Under the terms of any such arrangements in relation to the assets of the ICAV being used as collateral and under applicable law, a secured party may be permitted to pledge, lend, rehypothecate or otherwise utilise for its own purposes such assets in connection with securities lending or other transactions entered into by the secured party. 9 Funds, Classes and Series of Shares

- 9.2 With the prior approval of the Central Bank, the Directors from time to time may establish a Fund, which may be open-ended, closed-ended or have limited liquidity, by the issue of one or more separate classes of Shares on such terms as the Directors may resolve. The creation of such additional Funds and one or more separate classes of Shares shall be in accordance with this Instrument, the Prospectus and the requirements of the Central Bank.
- 9.3 The investment objectives of (and any specific restrictions applicable to) each Fund are set out in the Prospectus. Subject to any specific provisions set out in respect of a particular Fund in the Prospectus, the investment and borrowing powers of each Fund are all those contained in the AIFM Regulations and permitted under the Act.
- 9.4 A Fund may be wound-up by the Directors in their absolute discretion, as if it were a separate ICAV, if the Directors resolve that it is desirable to terminate the Fund and provided the termination is in accordance with the provisions of Section 38, the Act and the AIFM Rules.
- 9.5 The Directors may from time to time re-designate any existing class or series of Shares in the ICAV and merge such class or series of Shares with any other class or series of Shares in the ICAV, provided that Shareholders in such class, classes, or series are first notified by the ICAV and given the opportunity to have the Shares repurchased. With the prior consent of the Directors, Shareholders may convert Shares in one class or series of Shares into Shares of another class or series in the ICAV in accordance with the provisions of Section 12.10 hereof.
- 9.6 For the purpose of enabling Shares of one class or series to be re-designated or converted into Shares of another class or series, the ICAV may take such action as may be necessary to vary or abrogate the rights attached to Shares of one class or series to be converted so that such rights are replaced by the rights attached to the other class or series into which the Shares of the original class or series are to be converted.
- 9.7 Any resolution to alter the class rights of the Shares requires the approval of a Special Resolution of the holders of such Shares represented or present and voting at a general meeting duly convened in accordance with this Instrument. The quorum for any general meeting convened to consider any alteration to the class rights of the Shares shall be two Shareholders holding Shares of the relevant Class.
- 9.8 Any outstanding classes or series of Shares of a Fund may, in the discretion of the Directors, be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another class or series of the same Fund at the prevailing Net Asset Value per Share of such other class or series.
- 9.9 Financial instruments and assets may be used or held on behalf of a specific Class or Classes in accordance with the Prospectus and the requirements of the Central Bank. rate hedging transactions are entered into in respect of a specific Class or Classes; or (iii) financial instruments are utilised or assets are held on behalf of a specific Class or Classes in accordance with the requirements of the Central Bank, in each case such transactions will be clearly attributable to a specific Class and any costs and any resultant gains/losses of the relevant hedging transactions and/or financial instruments and/or assets will accrue solely to the relevant Class. The Directors may also create a class of shares in a Fund which will not participate in certain Investments and the costs and any resultant gains/losses of the relevant Investments will be allocated to the relevant classes of shares only. The creation of new share classes must be notified to the Central Bank in advance.

9.10 All consideration received by the ICAV for the allotment or issue of Shares of each issue, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate in the accounts of the Depository from all other moneys of the ICAV and such assets and moneys shall be referred to as a "Fund", there being one such Fund in respect of each issue to which the following provisions shall apply:

9.10.1 The ICAV shall keep separate books of account for each issue. The proceeds from the issue of Shares of each issue shall be applied to the Fund established for that issue and the assets and liabilities and income and expenditure attributable thereto shall be applied to such Fund subject to the provisions of this section;

9.10.2 Any asset derived from another asset comprised in a Fund shall be applied to the same Fund as the asset from which it was derived and any increase or diminution in the value of such an asset shall be applied to the relevant Fund;

9.10.3 In the case of any asset which the Directors do not consider as readily attributable to a particular Fund or Funds, the Directors shall have discretion to determine the basis upon which any such asset shall be allocated between Funds and the Directors shall have the power at any time and from time to time to vary such basis;

9.10.4 Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the ICAV in respect of or attributable to that Fund and any such liabilities, expenses, costs, charges or reserves of the ICAV not readily attributable to any particular Fund or Funds shall be allocated and charged by the Directors in such manner and on such basis as the Directors in their discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time vary such basis;

9.10.5 If, as a result of a creditor proceeding against certain of the assets of the ICAV or otherwise, a liability, expense, cost, charge or reserve would be borne in a different manner from that in which it has been borne under paragraph 9.10.4 above, or in any similar circumstances, the Directors may, with the consent of the Depository, transfer in the books and records of the ICAV any assets to and from any of the Funds; and

9.10.6 Subject as otherwise provided in this Instrument, the assets held in each Fund shall be applied solely in respect of the Shares of the issue to which such Fund appertains and shall belong exclusively to the relevant issue and shall not be

used to discharge directly or indirectly the liabilities of or claims against any other Fund and shall not be available for any such purpose.

Capital Commitments may also be considered during a Fund's Initial Offer Period or at such later time as the Directors may decide in their discretion. Upon the failure of a Shareholder to satisfy a Capital Commitment in accordance with the Subscription Agreement, the Directors may, in their sole discretion, redeem any Shares held by the Shareholder in the ICAV and apply the redemption proceeds in satisfaction of the Shareholder's liabilities to the ICAV, the AIFM, the Investment Manager or any of their respective affiliates.
- 12.3 The ICAV shall be entitled to receive securities or other Investments from an applicant for Shares in any series or class and to sell, dispose of or otherwise convert such securities or Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purchase of Shares in the ICAV in accordance with the provisions hereof.
- 12.4 No issue shall be made in respect of an application which would result in the applicant investing less than the Minimum Subscription or in the Shares being held by a person who is not a Qualifying Investor or a Knowledgeable Investor (save in both cases in respect of the holder(s) of the Subscriber Shares).
- 12.5 All information required under the AIFM Rules as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.

- 12.8 The Directors may delegate to the Administrator or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new Shares.

14.5 Notwithstanding any other provision of this Instrument, in calculating the price per Share for any series or class of Shares on any Dealing Day the Directors, or their delegate, may apply an anti-dilution levy to cover an estimate of Duties and Charges and to preserve the value of the underlying assets of the relevant Fund.

 - 14.6.2 the Directors shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to the Shareholders;
 - 14.6.3 the number of Shares to be issued shall be not more than the number which would have been issued for settlement in cash as hereinbefore provided on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the ICAV as determined by the Directors on the relevant Dealing Day;
 - 14.6.4 no Shares shall be issued until the Investments shall have been vested in, or arrangements have been made to vest the Investments in, the Depositary or its sub-custodian, nominee or agent and the Depositary is satisfied that there is unlikely to be any material prejudice to the Shareholders of the relevant Fund; and

15 **Qualified Holders**

- 15.1 The ICAV may from time to time impose such restrictions as it think necessary for the purposes of ensuring that no Shares of the ICAV are acquired or held by any person in circumstances:
- 15.1.1 which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or
 - 15.1.2 which would (or would if other Shares were acquired or held in like circumstances) result in the ICAV incurring any liability to taxation or suffering

any other adverse consequence (including a requirement to register under any securities or investment or similar laws or governmental regulation of any country or territory); or

- 15.1.3 which constitutes a breach of this Instrument or the Prospectus as to eligibility or entitlement to hold such Shares and, in this connection, the ICAV may, inter alia, reject at its discretion any subscription for, sale or transfer of, Shares or any conversion.
- 15.2 Details of the specific restrictions imposed by the ICAV, the provisions applicable to a Shareholder who acquires or comes to hold or own Shares in one of the relevant circumstances listed in Section 15.1 above (or where the ICAV has reason to believe this to be the case), the Shareholder's obligations and the ICAV's rights and powers in this regard are set out in Schedule 1 to this Instrument.

16 Transfer and Transmission of Shares

- 16.1 All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee. All transfers of Shares shall be subject to the provisions of this Instrument and such requirements as may be disclosed in the Prospectus.
- 16.2 The instrument of transfer shall be signed by or on behalf of the transferor and need not be signed by the transferee, and shall meet such requirements as may be specified in the Prospectus or as may otherwise be required by the Directors to prove the right of the transferor to transfer the Shares. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- 16.3 A transfer of Shares may not be registered if such transfer would result in the transferor or the transferee holding a number of Shares less than the Minimum Subscription. Only transferees who certify that they are Qualifying Investors or Knowledgeable Investors and that they are aware of the risk involved in the proposed investment and that inherent in such investment is the potential to lose all of the sum invested, shall be entered on the Register as a Shareholder and shall be permitted to invest in the ICAV. The Directors shall not register a transfer of Shares unless the transferee is a Qualifying Investor or Knowledgeable Investor and has provided such evidence of identity and/or status as the ICAV or its delegates may require.
- 16.4 The Directors may decline to register any transfer of Shares unless the instrument of transfer is deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer where the transfer would result in a contravention of any provision of this Instrument or would produce a result inconsistent with any provision of the Prospectus or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the ICAV or for any reason at the absolute discretion of the Directors.
- 16.5 If the Directors decline to register a transfer of any Share they shall, within two months after the date on which the instrument of transfer was lodged with the ICAV, give to the transferee written notice of the refusal. For the avoidance of doubt, the Directors are not required to register a transfer or give notice to any person of a refusal to register a transfer where

registering the transfer or giving the notice would result in a contravention of any provision of any law (including any law that is for the time being in force in a country or territory other than the State).

- 16.6 The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** (but subject to Section 19.2 below) that such registration of transfers shall not be suspended for more than thirty days in any year.
- 16.7 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 16.8 In the case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the Shares, but nothing in this Section shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 16.9 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder before the death, insolvency or bankruptcy or by the Shareholder under legal disability before such disability.
- 16.10 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety (90) days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

17 **Repurchase of Shares**

- 17.1 The ICAV may repurchase its own outstanding fully paid Shares at any time in accordance with the conditions imposed by the Central Bank and the rules and procedures set out herein and in the Prospectus. A Shareholder may at any time irrevocably request the ICAV to repurchase all or any part of his Shares in the ICAV by forwarding a request for repurchase of Shares to the ICAV and, save as otherwise provided in the Prospectus, a repurchase request shall be effective on the Dealing Day following receipt of the repurchase request. Notwithstanding, the ICAV may create limited liquidity Funds where Shareholders have limited rights to request the repurchase of their shares as provided for in the Prospectus, and

may create closed-ended Funds where Shareholders have no right to request the repurchase of their shares, subject to any conditions set down by the Central Bank.

- 17.2 A request for repurchase of Shares shall be in such form as the ICAV shall prescribe, shall be irrevocable (without the consent of the ICAV) and shall be filed by a Shareholder in written form (or in such form as may be disclosed in the Prospectus) at the registered office of the ICAV, or at the office of the person or entity from time to time designated by the ICAV as its agent for the repurchase of Shares, and, at the request of the ICAV shall be accompanied by proper evidence of succession or assignment satisfactory to the ICAV, if applicable.
- 17.3 On receipt of a request for repurchase of Shares duly completed the ICAV shall repurchase the Shares as requested on the Dealing Day on which the repurchase request is effective subject to any suspension of this repurchase obligation pursuant to Section 19.2 hereof. Shares in the capital of the ICAV which are repurchased by the ICAV shall be cancelled. For the avoidance of doubt, Shares held by one Fund in another Fund shall not be cancelled.
- 17.4 The repurchase price per Share in any class or series of Shares shall be the Net Asset Value per Share in that class or series applicable in the case of a repurchase of such Share obtaining on the Dealing Day on which the repurchase request is effective, less such commission and Duties and Charges as may be set out in the Prospectus and such commission, in the case of open-ended Funds, shall not exceed 5% of the Net Asset Value of the Shares subject to repurchase. Where a closed-ended or limited-liquidity Fund proposes to amend the maximum redemption fee or maximum annual fee charged by the Manager or Investment Manager disclosed in the Prospectus and paid directly out of the assets of such Fund, the approval of such increase by Special Resolution of the Shareholders of such Fund will be required where there is no realistic opportunity to redeem a shareholding, and in all other circumstances, the approval of such increase by an Ordinary Resolution will be required to amend the maximum redemption fee or annual fee charged by the Manager or Investment Manager and paid directly out of the assets of such Fund.
- 17.5 Notwithstanding any other provision of this Instrument, in calculating the repurchase price per Share for any series or class of Shares on any Dealing Day the Directors, or their delegate, may deduct an anti-dilution levy to cover an estimate of Duties and Charges and to preserve the value of the underlying assets of the relevant Fund.
- 17.6 Payment to a Shareholder under this Section will ordinarily be made in the relevant Class Currency, or at the discretion of the Directors in any other freely convertible currency at the rate of exchange for conversion on the date of payment and payment shall be made in accordance with the time limits set out in the Prospectus, following acceptance of the repurchase request as provided for in Section 17.1 above, except in the case of a limited liquidity fund, where payment shall be made in accordance with the time limits set out in the Prospectus.
- 17.7 On repurchase of part only of the Shares held by any Shareholder, the Directors shall procure that evidence of ownership shall be issued free of charge for the balance of such Shares if so requested by a Shareholder.
- 17.8 In the event that a repurchase of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Subscription the Directors may, if they think fit, repurchase the whole of that Shareholder's holding.

- 17.9 If the ICAV receives requests for the repurchase of Shares in respect of 10 per cent (or 25 per cent in the case of a Fund with quarterly or less frequent redemption facilities or such other amount in respect of a limited liquidity or closed-ended Fund as the Directors may determine) or more of the outstanding Shares (by number or value) of any Fund on any Dealing Day, the Directors may elect to restrict the total number of Shares of that Fund to be repurchased to 10 per cent (or such other amount, as appropriate) of the outstanding Shares (by number or value) in that Fund, in which case all the relevant requests will be scaled down pro rata to the number of Shares requested to be repurchased. The balance of such Shares will be repurchased on the next Dealing Day, subject to the provisions of this section 17.9, and such provisions as may be disclosed in the Prospectus.
- 17.10 A distribution in respect of a redemption may also be made in kind, at the discretion of the Directors or the Investment Manager, after consultation with the AIFM, provided that where the redemption request represents less than 5 per cent of the Net Asset Value of a Fund, the redemption in kind will only be made with the consent of the redeeming Shareholder. The assets to be transferred shall be selected at the discretion of the Directors and / or the Investment Manager with the approval of the Depositary and taken at their value used in determining the redemption price of the Shares being so repurchased. As a result, such distributions will only be made if the Depositary is satisfied that the terms of the distribution will not be such as are likely to result in any material prejudice to the Shareholders in the ICAV. Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities. If a Shareholder so requests, the AIFM shall sell the assets to be distributed to that Shareholder and distribute the net cash proceeds to the Shareholder.
- 17.11 Redemptions in specie will only be accepted by the ICAV where the Depositary is satisfied that the terms of the exchange will not be such as are likely to result in any material prejudice to Shareholders in the relevant Fund.
- 17.12 At any time after the issue of Shares, the ICAV shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of Shares in accordance with Section 15 hereof.
- 17.13 In the event that the ICAV is required to account for, deduct or withhold tax on a disposal of Shares by a Shareholder (whether upon a repurchase of Shares, a transfer of Shares or otherwise) or upon payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors shall be entitled to require the compulsory repurchase and cancellation of all or part of the Shares of such Shareholder for the purposes of obtaining sufficient monies to discharge any such tax liability. The Directors shall instruct the Depositary to place the repurchase proceeds received in respect of such a repurchase of Shares in a separate account so that such monies are separately identifiable for the purposes of discharging any applicable tax liability as aforesaid.
- 17.14 The ICAV may also compulsorily redeem Shares in order to discharge performance related fees which are due and payable to the AIFM and/or the Investment Manager, in such circumstances as are set out in the Prospectus from time to time.
- 17.15 Where the ICAV receives a request for the repurchase of Shares from any Shareholder in respect of which the ICAV is required to account for, deduct or withhold taxation, the ICAV shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the

ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of taxation due.

- 17.16 Where a closed-ended or limited-liquidity Fund proposes to amend the maximum redemption fee or maximum annual fee charged by the AIFM or the Investment Manager disclosed in the Prospectus and paid directly out of the assets of such Fund, the approval of such increase shall be by 75% of votes cast in favour of the increase where there is no realistic opportunity to redeem a shareholding, and in all other circumstances, by 50% of the votes cast.
- 17.17 In connection with any closed-ended Fund established by the ICAV, at the end of such closed-ended period as may be disclosed in the Prospectus, relevant Shareholders in such Fund may be given the opportunity to vote on a Special Resolution to extend such closed-ended period in accordance with the requirements of the Central Bank. In the event that no such Special Resolution is passed at the end of the closed-ended period, or any extended closed-ended period, if applicable, then the ICAV may undertake one of the following actions:
- (a) redeem all outstanding Shares of such Fund and thereafter will apply to the Central Bank for revocation of the Fund's approval;
 - (b) convert to an open-ended Fund the relevant details of which will be disclosed in the Prospectus; or
 - (c) obtain Shareholder approval to extend the closed-ended period for a further finite period.

18 **Total Repurchase**

- 18.1 The ICAV may redeem all of its Shares or the Shares of any Fund, class or series in issue if:
- 18.1.1 the redemption of the Shares in a class, series or Fund is approved by a resolution in writing signed by all of the holders of the Shares in that class or Fund, as appropriate, or is approved by a Special Resolution of all of the holders of the Shares in that class or Fund, as appropriate;
 - 18.1.2 the Net Asset Value of the Fund, or of a class or series of Shares in a Fund, does not exceed or falls below such amount as may be determined from time to time by the Investment Manager;
 - 18.1.3 if the ICAV ceases to be authorised by the Central Bank;
 - 18.1.4 any law is passed which renders it illegal or, in the opinion of the Directors, impractical or inadvisable to continue the ICAV or a Fund;
 - 18.1.5 where the Depositary has served notice of its intention to retire and an alternative depositary has not been appointed within 90 days from the date of such notice; or
 - 18.1.6 in such other circumstances as may be set out in the Prospectus from time to time.

18.2 Where a repurchase of Shares pursuant to Section 17 or 18 would result in the number of Shareholders falling below two or such other minimum number of Shareholders as the Act may stipulate as the legal minimum number of Shareholders in an ICAV or would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged to maintain as the Act may stipulate, the ICAV may defer the repurchase of such Shares the repurchase of which would result in such number or amount not being satisfied until the ICAV is wound up or until the ICAV procures the issue of sufficient Shares to ensure that the aforesaid number and amount are satisfied. The ICAV shall be entitled to select the Shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

18.3 Notwithstanding section 18.1 above, a Fund may be terminated by the Directors of the ICAV in such manner and on such terms as are set out in the relevant Supplement for the Fund.

19 **Determination of Net Asset Value and Temporary Suspension of Dealings**

19.1 The ICAV shall determine the Net Asset Value of the ICAV, and each Fund as at each Valuation Point. The Net Asset Value shall be expressed in the Base Currency as a per Share figure for the issue of Shares and for the repurchase of Shares, respectively as appropriate, and shall be determined in accordance with Section 20 and Schedule 2 hereof.

19.2 The Net Asset Value per Share of the ICAV shall be calculated by dividing the assets of the ICAV less its liabilities by the number of Shares in issue and shall be determined in accordance with Section 20 and Schedule 2 hereof.

19.3 The ICAV may, in each case in the sole discretion of the Directors or the AIFM on behalf of the ICAV, authorize the correction of any errors in the calculation of the Net Asset Value of a Fund or the processing of subscriptions and redemptions. Such correction may involve an adjustment to the number of Shares held by a given Shareholder(s) or the Net Asset Value at which such Shares were issued or to the redemption monies paid to such Shareholder.

19.4 The Directors may at any time with the approval of the Depositary temporarily suspend the determination of the Net Asset Value of any Fund and the issue, valuation, sale, purchase, redemption, exchange or conversion of Shares during:

(a) any period when any Recognised Market on which a substantial portion of the Investments for the time being comprised in a Fund are quoted, listed or dealt in is closed otherwise than for ordinary holidays, or during which dealings in any such Recognised Market are restricted or suspended;

(b) any period when the net asset value of any underlying fund, the shares or units of which constitute a significant part of the assets of the Fund, cannot be determined accurately so as to reflect their fair market value as at the relevant Valuation Point;

(c) any period where, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the Directors, including the unavailability of relevant prices, the disposal or valuation of any Investments for the time being comprised in a Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Shareholders;

(d) any breakdown in the means of communication normally employed in determining the value of any Investments for the time being comprised in a Fund or during any period when for any

other reason the value of Investments for the time being comprised in the ICAV cannot, in the opinion of the Directors, be promptly or accurately ascertained;

- (e) any period when a Fund is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of any Investments for the time being comprised in a Fund, or the transfer or payment of funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- (f) any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on a Fund or the remaining Shareholders in the relevant Fund;
- (g) any period (other than ordinary holiday or customary weekend closings) when any market or exchange which is the main market or exchange for a significant part of the instruments or positions in closed, or which trading thereon is restricted or suspended;
- (h) any period when proceeds of any sale or repurchase of the Shares cannot be transmitted to or from the account of the relevant Fund;
- (i) any period in which the redemption of the Shares would, in the opinion of the Directors, result in a violation of applicable laws;
- (j) any period in which notice has been given to Shareholders of a resolution to wind up the ICAV;
- (k) any period during which dealings in a collective investment scheme in which the Fund has invested a significant portion of its assets are suspended; or
- (l) any period when the Directors determine that it is in the best interests of the Shareholders to do so.

19.5 The ICAV may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of Shares shall be effected on the substitute Dealing Day.

19.6 Any such suspension shall be published by the ICAV in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the ICAV, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and in any event within the same Business Day. Shareholders who have requested issue or redemption of Shares of any Class will have their subscription or redemption request dealt with on the first Dealing Day after the suspension has been lifted unless applications or redemption requests have been withdrawn prior to the lifting of the suspension.

20 **Valuation of Assets**

20.1 The Net Asset Value of the ICAV and the ICAV's assets shall be determined in accordance with requirements of the Central Bank, and subject thereto, in accordance with Schedule 2 to this Instrument. The Net Asset Value per Share will be made available to Shareholders in the manner described in the Prospectus.

21 **Side Pockets**

- 21.1 From time to time, a portion of the ICAV's assets may consist of one or more illiquid investments (including investments that are illiquid at the time of purchase) that the Directors determine, in their sole discretion, to be subject to practical, regulatory, contractual or legal restrictions on disposition (each such investment or portfolio of investments is referred to herein as a "**Side Pocket Investment**").
- 21.2 Each Shareholder who is a Shareholder at the time a Side Pocket Investment is acquired, or at the time an existing investment or portfolio of investments is determined to be a Side Pocket Investment, may be issued shares in such class (each a "**Side Pocket Class**") with regard to such Side Pocket Investment as the Directors may determine ("**Class S Shares**"). While the Directors shall approve the establishment of any Side Pocket Class, the operational mechanics associated with the establishment, operation or redemption of a Side Pocket Class may be determined by the Investment Manager.
- 21.3 Upon identifying an investment or portfolio of investments as a Side Pocket Investment, a pro-rata portion of each existing Shareholder's shares (and, if such Shareholder holds more than one class of shares, pro-rata according to such Shareholder's holdings of such shares) will be converted to Class S Shares of a new Side Pocket Class by way of redemption and re-issue, without any obligation on the Shareholders or the ICAV to take any other action and without the requirement for any notice to be served on such Shareholder.
- 21.4 Shares which are redeemed and re-issued as Class S Shares may include shares in respect of which a suspension or a partial suspension of redemptions is in effect on the date on which such redemption and re-issue occurs and the entire holding of any relevant Shareholders on the Dealing Day prior to the implementation of the suspension or partial suspension of redemptions may be taken into account in calculating the pro rata portion of shares held by such Shareholder which are to be redeemed and re-issued as Class S Shares.
- 21.5 Class S Shares of a new Side Pocket Class will be issued to a Shareholder in a Base Currency amount equal to (i) the aggregate value of such Shareholder's shares divided by the aggregate value of all of the issued and outstanding shares (excluding for this purpose, any Class S Shares then outstanding and in the event that a suspension or a partial suspension of redemption is in effect on the date of such issue, calculated based on the shares in issue on the last Dealing Day on which no suspension or partial suspension of redemptions was in effect) multiplied by (ii) the book value of the Side Pocket Investment attributable to the relevant Class S Shares.
- 21.6 Members who purchase shares after a Fund acquires a Side Pocket Investment are not entitled to receive any Class S Shares with respect to such Side Pocket Investment or to participate in the gain, loss or income relating to such Class S Shares. For the purpose of determining the number of Class S Shares in a Side Pocket Class to be issued to each member, the initial Net Asset Value per Class S Share of such Side Pocket Class shall be such amount as the Directors may determine. Class S Shares may also be designated in the Class Currency of any shares which were redeemed in conjunction with the issue of such Class S Shares.

22 **General Meetings**

- 22.1 All general meetings of the ICAV shall be held in Ireland.

- 22.2 Subject to Section 22.3, the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next **PROVIDED THAT** so long as the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation it need not hold it in the year of its incorporation or in the following year.
- 22.3 The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' written notice to all Shareholders. Any such election has effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Section 22.3 has effect for a year, one or more Shareholders of the ICAV holding, or together holding, not less than 10% of the voting rights in the ICAV or the Auditors of the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
- 22.4 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- 22.5 The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Act.

23 **Notice of General Meetings**

- 23.1 At least twenty-one Clear Days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV, provided however that an extraordinary general meeting at which no special business is to be considered may be convened on not less than fourteen Clear Days' notice.
- 23.2 The Directors, the AIFM, the Investment Manager, the Depositary, the Administrator and the Auditors shall each be entitled to receive notice of, and attend and speak at, any general meeting of the ICAV.
- 23.3 In each notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.
- 23.4 The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

24 **Proceedings at General Meetings**

- 24.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election

of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

- 24.2 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders holding voting Shares present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 25.12 to be present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 24.3 If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- 24.4 The chairman or, if absent, the deputy chairman of the ICAV, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Shareholders present shall choose some Shareholder present to be chairman.
- 24.5 The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, a minimum of ten days' notice of such adjournment, specifying the place, the day and the hour of the adjourned meeting, shall be given but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- 24.6 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands of those Shareholders holding voting Shares, unless a resolution is not passed unanimously on such show of hands, in which case such resolution shall be decided on a poll. Unless a poll is so taken, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 24.7 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 24.8 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

- 24.9 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 24.10 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 24.11 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 24.12 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 24.13 If at any time the share capital is divided into different classes of Shares, the rights attached to any class (unless otherwise provided by the terms of issue of the Shares of that class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that class, or with the sanction of an Special Resolution passed at a separate general meeting of the holders of the Shares of that class, to which the provisions of this Instrument relating to general meetings shall mutatis mutandis apply, save that the quorum at any such general meeting shall be two or more Shareholders present in person or by proxy together holding at least one-third of the Shares of the relevant class.

25 **Votes of Shareholders**

- 25.1 Subject to any special rights or restrictions for the time being attached to any class of Shares in accordance with the requirements of the Central Bank, each Shareholder shall be entitled to such number of votes as shall be produced by dividing the aggregate net asset value of that Shareholder's shareholding (expressed or converted in Base Currency, calculated as of the relevant record date and excluding, where appropriate, the impact of any Class Currency hedging) by one. Where a separate written resolution or general meeting of a particular class of Shares is held, in such circumstances, the Shareholder's votes shall be calculated by reference only to the net asset value of each Shareholder's shareholding in that particular class, as appropriate. The Subscriber Shareholders shall have one (1) vote for each Subscriber Share held. The "relevant record date" for these purposes shall be a date being not more than thirty (30) days prior to the date of the relevant general meeting or written resolution as determined by the Directors. In relation to a resolution which in the opinion of the Directors affects more than one (1) class of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such class of Shares, such resolution shall have been passed at a separate meeting of the Shareholders of each such classes. The Directors may in their discretion create classes which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the ICAV.
- 25.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.

- 25.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 25.4 On a poll, votes may be given either personally or by proxy.
- 25.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- 25.6 The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing, or if the appointer is a corporation, under the hand of an officer or attorney so authorised. An instrument of proxy shall be in any usual form or in such form as the Directors may approve **PROVIDED ALWAYS** that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 25.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 25.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the ICAV or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid.
- 25.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 25.10 The Directors may at the expense of the ICAV send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 25.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no notice in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the registered office of the ICAV, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 25.12 Any body corporate which is a Shareholder may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting

of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.

25.13 A resolution in writing signed by all of the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the ICAV.

25.14 The provisions of Sections 21, 23, 24 and 25 shall apply *mutatis mutandis* to meetings of each class of Shareholders.

26 **Directors**

26.1 Unless otherwise determined by the ICAV by Ordinary Resolution, the number of the Directors shall not be less than two or more than twelve.

26.2 A Director need not be a Shareholder.

26.3 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.

26.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The aggregate remuneration of the Directors shall not exceed €150,000 per annum (or such other sum as the Directors may from time to time determine and disclose to the Shareholders). Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the ICAV.

26.5 The Directors may in addition to such remuneration as is referred to in Section 26.4 hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.

26.6 The office of a Director shall be vacated by a Director in any of the following events, namely:

26.6.1 if he resigns his office by notice in writing signed by him and left at the registered office of the ICAV;

26.6.2 if he becomes bankrupt or makes any arrangement or composition with his creditors generally;

26.6.3 if he becomes of unsound mind;

- 26.6.4 if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;
- 26.6.5 if he is requested by a majority of the other Directors (not being less than two in number) to vacate office;
- 26.6.6 if he is removed from office by an Ordinary Resolution, in accordance with section 62 of the Act.
- 26.7 In the event that the office of a Director shall be vacated by a Director who is an employee of the Investment Manager or an affiliate of the Investment Manager pursuant to Section 26.6, the remaining Directors shall seek to appoint an employee of the Investment Manager or an affiliate of the Investment Manager as the replacement Director.
- 26.8 At a general meeting, a motion for the appointment of two or more persons as Directors of the ICAV by a single resolution shall not be made, unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.
- 26.9 Subject to the requirements of the Central Bank, any Director may at any time by instrument in writing under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.
- 26.10 The appointment of an alternate Director shall determine if his appointer ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
- 26.11 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointer as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointer) were a Director. If he himself shall be a director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointer is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointer. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointer is a Shareholder. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director.
- 26.12 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointer as such appointer may by notice in writing to the ICAV from time to time direct.

27 **Directors, Offices and Interests**

- 27.1 The Directors may appoint one or more of their body to the office of managing Director or joint managing Director or to any other executive office under the ICAV (including, where considered appropriate, the office of chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.
- 27.2 A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his ordinary remuneration, as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- 27.3 The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- 27.4 The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- 27.5 A Director may hold any other office or place of profit under the ICAV (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may arrange.
- 27.6 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his, a Director notwithstanding his office:
- 27.6.1 may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and
- 27.6.2 shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- 27.7 No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or

arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.

- 27.8 A Director (including a shadow director) or secretary of the ICAV must notify the ICAV in writing of interest in which they, their spouses or minor children have in the Shares or debentures of the ICAV or any Subsidiary Companies, and must also notify the ICAV in writing of any disposals of such interests.
- 27.9 A copy of every declaration made and notice given in relation to a Director's Shares shall be entered within three days after the date of making or giving thereof in a book kept for this purpose. Such book shall be open for inspection during normal business hours without charge by any Director, Secretary, Auditor or Shareholder at the registered office of the ICAV and shall be produced at every general meeting of the ICAV and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting by any Shareholder or holder of debentures of the ICAV.
- 27.10 For the purposes of this section:
- 27.10.1 a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;
- 27.10.2 an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his;
- 27.10.3 an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointer shall be treated as an interest of the alternate Director.
- 27.11 Save as otherwise provided by this Instrument, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the ICAV. Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.
- 27.12 A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely:
- 27.12.1 the giving of any security, guarantee or indemnity to him in respect of money lent by him to the ICAV or any of its Subsidiary Companies or obligations incurred by him at the request of or for the benefit of the ICAV or any of its Subsidiary Companies;
- 27.12.2 the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the ICAV or any of its Subsidiary Companies for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;

- 27.12.3 any proposal concerning any offer of shares or other securities of or by the ICAV or any of its Subsidiary Companies for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof; or
- 27.12.4 any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or shareholder or otherwise howsoever, provided that he is not the holder of 5% or more of the issued shares of any class of such company or of the voting rights available to members of such company, any such interest being deemed for the purpose of this Instrument to be a material interest in all circumstances.
- 27.13 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the ICAV such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote (and be counted in the quorum) in respect of each resolution, except that concerning his own appointment.
- 27.14 If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
- 27.15 The ICAV, by Ordinary Resolution, may suspend or relax the provisions of this section to any extent or ratify any transaction not duly authorised by reason of a contravention of this section.

28 **Powers of Directors**

- 28.1 The business of the ICAV shall be managed by the Directors, who may exercise all such powers of the ICAV as are not by the Act, by the AIFM Rules or hereby required to be exercised by the ICAV in general meeting, subject, nevertheless, to the provisions of the Act, to the AIFM Rules and to the regulations herein contained being not inconsistent with the aforesaid regulations as may be prescribed by the ICAV in general meeting, but no regulations made by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Section shall not be limited or restricted by any special authority or power given to the Directors by this or any other Section.
- 28.2 The Directors, on behalf of the ICAV may subject to the AIFM Rules, form one or more wholly-owned Subsidiary Company. All of the shares of a Subsidiary Company shall be held by the Depositary or its nominee or otherwise in accordance with the requirements of the Central Bank for the ICAV with the intention that transactions (including, without limitation, futures and options transactions) should be carried out by the Subsidiary Company, with all assets being held by the Depositary or its nominee for the account of a Subsidiary Company or otherwise as the Central Bank may permit.
- 28.3 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the ICAV, and all other receipts for moneys paid to the ICAV shall be

signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors from time to time shall by resolution determine.

- 28.4 Subject to the AIF Rulebook, the Directors may exercise all the powers of the ICAV to invest all or any funds of the ICAV as authorised by this Instrument. Subject to the provisions of the AIF Rulebook and with the authorisation of the Central Bank, the ICAV may invest in collective investment undertakings with which the ICAV is linked by common management and control or by substantial direct or indirect holding, provided that the said collective investment undertaking has investment policies consistent with the investment policies of the ICAV. No such investment may be made unless the manager of the relevant collective investment undertaking has agreed to waive any preliminary or initial charge which it might otherwise be entitled to charge for its own benefit in respect of such investment.

29 **Borrowing and Hedging Powers**

Subject to the limits and conditions set forth in the Prospectus and laid down by the Central Bank and subject to the provisions of Section 28 hereof, the Directors may exercise all the powers of the ICAV to borrow money, to mortgage or charge its undertaking, property, or any part thereof and to issue debentures, debenture stock and other securities whether outright or as a security for any debts and to use techniques and instruments for hedging and investment purposes.

30 **Proceedings of Directors**

- 30.1 The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit. Questions arising at any meeting shall be determined by a majority of votes. In case of an equality of votes, the chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.
- 30.2 The quorum necessary for the transaction of business of the Directors may be fixed by the Directors, and unless so fixed at any other number shall be two.
- 30.3 The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with the provisions hereof or a majority or quorum of Directors cannot be attained, the continuing Directors or Director may act for the purpose of filling vacancies in their number or of summoning general meetings of the ICAV, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Shareholders may summon a general meeting for the purpose of appointing Directors.
- 30.4 The Directors may from time to time elect or remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.
- 30.5 The chairman or, failing him, the deputy chairman shall preside at all meetings of the Directors, but if there be no chairman or deputy chairman, or if at any meeting the chairman or deputy chairman be not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
- 30.6 A resolution in writing signed by all the Directors for the time being entitled to receive notice of a meeting of the Directors and to vote thereat shall be as valid and effectual as a resolution

passed at a meeting of the Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors. A resolution in writing shall be deemed to have been signed in the country or place where the last signatory to sign the resolution in writing executes such resolution.

- 30.7 A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.
- 30.8 The Directors may delegate any of their powers to committees consisting of such of their Shareholders as they think fit. The meetings and proceedings of any such committee shall conform to the requirements as to quorum imposed under the provisions of Section 30.2 and shall be governed by the provisions hereof regulating the meetings and proceedings of the Directors so far as the same are applicable and are not superseded by any regulations imposed on them by the Directors.
- 30.9 The Directors may, whether by standing resolution or otherwise, delegate their powers relating to the issue and repurchase of Shares and the calculation of the Net Asset Value of the Shares, the declaration of dividends and all management and administrative duties in relation to the ICAV, to the Administrator or to any duly authorised Officer or other person, subject to such terms and conditions as the Directors in their absolute discretion may resolve.
- 30.10 The Directors may delegate their powers relating to the management of the ICAV's assets to the AIFM or to any duly authorised Officer or other person, subject to such terms and conditions as the Directors in their absolute discretion may resolve.
- 30.11 All acts done by any meeting of Directors, or of a committee of Directors or by any person authorised by the Directors shall, notwithstanding it be afterwards discovered that there was some defect in the appointment or authorisation of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.
- 30.12 The Directors shall as soon as may be cause minutes to be made of:
- 30.12.1 all appointments of officers made by the Directors;
 - 30.12.2 the names of the Directors present at each meeting of the Directors and of any committee of Directors; and
 - 30.12.3 all resolutions and proceedings of all general meetings of the ICAV and of the Directors and of committees of Directors;
- and such minutes shall be entered in books kept for that purpose.
- 30.13 Any such minutes as are referred to in Section 30.12 hereof, if purporting to be signed by the chairman of the meeting at which the proceedings took place, or by the chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.
- 30.14 Any Director may participate in a meeting of the Directors or any committee of the Directors by means of a conference telephone or other telecommunication equipment by means of

which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting.

31 **Secretary**

The Secretary shall be appointed by the Directors. The Secretary shall be appointed by the Directors for such term, at such remuneration and on such conditions as they may think fit; and any Secretary so appointed may be removed by them. Anything required or authorised to be done by the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by any officer of the ICAV authorised generally or specially in that behalf by the Directors **PROVIDED THAT** any provisions hereof requiring or authorising anything to be done by a Director and the Secretary shall not be satisfied by its being done by the same person acting both as Director and as, or in the place of, the Secretary. Any reference to a Secretary in this Section 31 may be deemed to include a reference to joint secretaries where joint secretaries are so appointed.

32 **Execution of Documents**

32.1 The ICAV shall not have a common seal.

32.2 Any document expressed to be executed by the ICAV and signed on behalf of the ICAV:

32.1.1 by two authorised signatories of the ICAV; or

32.1.2 by a Director in the presence of a witness who attests the signature;

shall have the same effect as if executed under the common seal of the ICAV.

32.2 The term "*authorised signatories*" as used in this Section shall mean:

32.2.1 a Director;

32.2.2 the Secretary or any joint secretary of the ICAV.

33 **Dividends**

33.1 The Directors may from time to time as they think fit pay such dividends on any class of Shares of the ICAV as appear to the Directors to be justified, subject to any policy statement in relation to dividends in the Prospectus.

33.2 Unless otherwise provided for in the Prospectus, the aggregate amount available for distribution by way of dividend in any Accounting Period in respect of a class of Shares shall be a sum equal to the aggregate of the ICAV's share capital, net realised and net unrealised capital gains over realised and unrealised losses, and the net income received by the ICAV (whether in the form of dividends, interest or otherwise) during the Accounting Period.

33.3 The Directors may, with the sanction of an Ordinary Resolution, distribute in kind among Shareholders by way of dividend or otherwise any of the assets of the ICAV (other than any assets which have a contingent liability).

- 33.4 Shares shall qualify for dividend in such manner as may be determined by the Directors or as may be set out in the Prospectus relating to such Shares.
- 33.5 Any declaration of a dividend by the Directors may specify that the same shall be payable to the persons registered as the Shareholders at the close of business on a particular date, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such dividend, of transferors and transferees of Shares.
- 33.6 The ICAV may transmit any dividend or other amount payable in respect of any Share by cheque or warrant sent by ordinary post to the registered address of the Shareholder, or, in the case of joint holders, to the person whose name and address appears first on the Register and shall not be responsible for any loss arising in respect of such transmission.
- 33.7 No dividend or other amount payable to any holder of Shares shall bear interest against the ICAV. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the ICAV until claimed. Payment by the ICAV of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the ICAV a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the relevant Fund.
- 33.8 At the option of any Shareholder, the Directors may apply all dividends declared on a class of Shares held by such Shareholder in the issue of additional Shares in that class in the ICAV to that Shareholder at the Net Asset Value obtaining when such dividends are declared and on such terms as the Directors from time to time may resolve, provided, however, that any Shareholder shall be entitled to elect to receive a cash dividend in respect of the Shares held by that Shareholder.
- 33.9 The Directors may provide that Shareholders will be entitled to elect to receive in lieu of any dividend (or part thereof) in respect of any Shares an issue of additional Shares in that class credited as fully paid. In any such case the following provisions shall apply:
- 33.9.1 the number of additional Shares (including any fractional entitlement) to be issued in lieu of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
- 33.9.2 the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect of which the Share election has been duly exercised (the “**Elected Shares**”), and in lieu thereof additional Shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued Shares;
- 33.9.3 the additional Shares so issued shall rank *pari passu* in all respects with the fully-paid Shares then in issue save only as regards participation in the relevant dividend (or Share election in lieu);
- 33.9.4 the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such

provision as they think fit in the case of Shares becoming distributable in fractions so that, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the ICAV or the ICAV issues Fractional Shares; and

33.9.5 the Directors may on any occasion determine that rights of election shall not be made available to any Shareholder with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

33.10 Where the ICAV proposes to pay a distribution to a Shareholder, it shall be entitled to deduct from the distribution such amount that may be necessary to discharge the ICAV's liability to taxation in respect of such distribution and the ICAV shall arrange to discharge the amount of taxation due.

34 Untraced Shareholders

34.1 The ICAV shall be entitled to repurchase any Share of a Shareholder or any Share to which a person is entitled by transmission and to forfeit any dividend which is declared and remains unpaid for a period of six years.

34.2 The ICAV shall account to the Shareholder or to the person entitled to such Share for the net proceeds of such repurchase by carrying all moneys in respect thereof to a separate interest bearing account which shall be a permanent debt of the ICAV and the ICAV shall be deemed to be a debtor and not a trustee in respect thereof for such Shareholder or other person.

35 Accounts

35.1 The Directors shall cause to be kept books of account as are necessary in relation to the conduct of its business or as are required by the Act and the AIFM Rules so as to enable the accounts of the ICAV to be prepared.

35.2 The books of account shall be kept at the registered office, or at such other place or places as the Directors shall think fit in accordance with the Act, and shall at all reasonable times be open to for inspection without charge by the Officers of the ICAV and by other persons entitled pursuant to the Act to inspect the accounting records of the ICAV. However, other than the aforesaid, no other person shall be entitled to inspect the books, accounts, documents or writings of the ICAV, except as authorised by the Directors or by the ICAV in general meeting.

35.3 A balance sheet, including every document required by law to be annexed to it, and a profit and loss account of the ICAV shall be made out as at the end of each Accounting Period of the ICAV and shall be audited by the Auditors and laid before the ICAV at its annual general meeting in each year (if any), and such balance sheet shall contain a general summary of the assets and liabilities of the ICAV and all information required to be included by the Act. The balance sheet shall be accompanied by a report of the Directors as to the state and condition of the ICAV, the amount (if any) which they recommend should be paid by way of dividend, the amount (if any) which they have carried or propose to carry to reserve, and

shall include such information as is required pursuant to the Act, together with a profit and loss account. The balance sheet of the ICAV and the report of the Directors and the profit and loss account shall be signed on behalf of the Directors by at least two of the Directors. An Auditors' report shall be attached to the balance sheet of the ICAV. The Auditors' report shall be read at the annual general meeting.

- 35.4 Once at least in every year the Directors shall cause to be prepared an Annual Report relating to the management of the ICAV during the relevant Accounting Period. The Annual Report shall include the balance sheet and profit and loss account duly audited by the Auditors and the directors' report and the auditors' report as provided for in Section 35.3 and shall be in a form approved by the Central Bank and shall contain such information as required by the Act and the AIFM Regulations and as specified by the Central Bank. There shall be attached to such Annual Report such additional information and reports as the Central Bank may specify.
- 35.5 A copy of the Annual Report including the balance sheet (including every document required by law to be annexed thereto) together with a copy of the Directors' report and the Auditors' report shall be made available by the ICAV to every person entitled under the Act and the AIFM Rules to receive them and if any of the Shares are quoted on any stock exchange, the required number of copies of these documents shall be forwarded at the same time to such stock exchange.

- 35.9 The Directors of the ICAV may elect to prepare separate accounts in respect of a Fund or Funds and if the Directors elect to do so, all relevant provisions of this section relating to the accounts of the ICAV shall be read as referring to the Fund or Funds in respect of which the separate accounts are to be prepared.

- 37.1 Any notice or other document required to be served upon or sent to a Shareholder shall be deemed to have been duly given if sent by post or left at his address as appearing on the Register, or sent by electronic mail to an e-mail address or (save in the case of a notice of a general meeting of the ICAV) if either the full text of the notice or documents is published in a national daily newspaper in Ireland or such other publication as the ICAV may from time to time decide circulating in any country where the Shares are marketed, or an advertisement is so published stating where copies of such notices or documents may be obtained. In the case of joint holders of a Share, all notices shall be given to that one of the joint holders whose name stands first in the Register in respect of the joint holding, and notice so given shall be sufficient notice to all the joint holders. Any notice or other document, served by post, shall be deemed to have been served 24 hours after the time that the letter containing the same is posted and in proving such service, it shall be sufficient to prove that the letter containing the notice or document was properly addressed and duly posted. Any notice or other document, served by delivery, shall be deemed to have been served at the time of delivery and in proving such service, it shall be sufficient to prove that the letter containing the notice or document was properly addressed and duly delivered.
- 37.2 Any notice or document sent by post to or left at the registered address of a Shareholder or sent by electronic mail to an e-mail address, shall notwithstanding that such Shareholder be then dead or bankrupt and whether or not the ICAV has notice of his death or bankruptcy be deemed to have been duly served or sent and such service shall be deemed a sufficient service on receipt by all persons interested (whether jointly with or as claiming through or under him) in the Shares concerned.

38 Winding Up

- 38.1 If the ICAV or a Fund shall be wound up or dissolved, the liquidator shall apply the assets of the ICAV or the Fund (as appropriate) in satisfaction of the relevant creditors' claims in such manner and order as the liquidator thinks fit subject to section 154 of the Act.
- 38.2 The assets of the ICAV or the Fund (as appropriate) available for distribution (after satisfaction of the relevant creditors' claims) amongst the relevant Shareholders shall be distributed pro rata to the holders of the Shares of each class in the ICAV or the Fund (as appropriate) and shall be allocated pro rata to the number of Shares in that class held by them.
- 38.3 If the ICAV or a Fund shall be wound up or dissolved (whether the liquidation is voluntary, under supervision or by the court) the liquidator may with the authority of an Ordinary Resolution of the ICAV or the Shareholders of the Fund (as appropriate), divide among the relevant Shareholders pro-rata to the value of their shareholdings in the ICAV or in the relevant Fund (as appropriate and as determined in accordance with Section 19 herein) in specie the whole or any part of the assets of the ICAV or the Fund, and whether or not the assets shall consist of property of a single kind and may for such purposes value any class or classes of property in accordance with the valuation provisions in Section 20. The

liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of the relevant Shareholders as the liquidator shall think fit, and the liquidation of the ICAV or the Fund may be closed and the ICAV or the Fund dissolved, but not so that any Shareholder shall be compelled to accept any asset in respect of which there is a liability. If a Shareholder so requests, the AIFM shall sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder. The relevant Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities.

39 Indemnity

39.1 The Directors, Secretary and other officers or servants for the time being of the ICAV, for the time being acting in relation to any of the affairs of the ICAV and each of them, and each of their heirs, administrators and executors, shall be indemnified and secured harmless out of the assets and profits of the ICAV from and against, and the ICAV shall assume liability for, any claim, demand, action, proceeding, liability, damage, loss, charge, detriment, cost or expense (including without limitation all reasonable legal fees in relation thereto), which they or any of them, their or any of their heirs, administrators or executors shall or may suffer, incur or sustain arising directly or indirectly out of or in connection with his acting as a director or alternate director (as the case may be) of the ICAV or otherwise in connection with the performance or non-performance of his duties as a director, except such (if any) as they shall incur or sustain by or through their own dishonesty, fraud, breach of fiduciary duty, negligence or wilful misconduct respectively, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the ICAV and have priority as between the Shareholders over all other claims. None of the foregoing shall be answerable for the acts, receipts, neglects, defaults or breaches of the other or others of them, or for joining in any receipt for sake of conformity, or for any bankers, brokers, or other person into whose hands any money or assets of the ICAV may come, or for any defects of title of the ICAV to any property purchased, or for insufficiency or deficiency of or defect of title of the ICAV to any security upon which any moneys of or belonging to the ICAV shall be placed out or invested, or for any loss, misfortune or damage resulting from any such cause as aforesaid, or which may happen in the execution of their respective offices or trusts, or in relation thereto, unless the same shall happen by or through their own negligence, default, breach of duty or breach of trust respectively.

For the avoidance of doubt, the foregoing indemnity shall extend to any liability incurred by the Director in defending proceedings, whether civil or criminal, in which judgement is given in his favour or in which he is acquitted, in connection with any application under section 85 of the Act in which relief is granted to him by the court.

39.2 The Depositary, the Administrator, the Distributor, the Investment Manager and any sub-investment manager to the ICAV shall be entitled to such indemnity from the ICAV upon such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement, the Administration Agreement, the Distribution Agreement, the Investment Management Agreement and any sub-investment advisory agreement (as applicable).

39.3 The ICAV, the Directors, the Depositary, the Administrator, the Investment Manager and any sub-investment manager to the ICAV shall be entitled to rely absolutely on any declaration received from a Shareholder as to residence or otherwise of such Shareholder and shall not

incur any liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been signed by the proper parties nor be in any way liable for any forged or unauthorised signature on any such document or for acting on or giving effect to any such forged or unauthorised signature but shall be entitled though not bound to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction.

39.4 The Distributor shall also have the power to grant indemnities in favour of any such sub-distributors, nominees, agents or delegates out of the assets of the ICAV, in accordance with the terms as may be agreed from time to time between the ICAV and the Distributor.

39.5 The ICAV, the Directors, the Depositary, the Administrator, the Investment Manager and any sub-investment manager to the ICAV shall incur no liability to the Shareholders for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgment of any court, or by reason of any request announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Instrument neither the ICAV nor the Director nor, subject to the terms of the Depositary Agreement, the Administration Agreement, the Investment Management Agreement and any sub-investment advisory agreement, the Depositary nor the Administrator nor the Investment Manager nor any sub-investment manager shall be under any liability therefore or thereby.

40 **Destruction of Documents**

40.1 The ICAV may destroy:

40.1.1 any dividend mandate or Share allotment request form or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date such mandate, request, variation, cancellation or notification was recorded by the ICAV;

40.1.2 any instrument of transfer of Shares which has been registered at any time after the expiry of six years from the date of registration thereof; and

40.1.3 any other document on the basis of which an entry in the Register is made at any time after the expiry of ten years from the date an entry in the Register was first made in respect of it;

and it shall conclusively be presumed in favour of the ICAV that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the ICAV **PROVIDED ALWAYS** that:

- 40.1.4 the foregoing provisions of this section shall apply only to the destruction of a document in good faith and without express notice to the ICAV that the preservation of such document was relevant to a claim;
- 40.1.5 nothing contained in this Section shall be construed as imposing upon the ICAV any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- 40.1.6 references in this Section to the destruction of any document includes references to its disposal in any manner.

41 **Severability**

If any term, provision, covenant or restriction of this Instrument is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and restrictions of this Instrument shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

42 **Modification of this Instrument**

- 42.1 No modification shall be made to this Instrument without the approval of the Central Bank. Any such modification may only be made in accordance with the requirements of the Act.
- 42.2 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, without the prior approval of the Shareholders where the Depositary certifies that the modification, alteration or addition does not materially prejudice the interests of the Shareholders and is not one which the Central Bank has specified as one requiring approval of the Shareholders.
- 42.3 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, with the sanction of an ordinary resolution of a meeting of Shareholders duly convened and held in accordance with the provisions contained in this Instrument, provided that no such modification, alteration or addition shall be made which shall reduce the interest in any Fund of any Shareholder (without similarly reducing the interests of all Shareholders in such Fund) or reduce the percentage of Shares required to consent to any modification, alteration or addition without the consent of all Shareholders.
- 42.4 Without prejudice to the foregoing, the ICAV shall be entitled (and without the sanction of an ordinary resolution as aforesaid) to modify, alter or add to the provisions of this Instrument in such manner and to such extent as they may consider necessary or expedient having regard to the provisions of any fiscal enactments for the time being in force affecting the ICAV and any arrangements approved by the Revenue Commissioners of Ireland in relation to the carrying into effect hereof or to conform to any legislation, provided that no such modification, alteration or addition shall impose upon any Shareholder any obligation to make any further payment in respect of his Shares or to accept any liability in respect thereof.

Schedule 1

Qualified Holder Restrictions

- 1.1 Within the EU, the ICAV may only be marketed to professional investors as defined in the AIFM Regulations unless the Member State in question permits, under the laws of that Member State, the ICAV to be sold to other categories of investors and this permission encompasses investors set out in categories (b) or (c) of the definition of “Qualifying Investor” set out at section 1.1.
- 1.2 Unless authorised by the Directors, no Shares shall be issued to or transferred to or be beneficially owned by any U.S. Person. Each subscriber for Shares of the ICAV shall be required to certify that he is not, nor is he acquiring such Shares, except with the authorisation of the Directors, on behalf of or for the benefit of a U.S. Person, and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the United States to, or for the benefit of, a U.S. Person.
- 1.3 The Directors may determine to permit the private sale of Shares in the United States or to U.S. Persons to a limited number of “accredited investors” (as defined in Rule 501(a) of Regulation D under the United States Securities Act of 1933 (the “**1933 Act**”) who are also “qualified purchasers” (as defined in Section 2(a)(51) of the United States Investment Company Act of 1940 (the “**1940 Act**”) under restrictions and other circumstances designed to preclude any requirement to register the Shares under the 1933 Act or any securities law of any state of the United States, or cause the ICAV or any Fund to become subject to the registration requirements of the 1940 Act, including presentation by such investors, prior to the delivery to them of Shares, of a letter containing specified representations and agreements. Each applicant for Shares who is in the United States or a U.S. Person will be required to provide such representations, warranties or documentation as may be required by the Directors to ensure that such requirements are met prior to approval of such sale or transfer by the Directors.
- 1.4 Shares will generally not be issued or transferred to any U.S. Person, except that the Directors may authorise the purchase by, or transfer of Shares to, a Permitted U.S. Person provided that: (i) such purchase or transfer does not result in a violation of the 1933 Act, FATCA or the securities laws of any of the States of the US; (ii) such purchase or transfer will not require the ICAV to register under the Investment Company Act; (iii) such purchase or transfer will not result in any adverse tax consequences to the ICAV or the Shareholders; and (iv) such issue or transfer will not cause any assets of the ICAV to be “plan assets” for the purposes of ERISA.
- 1.5 The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in this Instrument) as they may think necessary for the purposes of ensuring that no Shares in the ICAV are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a U.S. Person or by any person in the circumstances described in paragraph 1.3 (c) above.
- 1.6 Shareholders are required to notify the ICAV immediately in the event that they become Irish Residents, U.S. Persons, Benefit Plan Investors, or the Declaration made by or on their behalf is no longer valid. Shareholders are also required to notify the ICAV immediately in the event that they hold Shares for the account or benefit of Irish Residents, U.S. Persons, Benefit Plan Investors, or otherwise hold Shares in breach of any law or regulation or otherwise in circumstances having or which may have, adverse regulatory, tax or fiscal consequences or be a material administrative disadvantage for the ICAV or the Shareholders as a whole. In addition, Shareholders are required to notify the ICAV if any information provided or representations made by them on any subscription agreement is no longer correct.
- 1.7 The Directors may upon an application for Shares or at any other time and from time to time require such evidence to be furnished to them in connection with the matters stated in paragraph 1.1 above as they shall in their discretion deem sufficient and if such evidence is not forthcoming may refuse to accept such application or, if Shares have already been issued

to any person of whom such a request is made, such person shall be deemed upon the expiration of thirty (30) days from the making of such request, to have requested the redemption of all of his Shares whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Section 11 shall apply subject to paragraph 1.8 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 19.3.

- 1.8 If a person becomes aware that he is holding or owning Shares in contravention of this Schedule 1 or the Instrument he shall forthwith in writing request the ICAV to redeem such Shares in accordance with Section 17 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under paragraph 1.8 below.
- 1.9 Where the ICAV becomes aware that a Shareholder is (a) a U.S. Person or is holding Shares for the account or benefit of a U.S. Person and such person is not an “accredited investor” (as defined in Rule 501(a) of Regulation D under the 1933 Act) and a “qualified purchaser” (as defined in Section 2(a)(51) of the 1940 Act; (b) a Benefit Plan Investor or is holding Shares for the account or benefit of a Benefit Plan Investor; or (c) holding Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, legal, pecuniary or tax consequences or material administrative disadvantage for the ICAV or the Shareholders as a whole; may: (i) direct the Shareholder to dispose of those Shares to a person who is entitled to own the Shares within such time period as the ICAV stipulates; or (ii) redeem the Shares at the Net Asset Value per Share, less any applicable Duties and Charges and any redemption fee as at the next Dealing Day after the date of notification to the Shareholder or following the end of the period specified for disposal pursuant to (i) above.
- 1.10 If any such person upon whom such a notice is served as aforesaid does not within thirty (30) days after such notice has been served transfer such Shares or request in writing the ICAV to redeem the Shares he shall be deemed forthwith upon the expiration of the said thirty (30) days to have so requested the redemption of all his Shares the subject of such notice whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such repurchase the provisions of Section 17 shall apply, subject to paragraph 1.8 above and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 19.3.
- 1.11 Subject to Section 17.6, settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited (without interest) upon such consents being obtained.
- 1.12 Any person or persons to whom paragraph 1.1, 1.2, 1.4 and 1.5 shall apply shall indemnify the Directors, the ICAV, the Administrator, the Depositary, the Investment Manager and the Shareholders (each an “**Indemnified Party**”) from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to this Schedule 1.
- 1.13 Every Shareholder and every applicant for Shares (being a partnership, company or other investment vehicle or entity other than an individual) which is proposing to subscribe for, acquire or hold or which is made aware that it is holding 10% or more of the Shares of the ICAV must immediately disclose in writing to the ICAV the number of U.S. Persons with a shareholding or interest in such applicant or Shareholder. In addition, every Shareholder

holding 10% or more of the Shares of the ICAV shall be obliged, for so long as such Shareholder continues to hold 10% or more of the Shares of the ICAV, to immediately disclose in writing to the ICAV any increase or decrease in the number of U.S. Persons with a shareholding or interest in such Shareholder. The ICAV shall be entitled to refuse to allot any Shares to, or to register a transfer in favour of, any applicant or Shareholder if such allotment or transfer would result in such applicant or Shareholder holding 10% or more of the Shares of the ICAV or, in the event that any Shareholder has been permitted to hold 10% or more of the Shares of the ICAV, to redeem such number of the Shares of the ICAV held by such Shareholder as would result in the number of Shares of the ICAV held by such Shareholder being less than 10% of the Shares of the ICAV.

Schedule 2

Valuation of Assets

- (a) The Net Asset Value of the ICAV (or any Fund, class or series) shall be calculated in accordance with the provisions of this Schedule.
- (b) The Net Asset Value of the ICAV or of a Fund, class or series (as the case may be) shall be the value of its assets (including any assets held indirectly through a wholly owned subsidiary) less the value of its liabilities including any provisions considered by the AIFM or an external valuer to be necessary or prudent. The Net Asset Value of each Fund will be expressed in the Base Currency of the relevant Fund.
- (c) The price per Share in respect of a Fund will be calculated as at the Valuation Point on each Dealing Day by dividing the Net Asset Value of the relevant Fund by the number of Shares of the relevant Fund in issue. In the event that a Fund is further sub-divided into different classes of Shares, the Net Asset Value per Share in respect of a class will be calculated by dividing the Net Asset Value of the relevant class by the number of Shares of the relevant class in issue. There will only be a single price for Shares.
- (d) The Net Asset Value of each Fund and the Net Asset Value per Share in each Fund in respect of any Dealing Day will be calculated in accordance with the procedure set out in the Prospectus.
- (e) Since the various series of Shares of each Class may be issued at different dates, the Net Asset Value per Share of one series may differ from the Net Asset Value per Shares of another series. Any appreciation or depreciation of the Net Asset Value of the a Fund for a Valuation Period shall be allocated among the different series of Shares as determined by the Investment Manager, after adjustment for any subscriptions, redemptions, and distributions. Shares within a series will have the same Net Asset Value per Share.
- (f) The Administrator assigns prices for securities that are listed on an exchange (including such securities when traded in the after-hours market) at their last sales price, on the date of determination, on the principal exchange on which such securities shall have traded on such date (or, in the event that the date of determination is not a date upon which an exchange was open for trading, on the last prior date on which an exchange was open not more than ten days prior to the date of determination). If no such sale of such securities occurred on either of the foregoing dates, such securities are valued at the “bid” price for long positions and “asked” price for short positions on the principal exchange on which such securities are traded on the date of determination (or, if the date of determination is not a date upon which such exchange was open for trading, on the last prior date on which such exchange was open not more than ten days prior to the date of determination). Securities that are not listed on an exchange but are traded over-the-counter are valued at representative “bid” quotations if held long by the Fund and representative “asked” quotations if held short by the Fund unless included on the NASDAQ National Market System, in which case they shall be valued at the NASDAQ’s Official Closing Price. Exchange-traded option contracts are valued at their last mid price, on the date of determination, on the principal exchange on which such option was traded (or, in the event that the date of determination is not a date upon which an exchange was open for trading, on the last prior date on which an exchange was so open not more than 10 days prior to the date of determination). Exchange-traded futures contracts

are valued at the quoted price established each day by the board of trade or exchange on which they are traded.

- (g) For securities not traded on an established securities exchange or for which exchange-based or over-the-counter market quotations do not exist and for derivative positions not traded on an exchange (in each case, except as otherwise provided for herein), the Administrator assigns prices based on independent prices it receives directly from independent third party pricing vendors (“**Independent Prices**”) utilizing a pricing hierarchy (i.e., a waterfall that details the primary pricing source, secondary pricing source, etc.) approved by the AIFM in consultation with the Investment Manager. The AIFM, in consultation with the Investment Manager, may amend this hierarchy from time to time and shall document the rationale for any material changes. The AIFM, in consultation with the Investment Manager, is responsible for evaluating and selecting the independent third party pricing services that provide Independent Prices for the Fund. Such independent third party pricing services typically provide valuations for normal institutional-size trading units of such securities or other instruments using methods based on market transactions for comparable securities or instruments and various relationships between securities or instruments, as generally recognized by institutional dealers. Because of the nature of the securities and other instruments and the various markets in which the Fund and the ICAV typically trade, the range of Independent Prices obtained for a given security or other instrument may vary widely. More than one Independent Price is sought for each security or other instrument in the Fund’s portfolio.
- (h) For investments in pooled investment vehicles managed by a third party, the Administrator assigns prices based on the values furnished by the administrators for such investment vehicles (or by such other persons, including but not limited to managers for such investment vehicles, that the Investment Manager has determined are reasonable to rely on for purposes of obtaining such values).
- (i) For forward currency contracts, the Administrator assigns prices using a third-party model used by the Investment Manager that values such instruments, based on standard industry practice, using applicable spot and forward rates.
- (j) When the AIFM in consultation with the Investment Manager determines that the Independent Prices assigned by the Administrator do not represent fair value (or where no Independent Prices are received), the fair value for such securities or other instruments is assigned in good faith by the Investment Manager rather than by the Administrator. In assigning fair value, the Investment Manager takes into consideration recent trading activity and such other information as may be deemed relevant, including, without limitation, information that may not have been reflected in pricing obtained from external sources.
- (k) In the event that as of any Valuation Point, the Net Asset Value per Share of any series equals a negative amount, such amount will be apportioned ratably among the other series and will be deemed a liability of such series.
- (l) Notwithstanding the above provisions the AIFM or an external valuer may (i) adjust the valuation of any listed Investment or (ii) permit some other method of valuation to be used if, having regard to currency, applicable rate of interest, maturity, marketability and/or such other considerations as they deem relevant, they consider that such adjustment or alternative method of valuation is required to reflect more fairly the value thereof. The ICAV (or its AIFM) or an external valuer (where relevant) may also determine that the assets of any specific

Fund may be valued on a closing bid, last traded, closing mid-market or latest mid-market price basis. Any such policies shall be applied consistently in respect of a Fund.

- (m) The Net Asset Value per share is available promptly to Shareholders on request from the Administrator.
