Without prejudice to the termination provisions as set out in the Management Agreement, the ICAV shall terminate the appointment of the AIFM, subject to the notice period set out in the Management Agreement, where the holders of not less than 75% of the outstanding issued Shares of the ICAV have voted in favour of the termination of the appointment at a general meeting of the ICAV PROVIDED THAT in the event that the AIFM shall resign or the appointment of the AIFM shall terminate under the terms of the Management Agreement, the Directors shall use their best endeavours to appoint some other person, firm or corporation to act as Manager in its place subject to the approval of the Central Bank. Under the terms of any such arrangements in relation to the assets of the ICAV being used as collateral and under applicable law, a secured party may be permitted to pledge, lend, rehypothecate or otherwise utilise for its own purposes such assets in connection with securities lending or other transactions entered into by the secured party. Further details with respect to the material provisions of any such contractual arrangements will be disclosed in the Prospectus.
- 7.13 The AIFM and/or the Investment Manager will be entitled to receive a management or investment management fee (as relevant) payable out of the assets of the ICAV as may be agreed between the Directors and the AIFM (or the Investment Manager, as appropriate) from time to time and specified in the Prospectus. Any increase in the maximum management fee payable to the AIFM and/or the Investment Manager, as set out in the Prospectus, is subject to the approval of the Shareholders in accordance with the provisions of Section 25 hereof. The AIFM (or Investment Manager, as appropriate) shall also be entitled to reimbursement out of the assets of the ICAV of all reasonable out-of-pocket expenses incurred for the benefit of the ICAV including expenses incurred by the Depositary and the Administrator in the performance of their duties and charged to the AIFM (or the Investment Manager, as appropriate).

exceed normal commercial rates) and all reasonable out-of-pocket expenses of any sub-custodian appointed by the Depositary. For the purpose of securing payment of its fees and expenses, in the event of non-payment of such fees and expenses the Depositary may charge the assets of the ICAV which are maintained in the ICAV's accounts.

- 7.18 The ICAV may contractually agree with the Depositary that if at any time any and all obligations or liabilities to the Depositary for any unpaid sum due to the Depositary or any sub-custodian or securities system for or in connection with services rendered hereunder whether by way of an extension of credit or otherwise (including without limitation the purchase or sale of any foreign exchange or any agreement for the purchase or sale of foreign currency) shall not have been honoured and shall be overdue, the Depositary and any sub-custodian or securities system may have the right, on such terms as may be agreed between the ICAV and the Depositary, to retain or set-off, against such obligations or liabilities, any assets of the ICAV that the Depositary or any sub-custodian or securities system may hold directly or indirectly for the account of the ICAV, in any currency (including without limitation time deposits and all securities held hereunder) and, to the extent that there is insufficient cash available for this purpose to sell or otherwise realise any such assets and to apply the proceeds of any such sale or realisation in the satisfaction of such obligations or liabilities.

8 Share Capital

- 8.1 The actual value of the paid up share capital of the ICAV shall at all times be equal to the Net Asset Value of the ICAV as determined in accordance with Sections 19 and 20 hereof.
- 8.2 The minimum authorised share capital of the ICAV is EUR2.00 (two euro) represented by 2 (two) Subscriber Shares of no par value issued at EUR1.00 each. The maximum authorised share capital of the ICAV is 500,000,000,002.00 (five hundred billion and two) Shares of no par value, initially designated as unclassified Shares.
- 8.3 The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to issue Shares in the ICAV provided that the total amount of issued share capital does not exceed the maximum issued share capital set out in Section 8.2 above.
- 8.4 The Subscriber Shares shall not participate in the dividends or assets of any Fund.
- 8.5 Shares may be issued with such voting rights and rights to participate in the dividends and assets of a Fund or of the ICAV as the Directors from time to time may determine and set forth in the Prospectus.
- 8.6 The liability of the Shareholders shall be limited to the amount, if any, unpaid on the Shares respectively held by them without prejudice to any other liability to which a Shareholder may be subject as provided by or under the Act. The Shareholders shall not be liable for the debts of the ICAV.
- 8.7 The Directors may from time to time determine to provide Shareholders in certain Funds or tranches with preferential treatment (including but not limited to, in relation to information disclosed to such Shareholders and redemption and dealing terms for such Funds or tranches). Any preferential treatment will be set out in the Prospectus (so as to ensure the fair treatment of all Shareholders) which shall describe any instance where a Fund or tranche receives preferential treatment, a description of that preferential treatment and the types of Shareholders

who will be permitted to subscribe for such Funds or tranches and, where relevant, their legal or economic links to the ICAV (or the AIFM).

9 Funds and Tranches of Shares

- 9.1 The ICAV is an umbrella fund with segregated liability between its Funds and each Fund may be comprised of one or more tranches of Shares. The ICAV is comprised of the Funds specified in the Prospectus, as may be amended from time to time.
- 9.2 With the prior approval of the Central Bank, the Directors from time to time may establish a Fund, which may be open-ended, closed-ended or have limited liquidity, by the issue of one or more separate tranches of Shares (including hedged tranches where the Fund may conduct currency or interest rate hedging transactions, the benefits and costs of which will accrue solely to Shareholders in that tranche and including new issues tranches where the Fund may participate in new issues transactions, the benefits and costs of which will accrue solely to Shareholders in that tranche) on such terms as the Directors may resolve. Redemption facilities will be provided on at least a quarterly basis in respect of open-ended Funds. The creation of such Funds and one or more separate tranches of Shares shall be in accordance with this Instrument, the Prospectus and the requirements of the Central Bank.
- 9.3 The ICAV may create and issue different Series of Shares of each tranche for the purposes of tracking and more accurately calculating the Performance Fee payable to the Investment Manager in respect of the Shares held by each investor. Any outstanding Series of Shares of a Fund may, in the discretion of the Directors, be re-designated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another Series of the same Fund at the prevailing Net Asset Value per Share of such other Series.
- 9.4 The investment objectives of (and any specific restrictions applicable to) each Fund are set out in the Prospectus. Subject to any specific provisions set out in respect of a particular Fund in the Prospectus, the investment and borrowing powers of each Fund are all those contained in the AIFM Regulations and permitted under the Act.
- 9.5 A Fund may be wound-up by the Directors in their absolute discretion, as if it were a separate ICAV, if the Directors resolve that it is desirable to terminate the Fund and provided the termination is in accordance with the provisions of Section 38, the Act and the AIFM Rules.
- 9.6 The Directors may from time to time re-designate any existing tranche of Shares in the ICAV and merge such tranche of Shares with any other tranche of Shares in the ICAV, provided that Shareholders in such tranche or tranches are first notified by the ICAV and given the opportunity to have the Shares repurchased. With the prior consent of the Directors, Shareholders may convert Shares in one tranche of Shares into Shares of another tranche in the ICAV in accordance with the provisions of Section 12.10 hereof.
- 9.7 For the purpose of enabling Shares of one tranche to be re-designated or converted into Shares of another tranche, the ICAV may take such action as may be necessary to vary or abrogate the rights attached to Shares of one tranche to be converted so that such rights are replaced by the rights attached to the other tranche into which the Shares of the original tranche are to be converted.
- 9.8 Any outstanding tranches of Shares of a Fund may, in the discretion of the Directors, be re-designated and converted (after the payment or accrual of all applicable fees and expenses)

into Shares of another tranche of the same Fund at the prevailing Net Asset Value per Share of such other tranche.

- 9.9 Financial instruments may be used on behalf of specific tranches in accordance with the Prospectus and the requirements of the Central Bank. Where (i) a tranche or tranches denominated in different currencies are created and currency hedging transactions are entered into in order to hedge any relevant currency exposure; (ii) interest rate hedging transactions are entered into in respect of a specific tranche or tranches; or (iii) financial instruments are utilised on behalf of a specific tranche or tranches in accordance with the requirements of the Central Bank, in each case such transactions will be clearly attributable to a specific tranche and any costs and any resultant gains/losses of the relevant hedging transactions and/or financial instruments will accrue solely to the relevant tranche. Accordingly, such costs and related liabilities and/or benefits will be reflected in the Net Asset Value per Share for Shares of any such tranche. The currency exposures of the assets of a Fund will not be allocated to separate tranches.
- 9.10 All consideration received by the ICAV for the allotment or issue of Shares of each issue, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate in the accounts of the Depositary from all other moneys of the ICAV and such assets and moneys shall be referred to as a “**Fund**”, there being one such Fund in respect of each issue to which the following provisions shall apply:
- 9.10.1 The ICAV shall keep separate books of account for each issue. The proceeds from the issue of Shares of each issue shall be applied to the Fund established for that issue and the assets and liabilities and income and expenditure attributable thereto shall be applied to such Fund subject to the provisions of this section;
- 9.10.2 Any asset derived from another asset comprised in a Fund shall be applied to the same Fund as the asset from which it was derived and any increase or diminution in the value of such an asset shall be applied to the relevant Fund;
- 9.10.3 In the case of any asset which the Directors do not consider as readily attributable to a particular Fund or Funds, the Directors shall have discretion to determine the basis upon which any such asset shall be allocated between Funds and the Directors shall have the power at any time and from time to time to vary such basis;
- 9.10.4 Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the ICAV in respect of or attributable to that Fund and any such liabilities, expenses, costs, charges or reserves of the ICAV not readily attributable to any particular Fund or Funds shall be allocated and charged by the Directors in such manner and on such basis as the Directors in their discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time vary such basis;
- 9.10.5 If, as a result of a creditor proceeding against certain of the assets of the ICAV or otherwise, a liability, expense, cost, charge or reserve would be borne in a different manner from that in which it has been borne under paragraph 9.10.4 above, or in any similar circumstances, the Directors may, with the consent of the Depositary, transfer in the books and records of the ICAV any assets to and from any of the Funds;

- 9.10.6 where the assets of the ICAV (if any) attributable to the Subscriber Shares give rise to any net profit, the Directors may allocate assets representing such net profits to such Fund or Funds as they may deem appropriate;
- 9.10.7 Subject as otherwise provided in this Instrument, the assets held in each Fund shall be applied solely in respect of the Shares of the issue to which such Fund appertains and shall belong exclusively to the relevant issue and shall not be used to discharge directly or indirectly the liabilities of or claims against any other Fund and shall not be available for any such purpose; and
- 9.10.8 In case New Issues are invested in or acquired by a Fund, the Fund may, if permitted by, and in accordance with, the Central Bank's requirements, establish new tranches of Shares to be held by persons not restricted under the FINRA Rules ("**Restricted Persons**") from participation in the profits and losses attributable to the New Issues. The New Issues shall be deemed to be assets or liabilities (as the case may be) of the relevant Fund as a whole (either directly, indirectly and/or beneficially), however the gains/losses on and the costs of the New Issues will accrue solely to the relevant tranche or tranches of Shares held by Shareholders who are not Restricted Persons, unless otherwise determined by the Directors, in accordance with and to the extent permitted under the FINRA Rules.

10 Register of Shareholders

- 10.1 A Shareholder shall have his title to Shares evidenced by having his name, address and number of Shares held by him entered in the Register which shall be maintained in the manner required by law, provided that no person holding less than the Minimum Subscription shall be entered on the Register as a Shareholder. No person shall be registered as a Shareholder of the ICAV unless; such person has subscribed for or acquired shares by transfer to the value of not less than the minimum amount as set out in the AIF Rulebook relating to funds marketing solely to Qualifying Investors (currently €100,000 or the foreign currency equivalent), and; shall have certified that he is a Qualifying Investor (or a Knowledgeable Investor) and that he is aware of the risks involved in the proposed investment and of the fact that inherent in such is the potential to lose all of the sum invested. Within the European Union, the ICAV may only be marketed to investors who are professional clients (as defined in the AIFM Regulations) unless the EU member state in question permits, under the laws of that EU member state, the ICAV to be sold to other categories of investors and this permission encompasses the other categories of investors set out in the definition of "Qualifying Investor" in this Instrument.
- 10.2 The ICAV shall not issue Share certificates to a Shareholder whose name appears in the Register but, in such case, a statement of Shareholding (a "**holding statement**") in respect of Shares for which no certificates are to be issued shall be sent to each holder of such Shares in such form as the Directors may decide if so requested by a Shareholder. A holding statement shall be a written confirmation of entry on the Register. A holding statement shall not constitute a document of title to the Shares to which it relates and shall confirm the entry of the Shares in question on the Register.
- 10.3 The Directors shall cause to be entered in the Register the following particulars:
- 10.3.1 the name and address of each Shareholder (save that in the case of joint holders, the address of the first named holder only need be entered);

- 10.3.3 the date on which each person was entered in the Register as a Shareholder, and
- 10.3.4 the date on which any person ceased to be a Shareholder.

- 10.5 The Directors shall not be bound to register more than four persons as the joint holders of any Share or Shares. In the case of a Share held jointly by several persons, the Directors shall not be bound to issue therefor more than one confirmation of ownership and the issue of a confirmation of ownership for a Share to the first named of several joint holders shall be sufficient delivery to all.
- 10.6 Where two or more persons are registered as the holders of any Shares they shall be deemed to hold the same as joint tenants, subject to the provisions following:
 - 10.6.1 the joint holders of any Shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such Shares;
 - 10.6.2 any one of such joint holders may give effectual receipts for any dividend, bonus or return of capital payable to such joint holders;
 - 10.6.3 only the first-named of the joint holders of a Share shall be entitled to receive notices from the ICAV to attend general meetings of the ICAV. Any notice given to the first-named of joint holders shall be deemed notice given to all the joint holders;

 - 10.6.5 for the purpose of the provisions of this section, the first-named shall be determined by the order in which the names of the joint holders stand in the Register.

11 Dealing Days

Subject as hereinafter provided, all issues and repurchases of Shares shall be effected or made with effect from a Dealing Day provided that the ICAV may provisionally allot Shares on a Dealing Day on the basis that the Shares shall be issued on receipt of cleared subscription monies and in the event that the ICAV does not receive the cleared subscription monies in respect of such allotment within the period specified in the Prospectus or within such other reasonable time period as may be determined by the Directors, such provisional allotment may be cancelled.

12 Issue of Shares and Conversion of Shares

12.1 Subject as hereinafter provided, the ICAV on or with effect from any Dealing Day on receipt by it of the following:

12.1.1 an application for Shares in such form as the ICAV from time to time may determine; and

12.1.3 payment for the Shares within the usual time limits in such manner as the ICAV from time to time may specify, provided that if the ICAV receives payment for the Shares in a currency other than the Tranche Currency for such Shares, the ICAV shall convert or arrange for the conversion of the monies received into the Tranche Currency and shall be entitled to deduct therefrom all expenses incurred in the conversion;

may issue or allot Shares in any Series or tranche at the Net Asset Value then obtaining for each Share in such Series or tranche (or, at the discretion of the ICAV in the case of 12.1.3 above at the Net Asset Value for each share in such Series or tranche on the Dealing Day immediately following the conversion of the monies received into the Tranche Currency) or at such other price as may be disclosed in the Prospectus from time to time. Any such issue of Shares shall be in accordance with the requirements of this Instrument, the Prospectus and the requirements of the Central Bank.

12.2 The ICAV shall be entitled to receive securities or other Investments from an applicant for Shares in any tranche and to sell, dispose of or otherwise convert such securities or Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purchase of Shares in the ICAV in accordance with the provisions hereof.

12.3 No issue shall be made in respect of an application which would result in the applicant investing less than the Minimum Subscription or in the Shares being held by a person who is not a Qualifying Investor or a Knowledgeable Investor (save in both cases in respect of the holder(s) of the Subscriber Shares).

12.4 All information required under the AIFM Rules as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.

12.5 The Directors shall be entitled to issue Fractional Shares in any tranche where the subscription monies received by the ICAV are insufficient to purchase an integral number of Shares in that tranche provided however that Fractional Shares shall not carry any vote or rights and provided further that the Net Asset Value of a Fractional Share of any tranche shall be adjusted by the amount which such Fractional Share bears to an integral share of that tranche at the time of issue and any dividend payable on such Fractional Shares shall be adjusted in like manner.

12.6 The Directors may determine to issue Shares which are only partly paid at the time of issue, subject to such conditions as may be specified in the Prospectus.

12.7 The Directors may delegate to the Administrator or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new Shares.

- 12.8 The Directors in their absolute discretion may refuse to accept any application for Shares in the ICAV or any application to convert Shares in any tranche to Shares in another tranche or may accept any such application in whole or in part.
- 12.9 No person shall be recognised by the ICAV as holding any Shares on trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Shares or (except only as otherwise provided herein or as by law may be required) any other right in respect of any Share, except an absolute right of title thereto in the registered holder.
- 12.10 If at any time the Directors determine, in their sole discretion, that an incorrect number of shares was issued to a Shareholder pursuant to this section because the Net Asset Value in effect on the Dealing Day was incorrect, the Directors may implement such arrangements as they determine, in their sole discretion, are required for an equitable treatment of such Shareholder, which arrangements may include redeeming a portion of such Shareholder's shareholding for no additional consideration or issuing new shares to such Shareholder for no consideration, as appropriate, so that the number of shares held by such Shareholder following such redemption or issuance, as the case may be, is the number of shares as would have been issued at the correct Net Asset Value.
- 12.11 Subject as hereinafter provided, a holder of Shares of any tranche (the "**Original Shares**") may, with the prior consent of the Directors, from time to time convert all or any portion of such Shares ("**Conversion**") having such minimum value at the time of Conversion as may be determined by the Directors from time to time into Shares of another tranche (the "**New Shares**") either existing or agreed to be brought into existence on such terms as are disclosed in the Prospectus. Any Original Shares of a Fund may also, in the discretion of the Directors, be converted into New Shares of the same Fund at the prevailing Net Asset Value per Share of such other New Shares in circumstances set out in the Prospectus.

- 13.2.3 such other rights as may be provided for in this Instrument in relation to Shares of that tranche, subject to the regulations and conditions imposed by the Central Bank.

14 **Price Per Share**

- 14.1 The Initial Price per Share at which the Shares of any Series or tranche shall be allocated or issued and the commission payable on the Initial Price and the Initial Offer Period in relation to any Fund shall be determined by the Directors.

- 14.2 The price per Share for any Series or tranche of Shares on any Dealing Day following the Initial Offer Period shall be the Net Asset Value per Share in such Series or tranche applicable in the case of issues of Shares in such Series or tranche as determined in accordance with Section 19 and Schedule 2 or such other price as may be determined by the Directors and disclosed in the Prospectus from time to time.
- 14.3 Shares may only be issued at fixed price after the Initial Offer Period where it has been confirmed to the Central Bank by the ICAV that existing Shareholders of the relevant Fund will not be prejudiced.
- 14.4 The Directors may require an applicant for Shares to pay to the ICAV in addition to the price per Share such commission and duties and charges in respect of the Shares as the Directors from time to time may determine.
- 14.5 Notwithstanding any other provision of this Instrument, in calculating the price per Share for any tranche of Shares on any Dealing Day when there are net subscriptions the Directors, or their delegate, may adjust the subscription price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- 14.6 Subject to the provisions of the Act and the AIF Rulebook, the Directors on or with effect from any Dealing Day may issue Shares in any tranche on terms providing for settlement to be made by the vesting in the Depositary, on behalf of the ICAV of any Investments for the time being held or which may be held hereunder and in connection therewith the following provisions shall apply:
- 14.6.1 the assets to be transferred in to the Fund must qualify as investments of the Fund in accordance with the investment objectives, policies and restrictions which are set out in the Prospectus;
- 14.6.2 the Directors shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to the Shareholders;
- 14.6.3 the number of Shares to be issued shall be not more than the number which would have been issued for settlement in cash as hereinbefore provided on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the ICAV as determined by the Directors on the relevant Dealing Day;
- 14.6.4 no Shares shall be issued until the Investments shall have been vested in, or arrangements have been made to vest the Investments in, the Depositary or its sub-custodian, nominee or agent and the Depositary is satisfied that there is unlikely to be any material prejudice to the Shareholders of the relevant Fund; and
- 14.6.5 any duties and charges arising in connection with the vesting of such Investments in the ICAV shall be paid by the person to whom the Shares are to be issued, or by the relevant Fund.
- 14.7 No Shares shall be issued on any Dealing Day on which the determination of the Net Asset Value of such Shares is suspended pursuant to Section 19.3 hereof.
- 14.8 Notwithstanding any other provision of this Instrument in calculating the price per Share on any Dealing Day in respect of any tranche in respect of which it has been determined to charge a Performance Fee, the Directors may from time to time, and in their sole discretion, determine

that the ICAV shall apply a Performance Fee equalisation formula and will disclose details of such intention in the Prospectus. In such circumstances, the price per Share of the relevant Shares will be deemed to include an equalisation amount which will represent a portion the accrued Performance Fee of the relevant tranche up to the date of the subscription.

15 Qualified Holders

15.1 The ICAV may from time to time impose such restrictions as it think necessary for the purposes of ensuring that no Shares of the ICAV are acquired or held by any person in circumstances:

15.1.1 which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or

15.1.2 which would (or would if other Shares were acquired or held in like circumstances) result in the ICAV incurring any liability to taxation or suffering any other adverse consequence (including a requirement to register under any securities or investment or similar laws or governmental regulation of any country or territory); or

15.1.3 which constitutes a breach of this Instrument or the Prospectus as to eligibility or entitlement to hold such Shares and, in this connection, the ICAV may, inter alia, reject at its discretion any subscription for, sale or transfer of, Shares or any conversion.

15.2 Details of the specific restrictions imposed by the ICAV, the provisions applicable to a Shareholder who acquires or comes to hold or own Shares in one of the relevant circumstances listed in Section 15.1 above (or where the ICAV has reason to believe this to be the case), the Shareholder's obligations and the ICAV's rights and powers in this regard are set out in Schedule 1 to this Instrument.

16 Transfer and Transmission of Shares

16.1 All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.

16.2 The instrument of transfer shall be signed by or on behalf of the transferor and need not be signed by the transferee, and shall meet such requirements as may be specified in the Prospectus or as may otherwise be required by the Directors to prove the right of the transferor to transfer the Shares. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.

16.3 A transfer of Shares may not be registered if such transfer would result in the transferor or the transferee holding a number of Shares less than the Minimum Subscription. Only transferees who certify that they are Qualifying Investors or Knowledgeable Investors and that they are aware of the risk involved in the proposed investment and that inherent in such investment is the potential to lose all of the sum invested, shall be entered on the Register as a Shareholder and shall be permitted to invest in the ICAV. The Directors shall not register a transfer of Shares unless the transferee is a Qualifying Investor or Knowledgeable Investor and has provided such evidence of identity and/or status as the ICAV or its delegates may require.

16.4 The Directors may decline to register any transfer of Shares unless the instrument of transfer is deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer

where the transfer would result in a contravention of any provision of this Instrument or would produce a result inconsistent with any provision of the Prospectus or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the ICAV.

- 16.5 If the Directors decline to register a transfer of any Share they shall, within one month after the date on which the instrument of transfer was lodged with the ICAV, give to the transferee written notice of the refusal. For the avoidance of doubt, the Directors are not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of any law (including any law that is for the time being in force in a country or territory other than the State).
- 16.6 The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** (but subject to Section 19.3 above) that such registration of transfers shall not be suspended for more than thirty days in any year.
- 16.7 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 16.8 In the case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the Shares, but nothing in this Section shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 16.9 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder before the death, insolvency or bankruptcy or by the Shareholder under legal disability before such disability.
- 16.10 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety (90) days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.
- 16.11 No person shall be entitled to be registered as a Shareholder until such time as the relevant application form has been completed to the satisfaction of the ICAV.

17 Repurchase of Shares

- 17.1 The ICAV may repurchase its own outstanding fully paid Shares at any time in accordance with the conditions imposed by the Central Bank and the rules and procedures set out herein and in the Prospectus. A Shareholder may at any time irrevocably request the ICAV to repurchase all or any part of his Shares in the ICAV by forwarding a request for repurchase of Shares to the ICAV and, save as otherwise provided in the Prospectus, a repurchase request shall be effective on the Dealing Day following receipt of the repurchase request. Notwithstanding, the ICAV may create limited liquidity Funds where Shareholders have limited rights to request the repurchase of their Shares as provided for in the Prospectus, and may create closed-ended Funds where Shareholders have no right to request the repurchase of their Shares, subject to any conditions set down by the Central Bank.
- 17.2 A request for repurchase of Shares shall be in such form as the ICAV shall prescribe, shall be irrevocable (without the consent of the ICAV) and shall be filed by a Shareholder in written form at the registered office of the ICAV, or at the office of the person or entity from time to time designated by the ICAV as its agent for the repurchase of Shares, and, at the request of the ICAV shall be accompanied by proper evidence of succession or assignment satisfactory to the ICAV, if applicable.
- 17.3 On receipt of a request for repurchase of Shares duly completed the ICAV shall repurchase the Shares as requested on the Dealing Day on which the repurchase request is effective subject to any suspension of this repurchase obligation pursuant to Section 19.3 hereof. Shares in the capital of the ICAV which are repurchased by the ICAV shall be cancelled. For the avoidance of doubt, Shares held by one Fund in another Fund shall not be cancelled.
- 17.4 The repurchase price per Share in any tranche or Series of Shares shall be the Net Asset Value per Share in that tranche or Series applicable in the case of a repurchase of such Share obtaining on the Dealing Day on which the repurchase request is effective, less such commission and duties and charges as may be set out in the Prospectus such commission, in the case of open-ended Funds, shall not exceed 5% of the Net Asset Value of the Shares subject to repurchase.
- 17.5 Notwithstanding any other provision of this Instrument, in calculating the repurchase price per Share for any tranche or Series of Shares on any Dealing Day when there are net redemptions the Directors, or their delegate, may adjust the repurchase price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- 17.6 Payment to a Shareholder under this Section will ordinarily be made in the relevant Tranche Currency, or at the discretion of the Directors in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be despatched no later than 90 days following acceptance of the repurchase request as provided for in Section 17.1 above, except in the case of a limited liquidity or closed ended fund, where payment shall be made in accordance with the time limits set out in the Prospectus.
- 17.7 On repurchase of part only of the Shares held by any Shareholder, the Directors shall procure that evidence of ownership shall be issued free of charge for the balance of such Shares if so requested by a Shareholder.

- 17.8 In the event that a repurchase of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Subscription the Directors may, if they think fit, repurchase the whole of that Shareholder's holding.
- 17.9 If the ICAV receives requests for the repurchase of Shares in respect of 10 per cent (or 25 per cent in the case of a Fund with quarterly or less frequent redemption facilities, or such other amount in respect of a limited liquidity Fund as the Directors may determine and set out in the Prospectus) or more of the outstanding Shares (by number or value) of any Fund on any Dealing Day, the Directors may elect to restrict the total number of Shares of that Fund to be repurchased to 10 per cent (or such other amount, as appropriate) of the outstanding Shares (by number or by value) in that Fund, in which case all the relevant requests will be scaled down pro rata to the number of Shares requested to be repurchased. The balance of such Shares will be repurchased on the next Dealing Day, subject to the provisions of this section 17.9, and such Shares shall be repurchased rateably (as determined by the Directors and disclosed in the Prospectus) to any Shares to be repurchased on that Dealing Day (except for mandatory redemptions which shall have priority).
- 17.10 A distribution in respect of a redemption may also be made in kind, at the discretion of the Directors, after consultation with the AIFM, provided that where the redemption request represents less than 5 per cent of the Net Asset Value of a Fund, the redemption in kind will only be made with the consent of the redeeming Shareholder. The assets to be transferred shall be selected at the discretion of the Directors with the approval of the Depositary and taken at their value used in determining the redemption price of the Shares being so repurchased. As a result, such distributions will only be made if the Depositary is satisfied that the terms of the distribution will not be such as are likely to result in any material prejudice to the Shareholders in the ICAV. Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities. If a Shareholder so requests, the AIFM shall sell the assets to be distributed to that Shareholder and distribute the net cash proceeds to the Shareholder.
- 17.11 Redemptions in specie will only be accepted by the ICAV where the Depositary is satisfied that the terms of the exchange will not be such as are likely to result in any material prejudice to Shareholders in the relevant Fund.
- 17.12 At any time after the issue of Shares, the ICAV shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of Shares in accordance with Section 15 hereof.
- 17.13 In the event that the ICAV is required to account for, deduct or withhold tax on a disposal of Shares by a Shareholder (whether upon a repurchase of Shares, a transfer of Shares or otherwise) or upon payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors shall be entitled to require the compulsory repurchase and cancellation of all or part of the Shares of such Shareholder for the purposes of obtaining sufficient monies to discharge any such tax liability. The Directors shall instruct the Depositary to place the repurchase proceeds received in respect of such a repurchase of Shares in a separate account so that such monies are separately identifiable for the purposes of discharging any applicable tax liability as aforesaid.
- 17.14 The ICAV may also compulsorily redeem Shares in order to discharge performance related fees which are due and payable to the AIFM and/or the Investment Manager, in such circumstances as are set out in the Prospectus from time to time.

- 17.15 Where the ICAV receives a request for the repurchase of Shares from any Shareholder in respect of which the ICAV is required to account for, deduct or withhold taxation, the ICAV shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of taxation due.
- 17.16 If at any time after a redemption of shares pursuant to this section (including in connection with any complete redemption of shares by a Shareholder), the Directors determine, in their sole discretion, that the amount paid to such Shareholder or former Shareholder pursuant to such redemption was materially incorrect (including because the Net Asset Value at which the Shareholder or former Shareholder purchased such shares was incorrect), the Directors may pay to such Shareholder or former Shareholder any additional amount that the Directors determine such Shareholder or former Shareholder was entitled to receive, or, in the Directors sole discretion, seek payment from such Shareholder or former Shareholder of (and such Shareholder or former Shareholder shall be required to pay) the amount of any excess payment that the Directors determine such Shareholder or former Shareholder received, in each case without interest right to redeem shares. The Directors may, in their sole discretion, determine to redeem a portion of such Shareholder's shareholdings (if available) for no additional consideration so that the number of shares held by such Shareholder following such redemption is the number of shares as would have been issued at the correct Net Asset Value. In the event that the Directors elect not to seek the payment of such amounts from a Shareholder or former Shareholder or is unable to collect such amounts from a Shareholder or former Shareholder, the Net Asset Value will be less than it would have been had such amounts been collected.
- 17.17 Where a closed-ended or limited-liquidity Fund proposes to amend the maximum redemption fee or maximum annual fee charged by the AIFM or the Investment Manager disclosed in the Prospectus and paid directly out of the assets of such Fund, the approval of such increase by 75% of votes cast in favour of the increase where there is no realistic opportunity to redeem a shareholding, and in all other circumstances, by more than 50% of the votes cast.
- 17.18 In connection with any closed-ended Fund established by the ICAV, at the end of such closed-ended period as may be disclosed in the Prospectus, relevant Shareholders in such Fund may be given the opportunity to vote on a Special Resolution to extend such closed-ended period in accordance with the requirements of the Central Bank. In the event that no such Special Resolution is passed at the end of the closed-ended period, or any extended closed-ended period, if applicable, then the ICAV undertake one of the following actions:
- (a) redeem all outstanding Shares of such Fund and thereafter will apply to the Central Bank for revocation of the Fund's approval;
 - (b) convert to an open-ended Fund the relevant details of which will be disclosed in the Prospectus; or
 - (c) obtain Shareholder approval to extend the closed-ended period for a further finite period.

18 Total Repurchase

- 18.1 The ICAV may redeem all of its Shares or the Shares of any Fund or tranche in issue if:
- 18.1.1 the redemption of the Shares in a tranche or Fund is approved by a resolution in writing signed by all of the holders of the Shares in that tranche or Fund, as appropriate, or is approved by a Special Resolution of all of the holders of the Shares in that tranche or Fund, as appropriate;
 - 18.1.2 the Net Asset Value of the Fund, or of a tranche of Shares in a Fund, does not exceed or falls below such amount as may be determined from time to time by the Directors;
 - 18.1.3 the Directors deem it appropriate because of adverse political, economic, fiscal or regulatory factors affecting the ICAV or relevant tranche or Fund of Shares;
 - 18.1.4 where the Depositary has served notice of its intention to retire and an alternative depositary has not been appointed within 90 days from the date of such notice; or
 - 18.1.5 in such other circumstances as may be set out in the Prospectus from time to time.
- 18.2 Where a repurchase of Shares pursuant to Section 17 or 18 would result in the number of Shareholders falling below two or such other minimum number of Shareholders as the Act may stipulate as the legal minimum number of Shareholders in an ICAV or would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged to maintain as the Act may stipulate, the ICAV may defer the repurchase of such Shares the repurchase of which would result in such number or amount not being satisfied until the ICAV is wound up or until the ICAV procures the issue of sufficient Shares to ensure that the aforesaid number and amount are satisfied. The ICAV shall be entitled to select the Shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

19 Determination of Net Asset Value and Temporary Suspension of Dealings

- 19.1 The ICAV and/or the Administrator shall determine the Net Asset Value of the ICAV, and each Fund as at each Valuation Point. The Net Asset Value shall be expressed in the Base Currency as a per Share figure for the issue of Shares and for the repurchase of Shares, respectively as appropriate.
- 19.2 The Net Asset Value per Share of the ICAV shall be calculated by dividing the assets of the ICAV less its liabilities by the number of Shares in issue and shall be determined in accordance with Section 20 and Schedule 2 hereof.
- 19.3 The ICAV may, in each case in the sole discretion of the Directors or the AIFM on behalf of the ICAV, authorise the correction of any errors in the calculation of the Net Asset Value of a Fund or the processing of subscriptions and redemptions. Such correction may involve an adjustment to the number of Shares held by a given Shareholder(s) or the Net Asset Value at which such Shares were issued or to the redemption monies paid to such Shareholder.
- 19.4 The Directors may, in consultation with the Depositary, temporarily suspend the determination of the Net Asset Value and the sale, issue, valuation, purchase, allotment, conversion and/or redemption of Shares of a Fund during:

- 19.4.1 any period when any Recognised Market on which a substantial portion of the investment for the time being comprised in the relevant Fund are quoted, listed, traded or dealt in is closed otherwise than for ordinary holiday, or during which dealings in any such Recognised Market are restricted or suspended;
- 19.4.2 any period where, as a result of political, military, economic or monetary events, conditions of financial markets or other circumstances beyond the control, responsibility and power of the Directors, including the unavailability of relevant prices, the disposal or valuation of investments for the time being comprised in the relevant Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Shareholders of that Fund;
- 19.4.3 any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in the relevant Fund or during any period when for any other reason the value of investments for the time being comprised in the Fund cannot, in the opinion of the Directors, be promptly or accurately ascertained;
- 19.4.4 any period when the ICAV is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of investments for the time being comprised in the Fund, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- 19.4.5 any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on the Fund or the remaining Shareholders in the relevant Fund;
- 19.4.6 any period (other than ordinary holiday or customary weekend closings) when any market or exchange which is the main market or exchange for a significant part of the instruments or positions is closed, or in which trading thereon is restricted or suspended;
- 19.4.7 any period when proceeds of any sale or repurchase of the Shares cannot be transmitted to or from the account of the relevant Fund;
- 19.4.8 any period in which the repurchase of the Shares would, in the opinion of the Directors, result in a violation of applicable laws;
- 19.4.9 any period after a notice convening a meeting of Shareholders for the purpose of dissolving the ICAV or terminating a Fund has been issued, up to and including the date of such meeting of Shareholders; or
- 19.4.10 any period during which dealings in a collective investment scheme in which the Fund has invested a significant portion of its assets are suspended; or
- 19.4.11 any period during which there is, in the opinion of the Directors, a material difficulty in acquiring, establishing, maintaining, substituting, unwinding or disposing of any transaction or asset that they deem necessary to hedge any equity or other price risk of a Fund as part of the implementation of the investment policy of that Fund; or
- 19.4.12 any period when the Directors determine that it is in the best interests of the Shareholders of a Fund to do so.

- 19.5 The ICAV may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of Shares shall be effected on the substitute Dealing Day.
- 19.6 Any such suspension shall be published by the ICAV in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the ICAV, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and in any event within the same Business Day.

20 Valuation of Assets

- 20.1 The Net Asset Value of the ICAV and the ICAV's assets shall be determined in accordance with requirements of the Central Bank, and subject thereto, in accordance with Schedule 2 to this Instrument. The Net Asset Value per Share will be made available to Shareholders in the manner described in the Prospectus.
- 20.2 Where the Directors have determined to issue different Series within a tranche of shares in a Fund, the Net Asset Value per Share with respect to a Series of shares initially will be equal to the Net Asset Value per Share of such Series as of the date of its creation. Since the various Series of Shares are issued at different dates, the Net Asset Value per Share of one Series will differ from the Net Asset Value per Share of another Series. Any appreciation or depreciation of the Net Asset Value of a Fund (excluding any appreciation or depreciation resulting from expenses, income, gains, and losses that are attributable to any foreign exchange hedging or new issues participation in respect of a foreign exchange or new issues tranche (as further described below)) for a Performance Period shall be allocated among the different Series of Shares pro rata in accordance with the Net Asset Value of each Series at the beginning of the applicable Performance Period, prior to any year-to-date accrued Performance Fee and excluding any Net Asset Value attributable to any foreign exchange hedging positions or new issues participation, but after adjustment for any subscriptions, distributions, and redemptions as of the beginning of such Performance Period. The Net Asset Value per Share (prior to any applicable Performance Fee accrual) for each Series of Shares (other than any Series of Shares of a foreign exchange or new issues tranche is determined by attributing in each Performance Period any appreciation or depreciation of the Net Asset Value of a Fund among the different Series of Shares (as set forth above), and then dividing the Net Asset Value of such Series by the number of outstanding Shares therein. The Net Asset Value per Share for each Series of Shares shall be appropriately adjusted to account for dividends paid with respect to such Shares, for additional subscriptions, distributions and redemptions, and for any other events as deemed appropriate by the Directors.

Shares within a Series will have the same Net Asset Value per Share. The portion of the Performance Fee accrued to a particular Series of Shares will then be debited against the Net Asset Value of that Series.

- 20.3 Foreign exchange hedging or participation in new issues may be utilised for the benefit of a particular tranche in a Fund (each such tranche, a "**Foreign Exchange / New Issues Tranche**") and its cost and related liabilities and/or benefits shall be for the account of such tranche in the Fund only. Accordingly, any appreciation or depreciation of the Net Asset Value of the relevant Fund resulting from expenses, income, gains and losses that are attributable to any foreign exchange hedging or new issues participation in respect of a Foreign Exchange / New Issues Tranche shall be attributable solely to the Foreign Exchange / New Issues Tranche to which it

relates. The Net Asset Value for each Series of a Foreign Exchange / New Issues Tranche is determined by attributing in each Performance Period the aggregate appreciation or depreciation of the Net Asset Value of the relevant Fund that is allocated to all of the Series of such Foreign Exchange / New Issues Tranche in accordance with the provisions above, together with any appreciation or depreciation of the Net Asset Value of the Fund resulting from expenses, income, gains and losses attributable to any foreign exchange hedging positions or new issues participation in respect of such Foreign Exchange / New Issues Tranche, pro rata in accordance with the Net Asset Value of each Series of such Foreign Exchange / New Issues Tranche at the beginning of the applicable Performance Period (including any portion thereof attributable to any foreign exchange hedging or new issues participation in respect of such Foreign Exchange / New Issues Tranche) prior to any accrued Performance Fee and after adjustment for any subscriptions, distributions and redemptions as of the beginning of the Performance Period. The Net Asset Value per Share of each Series of a Foreign Exchange / New Issues Tranche shall be equal to the Net Asset Value of such Series divided by the number of outstanding Shares therein. Shares within a Series will have the same Net Asset Value per Share.

21 Side Pockets

- 21.1 From time to time, a portion of the ICAV's assets may consist of one or more illiquid investments (including investments that are illiquid at the time of purchase) that the Directors determine, in their sole discretion, to be subject to practical, regulatory, contractual or legal restrictions on disposition (each such investment or portfolio of investments is referred to herein as a "**Side Pocket Investment**").
- 21.2 Each Shareholder who is a Shareholder at the time a Side Pocket Investment is acquired, or at the time an existing investment or portfolio of investments is determined to be a Side Pocket Investment, may be issued shares in such tranche (each a "**Side Pocket Tranche**") with regard to such Side Pocket Investment as the Directors may determine ("**Tranche S Shares**").
- 21.3 Upon identifying an investment or portfolio of investments as a Side Pocket Investment, a pro-rata portion of each existing Shareholder's shares (and, if such Shareholder holds more than one tranche of shares, pro-rata according to such Shareholder's holdings of such shares) will be converted to Tranche S Shares of a new Side Pocket Tranche by way of redemption and re-issue, without any obligation on the Shareholders or the ICAV to take any other action and without the requirement for any notice to be served on such Shareholder.
- 21.4 Shares which are redeemed and re-issued as Tranche S Shares may include shares in respect of which a suspension or a partial suspension of redemptions is in effect on the date on which such redemption and re-issue occurs and the entire holding of any relevant Shareholders on the Dealing Day prior to the implementation of the suspension or partial suspension of redemptions may be taken into account in calculating the pro rata portion of shares held by such Shareholder which are to be redeemed and re-issued as Tranche S Shares.
- 21.5 Tranche S Shares of a new Side Pocket Tranche will be issued to a Shareholder in a Base Currency amount equal to (i) the aggregate value of such Shareholder's shares divided by the aggregate value of all of the issued and outstanding shares (excluding for this purpose, any Tranche S Shares then outstanding and in the event that a suspension or a partial suspension of redemption is in effect on the date of such issue, calculated based on the shares in issue on the last Dealing Day on which no suspension or partial suspension of redemptions was in effect)

multiplied by (ii) the book value of the Side Pocket Investment attributable to the relevant Tranche S Shares.

- 21.6 Members who purchase shares after a Fund acquires a Side Pocket Investment are not entitled to receive any Tranche S Shares with respect to such Side Pocket Investment or to participate in the gain, loss or income relating to such Tranche S Shares. For the purpose of determining the number of Tranche S Shares in a Side Pocket Tranche to be issued to each Member, the initial Net Asset Value per Tranche S Share of such Side Pocket Tranche shall be such amount as the Directors may determine. Tranche S Shares may also be designated in the Tranche Currency of any shares which were redeemed in conjunction with the issue of such Tranche S Shares.

22 General Meetings

- 22.1 All general meetings of the ICAV shall be held in Ireland.
- 22.2 Subject to Section 22.3, the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next **PROVIDED THAT** so long as the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation it need not hold it in the year of its incorporation or in the following year.
- 22.3 The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' written notice to all Shareholders. Any such election has effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Section 22.3 has effect for a year, one or more Shareholders of the ICAV holding, or together holding, not less than 10% of the voting rights in the ICAV or the auditors of the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
- 22.4 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- 22.5 The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Act.

23 Notice of General Meetings

- 23.1 At least twenty-one clear days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.
- 23.2 The Directors, the AIFM, the Investment Manager, the Depositary, the Administrator and the Auditors shall each be entitled to receive notice of, and attend and speak at, any general meeting of the ICAV.

- 23.3 In each notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.
- 23.4 The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

24 Proceedings at General Meetings

- 24.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.
- 24.2 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders holding voting Shares present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 25.13 to be present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 24.3 If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder (including, for the avoidance of doubt a Subscriber Shareholder) present either in person or by proxy shall be a quorum for any such adjourned meeting.
- 24.4 The chairman or, if absent, the deputy chairman of the ICAV, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Shareholders present shall choose some Shareholder present to be chairman.
- 24.5 The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- 24.6 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the chairman or by at least five Shareholders present in person or by proxy or any Shareholders present representing at least one tenth of the Shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairman that a

resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

- 24.7 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 24.8 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 24.9 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 24.10 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 24.11 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 24.12 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 24.13 If at any time the share capital is divided into different tranches of Shares, the rights attached to any tranche (unless otherwise provided by the terms of issue of the Shares of that tranche or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that tranche, or with the sanction of an Extraordinary Resolution passed at a separate general meeting of the holders of the Shares of that tranche, to which the provisions of this Instrument relating to general meetings shall mutatis mutandis apply, save that the quorum at any such general meeting shall be two or more Shareholders present in person or by proxy together holding at least one-third of the Shares of the relevant tranche, provided that the provisions of Section 24.3 shall apply if such quorum is not present.

25 Votes of Shareholders

- 25.1 Subject to Section 25.13, the Prospectus, and any special rights or restrictions for the time being attached to any tranche of Shares with the prior approval of the Central Bank, each Shareholder shall be entitled to such number of votes as shall be produced by dividing the aggregate net asset value of that Shareholder's shareholding (expressed or converted into the relevant Base Currency and calculated as of the relevant record date) by one. The "relevant record date" for these purposes shall be a date being not more than thirty (30) days prior to the date of the relevant general meeting or written resolution as determined by the Directors.
- 25.2 Where a separate written resolution or general meeting of a particular Fund, tranche or Series of Shares is held, in such circumstances, the Shareholders' votes shall be calculated by reference only to the Net Asset Value of each Shareholder's shareholding in that particular Fund, tranche or Series, as appropriate. The Subscriber Shareholders shall have one (1) vote

for each Subscriber Share held. In relation to a resolution which in the opinion of the Directors affects more than one (1) Fund, tranche or Series of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such Fund, tranche or Series of Shares, such resolution shall have been passed at a separate meeting of the Shareholders of each such Fund, tranche or Series of Shares. The Directors may in their discretion create tranches which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the ICAV. In the event that such tranches are established, the ICAV will ensure that investors' interests will be safeguarded in the event of a proposed change to the investment objectives and policies or increases in the fees of the ICAV. In the case of any such change, such matters shall require the approval of more than 50% by Net Asset Value of Shareholders in the relevant Fund by way of written consent, provided all Shareholders have had the opportunity to submit a written consent. Where the Directors have attached special rights or restrictions to any tranche of Shares as per this Section 25.2, the applicable rights and/or restrictions attaching to such tranche of Shares shall be as disclosed in the Prospectus. Whether or not the ICAV is being liquidated, the special rights or restrictions attached to any tranche of Shares may from time to time, be varied or abrogated with the consent in writing of the Shareholders of at least two-thirds of that tranche (calculated by reference to Net Asset Value per Share), or three-quarters of that tranche (calculated by reference to Net Asset Value per Share) where the business for consideration would require a Special Resolution at Irish law.

- 25.3 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 25.4 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 25.5 On a poll votes may be given either personally or by proxy.
- 25.6 On a poll, a Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- 25.7 The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing, or if the appointer is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in any usual form or in such form as the Directors may approve PROVIDED ALWAYS that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 25.8 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 25.9 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the ICAV or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than forty-eight hours (or such other period as the Directors may determine at their discretion) before the time

appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid.

- 25.10 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 25.11 The Directors may at the expense of the ICAV send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any tranche of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 25.12 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no notice in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the registered office of the ICAV, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 25.13 Any body corporate which is a Shareholder may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 25.14 A resolution in writing signed by all of the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the ICAV.
- 25.15 Notwithstanding section 24.14 above, where non-voting shares been issued in respect of the ICAV or a Fund, tranche or Series of Shares, then any matter specified herein as requiring an Ordinary Resolution shall be deemed to have been approved as if an Ordinary Resolution had been passed where the approval of more than 50% by Net Asset Value of Shareholders in the ICAV or the Fund, tranche or Series of Shares, as appropriate, by way of written consent has been obtained, provided all Shareholders in the ICAV, Fund, tranche or Series of Shares, as appropriate, have had the opportunity to submit a written consent.

Notwithstanding section 24.14 above, where non-voting shares been issued in respect of the ICAV or a Fund, tranche or Series of Shares, then any matter specified herein as requiring a

Special Resolution shall be deemed to have been approved as if a Special Resolution had been passed where the approval of at least 75% by Net Asset Value of Shareholders in the ICAV or the Fund, tranche or Series of Shares, as appropriate, by way of written consent has been obtained, provided all Shareholders in the ICAV, Fund, tranche or Series of Shares, as appropriate, have had the opportunity to submit a written consent.

25.16 With regard to the respective rights and interests of Shareholders of different Funds and/or different tranches, the foregoing provisions of this Instrument shall have effect subject to the following modifications:

25.16.1 a resolution or written consent which in the opinion of the Directors affects one Fund or tranche of Shares shall be deemed to have been duly passed if passed at a separate meeting of the Shareholders of that Fund or tranche or approved by a written consent of Shareholders of that Fund or tranche;

25.16.2 a resolution or written consent which in the opinion of the Directors affects more than one Fund or tranche of Shares but does not give rise to a conflict of interests between the Shareholders of the respective Fund or tranches shall be deemed to have been duly passed if passed at a single meeting of the Shareholders of each such Fund or tranche or approved by a written consent of the Shareholders of each such Fund or tranche;

25.16.3 a resolution or written consent which in the opinion of the Directors affects more than one Fund or tranche of Shares and gives or may give rise to a conflict of interests between the Shareholders of the respective Fund or tranches shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the Shareholders of those Fund or tranches, such resolution shall have been passed at a separate meeting of Shareholders of each Fund or tranche, or approved by a separate written consent of the Shareholders of each Fund or tranche; and

25.16.4 to all such meetings or written consents as aforesaid all the provisions of this Instrument, mutatis mutandis, apply as though references therein to Shares and Shareholders were references to the Shares of the Fund or tranche in question and to the Shareholders for the time being of each such Fund or tranche respectively.

25.16.5 Notwithstanding where any special restrictions attached to a tranche or tranches of Shares pursuant to Section 25.2 restrict any Shareholders right to attend a general meeting, the Directors may, in their sole discretion, determine to consult the Shareholders of Shares of the affected tranche or tranches. Where the Directors have so determined, such business shall only be considered at a general meeting where it has first obtained the consent in writing of the Shareholders of at least two-thirds of each affected tranche (calculated by reference to Net Asset Value per Share), or three-quarters of each impacted tranche (calculated by reference to Net Asset Value per Share) where the business for consideration would require a Special Resolution at Irish law. Where the business to which the affected tranche or tranches' consent is being sought impacts, in the opinion of the Directors, on the rights of more than one tranche of Shares in the same way, then the relevant tranches shall be treated as a single tranche for the purposes of the consent process.

26 Directors

- 26.1 Unless otherwise determined by the Shareholders by Ordinary Resolution, the number of the Directors shall not be less than three nor more than nine.
- 26.2 A Director need not be a Shareholder.
- 26.3 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- 26.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine provided always that the aggregate amount of the remuneration payable to the Directors in accordance with this Section 26.4 in any one year shall not exceed €40,000 (or its equivalent) or such other amount as the Directors may from time to time determine and disclose to the Shareholders. Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or tranche meetings of the ICAV or any other meetings in connection with the business of the ICAV.
- 26.5 The Directors may in addition to such remuneration as is referred to in Section 26.4 hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.
- 26.6 The office of a Director shall be vacated by a Director in any of the following events, namely:
- 26.6.1 if he resigns his office by notice in writing signed by him and left at the registered office of the ICAV;
 - 26.6.2 if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - 26.6.3 if he becomes of unsound mind;
 - 26.6.4 if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;
 - 26.6.5 if he is requested by a majority of the other Directors (not being less than two in number) to vacate office;
 - 26.6.6 if he is removed from office by an Ordinary Resolution, in accordance with section 62 of the Act; and
 - 26.6.7 if he is absent from eight successive meetings without leave expressed by Resolution of the Directors.
- 26.7 Subject to the requirements of the Central Bank, any Director may at any time by instrument in writing under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.

- 26.8 The appointment of an alternate Director shall determine if his appointer ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
- 26.9 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointer as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointer) were a Director. If he himself shall be a director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointer is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointer. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointer is a Shareholder. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director. If the Director appointing an alternate shall die or otherwise cease to hold the office of director, the appointment of the alternate hereunder shall thereupon cease and terminate.
- 26.10 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointer as such appointer may by notice in writing to the ICAV from time to time direct.

27 Directors, Offices and Interests

- 27.1 The Directors may appoint one or more of their body to the office of managing Director or joint managing Director or to any other executive office under the ICAV (including, where considered appropriate, the office of chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.
- 27.2 A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his ordinary remuneration, as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- 27.3 The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- 27.4 The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.

- 27.5 A Director may hold any other office or place of profit under the ICAV (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may arrange.
- 27.6 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his, a Director notwithstanding his office:
- 27.6.1 may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and
- 27.6.2 shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- 27.7 No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.
- 27.8 A copy of every declaration made and notice given in relation to a Director's Shares shall be entered within three days after the date of making or giving thereof in a book kept for this purpose. Such book shall be open for inspection during normal business hours without charge by any Director, Secretary, Auditor or Shareholder at the registered office of the ICAV and shall be produced at every general meeting of the ICAV and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting by any Shareholder or holder of debentures of the ICAV.
- 27.9 For the purposes of this section:
- 27.9.1 a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;
- 27.9.2 an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his;
- 27.9.3 an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointer shall be treated as an interest of the alternate Director.

- 27.10 Save as otherwise provided by this Instrument, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the ICAV. Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.
- 27.11 A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or Shareholder or otherwise howsoever.
- 27.12 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the ICAV such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote (and be counted in the quorum) in respect of each resolution, except that concerning his own appointment.
- 27.13 If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
- 27.14 The ICAV, by Ordinary Resolution, may suspend or relax the provisions of this section to any extent or ratify any transaction not duly authorised by reason of a contravention of this section.

28 Powers of Directors

- 28.1 The business of the ICAV shall be managed by the Directors, who may exercise all such powers of the ICAV as are not by the Act, by the AIFM Rules or hereby required to be exercised by the ICAV in general meeting, subject, nevertheless, to the provisions of the Act, to the AIFM Rules and to the regulations herein contained being not inconsistent with the aforesaid regulations as may be prescribed by the ICAV in general meeting, but no regulations made by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Section shall not be limited or restricted by any special authority or power given to the Directors by this or any other Section.
- 28.2 The Directors, on behalf of the ICAV may subject to the AIFM Rules, form one or more Subsidiary Company. All of the shares, units or other participation interests (as applicable) of a Subsidiary Company shall be held by the Depositary or its nominee or otherwise in accordance with the requirements of the Central Bank for the ICAV with the intention that transactions (including, without limitation, futures and options transactions) should be carried out by the Subsidiary Company, with all assets being held by the Depositary or its nominee for the account of a Subsidiary Company or otherwise as the Central Bank may permit. The investment and borrowing restrictions will take effect as if all the assets of, and all the liabilities of, any Subsidiary Company were held or owned directly by the ICAV. Any Subsidiary Company shall, as required by the Central Bank, be wholly-owned.

- 28.3 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the ICAV, and all other receipts for moneys paid to the ICAV shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors from time to time shall by resolution determine.
- 28.4 Subject to the AIF Rulebook, the Directors may exercise all the powers of the ICAV to invest all or any funds of the ICAV as authorised by this Instrument. Subject to the provisions of the AIF Rulebook and with the authorisation of the Central Bank, the ICAV may invest in collective investment undertakings with which the ICAV is linked by common management and control or by substantial direct or indirect holding, provided that the said collective investment undertaking has investment policies consistent with the investment policies of the ICAV. No such investment may be made unless the manager of the relevant collective investment undertaking has agreed to waive any preliminary or initial charge which it might otherwise be entitled to charge for its own benefit in respect of such investment.

29 Borrowing and Hedging Powers

Subject to the limits and conditions set forth in the Prospectus and laid down by the Central Bank and subject to the provisions of Section 28 hereof, the Directors may exercise all the powers of the ICAV to borrow money, to mortgage or charge its undertaking, property, or any part thereof and to issue debentures, debenture stock and other securities whether outright or as a security for any debts and to use techniques and instruments for hedging and investment purposes.

30 Proceedings of Directors

- 30.1 The ICAV shall be managed and controlled in Ireland and, so far as practicable, all Board meetings of the ICAV shall be held in Ireland.
- 30.2 The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit. Questions arising at any meeting shall be determined by a majority of votes. In case of an equality of votes, whether on a show of hands or on a poll, the chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.
- 30.3 The quorum necessary for the transaction of business of the Directors may be fixed by the Directors, and unless so fixed at any other number shall be two.
- 30.4 The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with the provisions hereof or a majority or quorum of Directors cannot be attained, the continuing Directors or Director may act for the purpose of filling vacancies in their number or of summoning general meetings of the ICAV, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Subscriber Shareholders may summon a general meeting for the purpose of appointing Directors.
- 30.5 The Directors may from time to time elect or remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.
- 30.6 The chairman or, failing him, the deputy chairman shall preside at all meetings of the Directors, but if there be no chairman or deputy chairman, or if at any meeting the chairman or deputy

chairman be not present within thirty minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.

- 30.7 A resolution in writing signed by all the Directors for the time being entitled to receive notice of a meeting of the Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors and for the purposes of the foregoing signature by any alternate Director shall be as effective as the signature of the Director by whom he is appointed.
- 30.8 A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.

- 42.2 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, without the prior approval of the Shareholders where the Depositary certifies that the modification, alteration or addition does not materially prejudice the interests of the Shareholders and is not one which the Central Bank has specified as one requiring approval of the Shareholders.

- 42.3 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, with the sanction of an ordinary resolution of a meeting of Shareholders duly convened and held in accordance with the provisions contained in this Instrument, provided that no such modification, alteration or addition shall be made which shall reduce the interest in any Fund of any Shareholder (without similarly reducing the interests of all Shareholders in such Fund) or reduce the percentage of Shares required to consent to any modification, alteration or addition without the consent of all Shareholders.
- 42.4 Without prejudice to the foregoing, the ICAV shall be entitled (and without the sanction of an ordinary resolution as aforesaid) to modify, alter or add to the provisions of this Instrument in such manner and to such extent as they may consider necessary or expedient having regard to the provisions of any fiscal enactments for the time being in force affecting the ICAV and any arrangements approved by the Revenue Commissioners of Ireland in relation to the carrying into effect hereof or to conform to any legislation, provided that no such modification, alteration or addition shall impose upon any Shareholder any obligation to make any further payment in respect of his Shares or to accept any liability in respect thereof.

Schedule 1

Qualified Holder Restrictions

- 1.1 Unless authorised by the Directors, no Shares shall be issued to or transferred to or be beneficially owned by any US Person. Each subscriber for Shares of the ICAV shall be required to certify that he is not, nor is he acquiring such Shares, except with the authorisation of the Directors, on behalf of or for the benefit of a US Person, and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the United States to, or for the benefit of, a US Person.
- 1.2 The Directors may determine to permit the private sale of Shares in the United States or to US Persons to a limited number of “accredited investors” (as defined in Rule 501(a) of Regulation D under the United States Securities Act of 1933 (the “1933 Act”) who are also “qualified purchasers” (as defined in Section 2(a)(51) of the United States Investment Company Act of 1940 (the “1940 Act”) under restrictions and other circumstances designed to preclude any requirement to register the Shares under the 1933 Act or any securities law of any state of the United States, or cause the ICAV to become subject to the registration requirements of the 1940 Act, including presentation by such investors, prior to the delivery to them of Shares, of a letter containing specified representations and agreements. Each applicant for Shares who is in the United States or a US Person will be required to provide such representations, warranties or documentation as may be required by the Directors to ensure that such requirements are met prior to approval of such sale or transfer by the Directors.
- 1.3 The Directors may not authorise the purchase by or transfer of Shares to or on behalf of a US Person unless:
 - (a) such purchase or transfer does not result in a violation of the 1933 Act or the securities laws of any state of the United States;
 - (b) such purchase or transfer would not require the ICAV to register under the 1940 Act; and
 - (c) there will be no adverse regulatory, tax or fiscal consequences to the ICAV or any of their respective Shareholders as a result of such a purchase or transfer.
- 1.4 The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in this Instrument) as they may think necessary for the purposes of ensuring that no Shares in the ICAV are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a US Person or by any person in the circumstances described in paragraph 1.3 above
- 1.5 Shareholders are required to notify the ICAV immediately in the event that they become Irish Residents, US Persons, Benefit Plan Investors or cease to be Exempt Investors, or the Declaration made by or on their behalf is no longer valid. Shareholders are also required to notify the ICAV immediately in the event that they hold Shares for the account or benefit of Irish Residents, US Persons, Benefit Plan Investors, or otherwise hold Shares in breach of any law or regulation or otherwise in circumstances having or which may have, adverse regulatory, tax or fiscal consequences or be a material administrative disadvantage for the ICAV or the Shareholders as a whole. In addition, Shareholders are required to notify the ICAV if any

information provided or representations made by them on any subscription agreement is no longer correct.

- 1.6 The Directors may upon an application for Shares or at any other time and from time to time require such evidence to be furnished to them in connection with the matters stated in paragraph 1.1 above as they shall in their discretion deem sufficient and if such evidence is not forthcoming may refuse to accept such application or, if Shares have already been issued to any person of whom such a request is made, such person shall be deemed upon the expiration of thirty (30) days from the making of such request, to have requested the redemption of all of his Shares whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Section 17 shall apply subject to paragraph 1.9 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 19.3.
- 1.7 If a person becomes aware that he is holding or owning Shares in contravention of this Schedule 1 or the Instrument he shall forthwith in writing request the ICAV to redeem such Shares in accordance with Section 17 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under paragraph 1.7 below.
- 1.8 Where the ICAV becomes aware that a Shareholder is (a) a US Person or is holding Shares for the account or benefit of a US Person and such person is not an “accredited investor” (as defined in Rule 501(a) of Regulation D under the 1933 Act) and a “qualified purchaser” (as defined in Section 2(a)(51) of the 1940 Act; (b) a Benefit Plan Investor or is holding Shares for the account or benefit of a Benefit Plan Investor; or (c) holding Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, legal, pecuniary or tax consequences or material administrative disadvantage for the ICAV or the Shareholders as a whole; may: (i) direct the Shareholder to dispose of those Shares to a person who is entitled to own the Shares within such time period as the ICAV stipulates; or (ii) redeem the Shares at the Net Asset Value per Share, less any applicable Duties and Charges and any redemption fee as at the next Redemption Day or Dealing Day after the date of notification to the Shareholder or following the end of the period specified for disposal pursuant to (i) above.
- 1.9 If any such person upon whom such a notice is served as aforesaid does not within thirty (30) days after such notice has been served transfer such Shares or request in writing the ICAV to redeem the Shares he shall be deemed forthwith upon the expiration of the said thirty (30) days to have so requested the redemption of all his Shares the subject of such notice whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the ICAV forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such repurchase the provisions of Section 17 shall apply, subject to paragraph 1.9 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Section 19.3.
- 1.10 Settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim

in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited (without interest) upon such consents being obtained.

- 1.11 Any person or persons to whom paragraph 1.1, 1.2, 1.3, 1.4, 1.6 and 1.7 shall apply shall indemnify the Directors, the ICAV, the Administrator, the Depositary, the Investment Manager and the Shareholders (each an "Indemnified Party") from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to this Schedule 1.
- 1.12 Every Shareholder and every applicant for Shares (being a partnership, company or other investment vehicle or entity other than an individual) which is proposing to subscribe for, acquire or hold or which is made aware that it is holding 10% or more of the Shares of the ICAV must immediately disclose in writing to the ICAV the number of US Persons with a shareholding or interest in such applicant or Shareholder. In addition, every Shareholder holding 10% or more of the Shares of the ICAV shall be obliged, for so long as such Shareholder continues to hold 10% or more of the Shares of the ICAV, to immediately disclose in writing to the ICAV any increase or decrease in the number of US Persons with a shareholding or interest in such Shareholder. The ICAV shall be entitled to refuse to allot any Shares to, or to register a transfer in favour of, any applicant or Shareholder if such allotment or transfer would result in such applicant or Shareholder holding 10% or more of the Shares of the ICAV or, in the event that any Shareholder has been permitted to hold 10% or more of the Shares of the ICAV, to redeem such number of the Shares of the ICAV held by such Shareholder as would result in the number of Shares of the ICAV held by such Shareholder being less than 10% of the Shares of the ICAV.
- 1.13 Subject to the rights and restrictions for the time being attached to any tranche or Series, the Directors may, without Shareholder consent, in their sole discretion (including for the purposes of any change to the FINRA Rules or the eligibility or election of a Shareholder to participate in the profits and losses attributable to New Issues, or change in ICAV policy regarding the methodology for allocating New Issues), convert a Shareholder's Shares from a Restricted Share Class to the corresponding Unrestricted Share Class, and vice versa, by way of redemption and reissue in accordance with the conversion provisions set out in Article 12 hereof. For the purposes of such conversion and Article 12 hereof, the relevant Shareholder shall be deemed to have submitted a conversion notice for such Shares and for such Dealing Day as may be determined by the Directors in their sole discretion.

The Directors will only exercise such power if, in their sole discretion, a conversion does not result in unfair treatment of Shareholders.

Schedule 2

Valuation of Assets

- (a) The Net Asset Value of the ICAV shall be calculated in accordance with the provisions of this Schedule.
- (b) The Net Asset Value of a Fund shall be calculated by ascertaining the value of the assets of the relevant Fund and deducting from such amount the liabilities of the Fund, which shall include all fees and expenses payable and/or accrued and/or estimated to be payable out of the assets of the Fund. The Net Asset Value per Share in respect of a Fund which is not divided into different tranches will be calculated by dividing the Net Asset Value of the relevant Fund by the number of Shares of the relevant Fund in issue.
- (c) In the event that a Fund is divided into different tranches, the amount of the Net Asset Value of the Fund attributable to a tranche shall be determined by allocating all relevant fees and expenses to the relevant tranche, making appropriate adjustments to take account of distributions, subscriptions, redemptions, gains and expenses of that tranche and apportioning the Net Asset Value of the Fund accordingly.
- (d) Where the Directors have created different tranches and have determined that (i) each tranche or tranches will incur different levels of fees; (ii) currency hedging transactions may be entered into in order to hedge any relevant currency exposure of any tranche or tranches denominated in a currency other than the Base Currency; (iii) interest rate hedging transactions may be entered into in respect of a specific tranche or tranches; or (iv) financial instruments may be utilised on behalf of a specific tranche or tranches in accordance with the requirements of the Central Bank, in each case the Administrator shall adjust the relevant Net Asset Value per tranche in order to reflect such different levels of fees payable in respect of each such tranche and/or the costs and resultant gains/losses of such hedging transactions and/or financial instruments.
- (e) The Net Asset Value per Share in respect of a tranche will be calculated by dividing the Net Asset Value of the relevant tranche by the number of Shares of the relevant tranche in issue. The Net Asset Value of a Fund attributable to a tranche and the Net Asset Value per Share in respect of a tranche will be expressed in the Tranche Currency of such tranche if it is different to the Base Currency.
- (f) The Net Asset Value of each Fund and the Net Asset Value per Share in each Fund in respect of any Dealing Day will be calculated using the value of each the relevant assets or liabilities as at their respective Valuation Points and will be determined at the time set out in the Prospectus.
- (g) Each asset which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued by reference to the price appearing to the ICAV (or its AIFM) or an external valuer as the last traded price or (if bid and offer quotations are made) the latest available middle market quotation, on the relevant Recognised Market at the relevant Valuation Point, provided that the value of any investment listed, quoted or traded on a Recognised Market but acquired or traded at a premium or discount outside of or off the Recognised Market may be valued taking into account the level of premium or discount as of the date of valuation of the instrument and the ICAV (or its AIFM) or an external valuer must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation of the relevant asset. If the investment is normally quoted, listed or traded on or under the rules of more than one

Recognised Market, the relevant Recognised Market shall be that which the Directors determine provides the fairest criterion of value for the investment. If prices for an investment quoted, listed or traded on the relevant Recognised Market are not available as at the Valuation Point, or are unrepresentative in the opinion of the ICAV (or its AIFM) or an external valuer, such investment shall be valued at the probable realisation value estimated with care and in good faith by the ICAV (or its AIFM) or an external valuer. None of the ICAV (or its AIFM), an external valuer, the Administrator or the Depositary shall be under any liability if a price reasonably believed by them to be the latest available price or, as the case may be, middle market quotation for the time being, is found not to be such.

- (h) The value of any investment which is not normally quoted, listed or traded on or under the rules of a Recognised Market shall be valued at the probable realisation value estimated by the ICAV (or its AIFM) or an external valuer in good faith and with care.
- (i) Fixed income securities may be valued by reference to the valuation of the securities which are considered comparable in rating, yield, due date and other characteristics where reliable market quotations are not available, using a methodology which will be compiled by the ICAV (or its AIFM) or an external valuer.
- (j) Units or shares in collective investment schemes which are not valued in accordance with the provisions above shall be valued on the basis of the latest available net asset value per units or shares as published by the collective investment scheme. In addition, any applicable redemption or withdrawal charges that are customarily imposed by such Investment Vehicles or their managers or administrators may also be taken into account.
- (k) Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the ICAV (or its AIFM) or an external valuer any adjustment should be made to reflect the fair value thereof. The value of any cash on hand, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof.
- (l) Derivative instruments including but not limited to exchange traded swaps, interest rate futures contracts and other financial futures and options contracts which are traded on a Recognised Market shall be valued by reference to the price appearing to the ICAV (or its AIFM) or an external valuer to be the settlement price as of the relevant Valuation Point as determined by the relevant Recognised Market provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any reason, such instruments shall be valued at their probable realisation value as the ICAV (or its AIFM) or an external valuer shall determine.
- (m) Derivative instruments not traded on a Recognised Market (including over-the-counter ("OTC") derivatives) shall be valued at the latest valuation obtained from the counterparty or on the basis of their probable realisation value determined by the ICAV (or its AIFM) or by an external valuer. Forward foreign exchange and interest rate swap contracts may be valued in accordance with the provisions of this paragraph or, alternatively, by reference to freely available market quotations.

- (n) Where the investment policy of a Fund is primarily to invest in cash and high quality money market securities which have a remaining maturity of 397 days or less (or which have regular yield adjustments at least every 397 days or have a risk profile that corresponds to financial instruments with a maturity of up to 397 days), the Fund may be valued by using the amortised cost method of valuation whereby the relevant security is valued at its cost of acquisition adjusted for amortisation of premium or accretions of discount on the security. In addition, where any other Fund invests in securities which have a remaining maturity of three months or less and have no specific sensitivity to market parameters, including credit risk, such securities may also be valued by using the amortised cost method of valuation. The ICAV (or its AIFM) or an external valuer will review the valuation of such securities in accordance with the requirements of the Central Bank and such review will be clearly documented.
- (o) Notwithstanding the above provisions, the ICAV (or its AIFM) or an external valuer may adjust the valuation of any investment or permit some other method of valuation to be used if, having regard to currency, applicable rate of interest, maturity, marketability and/or such other considerations as it deems relevant, they consider that such adjustment is required to reflect more fairly the value thereof.
- (p) Values of assets expressed in a currency other than the Base Currency of the relevant Fund will be converted into the Base Currency of the relevant Fund at the latest available exchange rate at the Valuation Point.
- (q) Notwithstanding any other provisions of this Instrument, the ICAV (or its AIFM) or an external valuer may determine that, in relation to any Fund, the value of any relevant investments shall be calculated by reference to the bid price, where redemptions exceed subscriptions on that Business Day, or by reference to the offer price, where subscriptions exceed redemptions on that Business Day, for such investments as at the Valuation Point. The ICAV (or its AIFM) or an external valuer may also determine that the assets of any specific Fund may be valued on a closing bid, last bid, closing mid-market or latest mid-market price basis. Any such policies shall be applied consistently in respect of a Fund and in respect of all investments of that Fund.
- (r) Save where the determination of the Net Asset Value per Share in respect of the ICAV has been temporarily suspended in the circumstances described in section 19, the Net Asset Value per Share of each Fund shall be made public at the registered office of the AIFM and, if applicable, will be notified to the Irish Stock Exchange without delay following calculation. Subscription and redemption prices of Shares shall be made available to Shareholders on request to the Administrator.
