shall apply:

The Net Asset Value of each Sub-Fund shall be determined on each Valuation Date and shall be equal to the value as at the relevant Valuation Point of all the assets, less all the liabilities, of that Sub-Fund.

- (1) The assets of each Sub-Fund shall be deemed to include:-
 - a. all cash in hand, on loan or on deposit, or on call including any interest accrued thereon;
 - b. all bills, demand notes, promissory notes and accounts receivable;
 - c. all bonds, certificates of deposit, shares, equity securities, units in collective investment schemes, debentures, debentures stock, subscription rights, warrants, options, forwards, swaps, other derivatives, and other investments

and securities owned and contracted for, (other than rights and securities issued by it);

- d. all stock and cash dividends and cash distributions which the Directors consider will be received by the ICAV in respect of a Sub-Fund but which have not yet been received by it but have been declared payable to stockholders of record on a date before the day as of which the assets are being valued;
- e. mark-to market gains on derivatives;
- f. all interest accrued on any interest bearing securities forming part of a Sub-Fund; and
- g. all prepaid expenses relating to the relevant Sub-Fund and a proportion of any prepaid expenses relating to the ICAV generally, such prepaid expenses to be valued and defined from time to time by the Directors.

(2) The liabilities of a Sub-Fund shall be deemed to include:-

- a. all bills, notes and accounts payable;
- b. all expenses payable and/or accrued (the latter on a day to day basis) including but not limited to the fees and expenses incurred by the Depositary and the Manager in the performance of their obligations hereunder;
- c. all known liabilities including the amount (if any) of any unpaid distribution declared upon the Shares in the Sub-Fund, contractual obligations for the acquisition of investments or other property or for the payment of money and outstanding payments on any Shares previously redeemed;
- d. an appropriate provision for taxes (other than taxes taken into account as duties and charges) and contingent liabilities as determined from time to time by the Administrator;
- e. mark-to market losses on derivatives; and
- f. all other liabilities of the Sub-Fund of whatsoever kind and nature except liabilities represented by Shares in the relevant Sub-Fund.

(3) In determining the amount of such liabilities the Administrator may calculate administrative and other expenses of a regular or recurring nature on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period.

(4) Any expense or liability of the ICAV may be amortised over such period as the Directors (with the approval of the Auditors) may determine (and the Directors may at any time and from time to time determine with the approval of the Auditors to lengthen or shorten any such period), and the unamortised amount thereof at any time shall also be deemed to be an asset of the ICAV.

(5) Assets shall be valued as follows:-

- a. save as otherwise herein provided, listed securities quoted or dealt in on a Recognised Market shall be valued at the Valuation Point in each case being

one of the closing bid, the last bid, the last traded price, the closing mid-market price, the latest mid-market price or the official closing price published by an exchange as may be deemed appropriate by the Manager or Investment Manager and as set out in the applicable Supplement for each Sub-Fund, on the Recognised Market on which these securities are traded or admitted for trading. If such securities are dealt in on more than one Recognised Market, the relevant Recognised Market will be, in the sole opinion of the Manager, the main Recognised Market on which such securities in question are listed, quoted or dealt in or the Recognised Market which the Manager determines provides the fairest criteria in a value of the relevant security. If, in the sole opinion of the Manager, the dealing price (which will be one of the closing bid, the last bid, the last traded price, the closing mid-market price, the latest mid-market price or the official closing price published by an exchange as may be deemed appropriate by the Manager or Investment Manager and set out in the applicable Supplement for each Sub-Fund) for the securities, calculated as at the Valuation Point is unavailable or not representative of the value of the securities, or in the context of unlisted securities or securities that are not quoted or dealt in on a Recognised Market, the value will be (i) the probable realisation value, estimated with care and in good faith by the Manager or such competent person(s) as may be appointed by the Manager and approved for the purpose by the Depositary; or (ii) calculated by any other means provided that the valuation is approved by the Depositary;

- b. Securities listed or traded on a Recognised Market but acquired at a premium or at a discount outside or off the Recognised Market may be valued taking into account the level of premium or discount at the relevant valuation. The Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security;
- c. exchange-traded derivative instruments shall be valued at the settlement price as determined by the market where the exchange-traded derivative is traded. If such settlement price is not available, the value will be (i) the probable realisation value, estimated with care and in good faith by the Manager or such competent person(s) as may be appointed by the Manager and approved for the purpose by the Depositary; or (ii) calculated, by the Manager or such competent person(s) as may be appointed by the Manager and approved for the purpose by the Depositary; or (iii) calculated by any other means provided that the valuation is approved by the Depositary;
- d. off-exchange derivative contracts shall be valued by the counterparty on a daily basis. The valuation must be approved or verified weekly by a third party who is independent of the counterparty and who is approved for the purpose by the Depositary. An alternative valuation may also be used. Where an alternative valuation is used, the following conditions will be satisfied:
 - the Manager will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as the International Organization of Securities Commissions (“IOSCO”) and AIMA;
 - the alternative valuation is that provided by a competent person appointed by the Manager and approved for the purpose by the Depositary or a valuation by any other means provided that the value is approved by the Depositary;

- the alternative valuation must be reconciled to the counterparty valuation on a monthly basis. Where significant differences arise these must be promptly investigated and explained; and
 - as foreign exchange hedging may be used for the benefit of a particular Share Series within a Sub-Fund, its costs and related liabilities and/or benefits shall be for the account of that Share Series only. Accordingly, such costs and related liabilities and/or benefits will be reflected in the Net Asset Value per Share for Shares of any such Share Series;
- e. cash (in hand or deposit) shall be valued at face value (together with accrued interest to the relevant Valuation Date);
 - f. the value of units or shares or other similar participation in any collective investment scheme shall be (i) if listed, quoted or traded on a Recognised Market valued, calculated in accordance with paragraph (b) above; or (ii) valued at the latest available net asset value or bid price of the collective investment scheme, as published by the collective investment scheme;
 - g. notwithstanding the foregoing, the Manager may, if it deems it necessary, with the approval of the Depositary, permit some other method of valuation to be used for any particular asset if the Manager considers that the alternative method of valuation better reflects the fair value of that asset and the Manager shall clearly document the rationale and methodology of the alternative method of valuation;
 - h. forward foreign exchange contracts or foreign exchange swaps will be valued in accordance with paragraph (d) above or, alternatively by reference to freely available market quotations. If such freely available market quotations are used, there is no requirement to have such prices independently verified or reconciled on a weekly basis; and
 - i. the value of an asset may be adjusted by the Manager with the approval of the Depositary where such an adjustment is considered necessary to reflect the fair value in the context of currency, marketability, dealing costs and/or such other considerations as are deemed relevant.
- (6) Pricing services, whether automated or not, of one or more third parties may be engaged to ascertain the value of any investment (in accordance with the valuation provisions set out herein). Pricing services will be selected by the Manager or a delegate of the Manager.
 - (7) Currencies or values in currencies other than in the currency of designation of a particular Sub-Fund shall, unless the Manager determine otherwise, be converted or translated at the rate which the Investment Manager after consulting with, or in accordance with, the method approved by the Depositary may consider appropriate having regard (*inter alia*) to any premium or discount which may be relevant and to costs of exchange into the currency of designation of that Sub-Fund.
 - (8) Unless otherwise provided in the contract pursuant to which the relevant entity has been appointed in respect of the ICAV, none of the ICAV, the Manager, the Depositary, the Administrator, the Registrar and Transfer Agent or the Investment Manager shall have any liability in the event that any price or valuation used in good faith in connection

with the above procedures proves to be an incorrect or an inaccurate estimate or determination of the price or value of any part of the property of the Sub-Fund.

SUSPENSION OF ISSUES AND REDEMPTIONS

22.

- (1) The Directors may at any time declare a temporary suspension of issues, redemptions and conversions of Shares or of any one or more series of Shares:
 - (a) any period when any of the principal markets or stock exchanges on which a substantial part of the investments of the relevant Sub-Fund are quoted is closed, otherwise than for ordinary holidays, or during which dealings thereon are restricted or suspended;
 - (b) any period when, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the ICAV, the disposal or valuation of assets for the time being comprised in a Sub-Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Shareholders;
 - (c) any period when there is any breakdown in the means of communication normally employed in determining the price of any of the ICAV's or a Sub-Fund's investments or when for any other reason the current prices on any market or stock exchange of any investments of the ICAV or of a Sub-Fund cannot be reasonably, promptly or accurately ascertained;
 - (d) any period during which the ICAV is unable to repatriate funds required for the purpose of making payments due or where the acquisition or realisation of investments cannot, in the opinion of the ICAV, be effected at normal prices or normal rates of exchange. Examples of when the ICAV may be unable to repatriate funds include any period involving acute political, military, economic or monetary events, the imposition or exchange controls, or when the issue, valuation, sale/purchase, redemption/repurchase and exchange of shares in any underlying fund in which the Sub-Fund has invested a substantial portion of its assets is suspended;
 - (e) any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on a Sub-Fund or the remaining Shareholders in a Sub-Fund.
 - (f) any period when proceeds of the sale or redemption of the Shares cannot be transmitted to or from the ICAV or the Sub-Fund's account; or
 - (g) upon the publication of a notice convening a general meeting of Shareholders for the purposes of winding up the ICAV or any Sub-Fund. Any suspension shall take effect on the day on which the declaration is made and thereafter there shall be no issues, redemptions or conversions of Shares of the series or series concerned until the Directors shall declare the suspension to be at an end. The Directors shall during the period of any suspension review the reasons for the suspension and declare the suspension at an end as soon as they consider that the reasons or conditions giving rise to the suspension have ceased to exist and no other reasons or conditions on foot of which a suspension might be declared shall exist. Where possible, the Directors shall take all reasonable steps to bring any period of suspension to an end as soon as possible.

- (2) In addition, the ICAV may at any time in respect of any Sub-Fund, with prior notification to the Depositary, temporarily suspend the issue, valuation, sale, purchase, redemption, repurchase and exchange of Shares in a Sub-Fund during any period when the Directors determines it is in the best interests of Shareholders to do so.
- (3) Any suspension shall be consistent with such official rules and regulations (if any) relating to the subject matter thereof as shall have been promulgated by any authority having jurisdiction over the ICAV and as shall be in effect at the time.
- (4) To the extent not inconsistent with such official rules and regulations, the determination of the Directors pursuant to Clause 22(1)(g) shall be conclusive.
- (5) Forthwith after the commencement of any suspension the Directors shall immediately and in any event within the same Business Day notify in writing the Central Bank and the competent authorities in the Member States in which the ICAV markets its Shares that such a suspension has been made. As soon as may be practicable after the commencement of any suspension, the Directors shall if possible cause a notice to be placed in such publication(s) as the ICAV has caused Subscription Prices and Redemption Prices to be published in during the preceding six months stating that such suspension has been made, and at the end of any period of suspension the Directors shall cause another notice to be placed in such publication(s) stating that the period of suspension has ended.
- (6) Nothing herein shall prevent the ICAV, if the Directors (acting on the advice of the Manager) think fit, from agreeing, during the period of suspension, to issue or redeem or convert Shares at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.
- (7) Issues, redemptions and conversions of Shares which have been subject to a suspension shall take place after such suspension has been declared to be at an end at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.

CALLS ON SUBSCRIBER SHARES

23. The Directors may from time to time make calls upon any registered holder of Subscriber Shares in respect of any moneys unpaid on his Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Share shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each such registered holder shall (subject to being given at least fourteen days' notice specifying the time or times and place of payment) pay to the ICAV at the time or times and place so specified the amount called on his Subscriber Shares. A call may be payable by instalments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
24. The Directors may, if they think fit, receive from any registered holder of Subscriber Shares willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Shares in respect of which it has been received.

MODIFICATION OF RIGHTS

25. Whenever the capital of the ICAV is divided into different series of Shares the special rights attached to any series may (unless otherwise provided by the terms of issue of the Shares of that series) be varied or abrogated either whilst the ICAV is a going concern or during or in contemplation of a winding up, with the consent in writing of the holders of 75% of the issued Shares of the series, or with the sanction of a resolution passed at a separate meeting of the holders of the Shares of the series by a majority of three-fourths of the votes cast at such a meeting, but not otherwise. To every such separate meeting all the provisions of the Act and this Instrument of Incorporation relating to the general meetings of the ICAV or to the proceedings thereat shall, *mutatis mutandis*, apply except that:
- (a) the necessary quorum shall be two persons (except where there are less than two Shareholders in any series, when the quorum shall be one person) at least holding or representing by proxy one-third in nominal amount of the issued Shares of the series (but so that if at any adjourned meeting of such Shareholders a quorum as above defined is not present, those Shareholders who are present shall be a quorum);
 - (b) every Shareholder of the series shall on a poll have one vote for each Share of the series held by him; and
 - (c) any member of the series present in person or by proxy may demand a poll.
26. The rights conferred upon the holders of any Shares or series of Shares issued with special rights shall (unless otherwise expressly provided by the conditions of issue of such Shares) not be deemed to be varied by the creation or issue of further Shares ranking in any respect *pari passu* therewith.

CONFIRMATION OF ENTRY IN THE REGISTER

27. The ICAV shall maintain a Register in accordance with the Act. The Register shall be kept available for inspection by a person entitled to inspect it in accordance with the Act. The Register shall be kept at the Office or at such other place in Ireland as the Directors may determine, subject to the requirements of the Act. Every person whose name is entered as a Member in the Register shall be entitled without payment to a Contract Note which will constitute written confirmation from the ICAV as to his entry in the Register in respect of all his Shares of each series. It is not the intention of the Directors to issue share certificates.
28. Where a Member has transferred or redeemed part of the Shares comprised in his holding he shall be entitled to a further Contract Note for the balance without charge.
29. Every Contract Note shall be issued within two Business Days after allotment or the lodgement with the ICAV of the transfer of the Shares, unless the conditions of issue of such Shares otherwise provide, and shall specify the number and series and distinguishing number (if any) of the Shares to which it relates.
30. If at any time all the issued Shares in the ICAV (or all the issued Shares therein of a particular series) rank *pari passu* for all purposes none of these Shares need thereafter have a distinguishing number so long as they rank *pari passu* for all purposes with all Shares of the same series for the time being issued.
31. The ICAV shall not be bound to register more than four persons as the joint holders of any Share or Shares and in the case of a Share held jointly by several persons, the ICAV shall not

be bound to issue more than one Contract Note therefor, and delivery of a Contract Note for a Share to one of several joint holders shall be sufficient delivery to all.

32. If a Contract Note be defaced, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity as the Directors think fit. In case of loss or destruction, the Member to whom such renewed Contract Note is given shall also bear and pay to the ICAV all expenses incidental to the investigation by the ICAV of the evidence of such loss or destruction.

TRANSFER OF SHARES

33. All transfers of Shares shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under seal. The transferring Member remains liable to the ICAV for all related fees or cost arising from the transfer.
34. The instrument of transfer of a Share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
35. The Directors may decline to register any transfer of Shares in respect of which the ICAV has a lien or where the transfer would be in breach of the law or requirements mentioned in Clause 15(7)(d) hereof.
36. The Directors may also decline to recognise a transfer of Shares unless the instrument of transfer is deposited at the ICAV's registered office or such other place as the Directors may reasonably require, accompanied by the Contract Note in respect of the Shares to which the transfer relates, or such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and the instrument of transfer relates to Shares of one series only. Furthermore, the transferee must provide such information, representations and warranties to the ICAV as are required for an application of Shares under Clauses 14 and 15.
37. If the Directors decline to register a transfer of any Share they shall, within two months after the date on which the transfer was lodged with the ICAV, send to the transferee notice of the refusal.
38. The Directors may at any time direct that any Subscriber Shares not held by the Investment Manager, their affiliates or nominees shall be compulsorily purchased from the holder thereof at the price stated in paragraph (b) hereof in the following manner:
- (a) The Directors shall serve a notice (hereinafter called a "**Purchase Notice**") upon the person appearing in the Register as the holder of the Subscriber Shares to be purchased (the "**Seller**") specifying the Subscriber Shares to be purchased as aforesaid, the price to be paid for such Shares, the person in whose favour such holder must execute a transfer of such Shares and the place at which the purchase price in respect of such Shares is payable. Any Purchase Notice may be served upon the Seller by mailing the same in a pre-paid registered envelope addressed to the Seller at his address shown in the Register. The Seller shall thereupon forthwith be obliged to deliver to the ICAV within 10 days from the date of the Purchase Notice a duly executed transfer of the Shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
 - (b) The price payable for each Subscriber Share transferred pursuant to this Clause shall be €1 less the amount remaining to be paid up thereon.

- (c) In the event of the Seller failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of such Share(s) in accordance with the direction of the Directors and may give good receipt for the purchase price of such Share, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.
39. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, including pursuant to section 43(3) of the Act.
40. All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in any case of fraud) be returned to the person depositing the same.

TRANSMISSION OF SHARES

41. In case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the ICAV as having title to his interest in the Share, but nothing in this Clause shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
42. Any guardian of an infant Shareholder and any curator or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall in either case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant Shareholder or by the deceased or bankrupt Shareholder before the death or bankruptcy or by the Shareholder under legal disability before such disability.
43. 65. If a poll is duly demanded, it shall be taken in such manner and at such place as the Chairman may direct and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
66. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.

No member shall, unless the Directors otherwise determine, be entitled to vote at any General Meeting, either personally or by proxy, or to exercise any privileges as a Member unless all calls or other sums presently payable by him in respect of Shares in the ICAV of which he is the holder or one of the joint holders have been paid.

Any resolution passed by the Members, which but for any breach by a Member of this Clause would not have been passed, shall be deemed never to have been passed and to be null and void.
72. In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.

 - (b) the names of the Directors present at each meeting of the Directors and of any committee of Directors;
 - (c) all resolutions and proceedings of all meetings of the ICAV and of the Directors and of committees of Directors.

Any such minutes, if purporting to be signed by the Chairman of the meeting at which the proceedings took place, or by the Chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.

111. A register of Directors' shareholdings shall be kept at the Office and shall be open to the inspection of any Member or holder of debentures of the ICAV between the hours of 10.00 a.m. and noon on Business Days for a period beginning fourteen days before and ending three days after the Annual General Meeting. The said register shall also be produced at the commencement of each Annual General Meeting and shall remain open and accessible during the continuance of the meeting to any person attending the meeting.
112. Any director may participate in a meeting of the directors by means of telephone or other similar means of communication whereby all persons participating in the meeting can hear each other speak; and participation in a meeting in this manner shall constitute presence in person of such meeting and each participant shall be entitled to vote or be counted in a quorum accordingly. Any such meeting shall be deemed to take place where the majority of the participating directors are located, provided always that where an equal number of participating directors attend from different locations (one of which is Ireland), the meeting shall be deemed to be held in Ireland.

BORROWING AND OTHER POWERS

113. (1) Subject as hereinafter provided the Directors may exercise all the powers of the ICAV to borrow money on a temporary basis (including the power to borrow for the purposes of redeeming Shares) and charge, to issue debentures, debenture stock or other securities, whether outright or as collateral security for any debt liability or obligation of the ICAV or of any third party, provided that no borrowings shall be made save in accordance with paragraph 103 of the Regulations and the limits laid down by the Central Bank.

- (2) The ICAV may not grant loans nor act as a guarantor on behalf of third parties save in accordance with paragraph 111 of the Regulations.
- (3) The ICAV may not carry out sales of transferable securities when such securities are not in its ownership.
- (4) Investments made by the ICAV with respect to a Sub-Fund in units of another collective investment undertaking may not exceed, in aggregate, 10 per cent of the assets of that Sub-Fund unless otherwise stated in the Prospectus.

MANAGING DIRECTOR

- 114.
- (1) The Directors may from time to time appoint one or more of their body to be a Managing Director or Managing Directors of the ICAV and may fix his or their remuneration.
 - (2) Every Managing Director shall be liable to be dismissed or removed from his position as Managing Director by the Directors and another person appointed in his place. The Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his employment but so that the remedy of any such person for any breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the ICAV in general meeting.
115. A Managing Director shall not, while he continues to hold that office, be liable to retire by rotation (if the Instrument of Incorporation should so provide in the case of Directors generally) and he shall not be taken into account in determining the rotation in which the other Directors shall retire (except for the purpose of fixing the number to retire in each year), but he shall be subject to the same provisions as to removal and disqualification as the other Directors and if he ceases to hold the office of Director from any cause he shall ipso facto cease to be a Managing Director.
116. The Directors may from time to time entrust to and confer upon the Managing Director or Managing Directors all or any of the powers of the Directors (not including the power to borrow money or issue debentures) that they may think fit. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to all such regulations and restrictions as the Directors may from time to time make and impose and the said powers may at any time be withdrawn, revoked or varied.

SECRETARY

117. The Secretary shall be appointed by the Directors. Anything required or authorised to be done by or to the Secretary, may if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting by or to any officer of the ICAV authorised generally or specifically in that behalf by the Directors **PROVIDED THAT** any provisions of this Instrument of Incorporation requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

THE SEAL

118. The ICAV shall not be required to have a common seal, but may provide itself with a common seal.
119. Documents shall have the same effect as if executed under the common seal of the ICAV if the document is expressed (in whatever form of words) to be executed by the ICAV and it is signed on behalf of the ICAV by:-
- (a) two authorised signatories of the ICAV; or
 - (b) by a director of the ICAV in the presence of a witness who attests the signature.
120. To the extent that the ICAV has a common seal, the name of the ICAV shall be engraved on the seal in legible characters and the Directors shall provide for the safe custody of the seal of the ICAV.

DIVIDENDS

- 121.
- (1) The ICAV in General Meeting may declare dividends on the Shares of each Sub-Fund but no dividend shall exceed the amount recommended by the Directors in respect of each Sub-Fund respectively. The Directors may differentiate between the different Sub-Funds, as to the amount (if any) of any dividend recommended in respect of each Sub-Fund. Furthermore, in accordance with Clause 12(6), where the Directors have created different types of Shares within each Sub-Fund, they may differentiate between the different types as to the amount (if any) of any dividend recommended in respect of each Sub-Fund. Details of such dividend policies in respect of any Sub-Fund, or type of Shares within a Sub-Fund will be set out in the applicable Supplement for that Sub-Fund. The Directors may from time to time if they think fit pay such interim dividends on Shares of any Sub-Fund as appear to the Directors to be justified, and may specify a fixed date or dates of payment of dividend for a particular Sub-Fund or Sub-Funds (or types within such Sub-Fund(s)).
 - (2) The dividend for any particular Sub-Fund shall be paid out of profits available for distribution out of that Sub-Fund. The amount available for any dividend payable on Shares in respect of any financial year of the ICAV may be paid out of net income (i.e. income less expenses), and/or realised gains net of realised and unrealised losses, or realised and unrealised gains net of realised and unrealised losses and/or capital, less any applicable taxes or expenses. However, nothing in this Clause shall restrict or limit the ability of the ICAV to pay dividends in accordance with applicable Irish law or regulations. For the avoidance of doubt, no account shall be taken of realised and unrealised gains and losses in calculating the amount of dividend available for distribution. However, certain Sub-Funds may charge all or part of fees and expenses to the capital of the relevant Sub-Fund, details of which shall be set out in the relevant Supplement for that Sub-Fund.
122. The Directors may, with the sanction of a resolution in General Meeting of the holders of Shares of any Sub-Fund, satisfy any dividend due to holders of the Shares, in whole or in part, by distributing in kind among the Shareholders of that Sub-Fund by way of dividend or otherwise any of the assets of the relevant Sub-Fund provided, where the share capital is divided into different series of Shares, any such distributions to the holders of one series of Shares shall not materially prejudice the interests of the holder of the other series of Shares and that no distribution shall be made which would amount to a reduction of capital except in a manner

allowed by law. Alternatively, if a holder does not wish to receive a dividend by way of in kind distribution, it may require the Directors to realise such investments necessary in order to effect the relevant distribution.

123. All Shares shall unless otherwise determined by the Directors or by the terms of issue thereof rank for dividend as from the beginning of the accounting period in which they are issued.
124. Any resolution of the Directors declaring a dividend on the Shares of any Sub-Fund and any resolution of the Directors for the payment of a fixed dividend on the date prescribed for the payment thereof may specify that the same shall be payable to the persons registered as the holders of Shares of the Sub-Fund concerned at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed (or, as the case may be, that prescribed for payment of a fixed dividend), and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of Shares of the relevant series.
125. The ICAV may transmit any dividend or other amount payable in respect of any Share by electronic transfer or by cheque or warrant sent by ordinary post to the registered address of the holder, or, in the case of joint holders, of one of them to such person and address as the holder or joint holders may direct, and shall not be responsible for any loss arising in respect of such transmission.
126. No dividend or other amount payable to any Shareholder shall bear interest against the ICAV. All unclaimed dividend and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the ICAV until claimed. Payment by the ICAV of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the ICAV a trustee in respect thereof. Any dividend unclaimed after six years from the date of declaration shall be forfeited to the relevant Sub-Fund automatically, without the necessity for any declaration or other action by the ICAV.
127. The Directors (or their agents) may:
 - (a) deduct from any dividend payment (or other distribution) to a holder of Shares all sums necessary; or
 - (b) compulsorily repurchase or redeem from a holder of Shares' holding of Shares, Shares of such value as is necessary,

to offset any liability to taxation or withholding tax arising as a result of the dividend payment to the relevant holder of Shares.

UNTRACED MEMBERS

128. The ICAV shall be entitled to repurchase any share of a Member or any share to which a person is entitled by transmission and to forfeit any dividend which is declared and remains unpaid for a period of six years if and provided that:
 - (a) for a period of six years no cheque or confirmation of ownership of shares sent by the ICAV through the post in a prepaid letter addressed to the Member or to the person entitled by transmission to the share at his address on the Register or the last known address given by the Member or the person entitled by transmission to which cheques or confirmations of the ownership of shares are to be sent has been cashed or acknowledged and no communication has been

received by the ICAV from the Member or the persons entitled by transmission (provided that during such six year period at least three dividends shall have become payable in respect of such share);

- (b) at the expiration of the said period of six years by notice sent by prepaid letter addressed to the Member or to the person entitled by transmission to the share at his address on the Register or to the last known address given by the Member or the person entitled by transmission or by advertisement in a national daily newspaper published in Ireland or in a newspaper circulating in the area in which the address referred to in sub-paragraph (a) of this Clause is located the ICAV has given notice of its intention to repurchase such share;
- (c) during the period of three months after the date of the advertisement and prior to the exercise of the power of repurchase the ICAV has not received any communication from the Member or person entitled by transmission; and
- (d) if the shares are quoted on a stock exchange the ICAV has first given notice in writing to the appropriate section of such stock exchange of its intention to repurchase such share, if it is required to do so under the rules of such stock exchange.

129. The ICAV shall account to the Member or to the person entitled to such share for the net proceeds of such repurchase by carrying all moneys in respect thereof to a separate interest bearing account which shall be a permanent debt of the ICAV and the ICAV shall be deemed to be a debtor and not a trustee in respect thereof for such Member or other person.

ACCOUNTS

130. The Directors shall cause to be kept proper books of account as are necessary in relation to the conduct of the ICAVs' business within the meaning of section 110 of the Act with respect to:-
- (a) all sums of money received and expended by the ICAV and the matters in respect of which such receipt and expenditure take place;
 - (b) all sales and purchases of the ICAV;
 - (c) the assets and liabilities of the ICAV; and
 - (d) all such other matters as may for the time being be specified by the Act or by the Central Bank pursuant to paragraph 126 of the Regulations.
131. The books of account shall be kept at the Office or at such other place as the Directors think fit, and shall always be open to inspection by the Directors. No member (other than a Director) shall have any right of inspecting any account or book or document of the ICAV except as conferred by the Act or authorised by the Directors or by the ICAV in general meeting.
132. The Directors shall from time to time, in accordance with the provisions of the Act and paragraph 88 of the Regulations, cause to be prepared and to be laid before the ICAV in general meeting such profit and loss accounts, balance sheets, group accounts (if any) and reports as are specified in the Act made up to the Accounting Date in each year or such other date as the Directors may from time to time decide.
133. A printed copy of the Directors' Report accompanied by the balance sheet (including every document required by law to be annexed thereto) and profit and loss account shall not less than

twenty-one days previous to any Annual General Meeting be delivered or sent by post to the registered address of every member of the ICAV and to the Auditors provided that this Clause shall not require a copy of these documents to be sent to more than one of the joint holders of any Shares. Copies of such Reports and accounts shall be made available by the ICAV upon request to any holder of a share warrant or a member of the public. Such documents shall include all information required to be specified therein by the Act and by paragraph 89 of the Regulations.

134. The ICAV shall prepare an un-audited half yearly report for the first six months of each financial year. Such report shall be in a form approved by the Central Bank and shall contain the information required under the Act and the UCITS Regulations.
135. Notwithstanding Clause 134 or any other requirement of this Instrument, separate accounts may be prepared and presented in respect of a Sub-Fund or Sub-Funds and all references to the ICAV be read as, where appropriate, referring to the Sub-Fund or Sub-Funds in respect of which the separate accounts are to be prepared.
136. Copies of the half yearly report shall be sent to the Shareholders not later than two months from the end of the period to which it relates.
137. The ICAV shall provide the Central Bank with all reports and information to which it is entitled under the Act and the UCITS Regulations.

CAPITALISATION OF PROFITS

138. The ICAV in General Meeting may upon the recommendation of the Directors resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the ICAV's reserve accounts (including capital reserve) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividends on any Shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Shares of the ICAV to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other, and the Directors shall give effect to such resolution.
139. Whenever such a resolution as aforesaid shall have been passed, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid Shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provision as they shall think fit for the case of Shares or debentures becoming distributable in fractions (and in particular, without prejudice to the generality of the foregoing, to sell the Shares or debentures represented by such fractions and distribute the net proceeds of such sale amongst the Members otherwise entitled to such fractions in due proportions) and also to authorise any person to enter on behalf of all the members concerned into an agreement with the ICAV providing for the allotment to them respectively credited as fully paid up of any further Shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing Shares and any agreement made under such authority shall be effective and binding on all such Members.

AUDIT

140. Auditors shall be appointed and their duties regulated in accordance with the Act and paragraph 134 of the Regulations.

 - (ii) the place, date and time of the meeting;
 - (iii) whether the meeting is to be an annual general meeting or an extraordinary general meeting; and
 - (iv) the address of any other website (if such is the case) where procedures as to voting are stated or facilitated.
150. The notice shall be published on that website, in the case of a notice of meeting, throughout the period beginning with the giving of that notification and ending with the conclusion of the meeting, and in any other case for a period of not less than one month from the giving of the notification.
151. This Clause shall be treated as being complied with, and, in the case of a meeting, nothing in Clauses 149 and 150 above shall invalidate the proceedings of a meeting where:

- (a) any notice that is required to be published as mentioned in Clause 150 is published for a part, but not all, of the period mentioned in that Clause; and
- (b) the failure to publish that notice throughout that period is attributable to circumstances which it would not be reasonable to have expected the ICAV to prevent or avoid, such as system, telecommunications or power outages.

WINDING UP

152.

- (1) If the ICAV shall be wound up, the liquidator shall apply the assets of the ICAV in such manner and order as he thinks fit in satisfaction of creditors' claims. The liquidator shall in relation to the assets available for distribution among the Members make in the books of the ICAV such transfers thereof to and from Sub-Funds as may be necessary in order that the effective burden of such creditors' claims may be shared between the holders of Shares of different Sub-Funds in such proportions as the liquidator in his absolute discretion may think equitable provided always that in doing so, the liquidator shall comply with, and be bound by, the segregated liability provision contained in the Act and Clause 20 hereof.
- (2) The assets available for distribution among the Members shall then be applied in the following priority:
 - (a) firstly, in the payment to the Shareholders of each Series or Sub-Fund of a sum in the Base Currency (or in any other currency selected and at such rate of exchange as determined by the liquidator) as nearly as possible equal to the Net Asset Value of the Shares of the relevant Series or Sub-Fund held by such Shareholders respectively as at the date of commencement of winding up;
 - (b) secondly, in the payment to the holders of non-participating Shares of One Euro each per share out of the assets of the ICAV not comprised within any Sub-Fund provided that if there are insufficient assets to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Sub-Funds;
 - (c) thirdly, in the payment to the Shareholders of each Series or Sub-Fund of any balance then remaining in the relevant Sub-Fund, in proportion to the number of Shares held in the relevant Series or Sub-Fund; and
 - (d) fourthly, any balance then remaining and not attributable to any Sub-Fund or Series shall be apportioned between the Sub-Funds and Series pro-rata to the Net Asset Value of each Sub-Fund or attributable to each Series immediately prior to any distribution to Shareholders and the amounts so apportioned shall be paid to Shareholders pro-rata to the number of Shares in that Sub-Fund or Series held by them.
- (3) If the ICAV shall be wound up (whether the liquidation is voluntary, under supervision or by the court), then the liquidator may, with the authority of a special resolution and any other sanction required by the Act, divide among the members *in specie* the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind and may for such purposes set such value as he deems fair upon any one or more Series or Series of property, and may determine how such division shall be carried out as between the holders of different Series of Shares. The value of such assets will be the same amount that would be received by a member for

settlement in cash. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no holder shall be compelled to accept any assets in respect of which there is liability. For the avoidance of doubt, if the special resolution above is passed, each member is entitled to elect on a winding-up whether or not he wishes to receive a *cie* or a cash distribution made in accordance with the provisions of Clause 152(2) above. All costs relating to the sale of assets, if requested by a holder, shall be charged to the redeeming holder. However, in the absence of a member electing to receive a distribution *in specie* on winding-up, such member shall receive a cash distribution payment in accordance with the provisions of Clause 152(2) above.

INDEMNITY

153.

- (1) Subject to the provisions of and to the maximum extent and insofar as may be permitted by the Act, every current or former Director, Secretary and other officer, employee or servant of the ICAV shall be indemnified by the ICAV against and held harmless from, and it shall be the duty of the Directors out of the funds of the ICAV to pay all costs, losses and expenses (including attorneys' fees) which any such Director, Secretary, officer, employee or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such Director, Secretary, officer, employee or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the ICAV and have priority as between the Members over all other claims.
- (2) The Depositary, the Manager and the Investment Manager shall be entitled to such indemnity from the ICAV under such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement, the Management Agreement or the Investment Manager Agreement, as the case may be.

RESERVES

154. The Directors may before declaring any dividends set aside out of the profits of the ICAV and carry to the credit of any reserve account such sums as they think proper, which shall, at the discretion of the Directors, be applicable for any purpose to which the profits or reserves may be properly applied and pending such application may at the like discretion either be employed in the business of the ICAV or be invested in such Investments as the Directors may from time to time think fit. The Directors may also carry forward to the accounts of the succeeding year or years any balance of profits which they shall think fit neither to divide nor to place to reserve.

DEALINGS BY THE INVESTMENT MANAGER ETC.

155. Any person being the Manager, the Investment Manager, the Administrator, the Registrar and Transfer Agent, the Depositary and any associate or affiliate of the Investment Manager, the Administrator, the Registrar and Transfer Agent or the Depositary may:
- (a) become the owner of Shares in the ICAV and hold, dispose or otherwise deal with Shares as if that person were not such a person; or

- (b) deal in property of any description on that person's individual account notwithstanding the fact that property of that description is included in the property of the ICAV; or
- (c) act as agent or principal in the sale or purchase of property to or from the Depositary for the account of the ICAV without that person's having to account to any other such person, to the Members or to any of them for any profits or benefits made by or derived from or in connection with any such transaction provided that such transactions are carried out as if effected on normal commercial terms negotiated at arms' length, are in the best interests of the Shareholders; and
- (d) a certified valuation of such transaction by a person approved by the Depositary (or the ICAV in the case of transactions involving the Depositary or its affiliates) as independent and competent has been obtained; or
- (e) such transaction has been executed on best terms on an organised investment exchange under its rules; or
- (f) where (d) and (e) are not practical, such transaction has been executed on terms which the Depositary (or the ICAV in the case of transactions involving the Depositary) is satisfied conform with the principle that such transactions be carried out as if effected on normal commercial terms negotiated at arms' length.

RESTRICTION ON MODIFICATIONS TO INSTRUMENT OF INCORPORATION

156. No modification shall be made to the Instrument of Incorporation of the ICAV which would result in the ICAV ceasing to be authorised under the Act. No alteration to the Instrument of Incorporation and no change in the name of the ICAV shall be made without obtaining the prior approval of the Central Bank. No alteration to the Instrument of Incorporation shall be made unless:

- (a) the alteration has been approved by ordinary resolution; or
- (b) the Depositary has certified in writing that the amendment does not:
 - (i) prejudice the interests of the Members; and
 - (ii) relate to any such matter as may be specified by the Central Bank as one in the case of which an alteration may be made only if approved by the Members.

In accordance with the Act, a change in the name of the ICAV does not constitute an alteration to the Instrument of Incorporation.

DESTRUCTION OF DOCUMENTS

157. The ICAV shall be entitled to destroy all instruments of transfer of Shares which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of cancellation thereof and it shall conclusively be presumed in favour of the ICAV that every entry in the Register purporting to

have been made on the basis of an instrument of transfer or other documents so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned in accordance with the recorded particulars thereof in the books or records of the ICAV. **PROVIDED ALWAYS** that:

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the ICAV any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the ICAV in the absence of this Clause.

References herein to the destruction of any document include references to the disposal thereof in any manner.

TOTAL REPURCHASE

158. The ICAV may, by not less than four weeks' notice to all Members, repurchase at the Net Asset Value per Share on such Dealing Day, all (but not some) of the Shares in issue for any series of Share or all series of Shares on such date in the following instances:-

- (a) if the ICAV or any Sub-Fund is no longer authorised or approved by the Central Bank;
- (b) if any law is passed which renders it illegal, or in the reasonable opinion of the Directors it is impracticable or inadvisable, to continue the ICAV or any Sub-Fund;
- (c) if a management agreement in respect of a Sub-Fund is terminated and the Directors determine that a replacement Manager will not be appointed to the ICAV or any Sub-Fund; or
- (d) if within a period of 120 days from the date on which the Depositary notifies the ICAV of its desire to retire in accordance with the terms of the Depositary Agreement, or from the date on which the appointment of the Depositary is terminated by the ICAV in accordance with the terms of the Depositary Agreement, or from the date on which the Depositary ceases to be qualified under Clause 7 hereof, no new Depositary shall have been appointed;

provided that such repurchase does not result in the issued share capital being reduced to below the minimum amount permitted under the Act.

159. The Directors shall have the power upon 30 days' notice to Shareholders of a Sub-Fund to terminate that Sub-Fund on any Dealing Day (i) if the Net Asset Value of the Sub-Fund falls to a level that, in the absolute discretion of the Directors, makes the Sub-Fund cease to be economically viable or (ii) for any other reason that the Directors determine, in their absolute discretion, is in the best interests of the Shareholders of a particular Sub-Fund as a whole. The Directors are also entitled to terminate any Sub-Fund with the sanction of a Special Resolution of the holders of the Shares relating to that Sub-Fund. The anticipated minimum viable size of a Sub-Fund will be set out in the Prospectus or the applicable Supplement and the Directors may alter this amount in their absolute discretion. Where the Directors determine to terminate

a Sub-Fund pursuant to (i) or (ii) above, the Directors may elect to wind-up the Sub-Fund in accordance with Section 37(3) of the Act and the termination provisions of this Instrument of Incorporation or may compulsorily redeem all (but not some) of the Shares of that Sub-Fund at the relevant Redemption Price on such Dealing Day as the Directors may specify and notify to the Shareholders.

160. In the event of any redemption as set out in Clause 159 taking place, the provisions of Clause 17(1)(b) and Clause 16(4) shall apply as if such redemption had been made at the request of the holders of the Shares in question.
161. With the sanction of a special resolution of the Shareholders of any Sub-Fund the Directors may terminate such Sub-Fund and may elect to wind-up the Sub-Fund in accordance with Section 37(3) of the Act and the termination provisions of this Instrument of Incorporation or may compulsorily redeem all (but not some) of the Shares of that Sub-Fund at the relevant Redemption Price, on the next Dealing Date following the passing of such special resolution or on such Dealing Day as the Directors may specify and notify to the Shareholders.
162. If all the Shares of any Sub-Fund are to be redeemed or repurchased pursuant to Clauses 158, 159, or 161, the Directors may, with the sanction of a special resolution of the holders of Shares of that Sub-Fund, divide amongst the said holders in specie all or any part of the Assets of the relevant Sub-Fund. For the avoidance of doubt, if the special resolution above is passed, each said holder is entitled to elect whether or not he wishes to receive a redemption in specie or a cash distribution. In the absence of a holder of Shares electing to receive a redemption in specie, such holder shall receive a cash distribution payment.
163. If any Shares of any Sub-Fund are to be redeemed or repurchased as aforesaid and the whole or any part of the business or property of the ICAV attributable to the relevant Sub-Fund or any of the Assets of that Sub-Fund are proposed to be transferred or sold to another company or another Sub-Fund (hereinafter called the “Transferee”) the Directors may, with the sanction of a special resolution of the holders of Shares of that Sub-Fund conferring either a general authority on the Directors or an authority in respect of any particular arrangement receive in compensation or part compensation for the transfer or sale of shares, units, policies or other like interest or property in or of the Transferee for distribution among the said holders, or may enter into any other arrangement whereby the said holders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee. For the purpose of the foregoing “company” shall include a unit trust scheme or any collective investment scheme.

EQUALISATION ACCOUNT

164. In accordance with the provisions of this Instrument of Incorporation, which provide for the operation of income equalisation, the Directors may from time to time at their discretion operate an equalisation account for each Sub-Fund, so as to ensure that Members participate in the income on shares on an equitable basis including (without prejudice to the generality of the foregoing) providing for the payment out of such account capital sums to equalise the amount available for allocation attributable to such Member upon such basis as the Directors in their discretion determine. The Directors may also operate such equalisation account or equalisation processes as required to reflect equalisation performance fee credits, formulae or adjustments.

UMBRELLA CASH ACCOUNTS

165. The ICAV and/or the Manager may open cash accounts at the level of the ICAV for holding subscription, repurchase and dividend monies (“**Umbrella Cash Accounts**”). Any such

Umbrella Cash Accounts shall be operated in accordance with the requirements of the Central Bank.

OVERRIDING PROVISIONS

166. In the event of there being any conflict between the provisions of this Instrument of Incorporation and the Act, the Act shall prevail.
