5.01 The ICAV may issue shares and Debentures subject to and in accordance with this Instrument, the Prospectus, the Bank Regulations, the requirements of the Central Bank and the Act.

5.02 The share capital of the ICAV shall be at all times equal to the value for the time being of the issued share capital of the ICAV. The actual value of the paid up share capital of the ICAV shall at all times be equal to the value of the assets of the ICAV after deduction of its liabilities. The share capital of the ICAV is to be divided into a specified number of shares without assigning any nominal value to them.

5.03 Shares of the ICAV shall be divided into 500,000,000,000 (five hundred billion) ordinary Participating Shares of no nominal value ("Participating Shares") and 2 (two) ordinary non-participating management shares of no par value ("Management Shares"). The ICAV may issue shares as fully paid up, or subscribed and partly paid up, in accordance with this Instrument, the requirements of the Central Bank, the Bank Regulations and the Act. The liability of Members in respect of payment on their shares shall be limited to the amount, if any, unpaid, on the shares respectively held by them. This is without prejudice to any other liability to which a Shareholder may be subject as provided by under the Act. As more specifically described in Clause 12 of this Instrument, Participating Shares shall at the request of any of the Shareholders, be purchased by the ICAV directly or indirectly out of the Investments of the ICAV unless and to the extent as may be provided for in this Instrument, approved by the Central Bank and subject to such requirements as may be imposed by the Central Bank under the Act or any other enactment.

5.04 Subject and without prejudice to Clause 6.02 hereof, Shareholders of Participating Shares shall have the right to participate in or receive profits or income arising from the acquisition, holding, management or disposal of Investments of the relevant Fund, to vote at any general meeting of the ICAV or at any general meeting of the relevant Fund or Class of Participating Shares in respect of which such Participating Shares have been issued and shall have such other rights as may be provided in respect of Participating Shares of a particular Fund or Class in each case as more particularly described in this Instrument, the Prospectus and/or relevant Supplement subject always to the requirements of the Central Bank, the Bank Regulations and the Act. Holders of Management Shares shall have the right to receive an amount not to exceed the consideration paid for such Management Shares and to vote at any general meeting of the ICAV in accordance with the provisions of this Instrument.

- 5.05 The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to issue Participating Shares and Management Shares, subject to and in accordance with the requirements of the Central Bank, Debentures in the ICAV on such terms and in such manner as they may think fit.
- 5.06 (a) The Directors may, subject to this Instrument, the requirements of the Central Bank, the Prospectus, Bank Regulations and the Act, allot, issue, grant options over or otherwise dispose of Participating Shares in the ICAV to such persons on such terms and conditions and at such times and in such manner as they may think fit. The Participating Shares shall be divided into such Classes or Funds as the Directors may from time to time determine. On or before the allotment of any Participating Shares, the Directors shall determine the Class or Fund to which such Participating Shares are designated. All monies payable in respect of a Participating Share (including without limitation, the subscription and redemption monies and distributions/dividends in respect thereof) shall be paid in the currency in which the Participating Share is designated or in such other currency or currencies as the Directors may determine either generally or in relation to a particular Class or Fund. In order to facilitate the equitable application to the holding of each Shareholder of any performance fee payable in respect of a Class of Participating Shares, or for any other purpose as determined by the Directors in accordance with the requirements of the Central Bank and as disclosed in the Prospectus or relevant Supplement, the Directors may in their discretion create series of Participating Shares within that Class in respect of one or more Funds, in which case an initial series of Participating Shares for each relevant Class of Participating Shares will be issued at such time as the Directors may determine and thereafter at such times as the Directors determine and disclose in the Prospectus or relevant Supplement. Each subsequent series of Participating Shares may, at the discretion of the Directors, be re-designated and converted into the initial series at such time and in such circumstances as the Directors may determine and disclose as outlined in the Prospectus or relevant Supplement.
- (b) Without prejudice to the generality of the foregoing Clause 5.06(a), the Directors may, subject to this Instrument, the Prospectus, the Bank Regulations and the Act and in accordance with the requirements of the Central Bank, create and issue at their discretion from time to time (including at times of suspension of (i) the determination of the Net Asset Value; and (ii) the allotment, redemption and conversion of Participating Shares) a new Class or Classes of Participating Shares (“Side Pocket Class”) to which assets and liabilities of a Fund (or any part thereof) are allocated at the discretion of the Directors at any time, either on or after the acquisition thereof, as being or having become Investments that are illiquid or otherwise difficult to value or realise plus such additional assets representing a reserve for commitments and contingencies as the Directors in their discretion determine. Participating Shares in such Side Pocket Class (“Side Pocket Shares”) shall be redeemable by the ICAV and/or by the holders thereof only when so determined by the Directors. The creation of a Side Pocket Class will involve the Directors effecting a pro-rata reduction in the number of Participating Shares held by a Shareholder attributable to the relevant Fund excluding the assets and liabilities attributable to the Side Pocket Class and creating for the benefit of such Shareholder a corresponding pro-

rata interest in the Side Pocket Class. The value of assets and liabilities attributed to a Side Pocket Class shall be determined by the Directors in a manner consistent with Clause 16.00 hereof. Unless otherwise described in this Clause or unless otherwise determined by the Directors, a Side Pocket Class shall have the same rights and characteristics as any other Class of Participating Shares. Shareholders in Classes other than the Side Pocket Class shall not participate in the assets or liabilities attributable to the Side Pocket Class and the assets and liabilities attributable to the Side Pocket Class shall be segregated from and shall not form part of the other assets of the relevant Fund. The liabilities of or attributable to a Side Pocket Class shall be discharged solely out of the assets of that Side Pocket Class.

For the avoidance of doubt, the Directors may establish a Side Pocket Class based on parameters other than those set out in these presents PROVIDED THAT such parameters are detailed in the Prospectus or relevant Fund Supplement. Without prejudice to the generality of the foregoing, the Directors may also, at their discretion create and issue a Side Pocket Class to which assets and liabilities of the Fund which are illiquid or difficult to realise at the time of purchase are allocated.

- 5.07 The Directors may delegate to any duly authorised Director or officer of the ICAV, or to any duly authorised person, firm or corporation, including the AIFM or the Administrator, the duties of accepting the subscription for, receiving payment for, and delivering, new Participating Shares.
- 5.08 The Directors may in their absolute discretion refuse to accept any application for Participating Shares in the ICAV or to accept any application in whole or in part.
- 5.09 On any issue of Participating Shares, the ICAV may pay any brokerage fees or commissions.
- 5.10 No notice of any trust, express or implied shall be entered on the Register and no person shall be recognised by the ICAV as holding any shares on trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any shares or (except only as this Instrument otherwise provides or as by law required) any other right in respect of any share, except an absolute right of title thereto in the registered holder. This shall not preclude the ICAV from requiring a Member or a transferee of shares to furnish the ICAV with information as to the beneficial ownership of any share when such information is required by the ICAV.
- 5.11 The ICAV may, by Ordinary Resolution, alter its share capital by consolidating, redesignating and/or dividing its share capital into shares of larger amount than its existing shares, sub-dividing its shares into shares of smaller amount than that fixed by this Instrument, or by cancelling any shares which, at the date of such Ordinary Resolution have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled.

5.12 Any Debentures issued by the ICAV in accordance with Clause 5.01 will be issued subject to such terms and conditions as determined by the Directors.

6.0 CONSTITUTION OF THE ICAV

6.01 The ICAV is an umbrella type Irish collective asset-management vehicle comprising separate Funds, which may comprise one or more Classes of Participating Shares and with segregated liability between Funds. Each Fund (or, where permitted by the Central Bank, Classes within a Fund) may be established as either an open-ended or closed-ended fund or an open-ended Fund with limited liquidity. The assets of each Fund shall belong exclusively to the relevant Fund and shall not be used to discharge directly or indirectly the liabilities or claims against other Funds and shall not be available for such purpose. No Shareholder shall have any interest in the assets of any Fund by virtue of his/her holding of Participating Shares in the Fund. Subject to the Act, any liability incurred on behalf of or attributable to any Fund shall be discharged solely out of the assets of that Fund. The Directors may from time to time, with the prior approval of and/or upon prior notice to the Central Bank, and in accordance with the requirements of the Central Bank, designate additional Funds and/or Classes respectively and issue Participating Shares in such Funds or Classes.

6.02 Subject to the requirements of the Central Bank, the Directors may in their absolute discretion differentiate between any Class of Participating Shares of the ICAV including without limitation as to the fees payable in respect thereof, distribution policy, currency of denomination, hedging, voting rights, return of capital, the level of fees and expenses to be charged, subscription or redemption procedures, minimum subscription restrictions (if any), minimum transaction restrictions (if any), minimum holding restrictions (if any), use of techniques and instruments for efficient portfolio management or to provide protection against exchange risks and shares of any such Class of the ICAV may have preferred, deferred or other special rights, privileges or restrictions attached thereto. Subject to the requirements of the Central Bank and the provisions of the Regulations, the Directors may in their sole and absolute discretion agree to provide preferential treatment to certain Members (including Members with legal or economic links with the AIFM or the ICAV) whether by side letter or any other agreement as they deem appropriate. Such preferential treatment may relate to (but is not limited to) the application or calculation of fees, share allocations, indemnification obligations and/or representations warranties and covenants contained in the Application Form or Capital Commitment Agreement for the ICAV. In all of its decisions the Directors shall ensure the fair treatment of Members and that any preferential treatment accorded by the ICAV to one or more Members does not result in an overall material disadvantage to other Members. The Directors, a committee of the Directors or the AIFM acting on behalf of the ICAV together with the Investment Manager and any other investment vehicle as may be managed by the Investment Manager may agree with any existing or prospective investor, whether by means of a side letter or other agreement, to waive or modify the application of any of the terms described in the Prospectus or in a contract between the ICAV and the investor or to agree any specific terms with an investor ("Side Letter"). Such investors may include entities or persons who are affiliated with the AIFM or the Investment Manager and/or Shareholders who hold a

majority or substantial interest in the ICAV. Any such Side Letter may be agreed in accordance with the requirements of the Central Bank and the Regulations in relation to (but is not limited to) the application or calculation of fee provisions, most favoured nation provisions, indemnification obligations and/or additional representations, warranties and covenants. The Directors, a committee of the Directors or the AIFM shall ensure that any preferential treatment accorded to one or more Shareholders does not result in an overall material disadvantage to other Shareholders of the ICAV. The Directors shall not be obligated to disclose the existence of specific terms of any Side Letter agreed with an investor to any other investors.

- 6.03 The rights attaching to any Class of Participating Shares of the ICAV may, whether or not the ICAV is being wound up, be varied or abrogated with the sanction of an Ordinary Resolution passed at a separate general meeting of the Members of that Class or Fund of the ICAV. To every such separate general meeting the provisions of this Instrument relating to general meetings shall apply. Any Member of Class of the ICAV in question present in person or by proxy at a general meeting of a Class of the ICAV may demand a poll. The Directors may treat all or some Classes of Participating Shares or Funds of the ICAV as forming one Class of the ICAV and organise a meeting accordingly if they consider that such Funds or Classes of the ICAV would be affected in the same way by the proposals under consideration.
- 6.04 The rights conferred upon the holders of the Participating Shares of any Class or Fund issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the Participating Shares of that Class of the ICAV, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or by the liquidation of the ICAV or of any Fund and distribution of its assets to its Members in accordance with their rights or the vesting of assets in trustees for its Members in specie.
- 6.05 Save where otherwise provided in the Supplement for a Fund, Shareholders are entitled to convert Participating Shares in one Class into Participating Shares of another Class in the same Fund or any other Fund in accordance with the provisions of Clause 14.00 as hereinafter provided or as otherwise provided in the Supplement for the relevant Fund. For the purpose of same, the ICAV may, without prejudice to the provisions with respect to conversion specified in Clause 14.00, take such action as may be necessary to vary or abrogate the rights attached to Participating Shares of one Fund or Class to be converted so that such rights are replaced by the rights attached to the other Fund or Class into which the Participating Shares of the original Fund or Class are to be converted.
- 6.06 The assets and liabilities of the ICAV shall be allocated to each Fund in the following manner:
- (a) for each Fund, the ICAV shall keep separate books and records in which all transactions relating to the relevant Fund shall be recorded and, in particular, in which the proceeds from the issue of Participating Shares in the relevant Fund and the assets and liabilities and income and expenditure attributable thereto shall be applied, subject to the provisions of this Clause;

- (b) any asset derived from another asset of a Fund shall be applied in the records of the relevant Fund as the asset from which it was derived and on each valuation of an asset, the increase or diminution in value thereof shall be applied to the relevant Fund;
- (c) where the ICAV incurs a liability which relates to any asset of a particular Fund or to any action taken in connection with an asset of a particular Fund, such liability shall be allocated to the relevant Fund;
- (d) where an asset or a liability of the ICAV cannot be considered as being attributable to a particular Fund, the Directors shall have the discretion, to allocate such asset or liability between the Funds pro rata or on such other basis as the Directors shall in their discretion deem fair and equitable subject to and in accordance with the requirements of the Central Bank;
- (e) if, as a result of a creditor proceeding against certain of the assets of the ICAV or otherwise, a liability, expense, cost, charge or reserve would be borne in a different manner from that in which it would have been borne under paragraph (d) above, or in any similar circumstances, the Directors may transfer in the books and records of the ICAV any assets to and from any of the Funds;
- (f) where hedging strategies are used in relation to a Fund or Class of Participating Shares, the financial instruments used to implement such strategies shall be deemed to be assets or liabilities (as the case may be) of the relevant Fund as a whole but the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant Class;

Provided always that all liabilities of or attributable to a Fund shall in the event of a winding up of the ICAV or redemption of all of the Participating Shares of a Fund or Class of Participating Shares pursuant to Clause 13.00 be binding on the Fund to which they are attributable and shall not be applied in satisfaction of any liability incurred on behalf of or attributable to any other Fund.

6.07 Clause 6.06 shall apply to the assets and liabilities attributable to any Class of Participating Shares mutatis mutandis as if repeated in full in this Clause PROVIDED THAT where hedging strategies are used in relation to Side Pocket Shares the financial instruments used to implement such strategies shall be deemed to be attributable solely to the Side Pocket Shares and the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant Side Pocket Class.

6.08 The Investments of the ICAV shall belong exclusively to the ICAV and no Member has any ownership or other interest in the Investments of the ICAV by reason of his/her holding of shares.

7.0 SHARE CERTIFICATES, CONFIRMATIONS OF OWNERSHIP AND CERTIFICATES OF DEBENTURE

7.01 A Member in the ICAV shall have his/her title to shares evidenced by having his/her name, address, details of shareholding and such other details as required pursuant to the Act and by the ICAV entered in the Register.

7.02 To be entered on the Register, Shareholders (applicants) must have applied for and acquired Participating Shares in the ICAV to the value of not less than the Minimum Subscription amount (other than in the case of Knowledgeable Persons), certified that they are Qualifying Investors (or Knowledgeable Persons) and that they are aware of the risk involved in the proposed investment and of the fact that inherent in such investment is the potential to lose all of the sum invested.

7.03 A Member whose name appears in the Register shall be issued with a written confirmation of entry in the Register of the number of shares held by him/her including without limitation fractions of shares or may, at the discretion of the Directors, be entitled on written request to be issued with a share certificate or share certificates representing the number of shares held by him/her. The Directors may refuse to issue share certificates at their discretion.

7.04 The ICAV shall maintain the Register in accordance with the Act. The Register shall be kept available for inspection by any person entitled to inspect it in accordance with the Act and shall be kept at the Office or at such other place within Ireland, as the Directors may determine, subject to the requirements of the Act.

7.05 The ICAV shall not be bound to register more than four persons as the joint holders of any share or shares.

7.06 Where two or more persons are registered as the holders of any shares they shall be deemed to hold the same as joint holders, subject to the following:

- (a) the joint holders of any shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such shares;
- (b) any one of such joint holders of shares may give effectual receipts for any dividend/distribution, bonus or return of capital payable to such joint holders;
- (c) only the first-named of the joint holders of a share shall be entitled to delivery of the confirmation of entry on the Register relating to such share or to receive notices from the ICAV to attend general meetings of the ICAV or the relevant Fund or Class as the case may be. Any confirmation of entry on the Register delivered to the first-named of joint holders shall be effective delivery to all, and any notice given to the first-named of joint holders shall be deemed notice given to all the joint holders;

- (d) the vote of the first-named of joint holders who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders; and
- (e) for the purpose of the provisions of this Instrument, the first-named shall be determined by the order in which the names of the joint holders stand in the Register.

7.07 The Register may be kept on magnetic tape or in accordance with some other mechanical or electrical system provided legible evidence can be produced therefrom to satisfy the requirements of applicable law and of this Instrument.

7.08 Where Debentures are issued pursuant to Clause 5.01, a Debenture holder in the ICAV shall have his/her title to Debentures evidenced by having his/her name, details of Debentures held and such other details as the ICAV determines be entered in the register of holders of Debentures.

7.08 Subject to the Bank Regulations and any conditions imposed by the Central Bank pursuant to the Act, the ICAV shall prepare and have ready for delivery the certificates of all debentures allotted and/or transferred, such certificates shall be in such form as determined by the Directors from time to time.

8.0 DEALING DAYS

8.01 (a) All allotments and all issues of Participating Shares in any Fund or Class, other than the initial allotment and issue of Participating Shares, subject as provided hereinafter with respect to payment for Participating Shares, shall be effected or made with respect to a Subscription Day for the relevant Fund or Class.

(b) All redemptions of Participating Shares in any Fund or Class shall be effected or made with respect to a Redemption Day for the relevant Fund or Class.

PROVIDED THAT in the case of a Fund which the Directors consider to be, in accordance with the requirements of the Central Bank, an "open-ended" Fund, there shall be at least one Dealing Day in each calendar quarter and provided further that in the event of any change in a Dealing Day notice in advance thereof in writing or via a durable medium shall be given by the Directors to Shareholders in the relevant Fund or Class.

9.0 ALLOTMENT OF SHARES

9.01 Subject as hereinafter provided, the ICAV may with respect to any Subscription Day on receipt by it of the following from an applicant for Participating Shares in the capital of the ICAV:

(a) an application for Participating Shares in the relevant Fund in such form as the Directors may from time to time determine;

- (b) such declarations as to the applicant's status, identity, residence and otherwise as the Directors may from time to time require; and
- (c) payment for Participating Shares in such manner as the ICAV may from time to time specify;

allot and issue such Participating Shares in that Fund or Class at the Subscription Price for each such Participating Share determined in accordance with Clauses 10.01 to 10.03 of this Instrument PROVIDED THAT if any such application is received after the time specified from time to time by the Directors for the receipt of applications the ICAV may defer the allotment and issue of such Participating Shares until the next succeeding Subscription Day. The time for receipt of applications for Participating Shares will be set out in the Prospectus or relevant Supplement. Any applications received after the time specified from time to time by the Directors but before the time at which the Net Asset Value with respect to a Subscription Day is struck may, at the sole discretion of the Directors, be accepted for the relevant Subscription Day.

- 9.02 Without prejudice to the provisions of Clause 9.06 hereof, the allotment of Participating Shares shall (unless the Directors otherwise agree) be made on terms that (unless settlement has already been effected) the applicant shall effect settlement within such period and, in the event of such allotment being made for cash consideration, in such currency or currencies as the Directors (or their delegate) may determine to be appropriate to receive subscriptions and in the manner required by the Directors and in the event of late settlement the applicant may be charged interest at a rate to be determined by the Directors and/or may be required to compensate the ICAV or its delegate for the amount of any loss arising as a result (as conclusively determined by the Directors) provided always that if the Directors receive payment for Participating Shares in a currency other than the denominated currency of the relevant Class, the Directors may convert or arrange for the conversion of such monies received into the denominated currency of the relevant Class, and shall be entitled to deduct therefrom all expenses incurred in such conversion. The Directors may, at their discretion and in accordance with Clause 10.04 hereof, allot Participating Shares for consideration other than cash or may sell, dispose of or otherwise convert such non-cash consideration (net of expenses incurred in the conversion) for the purchase of Participating Shares.
- 9.03 Subject to Clause 9.06 of this Instrument, the Directors shall not be bound but shall be entitled to await the arrival of cleared funds in settlement before proceeding to issue the Participating Shares.
- 9.04 The ICAV may (at the option of the Directors) satisfy any application for the issue of Participating Shares by procuring the transfer to the applicant of fully paid Participating Shares. In such case, references in this Instrument to allotting and issuing Participating Shares shall where appropriate be taken as references to procuring the transfer of Participating Shares.

9.05 No allotment shall be made under Clause 9.01 in respect of an application which would result in the applicant initially subscribing less than the Minimum Subscription for the time being specified in relation to any Fund or Class of Participating Shares provided that the Directors may, in their discretion, waive or reduce the Minimum Subscription with respect to any applicant for Participating Shares or category thereof PROVIDED THAT the minimum amount of such initial subscription (taking into account other initial subscriptions by the applicant in other Funds or Classes of Participating Shares of the ICAV) shall not be less than €100,000 or its equivalent in another currency (the “Regulatory Minimum Amount”). In accordance with requirements of the Central Bank, the ICAV may grant an exemption from the Regulatory Minimum Amount to the following persons:

- (i) the AIFM;
- (ii) the Investment Manager;
- (iii) the Investment Advisor;
- (iv) a director of the ICAV, the AIFM, the Investment Manager or the Investment Advisor;
- (v) an employee of the ICAV, the AIFM, the Investment Manager or the Investment Advisor, where the employee:
 - is directly involved in the investment activities of the ICAV or any Fund, or
 - is a senior employee of the company and has experience in the provision of investment management services.

(“Knowledgeable Persons”)

PROVIDED THAT the ICAV must be satisfied that prospective investors fall within the criteria outlined above. The investing employees must certify to the ICAV that they are availing of the exemption provided for in this Clause and that they are aware that the ICAV is normally marketed solely to Qualifying Investors who are subject to a Minimum Subscription of €100,000 or its equivalent in another currency. All applicants availing of the exemption by meeting the relevant criteria must certify that they are aware of the risk involved in the proposed investment and that inherent in such investment is the potential to lose the entire sum invested.

9.06 Allotment of Participating Shares may take place provisionally notwithstanding that cleared funds specified in sub-paragraph (c) of Clause 9.01 hereof have not been received by the ICAV or its authorised agent, PROVIDED THAT if such funds have not been received within the usual time limits which the Directors or AIFM may determine as reasonable and disclose in the Prospectus, Participating Shares will not be issued and the Directors may cancel any provisional allotment made and subject to the requirements of the Act make any necessary alteration in the relevant Register and the ICAV may charge the applicant for any loss, cost, expense or fees suffered by the ICAV (or its delegate) as a result of such cancellation.

- 9.07 The Directors may decline to accept any application for the issue of Participating Shares without assigning any reason therefor and may cease to offer Participating Shares in the ICAV for allotment or subscription for a definite period or otherwise.
- 9.08 The Directors reserve the right from time to time to resolve to close any Class or Classes of Participating Shares to new subscriptions, either for a specified period or until they otherwise determine. Shareholders of the relevant Class will be notified of any such closure. During any such period Participating Shares of that Class will not be available for subscription.
- 9.09 The Directors shall be entitled to issue fractions of Participating Shares where the subscription monies received by the ICAV are insufficient to purchase an integral number of Participating Shares, provided, however, that fractional Participating Shares shall not carry any voting rights and where applicable, the Net Asset Value of a fractional Participating Share of any Fund or Class shall be adjusted by the ratio which such fractional Participating Share bears to an integral Participating Share of that Fund or Class at the time of issue and any distribution payable on such fractional Participating Share shall be adjusted in like manner. Any balance of subscription moneys representing less than 0.01 of a Participating Share or such other amount as maybe determined and disclosed in the Prospectus may be retained by the ICAV in order to defray administration costs.
- 9.10 The ICAV may appoint a delegate to carry out the day-to-day operation and such other elements of the allotment, issue, subscription, redemption, transfer and any other share actions as the Directors think fit subject to the requirements of the Act, the Central Bank, the Bank Regulations and in accordance with the Rulebook and the Regulations.
- 9.11 Notwithstanding Clauses 9.01 to 9.10 hereof, the Directors may at any time in their discretion issue Participating Shares in a Side Pocket Class in accordance with Clause 5.06(b).
- 9.12 The Directors may determine that in certain circumstances, it may be detrimental for existing Shareholders for the ICAV to accept an application for Participating Shares representing more than a certain monetary value or a certain percentage of the Net Asset Value of the relevant Fund. In such case, the Directors may limit applications for Participating Shares accordingly, may postpone applications, and in consultation with the relevant applicant(s), require such applicant(s) to stagger the proposed application over an agreed period of time, in which case affected investors will undertake irrevocably to subscribe and pay for Participating Shares in the Fund up to the amount of their commitment as and when required to do so by the Directors.

10.0 SUBSCRIPTION PRICE

- 10.01 The time and the terms upon which, and the Subscription Price per Participating Share at which the initial offer or placing of Participating Shares shall be made shall be determined

by the Directors. In the case of a closed-ended Fund, the provisions of Clause 18.00 of this Instrument shall apply.

- 10.02 (1) Any allotment or placing of a Participating Share with respect to any Subscription Day following the close of the Initial Offer Period of a Fund, shall be made at a Subscription Price per Participating Share ascertained by:
- (a) determining the Net Asset Value per Share of the relevant Fund or Class of Participating Shares as at the Valuation Point for the relevant Dealing Day in accordance with Clause 15.00 of this Instrument (in the case of a closed-ended Fund, upon a Capital Subscription, Shares are issued at the most recently published Net Asset Value at that time);
 - (b) adding thereto a provision for Duties and Charges, if the Directors so determine;
 - (c) in the event of subscription applications exceeding redemption requests for the relevant Fund or Class on any Dealing Day and if the Directors so determine, adding thereto a provision representing an anti-dilution levy to provide for market spreads, dealing costs and preserve the value of the underlying assets of the relevant Fund as the Directors may determine; and
 - (d) rounding the resulting total to such number of decimal places as the Directors may determine.
- (2) The Directors may at their discretion add a preliminary charge not exceeding five per cent (5%) of the total amount subscribed to the Subscription Price for the absolute use and benefit of the ICAV or its delegate or as it may direct, either upon the initial issue of Participating Shares or on a contingent deferred basis and the Directors (or its delegate where the Directors have delegated their discretion) may at their discretion waive, either wholly or partially, such preliminary charge or differentiate between Shareholders or applicants for Participating Shares as to the amount of such preliminary charge, if any, within the permitted limit.
- (3) For the purpose of calculating the number of Participating Shares in issue and deemed to be in issue in a particular Fund, Participating Shares:
- (a) for which applications have been made or which are issued pursuant to Clause 9.00 hereof shall be deemed to be in issue at the close of business on the Subscription Day with respect to which such applications are effected;

- (b) to be redeemed in accordance with Clause 12.00 hereof shall be deemed to remain in issue until the close of business on the Redemption Day with respect to which such redemption is effected.

10.03 The Directors shall be entitled from time to time to offer Participating Shares in a new Class or Classes of Participating Shares of a Fund at such time and on such terms and at such price per Participating Share as the Directors may determine whether or not another Class or Classes of the relevant Fund is or are in existence at the date of establishment of such further Class or Classes of the relevant Fund.

10.04 The Directors may on any Dealing Day allot Participating Shares in any Fund or Class on terms that settlement shall be made by the vesting in the ICAV of any property in which the subscription monies for the relevant Participating Shares may be invested in accordance with the investment objective, policy, and restrictions of the relevant Fund PROVIDED THAT:

- (i) no Participating Shares shall be issued until the Investments have been vested or arrangements are made to vest the Investments with the Depositary or its delegates to the Depositary's satisfaction;
- (ii) any such exchange shall be effected on terms (including provision for paying out of the ICAV's assets, the expenses of the exchange and any preliminary charge payable on the issue of Participating Shares) that the number of Participating Shares to be issued shall be that number which would have been issued at the Subscription Price for a cash amount equal to the value of the Investments as calculated in accordance with Clause 16.00 including such sum as the Directors may consider represents an appropriate provision for Duties and Charges which would arise on the acquisition of the Investments for cash but less such sum as the Directors may consider represents any Duties and Charges to be paid out of the ICAV's assets in connection with the vesting of the Investments;
- (iii) the Investments to be transferred to the ICAV shall be valued on such basis as the Directors may decide so long as such value does not exceed the highest amount that would be obtained on the date of the exchange by applying the rules relating to valuation of Investments contained in Clause 16.00;
- (iv) there may be paid to the incoming Shareholder out of the assets or property of a Fund a sum in cash equal to the value at the current price of any fraction of a Share excluded from the calculation aforesaid; and
- (v) the Depositary shall be satisfied that the terms of such exchange shall not be such as are likely to result in any material prejudice to the existing Members.

10.05 No Participating Shares shall be allotted with respect to a particular Subscription Day if with respect to that Subscription Day the determination of the Net Asset Value of the relevant Fund or attributable to a Class is temporarily suspended pursuant to Clause 15.04 of this Instrument.

10.06 Where subscription monies will not purchase an exact number of Participating Shares a fraction of a Participating Share may be issued.

10.07 Participating Shares shall be issued in registered form.

10.08 The ICAV shall only launch Classes of Participating Shares in a Fund at a fixed price after the Initial Offer Period of those Classes where the ICAV has confirmed to the Central Bank that existing Shareholders in the relevant Fund are not prejudiced.

10.09 Notwithstanding Clauses 10.01 to 10.08 hereof, any allotment of or placing of Side Pocket Shares in a Side Pocket Class in accordance with Clause 5.06(b) hereof shall be made on such terms as the Directors shall in their sole discretion determine provided always that such terms shall be in the best interests of Members.

11.0 QUALIFIED HOLDERS AND COMPULSORY REDEMPTION

11.01 The Directors may impose such restrictions as they may think necessary, and as may be further provided for in the Prospectus or relevant Supplement, for the purpose of ensuring that no Participating Shares in the ICAV are acquired or held directly or beneficially by:

- (i) any person in breach of any restrictions on ownership from time to time as set out herein; or
- (ii) any person if the holding of Participating Shares by such person is unlawful; or
- (iii) if the holding of Participating Shares by any person might result or results in legal, regulatory, pecuniary, taxation or material administrative disadvantage to the ICAV, a Fund or Class or Shareholders as a whole; or
- (iv) any person in breach of the law or requirements of any country or governmental authority by virtue of which such person is not qualified to hold Shares including without limitation any exchange control regulations; or
- (v) a person who is, or any person who has acquired such Shares on behalf of, or for the benefit of a US Person in contravention of applicable laws and regulations; or
- (vi) any person whose holding would cause or be likely to cause the ICAV to be required to register as an "investment company" under the Investment Company Act or to register any class of its securities under the Securities Act as amended or similar statute; or

- (vii) any person who holds less than the Minimum Holding (other than as a result of a depreciation in the value of his/her holding); or
- (viii) such other person or in such other circumstances as the Directors may in their reasonable discretion determine and disclose in the Prospectus or Supplement for the relevant Fund including but not limited to any Shareholder that is in default or arrears in the payment of any Capital Call as set out in the relevant Fund Supplement;
- (ix) any person whose holding would cause or be likely to cause the ICAV to be “plan assets” under ERISA;
- (x) any person who does not, within seven days of a request by or on behalf of the ICAV, supply any information or declaration required under the terms hereof to be furnished;
- (xi) any person who is a Prohibited Person; or
- (xii) any person who has failed to furnish such documentation, information, evidence and/or undertakings which the ICAV considers necessary for compliance with any anti-money laundering and similar provisions applicable to the ICAV.

and the Directors (or any duly appointed delegate on behalf of the ICAV) may reject in their discretion any application for Participating Shares by or any transfer of Participating Shares to any persons who are so excluded from purchasing or holding Participating Shares and pursuant to this Instrument at any time redeem or require or direct the transfer of Participating Shares held by Shareholders who are so excluded from purchasing or holding Participating Shares.

11.02 The Directors shall be entitled to assume without enquiry that none of the Participating Shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to Clause 11.04 below provided that the Directors may upon an application for Participating Shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in Clause 11.01 as they shall in their discretion deem sufficient.

11.03 If a person becomes aware that he/she is holding or owning Participating Shares in contravention of Clause 11.01 he/she shall forthwith in writing request the ICAV to redeem such Participating Shares in accordance with Clause 12.00 of this Instrument or transfer such Participating Shares to a person duly qualified to hold the same unless he/she has already received a notice under Clause 11.04.

11.04 If it shall come to the notice of the Directors or if the Directors shall have reason to believe that any Participating Shares are owned directly or beneficially by any person or persons in breach of any restrictions imposed by the Directors pursuant to Clause 11.01 the

Directors shall be entitled to (i) give notice (in such form as the Directors deem appropriate) to such person requiring him/her to (a) transfer such Participating Shares to a person who is qualified or entitled to own the same without contravening any restriction imposed by the Directors, or (b) request in writing the redemption of such Participating Shares in accordance with Clause 12.00 and/or (ii) appropriate, compulsorily redeem and/or cancel such number of Participating Shares held by such person as is required to discharge and may apply the proceeds of such compulsory redemption in the discharge of any taxation or withholding tax arising as a result of the holding or beneficial ownership of Participating Shares by such person including any interest or penalties payable thereon. This Clause 11.04 is without prejudice to the provisions of Clause 20.00 of this Instrument that apply in respect of Shareholders in a closed-ended Fund where Participating Shares are subscribed for on a Commitment Basis and who default on their obligations (“defaulting Shareholders”) in respect of such Commitments. The Directors may also redeem any Shares held by a Shareholder in order to meet any charges incurred by a Fund as a result of it borrowing monies on a temporary basis pending receipt of subscription monies from the relevant Shareholder. Until such required redemption is effected, the holder of such Shares shall not be entitled to any rights or privileges attaching to such Shares other than the redemption thereof.

11.05 If any person upon whom such a notice is served as aforesaid does not within such time as determined by the Directors after such notice has been served transfer the Participating Shares the subject matter of the notice or request in writing the ICAV to redeem the Participating Shares he/she shall be deemed forthwith upon the expiration of the time determined by the Directors to have requested the redemption of all his/her Participating Shares the subject of such notice whereupon the ICAV shall be deemed to be appointed his/her attorney with authority to appoint any person to sign on his/her behalf such documents as may be required for the purposes of the redemption. To any such redemption the provisions of Clause 12.00 shall apply subject to Clause 11.06 below save that the deemed request to redeem the Participating Shares may not be withdrawn notwithstanding that the determination of the Net Asset Value of the relevant Fund or Class of Participating Shares may have been suspended under Clause 15.04 of this Instrument.

11.06 Settlement of any redemption or transfer effected pursuant to Clauses 11.04 or 11.05 hereof, shall be effected by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled subject to such consents as may be necessary being obtained. Upon deposit of the redemption monies as aforesaid such person shall have no further interest in such Participating Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited without interest. Notwithstanding the foregoing the ICAV may apply the proceeds of such compulsory redemption in the discharge of any taxation or withholding tax arising as a result of the holding or beneficial ownership of Participating Shares by a Shareholder including any interest or penalties payable thereon.

11.07 Any person or persons to whom Clauses 11.01, 11.02, 11.04 or 11.05 shall apply shall indemnify the ICAV, the Directors, the AIFM, any Investment Manager, any Investment

Advisor, the Distributor, the Administrator, the Depositary and any Member for any claims, demands, proceedings, liabilities, damages, losses, costs, expense directly or indirectly suffered by any or all of them as a result of such person or persons acquiring or holding Participating Shares in the ICAV.

11.08 If the ICAV becomes liable to account for tax in any jurisdiction, including any interest or penalties thereon if an event giving rise to a tax liability occurs in the event that a Shareholder or beneficial owner of a Participating Share were to receive a distribution in respect of his/her Participating Shares or to dispose (or deemed to have disposed) of his/her Participating Shares in any way (a "chargeable event"), the ICAV shall be entitled to deduct from the payment arising on a chargeable event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily redeem such number of Participating Shares held by the Shareholder or such beneficial owner of the Participating Shares as have a value sufficient after the deduction of any redemption charges to discharge any such liabilities as are required to meet the amount of tax. The relevant Shareholder shall indemnify and keep the ICAV indemnified against loss arising to the ICAV by reason of the ICAV becoming liable to account for tax in any jurisdiction and any interest or penalties thereon on the happening of a chargeable event giving rise to a tax liability including if no such deduction, appropriation, cancellation or compulsory redemption has been made. The Shareholders also must indemnify the ICAV for the ICAV's obligations for taxes attributable to lower tier entities. The ICAV has additional rights against the Shareholders for taxes not described above.

11.09 The ICAV shall be entitled to redeem any Participating Share of a Shareholder or any Participating Share to which a person is entitled by transmission PROVIDED THAT:

- (i) for a period of six years no cheque or confirmation of entry on the Register sent by the ICAV through the post in a pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Participating Share at his/her address on the Register or the last known address given by the Shareholder or the person entitled by transmission to which cheques or confirmations of entry on the Register are to be sent has been cashed or acknowledged and no communication has been received by the ICAV from the Member or the persons entitled by transmission;
- (ii) at the expiration of the said period of six years the ICAV has given notice of its intention to redeem such Participating Share or Participating Shares by notice sent by pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Participating Share at his/her address on the Register or to the last known address given by the Shareholder or the person entitled by transmission or by advertisement in a national daily newspaper published in Ireland or in a newspaper circulating in the area in which the address of the Shareholder is located;
- (iii) during the period of three months after the date of the giving of such notice and prior to the exercise of the power of redemption the ICAV has not received

any communication from the Shareholder or person entitled by transmission;
and

- (iv) if the Participating Shares are quoted on a stock exchange the ICAV has first given notice in writing to the appropriate section of such stock exchange of its intention to redeem such Participating Shares, if it is required to do so under the rules of such stock exchange.

The ICAV shall account to the Shareholder or to the person entitled to such Participating Shares for the net proceeds of such redemption by carrying all moneys in respect thereof as a permanent debt of the ICAV and the ICAV shall be deemed to be a debtor and not a trustee in respect thereof for such Shareholder or other person.

- 11.10 Notwithstanding Clause 11.04, if it shall come to the notice of the Directors or if the Directors shall have reason to believe that any Shares are owned directly or beneficially by any person or persons in breach of restrictions imposed by the Directors pursuant to Clause 11.01, the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) of their intention to compulsorily redeem that person's Shares. The Directors may charge any such Shareholder, any legal, accounting or administration costs associated with such compulsory redemption. In the event of a compulsory redemption, the Redemption Price will be determined as of the Valuation Point in respect of the relevant Redemption Day specified by the Directors in their notice to the Shareholder. For the avoidance of doubt in the case of any closed-ended Fund the Directors may declare a specific Redemption Day (and corresponding Valuation Day) for the purposes of giving effect to a compulsory redemption of Participating Shares. The proceeds of a compulsory redemption shall be paid in accordance with Clause 11.06 hereof. Any such redemption shall be effected at a price equal to the Net Asset Value per Share at the Valuation Day for the relevant Redemption Day less Duties and Charges as decided by the Directors
- 11.11 The Directors may compulsorily redeem and/or cancel such number of Participating Shares held by such person as is required to effect a pro-rata reduction in the number of Participating Shares held by a Shareholder in order to issue Side Pocket Shares in accordance with Clause 5.06(b).
- 11.12 For the avoidance of doubt and notwithstanding the foregoing, the Directors may, in accordance with the provisions of the relevant Supplement, compulsorily redeem all or any of the Participating Shares held by a Shareholder in a Fund which accepts subscriptions on a Commitment basis in order to effect a distribution and/or return of capital to any such Shareholder.
- 11.13 For the avoidance of doubt and notwithstanding the foregoing, the Directors may determine to compulsorily redeem the Participating Shares held by any Shareholder for any other purposes as may be determined by the Directors in accordance with the requirements of the Rulebook and applicable law.

12.0 REDEMPTION OF SHARES

- 12.01 As is more specifically described herein below and in accordance with the Act, the ICAV has the power to redeem outstanding fully paid Participating Shares of any Fund or Class and Management Shares with respect to any Redemption Day for the relevant Fund or Class in such denominations as the Directors may from time to time decide. Subject to this Instrument and/or as may be disclosed in the relevant Supplement, a Member may at any time request the ICAV to redeem all or any of his/her Participating Shares or Management Shares in the ICAV in such manner as the Directors may from time to time decide. Any such request shall be irrevocable unless otherwise approved in writing by the ICAV (or its duly authorised delegate). Certain Funds of the ICAV may be established with limited or no redemption rights, as may be disclosed in the Prospectus or relevant Supplement and in such cases Shareholders will not be permitted to redeem their holdings on request and a Shareholder in a closed-ended Fund shall not be entitled to request the repurchase of its Participating Shares for as long as the Fund remains a closed-ended Fund. The Directors may at their discretion impose a minimum redemption amount in relation to the ICAV or any particular Fund or Class of Participating Shares. Requests for redemption should be received by the Directors, or where it has delegated the function, such delegate, within the time limits determined by the Directors as set out in the Prospectus or, in relation to a particular Fund or Class of Participating Shares, in the relevant supplement to that Prospectus.
- 12.02 Subject to Clauses 11.04, 11.05 and 11.10 a redemption request shall not be processed until the ICAV has received a completed redemption request and, if applicable, evidence satisfactory to the ICAV of succession or assignment from the Member and such other information or documentation as the ICAV may reasonably require by such time as may from time to time be specified in the Prospectus or relevant Supplement.
- 12.03 In the event of receipt of a valid redemption request by such time as may from time to time be specified by the ICAV, the ICAV shall redeem the Participating Shares or Management Shares that are the subject of the request subject to any suspension of this redemption obligation pursuant to Clause 15.04 or any suspension of the right to redeem more particularly referred to in Clause 12.16 (b) hereof PROVIDED THAT the Directors may, in their discretion, accept a redemption request in respect of Participating Shares for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of redemption requests in respect of Participating Shares for such Dealing Day so long as such redemption is received prior to the Valuation Point for such Dealing Day. Participating Shares or Management Shares in the capital of the ICAV which are redeemed by the ICAV shall be cancelled and the amount of issued share capital of the ICAV shall be reduced by the amount of consideration paid by the ICAV for the purchase or other transfer of the Participating Shares or Management Shares.
- 12.04 Following the processing of a redemption request in respect of Participating Shares, the Shareholder redeeming will be paid a price per Participating Share equal to the

Redemption Price per Participating Share (less any applicable Redemption Charge and/or any deferred subscription charge as detailed in Clause 10.02(2)) ascertained by:

- (a) determining the Net Asset Value per Share of the relevant Fund or Class of Participating Shares as at the Valuation Point for the relevant Redemption Day in accordance with the provisions of Clause 15.00 hereof, excluding as determined by the Directors in their absolute discretion, any Side Pocket Shares;
- (b) deducting therefrom a provision for Duties and Charges if the Directors so determine;
- (c) in the event of requests for redemption exceeding such percentage of the Net Asset Value of the relevant Fund on any Dealing Day as determined by the Directors (or in any other case where the Directors consider such a provision to be in the best interests of a Fund), deducting therefrom such amounts to provide for market spreads, dealing costs and preserve the value of the underlying assets of the relevant Fund as the Directors determine;
- (d) dividing the resulting amount by the number of Participating Shares which are issued or deemed to be in issue in the relevant Fund or Class; and
- (e) rounding the resulting total to such number of decimal places as the Directors may determine.

12.05 A Redemption Charge payable out of the proceeds of redemption may be imposed in respect of redemptions of Participating Shares at the Directors sole discretion, which discretion the Directors may delegate to the AIFM. The Redemption Charge may be retained by the AIFM or its agents at their discretion, or paid to the ICAV. The Redemption Charge may not exceed 5 per cent of the Net Asset Value of the Participating Shares being redeemed. The Directors (or AIFM or Investment Manager, where applicable) may at their absolute discretion rebate or waive such fee in whole or in part and may distinguish between Shareholders as to the application of such fee. Investors defaulting on their Commitments may be charged additional amounts pursuant to Clause 20.00 Where a Fund is closed-ended and there is a realistic provision for liquidity with an opportunity for Shareholders to redeem or otherwise exit the relevant Fund or Class, an Ordinary Resolution in such closed-ended Fund or Class shall be sufficient to increase the Redemption Charge.

12.06 Any amount payable to a Member under this Clause shall be paid in the designated currency of the relevant Fund or Class or such other currency or currencies as the Directors shall have determined as appropriate and shall be dispatched within the time frame determined by the Directors (which will be specified in the Prospectus or relevant Supplement) provided that the ICAV has received the redemption request or instruction in such form as may be determined by the Directors and specified in the Prospectus or Supplement for the relevant Fund. For a Fund deemed by the Directors to be an open-

ended fund, such period must not exceed 90 calendar days from deadline for receipt of redemption requests specified in the Prospectus to the settlement date for redemptions unless otherwise determined by the Directors in accordance with the requirements of the Central Bank. For an open-ended fund which follows, in the determination of the Directors, a “feeder fund” or “fund of funds” strategy, such timeframe shall not exceed 95 calendar days from deadline for receipt of redemption requests specified in the Prospectus or Supplement for the relevant Fund to the settlement date for redemptions unless otherwise determined by the Directors in accordance with the requirements of the Central Bank. Therefore, where such a Fund might deal, for example, on a monthly basis there may be times when redemption proceeds are paid by that Fund on a quarterly basis. For the avoidance of doubt, for Funds other than open-ended funds, this timeframe will be determined by the Directors in their sole discretion. Subject to the foregoing, the Directors or their delegate may, in their discretion, defer payment of any redemption proceeds for Funds other than open-ended Funds in the event that, in the opinion of the Investment Manager, the AIFM or the Directors, assets of the relevant Fund are not sufficiently liquid to realise such redemption proceeds. In the event of such deferral, payment will be made where, in the opinion of the Directors, the AIFM or the Investment Manager, assets of the relevant Fund are sufficiently liquid to merit disposal to realise redemption proceeds.

The Directors also reserve the right to hold back such portion of redemption monies payable to a Shareholder for such period of time as may be determined necessary or desirable for any purpose in accordance with the Rulebook and applicable law.

- 12.07 Any request for redemption of shares shall not be valid and effective unless, in the case of shares for which a certificate has been issued, the certificate or certificates for such shares in proper form accompanies such request or duly endorsed or written confirmation from the Member (if relevant) accompanies such request.
- 12.08 If a redemption of part only of a Shareholder’s holding of Participating Shares leaves the Shareholder holding less than the Minimum Holding the ICAV may redeem the whole of that Shareholder’s holding.
- 12.09 Subject as provided in Clause 12.01 and in Clause 12.15, a Shareholder shall not be entitled to withdraw a request for redemption duly given in accordance with this Clause 12.00.
- 12.10 If the value of Participating Shares of a particular Fund in respect of which redemption requests have been received with respect to any Redemption Day is equal to or greater than:
- (i) one tenth (in the case of a Fund in respect of which the ICAV provides monthly or more frequent redemptions and in respect of which the maximum permitted period from the deadline for receipt of redemption requests and settlement of any such request is 90 calendar days or less (or 95 calendar days or less in the case of a Fund which is considered to be, under the requirements of the Central Bank, a fund of funds or feeder fund); or

- (ii) one quarter (in the case of a Fund in respect of which the ICAV provides redemptions on a quarterly basis and in respect of which the maximum permitted period from the deadline for receipt of redemption requests and settlement of any such request is 90 calendar days or less or 95 calendar days or less in the case of a Fund which is considered to be, under the requirements of the Central Bank, a fund of funds or feeder fund); or
- (iii) in the case of other Funds as determined by the Directors and in accordance with the requirements of the Central Bank, such percentage as determined by the Directors and as may be disclosed in the Prospectus or relevant Supplement (the "Relevant Percentage");

of the Net Asset Value of that particular Fund, then the Directors or their delegate may in their discretion refuse to redeem any Participating Shares in excess of, in the case of (i) as aforesaid, 10%, in the case of (ii) as aforesaid, 25% or in the case of (iii) as aforesaid, the Relevant Percentage, of the Net Asset Value of that Fund and, if they so refuse, the requests for redemption with respect to such Redemption Day may at the discretion of the Directors or their delegate in respect of that Fund be (i) reduced pro rata and the Participating Shares to which each request relates which are not redeemed by reason of such refusal shall be treated as if a request for redemption had been made in respect of each subsequent Redemption Day until all the Participating Shares to which the original request related have been redeemed or (ii) cancelled and the relevant Shareholder may submit a new redemption request for the following Redemption Day. The Directors the AIFM or the Investment Manager in accordance with the requirements of the Central Bank may decide, in exceptional circumstances (such as severe liquidity pressures), to impose a lower gating level acting in the best interests of Shareholders. Redemptions will be made on a pro-rata basis. Requests for redemption which have been carried forward from an earlier Redemption Day shall (subject always to the foregoing limits) be complied with either in priority to later requests or (ii) on a pari passu basis in each case as more particularly described in the Supplement for the relevant Fund provided always that in the case of an open-ended Fund any such treatment of Deferred Redemptions for a particular Fund shall be applied consistently throughout the life of such relevant Fund.

Notwithstanding the foregoing, the Directors may, in accordance with the requirements of the Central Bank and applicable law, impose such other limitations on redemption of Participating Shares from Funds other than open-ended Funds on such basis as the Directors deem equitable taking into account the interests of all Shareholders of the relevant Fund.

12.11 The ICAV may in respect of an open-ended Fund if in accordance with the requirements of the Central Bank, retain up to one tenth of redemption proceeds where this reflects the redemption policy of the underlying assets in which the relevant Fund invests, until such time as the full redemption proceeds from the underlying funds are received.

- 12.12 The ICAV may, at the discretion of the Directors or their delegate, and with the consent of the relevant Shareholders (other than where a redeeming Shareholder requests redemption of a number of Participating Shares that represents 5 per cent. or more of the Net Asset Value of the relevant Fund, in which case such consent is not required provided that in this event, the ICAV will, if requested, sell the assets on behalf of the Shareholder, the costs of such sale being borne by the relevant Shareholder), satisfy any request for redemption of Participating Shares by the transfer in specie to those Shareholders of assets of the relevant Fund having a value (calculated in accordance with Clause 16) equal to the Redemption Price for the Participating Shares redeemed as if the redemption proceeds were paid in cash less any Redemption Charge and other expenses of the transfer as the Directors may determine. The nature and type of assets to be transferred in specie to each Shareholder shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and on terms where the Depositary is satisfied that the terms of such exchange will not be materially prejudicial to the interests of the remaining Shareholders in the relevant Fund or Class and any such asset allocation must be approved by the Depositary.
- 12.13 Where the ICAV receives a request for the redemption of Participating Shares from any Shareholder in respect of which the ICAV is required to account for, deduct or withhold taxation, the ICAV shall be entitled to deduct from the proceeds of redemption such amount of taxation as the ICAV is required to account for, deduct or withhold.
- 12.14 If the ICAV is required to deduct, withhold or account for tax on a disposal of Participating Shares by a Shareholder (whether upon a redemption of Participating Shares, a transfer of Participating Shares or otherwise) or upon the payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors shall be entitled to arrange for the redemption and cancellation of such number of Participating Shares of such Shareholder as are sufficient after the deduction of any Redemption Charge to discharge any such tax liability. At any time subject to the Act, the ICAV shall be entitled to redeem the Management Shares or to procure the transfer of the Management Shares to any person entitled to hold Shares in the ICAV.
- 12.15 If the determination of the Net Asset Value of any Fund or Class of Participating Shares has been suspended pursuant to Clause 15.04 and 12.16 (b) hereof the right of the Shareholder to have his/her Participating Shares redeemed pursuant to this Clause shall be similarly suspended and during the period of suspension he/she may withdraw any request for redemption of his/her Participating Shares. Any withdrawal of a request for redemption under the provisions of this Clause shall be made in writing and shall only be effective if actually received by the ICAV or its duly authorised agent before termination of the suspension. If the request is not withdrawn subject as hereinbefore provided the redemption of the Participating Shares shall be effected on the Redemption Day next following the end of the suspension.
- 12.16 (a) Notwithstanding Clause 12.01 of this Instrument, the ICAV may establish one or more Funds in respect of which Participating Shares may be issued with limited or no redemption rights subject to any conditions set down by the Central Bank and as may be

disclosed in the relevant Supplement describing such Funds. Without limiting the generality of the foregoing, in respect of Funds which may be designated as open-ended with limited liquidity the frequency of redemptions, the timeframe for settlement and the minimum redemptions quotas shall be disclosed in the relevant Supplement. In the case of a Fund that is considered under the requirements of the Central Bank to be a closed-ended Fund by reason of it being closed to redemptions at the request of Shareholders during the period following the initial offer or placing of Participating shares (the “**Closed-Ended Period**”), unless terminated earlier in accordance with the provisions of the Prospectus or relevant Supplement, or extended as provided for herein, the duration of any Closed-Ended Period shall be disclosed in the Prospectus or relevant Supplement and shall be in accordance with the requirements of the Central Bank.

(b) In particular in respect of any Fund which has been established in accordance with the requirements of the Central Bank as an open-ended Fund with limited liquidity, the Directors may in their absolute discretion suspend the rights of Shareholders in that Fund to redeem all or any portion of their Participating Shares on one or more particular Redemption Day in such circumstances as may be described in the Supplement for that Fund and determine that any redemption requests received in respect of such Redemption Day be deemed to have been withdrawn or voided **PROVIDED ALWAYS THAT** any such suspension, withdrawal or voiding of redemptions shall have been disclosed in the Supplement for the relevant Fund prior to any application for Participating Shares in the relevant Fund

12.17

Subject to and in accordance with the requirements of the Central Bank, the Directors may agree, and specify in the relevant Supplement in respect of any closed-ended Fund, that the Closed-Ended Period of such Fund may be extended, such extension being subject to the approval of the Shareholders, the quorum and voting majority to be determined by the Directors and set forth in the relevant Supplement. On the expiry of the Closed Ended Period of the relevant closed-ended Fund, the ICAV will:

- (a) as the Directors consider appropriate, taking into account the interests of Shareholders as they deem appropriate, liquidate the Fund's portfolio of Investments and return the net proceeds thereof to Shareholders as and when such proceeds become available through distributions or the compulsory redemption of Participating Shares, and, following such liquidation, terminate the Fund and apply to the Central Bank for revocation of the Fund's approval. Such liquidation shall commence immediately upon expiry of the Closed-Ended Period of the Fund unless extended pursuant to paragraph (d) below;
- (b) repurchase all outstanding Participating Shares in the relevant Fund and will apply to the Central Bank for revocation of the relevant Fund's approval provided that, if the relevant Fund is the last Fund of the ICAV, the Directors will apply to the Central Bank for revocation of the ICAV's authorisation;
- (c) convert the relevant Fund into an open-ended Fund, the relevant subscription and redemption details of which shall be in accordance with the requirements of the

Central Bank and specified in an addendum to the Prospectus or in a new Prospectus or Supplement to the Prospectus issued upon such conversion and as determined by a duly convened and held general meeting of Shareholders of that Fund; or

- (d) obtain the approval of Shareholders by way of Special Resolution to extend the Closed-Ended Period of the Fund for a further finite period. However, where a redemption facility is available to those Shareholders who do not wish to extend the Closed-Ended Period, an Ordinary Resolution shall be sufficient to extend the Closed-Ended Period; or
- (e) take any other such action as detailed in the Supplement for the relevant Fund in accordance with the requirements of the Central Bank.

12.18 In calculating the Redemption Price in respect of Participating Shares the Directors may require the Administrator to adjust the Net Asset Value per Share to account for any performance fee related charge, fee or adjustment.

12.19 Where all the Participating Shares in the ICAV or a Class have been redeemed, the Directors may subsequent to such redemption make a subsequent issue of Participating Shares in the ICAV or that Class at a price per Participating Share determined by the Directors. Any such issue of Participating Shares pursuant to this Clause shall be in accordance with the requirements of the Central Bank.

12.20 Where relevant, if a redeeming Shareholder owns Participating Shares of more than one series within a Class, Participating Shares will be redeemed on a "first in-first out" basis for the purposes of determining the Redemption Price unless otherwise determined by the Directors and/or disclosed in the Supplement for the relevant Fund. Accordingly, Participating Shares of the earliest issued series owned by the Shareholder will be redeemed first, at the relevant repurchase price for Participating Shares of such series, until the redeeming Shareholder no longer owns any Shares attributable to such series.

12.21 (a) Notwithstanding Clauses 12.01 to 12.20 hereof, the ICAV shall redeem Side Pocket Shares in Side Pocket Classes only when so determined by the Directors and in accordance with such procedures as may be determined by the Directors from time to time.

(b) Where the Directors determine that any Side Pocket Shares are to be redeemed the Member holding such Side Pocket Shares will be paid a price per Side Pocket Share determined by the Directors in their sole discretion having regard to the actual realisation value of any assets attributable to Side Pocket Shares and deducting therefrom a provision for Duties and Charges and any other fees and expenses including without limitation management fees and expenses which have accrued or otherwise have become due and payable in respect of the Side Pocket Shares and the assets attributable thereto and rounding the resulting total to such number of decimal places as the Directors may determine.

- (c) Any amount payable to a Shareholder under this Clause 12.21 shall be paid in the Base Currency or in such other currencies as the Directors shall have determined as appropriate and shall be dispatched as soon as reasonably practicable following the realisation of the assets attributable to the Side Pocket Shares.
- (d) Nothing herein shall require the Directors to issue a balance certificate in respect of Side Pocket Shares.
- (e) The Directors may satisfy any redemption of Side Pocket Shares by the transfer of assets in specie to a Member in accordance with the provisions outlined at Clause 12.12.

12.22 At any time, subject to the Act, the ICAV shall be entitled to redeem all or some of the issued Management Shares or to procure the transfer of the issued Management Shares to any person(s) entitled to hold shares in the ICAV. On any such redemption, the holder of the Management Share(s) shall be entitled to receive an amount not to exceed the consideration paid for such Management Share(s).

12.23 In the event that there is a difference between the Net Asset Value per Share at which Participating Shares were actually redeemed as at any Dealing Day and the audited Net Asset Value per Share recalculated by the Administrator after completion of the annual audit in respect of such Dealing Day as at the Accounting Date, the Directors may with the consent of each affected Shareholder, which consent shall be given in the Application Form completed by such Shareholder, adjust that Shareholder's remaining shareholding to reflect (i) in the case of an overpayment of redemption proceeds to the Shareholder for any particular Dealing Day, a compulsory redemption of such number of Participating Shares as at the next succeeding Dealing Day upon which Participating Shares are to be redeemed at the Net Asset Value per Share prevailing on such Dealing Day and (ii) in the case of an underpayment of redemption proceeds to the Shareholder for any particular Dealing Day the allotment of such additional Participating Shares as at the next succeeding Dealing Day upon which Participating Shares shall be issued at the Net Asset Value per Share prevailing on such Subscription Date in each case as may be required to reflect the difference between the Net Asset Value per Share at which the Participating Shares were actually redeemed and the audited Net Asset Value per Share in respect of a Dealing Day.

13.0 TOTAL REDEMPTION

13.01 The ICAV may at the sole and absolute discretion of the Directors, on the giving by the ICAV to Shareholders of not less than such period of notice, ending on a Redemption Day, as the Directors may determine and/or as may be disclosed in the Prospectus or Supplement for the relevant Fund, redeem at the Redemption Price with respect to such Redemption Day, all of the Participating Shares in any Fund or Class or all Funds or Classes not previously redeemed. For the avoidance of doubt in the case of any closed-ended Fund the Directors may declare a specific Redemption Day (and corresponding Valuation Day) for the purposes of giving effect to a total redemption of Participating

Shares in accordance with this Clause 13.00. Any redemption effected in accordance with this Clause 13.00 shall be effected at a price equal to the Net Asset Value per Share at the Valuation Day for the relevant Redemption Day less Duties and Charges as decided by the Directors

- 13.02 The ICAV may also compulsorily redeem all of the Participating Shares in that Fund not previously redeemed, if at any time after the first anniversary of the establishment of the Fund the Net Asset Value of the Fund falls below such figure as may be determined by the Directors and may be disclosed in the Prospectus on each Dealing Day for such period as may be determined by the Directors and the Shareholders resolve by Ordinary Resolution to terminate the Fund.
- 13.03 The ICAV shall redeem all of the Participating Shares in any Fund or Class not previously redeemed (a) if the holders of 75% or more in value of the Participating Shares in issue in respect of the relevant Fund or Class resolve at a meeting of the Shareholders of such Fund or Class duly convened and held that such Participating Shares should be redeemed; or (b) following the liquidation of assets held in a Fund for which an Investment Management Agreement or Investment Advisory Agreement as described in the Prospectus from time to time, has been terminated; or (c) in the circumstances set out in Clause 40.01. The Directors may in their absolute discretion resolve to retain sufficient monies prior to effecting total redemption of Participating Shares in accordance with this Clause 13.00 to cover the costs of the subsequent termination of the relevant Fund or the liquidation of the ICAV.
- 13.04 If Participating Shares in the ICAV, a particular Fund or Class are to be redeemed as aforesaid the Directors may, with the sanction of an Ordinary Resolution of the ICAV, the relevant Fund or Class or otherwise in accordance with applicable law, divide amongst the Shareholders in specie all or part of the assets of the ICAV, relevant Fund or Class according to the Net Asset Value of the Participating Shares then held by each Shareholder in the ICAV, relevant Fund or Class in accordance with Clause 15.00 hereof PROVIDED THAT any Shareholder shall be entitled to request, at the expense of such Shareholder, the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale.
- 13.05 If all the Participating Shares in the ICAV or a Fund or Class are to be redeemed as aforesaid and the whole or any part of the business or property of the ICAV or relevant Fund or any of the assets of the ICAV, Fund or Class are proposed to be transferred or sold to another entity (hereinafter called "the Transferee") the Directors may, with the sanction of a Special Resolution of the ICAV or the relevant Fund or Class conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the said Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

13.06 The Management Shares (or any of them) may be redeemed by the ICAV at the discretion of the Directors at any time after the first issue of Participating Shares is affected after the Initial Offer Period. The redemption price for each Management Share shall be €1.

14.0 CONVERSION OF SHARES

14.01 Subject as hereinafter provided and to any restrictions imposed pursuant to this Instrument or by the Directors as disclosed in the Prospectus or relevant Supplement, a Shareholder of any Fund or Class (the "Original Fund") may request the conversion of all or any Participating Shares held by him/her into Participating Shares of another Fund or Class (the "New Fund") either existing or agreed to be brought into existence as provided herein. The Directors in their discretion may impose a minimum conversion amount in relation to any particular Fund or Class or refuse to accept a conversion request without assigning any reasons therefor.

14.02 The request for conversion may be made by the said Shareholder (hereinafter called the "Applicant") giving to the ICAV at such place as the Directors may from time to time determine a notice (hereinafter called "Conversion Notice") in such form and by such time and means as the Directors may from time to time determine. The ICAV may charge an applicant for any costs or expenses incurred in respect of any currency transaction which may be required in respect of an exchange of Participating Shares.

14.03 Where permitted by the Directors, the conversion of the Participating Shares in the Original Fund comprised in a Conversion Notice delivered to the ICAV pursuant to this Clause, together with such evidence of title as the Directors may require, shall be made with respect to the Redemption Day in respect of the Original Fund following receipt of a Conversion Note PROVIDED THAT the Participating Shares proposed to be converted have a value at the time of conversion of not less than the value of the Minimum Subscription for the New Fund or such other amount as may be determined by the Directors from time to time and the Shareholder otherwise satisfies the criteria determined by the Directors for investment in the New Fund and/or the Directors may, in their discretion, accept a conversion request for processing on a Redemption Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of conversion requests for such Redemption Day so long as such conversion is received prior to the Valuation Point for the relevant Redemption Day.

14.04 The Applicant shall not without the consent of the Directors or its duly authorised delegate be entitled to withdraw a Conversion Notice duly made in accordance with this Clause except in any circumstances in which he/she would be entitled to withdraw a request for redemption of Participating Shares, and any such withdrawal shall only be effective if made in compliance with the Regulations in relation to redemptions.

14.05 Conversion of the Participating Shares of the Original Fund comprised in the Conversion Notice shall be effected in such manner permitted by the Central Bank and this Instrument and without prejudice to the generality of the foregoing may be effected by the redemption

of Participating Shares of the Original Fund (save that the redemption monies shall not be released to the Applicant) and the allotment and issue of Participating Shares of the New Fund. For the avoidance of doubt in the case of any closed-ended Fund the Directors may declare a specific Redemption Day (and corresponding Valuation Day) for the purposes of giving effect to a conversion of Participating Shares.

14.06 The number of Participating Shares of the New Fund to be allotted and issued on Conversion shall be determined by the Directors or their delegate in accordance (or as nearly as may be in accordance) with the following formula (or such other formula as may be described in the Supplement for the relevant Fund(s)):

$$S = \frac{(R \times NAV \times ER) - F}{SP}$$

where:

S = is the number of Participating Shares of the New Fund to be allotted;

R = the number of Participating Shares of the Original Fund to be redeemed;

NAV = is the Net Asset Value per Share of the Original Fund at the Valuation Point on the relevant Dealing Day;

ER = the currency conversion factor (if any) as determined by the Administrator;

F = the conversion charge (if any) of up to 5% of the realised value of the Participating Shares of the Original Fund.

SP = the Subscription Price of the New Fund on the relevant Dealing Day.

14.07 Upon conversion the Directors shall cause the appropriate amount or value of assets attributable to the Participating Shares of the Original Fund to be transferred or attributed to the New Fund.

14.08 Fractions of Participating Shares of the New Fund may be allotted on conversion.

14.09 The Directors may, at their absolute discretion, which discretion may be delegated to their delegate, charge a fee on the conversion of Participating Shares in the Original Fund into Participating Shares in the New Fund up to a maximum of 5% of the realised value of Participating Shares in the Original Fund being converted, provided that the Directors (or their delegate, where applicable) may reduce or waive the conversion charge and may at their absolute discretion distinguish between Shareholders accordingly.

14.10 Where a conversion request would result in a Shareholder holding a number of Participating Shares in either the Original Fund or the New Fund which would be less than the Minimum Holding for the New Fund, the Directors may, if they think fit, convert the

whole of such Shareholder's holding in the Original Fund to Participating Shares in the New Fund or refuse to effect any conversion from the Original Fund.

14.11 Nothing herein shall compel the Directors to convert Side Pocket Shares into any Participating Shares of any other Fund or Class at the request of any Shareholder. Notwithstanding the foregoing, the Directors may in their sole discretion convert Side Pocket Shares into Participating Shares of another Fund or Class either existing or established as provided herein PROVIDED THAT the Side Pocket Shares proposed to be converted have not previously been the subject of a request for redemption of Participating Shares. The number of Participating Shares of the New Fund to be issued on conversion of Side Pocket Shares shall be determined by the Directors in accordance with Clause 14.06 hereof provided that the reference to NAV shall be understood to mean the price at which Side Pocket Shares may be redeemed by the Directors in accordance with Clause 12.19 hereof.

15.0 DETERMINATION OF NET ASSET VALUE

15.01 The Directors shall with respect to each Dealing Day (or in the case of an open-ended Fund with limited liquidity or a closed-ended Fund, at least once a year) determine the Net Asset Value of each Fund, or if there are different Classes of Participating Shares within a Fund, each Class of Participating Shares in accordance with the following provisions.

15.02 The Net Asset Value of each Fund shall be calculated as at the Valuation Point with respect to any Dealing Day by ascertaining the value of the assets of the Fund calculated pursuant to Clause 16.02 hereof, and deducting from such amount the liabilities of the relevant Fund, calculated pursuant to Clause 16.03 hereof. The Net Asset Value per Participating Share of a Fund shall be determined with respect to any Dealing Day by dividing the Net Asset Value of the relevant Fund by the number of Participating Shares in issue or deemed to be in issue in that Fund at the Valuation Point in respect of the relevant Dealing Day and rounding the resulting total to as many decimal places as the Directors may determine at their discretion, subject to any adjustment necessary to take account of assets and/or liabilities attributable to each Class of Participating Shares including without limitation any Side Pocket Class.

15.03 The Net Asset Value of a Class of Participating Shares shall be determined by calculating that portion of the Net Asset Value of the relevant Fund attributable to the relevant Class. The Net Asset Value per Share of a Class of Participating Shares shall be determined by dividing the Net Asset Value of the Class by the number of Participating Shares in issue in that Class and rounding the resulting total to as many decimal places as the Directors may determine at their discretion.

15.04 The Directors may at any time and from time to time temporarily suspend the determination of the Net Asset Value of a Fund and/or Class of Participating Shares and the issue, redemption and conversion of Participating Shares, in the following instances:

- during the whole or part of any period (other than for ordinary holidays or customary weekends) when any of the exchanges or other markets on which a Fund's Investments are quoted, listed, traded or dealt are closed or during which dealings therein are restricted or suspended or trading is suspended or restricted; or
- during the whole or part of any period when circumstances outside the control of the ICAV or the AIFM exist as a result of which any disposal or valuation of investments of a Fund is not reasonably practicable or would be detrimental to the interests of Shareholders or it is not possible to transfer monies involved in the acquisition or disposition of Investments to or from the relevant account of the ICAV; or
- during the whole or any part of any period when any breakdown occurs in the means of communication normally employed in determining the value of any of a Fund's investments; or
- during the whole or any part of any period when for any reason the value of any of a Fund's Investments cannot be reasonably, promptly or accurately ascertained;
- during the whole or any part of any period when subscription proceeds cannot be transmitted to or from the account of a Fund or the ICAV is unable to repatriate funds required for making redemption payments or when such payments cannot, in the opinion of the AIFM, be carried out at normal rates of exchange;
- upon mutual agreement between the ICAV and the Depositary for the purpose of winding up the ICAV or terminating a Fund;
- during any period when, as a result of political, economic, military or monetary events or any circumstances outside of the control, responsibility and power of the ICAV and the AIFM, disposal or valuation of a substantial portion of the investments of the relevant Fund is not reasonably practicable without being seriously detrimental to the interests of the Shareholders of that Fund or if, in the opinion of the AIFM and the Directors, the Net Asset Value of a Fund cannot be fairly calculated;
- if any other reason makes it impossible or impracticable to determine the value of a substantial portion of the Investments or the ICAV or a Fund.

15.05 Notice of any suspension referred to in this Clause 15.00 shall be notified immediately to the Central Bank and in any event within the working day on which such suspension took effect. Notice shall also be given immediately to the stock exchange on which Shares are listed where relevant and where possible all reasonable steps shall be taken to bring any period of suspension to an end as soon as possible.

15.06 No Participating Shares will be issued or redeemed on any Dealing Day when the determination of the Net Asset Value is suspended. In such a case, a Shareholder may withdraw his/her application or conversion or redemption request, PROVIDED THAT a withdrawal notice is actually received by the Administrator before the suspension is terminated. Unless withdrawn, applications and redemption requests for Participating Shares will be acted upon on the first Subscription Day or Redemption Day, as the case may be, after the suspension is lifted at the relevant Subscription Price or Redemption Price (as the case may be) prevailing on that day.

15.07 The Directors may notify appropriate regulatory and other authorities in accordance with applicable law, regulation, the Rulebook or the requirements of an authority.

16.0 VALUATION OF ASSETS

16.01 The value of the assets of each Fund shall be determined as at the Valuation Point in accordance with Clause 16.02 hereof. The assets of each Fund shall be deemed to include the assets of any subsidiary of the ICAV established or acquired for the benefit of the relevant Fund and all references to the valuation of assets of a Fund shall be deemed to include references to any such subsidiary. The Directors shall be entitled to determine the rules that will apply to the valuation of assets and may delegate to the AIFM all of the powers and authorities and discretions described below including any absolute discretion to deduct an amount representing the assets attributable to any Side Pocket Classes issued in accordance with this Instrument.

16.02 In determining the Net Asset Value of each Fund, the assets shall be valued as follows (unless otherwise determined by the Directors and provided in relation to a specific Fund in the relevant Supplement). Valuations shall be carried out by the AIFM or its duly authorised delegate or an External Valuer and the following shall be interpreted accordingly:

(a) Securities which are quoted, listed or traded on an exchange save as hereinafter provided at (d), (e), (f), (g), (h) and (i) will be valued at the closing price or, if bid and offer prices are quoted, at the average of the two prices so quoted at the relevant Valuation Point. Where a security is listed or dealt in on more than one exchange the relevant exchange or market shall be the principal stock exchange or market on which the security is listed or dealt on or the exchange or market which the AIFM determines provides the fairest criteria in determining a value for the relevant investment. Investments listed or traded on an exchange, but acquired or traded at a premium or at a discount outside or off the relevant exchange or market may be valued taking into account the level of premium or discount at the Valuation Point provided that the Depositary shall be satisfied that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security.

(b) The value of any security which is not quoted, listed or dealt in on an exchange or which is so quoted, listed or dealt but for which no such quotation or value

is available or the available quotation or value is not representative of the fair market value shall be the probable realisation value as estimated with care and good faith by (i) the AIFM or (ii) a competent person, firm or corporation (including an Investment Manager or an Investment Advisor) selected by the AIFM. In ascertaining such value, the AIFM is entitled to accept an estimated valuation from a market-maker or other person qualified in the opinion of the AIFM to value the relevant investments. Where reliable market quotations are not available for fixed income securities the value of such securities may be determined using matrix methodology compiled by the AIFM whereby such securities are valued by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics.

- (c) Cash on hand or on deposit will normally be valued at face value (together with interest declared or accrued but not yet received as at the relevant Valuation Point) unless in any case the AIFM is of the opinion that the same is unlikely to be received or paid in full, in which case the AIFM may make a discount to reflect the true value thereof as at the Valuation Point. Certificates of deposit and similar investments shall normally be valued by reference to the best price available for certificates of deposit or similar investments of like maturity, amount and credit risk at the Valuation Point.
- (d) Derivative contracts traded on a regulated market shall be valued at the settlement price as determined by the market. If the settlement price is not available, the value shall be the probable realisation value estimated with care and in good faith by (i) the AIFM or (ii) an External Valuer (including an Investment Manager or Investment Advisor) appointed by the AIFM for such purpose. Derivative contracts which are not traded on a regulated market and not cleared by a clearing counterparty (each an "OTC derivative") will be valued in accordance with market practice subject to the valuation provisions detailed in Article 11 of EMIR and the related Commission Delegated Regulation No 149/2013. Derivative contracts which are not traded on a regulated market and which are cleared by a central clearing counterparty shall be valued on the basis of a quotation provided by the relevant counterparty and verified periodically by a party independent of the counterparty selected for such purpose by the AIFM.
- (e) Units in collective investment schemes shall be valued at the latest available net asset value per unit or (if the bid and offer prices are published) the price midway between the last available offer and bid prices or, if listed or traded on an exchange, in accordance with (a) above.
- (f) In the case of a Fund which is not a money market fund, the AIFM may value securities having a residual maturity not exceeding six months using the amortised cost method of valuation (whereby the securities are valued at their acquisition cost, adjusted for amortisation of premium or accretion of discount

on the securities provided) where such securities have no specific sensitivity to market parameters, including credit risk.

- (g) The ICAV and/or the AIFM may adjust the value of any investment in consultation with any Investment Manager or Investment Advisor and the Administrator if having regard to its currency, marketability, applicable interest rates, anticipated rates of dividend, maturity, liquidity or any other relevant considerations, they consider that such adjustment is required to reflect the fair value thereof.
- (h) Any value expressed otherwise than in the Base Currency of a Fund or the reference currency of a Class shall be converted into the Base Currency of the relevant Fund or the reference currency of the relevant Class at the exchange rate (whether official or otherwise) which the AIFM or its delegate shall determine to be appropriate.
- (i) Where the value of any investment is not ascertainable as described above, the value shall be the probable realisation value estimated by the AIFM with care and in good faith or by a competent person approved for that purpose by the AIFM.
- (j) If any of the aforementioned valuation principles do not reflect the valuation method commonly used in specific markets or if any such valuation principles does not seem accurate for the purpose of determining the value of a Fund's assets the AIFM or its delegate may adopt different valuation principles in good faith and in accordance with generally accepted valuation principles and procedures.

16.03 In calculating the Net Asset Value of a Fund, appropriate provisions will be made to account for the charges and fees payable by and other liabilities of the relevant Fund or Class of Participating Shares as at the Valuation Point as well as accrued income on the Fund's Investments as determined by the Directors or their authorised delegate in their discretion.

16.04 On any Dealing Day, the Directors may adjust the Net Asset Value of a Fund upwards or downwards as applicable to reflect the costs that may be deemed to be incurred in liquidating or purchasing Investments to satisfy net subscription or redemption requests. The Directors may make such an adjustment taking into account factors such as the estimated dilution costs (such as underlying dealing spreads, commissions and/or other trading expenses) and the size of the Fund. In deciding whether to make such an adjustment, the Directors shall have regard to the interests of existing, continuing and potential investors in the Fund. Any such adjustment will be upwards when the net aggregate transactions result in an increase of the number of Participating Shares and will be downwards when the net aggregate transactions result in a decrease of the number of Participating Shares. The adjusted Net Asset Value will be applicable to all transactions on a particular Dealing Day. Any such adjustment shall be applied

consistently with respect to each Fund for so long as the Fund operates on a going concern basis.

- 16.05 Where hedging strategies are used in relation to a Fund or Class of Participating Shares, the financial instruments used to implement such strategies shall be deemed to be assets or liabilities (as the case may be) of the relevant Fund as a whole but the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant Class.
- 16.06 The Directors or their delegate shall ensure that the Net Asset Value per Participating Share is made available promptly to Shareholders upon request.
- 16.07 Where the Net Capital Activity in respect of a Fund on a given Dealing Day leads to (i) a net inflow of assets in the relevant Fund, the Directors may determine that the Net Asset Value per Share used to process all subscriptions, redemptions or conversions in that Fund on that Dealing Day be adjusted upwards by the Swing Factor or (ii) a net outflow of assets in the relevant Fund, the Directors may determine that the Net Asset Value per Share used to process all subscriptions, redemptions or conversions in that Fund on that Dealing Day be adjusted downwards by the Swing Factor, subject to any conditions set down in the Prospectus or relevant Supplement from time to time.
- 16.08 Save where otherwise determined by the Directors, in the event that the ICAV or a Fund receives a settlement, tax reclaim, class action award, other ad hoc payment, windfall or similar payment, such payment shall be deemed to be for to the benefit of the ICAV or relevant Fund as a whole, rather than to any particular class of investor, as at the date of receipt of such payment.
- 16.09 Without prejudice to their general powers to delegate their functions herein specified, the Directors may delegate any of their functions in relation to the calculation of the Net Asset Value to a committee of the Directors or to any other duly authorised person including the AIFM.
- 16.10 In the absence of wilful misconduct, bad faith, negligence, fraud or manifest error, every decision taken by the Directors or any committee of the Directors or any duly authorised person on behalf of the ICAV in calculating the Net Asset Value shall be final and binding on the ICAV and on present, past or future Shareholders.
- 16.11 All matters concerning the allocation of income, deduction, gain, loss and credit among the Shareholders thereof, including taxes thereon, and accounting procedures not expressly provided for by the terms of this Instrument, shall be determined by the Directors or their delegate, whose determination shall be final and conclusive as to all of the Shareholders.
- 16.10 Notwithstanding that subscription monies, redemption monies and dividend/distribution amounts will be held in Collection Accounts in the name of and treated as assets of and attributable to a Fund:

- (a) any subscription monies received from an investor prior to the Dealing Day of a Fund in respect of which an application for Participating Shares has been, or is expected to be, received will not be taken into account as an asset of the Fund for the purpose of determining the Net Asset Value of that Fund until subsequent to the Valuation Point in respect of the Dealing Day as of which Shares of the Fund are agreed to be issued to that investor;
- (b) any redemption monies payable to an investor subsequent to the Dealing Day of a Fund as of which Shares of that investor were redeemed will not be taken into account as an asset of the Fund for the purpose of determining the Net Asset Value of that Fund; and
- (c) from the date upon which it becomes payable, any dividend/distribution amount payable to a Shareholder will not be taken into account as an asset of the Fund for the purpose of determining the Net Asset Value of that Fund.

17.0 TRANSFER AND TRANSMISSION OF SHARES AND DEBENTURES

17.01 The transfer of shares shall be effected in such denomination as the Directors may from time to time decide in accordance with the following provisions.

17.02 No transfer of Management Shares may be effected without the prior written consent of the ICAV.

17.03 (a) Transfer of shares may be effected by transfer in writing or such other form as determined by the Directors accompanied by such evidence of ownership as the Directors may reasonably require to show the right of the transferor to make the transfer ("Instrument of Transfer"), signed by or on behalf of the transferor and every transfer shall state the full name and address of the transferor and transferee. A transfer of Participating Shares may only be effected by transfer in writing to Qualifying Investors and subject to completion by the transferee of the Application Form for the relevant Fund and any other additional conditions as may be set out in the Supplement for the relevant Fund.

(b) The Directors (or the AIFM where applicable) may from time to time specify a fee for the registration of instruments of transfer (PROVIDED THAT in relation to a transfer of Participating Shares the maximum fee may not exceed 5% of the Net Asset Value of the Participating Shares the subject matter of the transfer on the Dealing Day immediately preceding the date of the transfer) and which may be retained for the sole use and benefit of the ICAV or its delegate as the Directors in their absolute discretion may determine, which discretion may be delegated to the AIFM. The Directors (or AIFM, where applicable) reserve the right to reduce or waive any transfer fee and may distinguish between Members accordingly.

17.04 The Instrument of Transfer shall be signed by or on behalf of the transferor and need not be signed by the transferee. The signature on the Instrument of Transfer may be affixed manually or electronically and may be an actual signature or a facsimile signature or any

form of signature approved by the Directors. The Directors shall not be bound to enquire as to the genuineness of any signature. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.

17.05 Nothing herein shall prejudice the power of the ICAV to register as a Member any person to whom the rights to any shares in the ICAV has been transmitted by operation of law.

17.06 The Directors may, before the end of the period of two months commencing with the date of receipt of the Instrument of Transfer, decline to register the transfer in the following circumstances:

- (i) if in consequence of such transfer, the transferor or the transferee would hold a number of Participating Shares less than the Minimum Holding;
- (ii) if all applicable taxes and/or stamp duties have not been paid in respect of the Instrument of Transfer and unless the Instrument of Transfer is deposited at the Office or such other place as the Directors may reasonably require, accompanied by such relevant information and declarations as the Directors may reasonably require from the transferee including without limitation, information and declarations of the type which may be requested from an applicant for shares in the ICAV and such fee as may from time to time be specified by the Directors for the registration of any Instrument of Transfer;
- (iii) where the Directors are aware or reasonably believe the transfer would result in the beneficial ownership of Participating Shares by a Prohibited Person or a person in contravention of any restrictions on ownership imposed by the Directors or if the holding of Participating Shares by any transferee is unlawful or is likely to result or results in any tax, fiscal, legal, regulatory, pecuniary liability or disadvantage or material administrative disadvantage to the ICAV, a Fund, Class or the Shareholders as a whole;
- (iv) unless the Instrument of Transfer is deposited with the Administrator together with such evidence as is required by the Administrator to satisfy the Administrator as to its or the ICAV's requirements to prevent money laundering and to determine whether or not the transferee is a Prohibited Person;
- (v) if the registration of such transfer would result in a contravention of any provision of law; or
- (vi) for such other reason as may be provided in the Prospectus or Supplement in respect of a Fund.

17.07 If the Directors decline to register a transfer of any share they shall send to the transferee written notice of such refusal, PROVIDED THAT the Directors are not required to give notice to any person of a refusal to register a transfer where the giving of the notice would

result in a contravention of any provision of law (including any that is for the time being in force in a country or territory other than Ireland).

- 17.08 The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, PROVIDED ALWAYS that such registration of transfers shall not be suspended for more than thirty days in any year.
- 17.09 All Instruments of Transfer evidencing a transfer of shares which shall be registered shall be retained by the ICAV, but any Instrument of Transfer relating to a transfer of shares which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 17.10 In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators or other personal representative of the deceased where he/she was a sole or surviving holder, shall be the only person(s) recognised by the ICAV as having title to his/her interest in the shares, but nothing in this Clause shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him/her.
- 17.11 Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death, insolvency or bankruptcy of a Member or otherwise by operation of law shall, upon producing such evidence of his/her title as the Directors may require, have the right either to be registered himself/herself as the holder of the share or shares or to elect to have some person nominated by him/her registered as the transferee thereof but the Directors shall, in either case, have the same right to refuse or suspend registration as it would have had in the case of a transfer of the share by the infant or the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy of the Member or a Member under a legal disability before such disability. If the person so becoming entitled elects to be registered himself/herself, he/she shall deliver or send to the ICAV a notice in writing signed by him/her stating that he/she so elects. If he/she shall elect to have his/her nominee registered, he/she shall signify his/her election by signing and delivering or sending to the ICAV an Instrument of Transfer of such share or shares in favour of his/her nominee. Any transfer by such person so entitled shall be as valid as if they had been a Member at the time of the execution of the Instrument of Transfer.
- 17.12 All the limitations, restrictions and provisions of this Instrument relating to the right to transfer and the registration of transfers of shares shall be applicable to any notice or Instrument of Transfer given or made pursuant to Clause 17.11 as if the death or bankruptcy of the Member or other event giving rise to the transmission had not occurred and the notice of Instrument of Transfer were an Instrument of Transfer signed by that Member.
- 17.13 A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member or otherwise by operation of law shall, upon production of such evidence of his/her title as the Directors may require, have the right to receive and may

give a discharge for all moneys payable or other advantages due on or in respect of the share, but he/she shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor, save as aforesaid, to any of the rights or privileges of a Member unless and until he/she shall be registered as a Member in respect of the share PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself/herself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

17.14 A certification within the meaning of the Act by an ICAV of any Instrument of Transfer shall be taken as a representation by the ICAV to any person acting on the faith of the certificate that there have been produced to the ICAV such documents as on the face of them show a prima facie title to the shares in the transferor named in the Instrument of Transfer but not as a representation that the transferor has any title to the shares.

17.15 No person whatsoever shall be entitled to be registered on the Register until such person has provided the Directors with such relevant information as they may reasonably require.

17.16 If the ICAV is required to deduct, withhold or account for tax including any penalties and interest thereon upon the transfer of shares by a Member the provisions of Clause 12.13 hereof shall apply mutatis mutandis as if repeated in full herein.

17.17 Any transfer of Debentures of the ICAV shall be effected in such form and manner as the Directors may from time to time decide, subject to and in accordance with the requirements of the Act.

18.0 CALLS ON PARTICIPATING SHARES

18.01 The Directors may from time to time make calls upon the holders of Participating Shares in respect of any monies unpaid on their Participating Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Participating Shares shall be payable less than such time period as determined by the Directors and each holder shall (subject to being given such period of notice as determined by the Directors specifying the time or times and place of payment) pay to the ICAV at the time or times and place so specified the amount called on his/her Participating Shares. A call may be made payable by instalments. A call may be revoked or postponed as the Directors may determine.

18.02 A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

18.03 The joint holders of a Participating Share shall be jointly and severally liable to pay all calls and other monies due in respect thereof.

- 18.04 If a sum called in respect of a Participating Share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate as the Directors may determine, but the Directors shall be at liberty to waive payment of such interest wholly or in part.
- 18.05 Any sum which by the terms of issue of a Participating Share becomes payable upon allotment or at any fixed date shall for all purposes of this Instrument be deemed to be a call duly made and payable on the date on which by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of this Instrument as to payment of interest or otherwise, shall apply as if such sum had become payable by virtue of a call duly made and notified.
- 18.06 The Directors may make arrangements on the issue of Participating Shares for a difference between the holders in the amount of calls to be paid and in the times of payment.
- 18.07 The Directors may, if they think fit, receive from any holder of Participating Shares willing to advance the same all or any part of the money uncalled and unpaid upon the Participating Shares held by him/her beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Participating Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Participating Shares in respect of which it has been received. The ICAV may (until the same would, but for such advance, become presently payable) pay interest at such rate as may be agreed between the holder of Participating Shares paying such sum and the Directors PROVIDED THAT any amount paid up in advance of calls shall not entitle the holder of the Participating Shares upon which such amount is paid to participate in respect thereof in any dividend until the same would but for such advance become presently payable.

19.0 INVESTOR COMMITMENTS

- 19.01 Where Participating Shares are issued on a Commitment basis only, the following provisions shall apply:
- (i) successful applicants shall be required to undertake irrevocably to subscribe and pay for fully paid Participating Shares in the ICAV when required to do so by the Directors, the AIFM or its delegate in accordance with this Clause 19.00 and Clause 20.00 and/or the terms of the Prospectus or Supplement for the relevant Fund;
 - (ii) Shareholders may be called on to pay for Participating Shares for a period as set out in the Prospectus or relevant Supplement. Amounts drawn against each Shareholder's Capital Commitment will be applied as determined by the Directors or the AIFM or its delegate and disclosed in the Prospectus or relevant

Supplement;

- (iii) the Directors may, or the AIFM or its delegate may, if directed to do so by the Directors at their sole discretion, open the Fund to additional subscription and/or obtain additional Commitments to purchase Participating Shares from new investors and/or existing Shareholders on any Subsequent Closing;
- (iv) The Directors may determine that all or any free cash flow, interest payments and/or other income (as determined by the Directors) net of such amounts as the Directors shall determine, shall be distributed to existing Shareholders immediately prior to any Subsequent Closing in the manner more particularly described in the Prospectus or relevant Fund.
- (v) The Directors may determine that new Participating Shares issued on Subsequent Closings shall be issued in accordance with the requirements of the Central Bank at the Initial Offer Price for the relevant Class as determined by the Directors or at the Subscription Price. In addition, where Participating Shares are to be issued at the Initial Offer Price on Subsequent Closings, an investor or Shareholder subscribing for Participating Shares at Subsequent Closings (or increasing its Capital Commitment) (a "Subsequent Investor") will, on subscription, advance (a) a sum equaling the aggregate amount which would have been drawn down had the Subsequent Investor subscribed on the Initial Closing Date, together with interest on such amount at the rate of interest determined by the Directors and set out in the Prospectus or relevant Supplement; and (b) a sum equaling any management fees and expenses which he/she would have been required to bear had he/she subscribed on the Initial Closing Date together with interest at such rate as determined by the Directors and set out in the Prospectus or relevant Supplement. The Directors may determine that sums representing interest payable under (a) and (b) above are payable in addition to a Shareholder's Capital Commitment. The Directors may determine that existing Shareholders will be paid by means of a distribution of that part of the sums drawn down under (a) above as represents the difference between the amounts actually drawn down with a pro-rata share of the interest from existing Shareholders and the amounts that would have been drawn down if the Subsequent Investor had been admitted on the Initial Closing Date, together paid under (a) above. The Directors may determine that any such repayment will not be treated as having been advanced, and will therefore be added to the existing Shareholders Remaining Capital Commitment. The Directors may determine that amounts paid under (b) above will be paid to the AIFM or its delegate.
- (vi) The Directors may if so disclosed in the Prospectus or relevant Supplement excuse an investor from its obligation to purchase Participating Shares pursuant to a Capital Commitment upon receipt of a Capital Call Notice if: (a) as a result of an event that is applicable to the Fund or the investor and cannot reasonably be avoided, the investor's shareholding gives rise to a violation or breach of law (or regulation having the force of law) in its principal place of business or incorporation

which: (i) makes it unlawful for such investor to continue to fund calls on its Capital Commitment for the purposes of funding Investments or to hold Participating Shares (or portions thereof), or (ii) gives rise to any material taxes or penalties imposed on it, and (b) the investor provides a legal opinion issued by legal counsel in a form and content reasonably acceptable to the Directors or their delegate to the effect that such breach or violation has occurred.

20.0 CAPITAL CALLS AND CAPITAL CONTRIBUTIONS

20.01 Where Participating Shares are issued on a Commitment basis only, the following provisions shall apply in respect of Capital Calls:

- (i) The Directors, the AIFM or its delegate will make a Capital Call and seek Capital Contributions in accordance with the provisions, procedures and time frames set down in the Prospectus or relevant Supplement (as they may be amended from time to time).
- (ii) Other than as may be required to pay costs, expenses and liabilities of the Fund, the ICAV may, if determined by the Directors, cancel all Remaining Capital Commitments (if any) following the disposal of all of the assets of the Fund or as may otherwise be determined by the Directors and set out in the Prospectus or Supplement for the relevant Fund.
- (iii) Following the expiry of the Investment Period the ICAV may not make further Capital Calls for the purpose of acquiring new Investments, however, Remaining Capital Commitments may be drawn upon for such purposes as more particularly described in the Prospectus or Supplement for the relevant Fund including without limitation for the purpose of:
 - (a) paying the management fees and expenses and the operating costs of the relevant Fund;
 - (b) completing Investments by the Fund for which a binding commitment to invest was in place before the end of the Investment Period;
 - (c) such other purposes as determined by the Directors and set out in the Prospectus or relevant Supplement.

20.02 The Directors shall have the power to take any other action with respect to Shareholders in default or in arrears in the payment of any Capital Contribution as may be specified in the Prospectus or relevant Supplement in accordance with the requirements of the Central Bank and applicable law. Without prejudice to the generality of the foregoing a defaulting Shareholder may be charged interest at a rate determined by the Directors and as set out in the Prospectus or relevant Supplement (as they may be amended from time to time) on the sum of the amount outstanding from time to time plus any costs, liabilities and losses of the Fund that are caused by such Shareholder's default. Any

defaulting Shareholder shall indemnify and keep the ICAV, the relevant Fund, the Directors, the AIFM, any Investment Manager, any Investment Advisor, the Administrator and the Depositary indemnified against any loss arising from or in connection with such default. Any interest due shall accrue on amounts subject to default in payment in accordance with the provisions of the Prospectus or any Supplement to the Prospectus (as they may be amended from time to time). For the purpose of giving effect to any right of action that the Directors may have in respect of a defaulting Shareholder in accordance with the Prospectus or Supplement for the relevant Fund the ICAV shall be deemed to be appointed attorney of such defaulting Shareholder with authority to do any such act or thing as may be required for such purpose.

- 20.03 The ICAV may call on the Capital Commitments of non-defaulting Shareholders to meet the shortfall as may result from a Shareholder default, but only to the extent of their Remaining Capital Commitments.
- 20.04 The Directors may in their absolute discretion make Shares available for subscription to investors following the Initial Offer Period on any Capital Subscription Day, at the then Net Asset Value per Share of the relevant Class.
- 20.05 The Directors may in their absolute discretion excuse a Shareholder from its obligation to purchase Participating Shares pursuant to a Commitment upon receipt of a Capital Call if in the reasonable determination of the Directors, it is in the best interests of the relevant Fund to do so.
- 20.06 Where provided for in the relevant Supplement, each Shareholder (including any former Shareholder) may be required to return to a Fund distributions made to such Shareholder or former Shareholder for the purpose of meeting such Shareholder's share of Fund obligations (whether arising hereunder, pursuant to the Act or otherwise), in an amount up to the maximum described in the Supplement from time to time. The amount of each Shareholder's obligation (a "Shareholder Giveback Amount"), shall be as set out in the Supplement from time to time.

21.0 INVESTMENT OBJECTIVES

- 21.01 (a) The specific investment objectives and policies of each Fund will be set out in the relevant Supplement to the Prospectus and will be formulated by the Directors at the time of the creation of the relevant Funds. The investment objective of a Fund and material changes in the investment policy of a Fund may not be made without the prior written approval of all Shareholders of the relevant Fund or approval on the basis of an Ordinary Resolution of the Shareholders of the particular Fund duly convened and held. In the case of a closed-ended Fund where there is no opportunity for Shareholders to redeem their Participating Shares or otherwise exit the Fund, the investment objective of a Fund may not be altered and material changes in the investment policy of a Fund may not be made without the prior written approval of all Shareholders of the relevant Fund or approval on the basis of a Special Resolution of the Shareholders of the particular Fund duly convened and held. In the case of a closed-ended Fund where there is an opportunity

for Shareholders to redeem their Participating Shares or otherwise exit the Fund, the investment objective of a Fund may not be altered and material changes in the investment policy of a Fund may not be made without the prior written approval of all Shareholders of the relevant Fund or approval on the basis of an Ordinary Resolution of the Shareholders of the particular Fund duly convened and held.

- (b) The ICAV and each Fund may invest in any asset, property, investment or instruments of any kind permitted subject to and in accordance with this Instrument, its Prospectus, the Bank Regulations, the requirements of the Central Bank and the Act.
- (c) The ICAV may from time to time borrow or leverage for the account of a Fund and secure such borrowings by pledging, mortgaging, charging or otherwise encumbering or delivering by outright transfer, the assets of the relevant Fund.
- (d) The ICAV and each Fund may (subject to the Rulebook and the Regulations and the prior approval of the Central Bank) own all the issued share capital of any private company or be the sole participant, beneficiary or holder of units or interest in any other vehicle whether incorporated or established by contract or otherwise, which in the interests of Shareholders the Directors consider it necessary or desirable for the ICAV and each Fund to incorporate or acquire or utilise in connection with the ICAV for the purpose of entering into transactions or contracts and/or holding certain of the Investments or other property of the ICAV.

21.02 The ICAV and each Fund may invest in any asset, property, investment or instruments and may employ techniques and instruments of any kind permitted subject to and in accordance with this Instrument, its Prospectus, the Bank Regulations, the requirements of the Central Bank and the Act.

21.03 For the purpose of providing margin or collateral in respect of transactions in and the use of derivative instruments and techniques and instruments, the ICAV in respect of any Fund shall be entitled:

- (a) to transfer, deposit, mortgage, charge or otherwise encumber any Investments for the benefit of any counterparty;
- (b) in the case of exchange traded derivative instruments and techniques and instruments to vest any such Investments in the relevant exchange or market or any company controlled by such exchange or market and used for the purpose of receiving margin and/or cover or in a counterparty or a nominee of such a counterparty or in a nominee of the Depositary; and/or
- (c) to give or obtain the guarantee of a bank (and to provide any necessary counter-security therefor) and deposit such guarantee or cash, with an exchange or counterparty or any company controlled by such exchange or counterparty and used for the purpose of receiving margin and/or cover.

21.04 Classes of Participating Shares may be denominated in various currencies, and Participating Shares will be issued and redeemed in those currencies. The ICAV or its delegate may employ at Class level forward foreign exchange contracts and/or currency derivatives including inter alia futures contracts to seek to hedge, to the fullest extent practicable, the foreign exchange exposure of a Class of Participating Shares denominated in a currency other than the Base Currency in order to neutralise, so far as possible, the impact of exchange rate fluctuations.

21.05 The ICAV or its delegate may employ at Fund level forward foreign exchange contracts and/or currency derivatives including inter alia futures contracts to seek to hedge, to the fullest extent practicable, a Fund's foreign exchange exposure to the assets of the Fund denominated in a currency other than the Base Currency in order to neutralise, so far as possible, the impact of exchange rate fluctuations.

21.06 The ICAV may seek to achieve its investment objective by investing all or part of its assets in an investment vehicle under the terms of a profit participating rights agreement of any kind (including those involving swaps, transfers, payments, interest, notes, loans or rights of any kind) or otherwise.

22.0 GENERAL MEETINGS

22.01 All general meetings of the ICAV shall be held in Ireland.

22.02 Subject to Clauses 22.03 and 22.05, the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meetings, where general or otherwise, it may hold in that year.

22.03 If the ICAV holds its first annual general meeting within 18 months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation, the ICAV shall not be required to hold any other meeting as its annual general meeting in the year of its registration or in the following year.

22.04 Subject to Clauses 22.03 and 22.05, not more than 15 months may elapse between the date of one annual general meeting of the ICAV and the date of the next.

Any election made hereunder shall have effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. However, where an election made hereunder has effect for a year, one or more Members of the ICAV holding, or together holding, not less than 10 per cent of the voting rights in the ICAV or the Auditors may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.

- 22.06 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- 22.07 The Directors may call an extraordinary general meeting whenever they think fit.

- 22.09 One or more Members of the ICAV holding, or together holding, at any time not less than 10 per cent of the voting rights in the ICAV may convene an extraordinary general meeting of the ICAV.
- 22.10 The Directors of the ICAV shall, at the request of one or more members, holding or together holding, at the date of the making of the request, not less than 10% of the voting rights of the ICAV proceed to convene an extraordinary general meeting of the ICAV. Any such request shall state the objects of the relevant meeting and shall be signed by those making the request and deposited at the Office and may consist of several documents in like form each signed by one or more of those making the request.
- 22.11 If the Directors do not within 21 days after the date of the deposit of any request to proceed to convene a meeting of the ICAV to be held within 2 months after that date, those making the request, or any of them representing more than 50 per cent of the total voting rights of all of them, may themselves convene a meeting, but any meeting so convened shall not be held more than 3 months after the date the request was first made. Any reasonable expenses incurred by those making the request by reason of the failure of the Directors duly to convene a meeting of the ICAV shall be repaid to those making the request by the ICAV and any sum so repaid shall be retained by the ICAV out of any sums due or to become due from the ICAV by way of fees or other remuneration in respect of their services to such of the Directors as were in default.
- 22.12 A meeting convened by Members under Clause 22.09 or Clause 22.10 shall be convened in the same manner as nearly as possible as that in which meetings of Members are to be convened by Directors.
- 23.0 NOTICE OF GENERAL MEETINGS
- 23.01 Each annual general meeting and extraordinary general meeting (called for the passing of a Special Resolution or Ordinary Resolution) shall be called by not less than fourteen Clear Days' notice which, in each case, shall specify the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting that the meeting is an annual general meeting) and shall be given in the manner hereinafter provided to such persons as are under the provisions of this Instrument or the conditions of issue of the shares held by them entitled to receive notices from the ICAV.

23.02 The Directors, the AIFM, the Investment Manager, the Administrator, the Auditors and the Depository shall be entitled to receive notice of and attend and speak at any general meeting of the ICAV. The Directors may in their discretion consider requests from other parties.

In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the Member present shall be a quorum and in the case of a meeting of a Class convened to consider the variation of rights of Members in such Class the quorum shall be one Member holding shares of the Class in question or his/her proxy.

24.04 The chairperson, if one is appointed or, if he/she is absent, the deputy chairperson of the Directors, or failing him/her, some other Director nominated by the Directors shall preside as chairperson at every general meeting of the ICAV, but if at any meeting neither the chairperson nor the deputy chairperson nor such other Director is present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairperson, the Directors present shall choose some Director present to be

- 24.06 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the chairperson or by at least two Members present in person or by proxy or any Member or Members present in person or by proxy representing at least one tenth of the shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairperson that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 24.07 On a poll every Shareholder present in person or by proxy and entitled to vote shall have one vote in respect of each Participating Share held by him/her and every holder of Management Shares shall be entitled to one vote in respect of all Management Shares held by him/her. A Member entitled to more than one vote need not cast all his/her votes or cast all the votes he/she uses in the same way. In the case of an equality of votes, whether on a show of hands or on a poll, the chairperson of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 24.08 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairperson may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

Where required in accordance with the requirements of the Central Bank, Shareholders who hold Participating Shares which do not hold voting rights shall be able to request the re-designation of their Participating Shares which do not hold voting rights to Participating Shares which do hold voting rights. A Shareholder

On a show of hands every Shareholder (with applicable voting rights) present in person or by proxy shall be entitled to one vote and a holder of Management Shares shall be entitled to one vote in respect of all Management Shares.

- 25.02 On a poll every Shareholder present in person or by proxy shall be entitled to one vote in respect of each Participating Share (with applicable voting rights) held by him/her and a holder of Management Shares shall be entitled to one vote in respect of all Management Shares held by him/her. A Shareholder entitled to more than one vote need not cast all his/her votes, or cast all the votes he/she uses in the same way.
- 25.03 In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the shares.

Any such objection made in due time shall be referred to the chairperson of the meeting, whose decision shall be final and conclusive.
- 25.06 On a poll votes may be given either personally or by proxy. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his/her attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in any usual form or in such form as the Directors may approve PROVIDED ALWAYS that such form shall give the Member the choice of authorising his/her proxy to vote for or against each resolution.
- 25.07 Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.
- 25.08 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the Office or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than such minimum

- 25.09 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 25.10 The Directors may at the expense of the ICAV send, by post or otherwise, to the Members instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any Class of Members, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Members entitled to be sent a notice of the meeting and to vote thereafter by proxy.
- 25.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the Office, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 25.12 Any body corporate which is a Member, may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he/she represents as that body corporate could exercise if it were an individual Member and such body corporate shall for the purposes of this Instrument be deemed to be present in person at any such meeting if a person so authorised is present in person or by proxy thereat.

26.0 DIRECTORS

- 26.01 The ICAV shall have at least two Directors.
- 26.02 A Director need not be a Member.
- 26.03 This Instrument contains no provisions requiring Directors to retire on attaining a particular age.
- 26.04. The provisions of the Act relating to restrictions on directors of an insolvent company or disqualifying persons from being appointed or acting as a director or other officer, statutory auditor, receiver or liquidator, or being in any way (directly or indirectly)

concerned or taking part in the promotion, formation or management of a company shall apply to the ICAV.

- 26.05 A Director may vote and be counted in the quorum at a meeting to consider the appointment or the fixing or variation of the terms of appointment of any Director to any office or employment with the ICAV or any company in which the ICAV is interested, but a Director may not vote or be counted in the quorum on a resolution concerning his/her own appointment.
- 26.06 The Directors of the ICAV for the time being are entitled to such remuneration as may be determined by the Directors and disclosed in the Prospectus issued by the ICAV from time to time. The Directors may also be reimbursed all reasonable and properly vouched travel, hotel and other incidental expenses incurred in connection with the business of the ICAV or the discharge of their duties. The ICAV shall not make to any Director any payment by way of compensation for loss of office, or as consideration for or in connection with retirement from office, unless the following conditions are satisfied, (a) that particulars relating to the proposed payment (including its amount) are disclosed to Members, and (b) that the proposal is approved by Ordinary Resolution of the ICAV in a general meeting.
- 26.07 The Directors may in addition to such remuneration as is referred to in Clause 26.06 of this Instrument grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.
- 26.08 Any Director may at any time by instrument in writing under his/her hand and deposited at the Office, or delivered at a meeting of the Directors, appoint any Director or other person to be his/her alternate Director and may in like manner at any time terminate such appointment. Save as otherwise provided in this Instrument, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for his/her own acts and defaults and he/she shall not be deemed to be the agent of the Director appointing him/her.
- 26.09 The appointment of an alternate Director shall terminate if his/her appointor dies or ceases to be a Director or on the happening of any event with respect to the alternate Director which if he/she were a Director would cause him/her to vacate such office. However, if a Director retires by rotation or otherwise but is re-appointed or deemed to have been re-appointed at the meeting at which he/she retires, any appointment of an alternate Director made by him/her which was in force immediately prior to this retirement shall continue after his/her re-appointment.
- 26.10 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him/her is not personally present and generally at such meeting to perform all functions of his/her appointor as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he/she (instead of his/her appointor) were a Director. If he/she themselves shall be a Director or attends a meeting as an alternate for more than one Director, his/her voting rights shall be cumulative, provided

however, that he/she shall count as one for the purposes of determining a quorum. If his/her appointor is for the time being temporarily unable to act, his/her signature to any resolution in writing of the Directors and for the purposes of affixing the Seal shall be as effective as the signature of his/her appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply mutatis mutandis to any meeting of any such committee of which his/her appointor is a member. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he/she be deemed to be a Director.

26.11 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he/she were a Director but he/she shall not be entitled to receive from the ICAV in respect of his/her appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his/her appointor as such appointor may by notice in writing to the ICAV from time to time direct.

26.12 The office of a Director shall be vacated in any of the following events namely:

- (a) if he/she resigns his/her office by notice in writing signed by him/her and left at the Office;
- (b) if he/she becomes bankrupt or makes any arrangement or composition with his/her creditors generally;
- (c) if he/she becomes of unsound mind;
- (d) if he/she is absent from meetings of the Directors for six successive months without leave expressed by a resolution of the Directors, and the Directors resolve that his/her office be vacated;
- (e) if he/she ceases to be a Director by virtue of, or becomes prohibited or restricted from being a Director by reason of, an order made under the provisions of any law or enactment;
- (f) if he/she is requested by a majority of the other Directors (not being less than two in number) to vacate office;
- (g) if he/she is removed from office by Ordinary Resolution of the ICAV in accordance with the provisions of the Act, as set out in Clause 26.13; or
- (h) if he/she as agreed with the ICAV pursuant to the terms of his/her appointment to vacate his/her office in other circumstances; or
- (i) if he/she ceases to be approved to act as a Director by the Central Bank.

- 26.13 The ICAV may by Ordinary Resolution remove a Director before the end of the Director's period of office despite anything in this Instrument or in any agreement between the ICAV and the Director, in accordance with the provisions of the Act.
- 26.14 The Directors may, whether by standing resolution or otherwise, delegate all their powers to any duly authorised Officer or other person or committee subject to such terms and conditions as the Directors in their absolute discretion may resolve.
- 26.15 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. Directors are not required to retire by rotation.
- 26.16 The Members shall have the power at a general meeting of the ICAV to appoint any person to be a Director PROVIDED THAT a motion for the appointment of two or more persons as Directors of the ICAV by a single resolution shall not be made unless a resolution that it shall be so made has first been agreed to by the meeting without any vote being given against it.

27.0 TRANSACTIONS WITH DIRECTORS

- 27.01 A Director may hold any other office or place of profit under the ICAV (other than the office of Auditor) in conjunction with his/her office of Director on such terms as to tenure of office and otherwise as the Directors may determine.
- 27.02 No Director or intending Director shall be disqualified by his/her office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the ICAV in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established, but the nature of his/her interest must be declared by him/her. It shall be the duty of a Director of the ICAV who is in any way, whether directly or indirectly, interested in a contract or proposed contract with the ICAV to declare the nature of his/her or her interest at a meeting of the Directors of the ICAV. This Clause does not apply in relation to an interest that cannot reasonably be regarded as likely to give rise to a conflict of interest. The declaration required by this Clause to be made by a Director shall (a) in the case of a proposed contract, be made at the meeting of the Directors at which the question of entering into the contract is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract, at the next meeting of the Directors held after he/she became so interested, (b) in a case where the Director becomes interested in a contract after it is made, be made at the first meeting of the Directors held after the Director becomes so interested. A general notice in writing given to the Directors by any Director to the effect that (a) he/she is a shareholder of any specified company or firm, and is to be regarded as interested in any contract which may thereafter be made with that company or firm or

(b) he/she is to be regarded as interested in any contract which may after the date of the notice be made with a specified person who is connected with him/her or her (within the meaning of Part 4, Chapter 1 of the Act) shall (if such Director shall give the same at a meeting of the Directors or shall take reasonable steps to secure that the same is brought up and read at the next meeting of the Directors after it is given) be deemed a sufficient declaration of interest in relation to any contract or arrangement made.

27.03 Save as herein provided, a Director shall not vote in respect of any contract or arrangement or any proposal whatsoever in which he/she has any material interest otherwise than by virtue of his/her interests in shares or debentures or other securities of or otherwise in or through the ICAV. A Director shall not be counted in the quorum at a meeting in relation to any resolution on which he/she is debarred from voting.

27.04 A Director shall in the absence of some material interest other than that indicated below, be entitled to vote and be counted in the quorum in respect of any resolution concerning any of the following matters, namely:

- (a) the giving of any security or indemnity to him/her in respect of money lent or obligations incurred by him/her at the request of or for the benefit of the ICAV or any of its subsidiaries or associated companies;
- (b) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the ICAV or any of its subsidiaries or associated companies for which he/she themselves have assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
- (c) any proposal concerning an offer of shares or debentures or other securities of or by the ICAV or any of its subsidiaries or associated companies for subscription or purchase in which offer he/she is or is to be interested as a participant in the underwriting or sub-underwriting thereof;
- (d) any proposal concerning any other company in which he/she is interested, directly or indirectly and whether as an officer or shareholder or otherwise howsoever PROVIDED THAT he/she is not the holder of or beneficially interested in five per cent or more of the issued shares of any class of such company, or of any third company through which his/her interest is derived, or of any of the voting rights available to shareholders of the relevant company (any such interest being deemed for the purposes of this Clause to be a material interest in all circumstances); or
- (e) any proposal concerning the purchase of any policy of insurance against directors' and officers' liability.

27.05 In accordance with the provisions of the Act, a Director has a duty to disclose payments made where in connection with the transfer of Participating Shares in the ICAV payment

is to be made to the Director by way of compensation for loss of office, or as consideration for or in connection with retirement from office.

- 27.06 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the ICAV or any company in which the ICAV is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his/her own appointment.
- 27.07 If any question shall arise at any meeting as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his/her voluntarily agreeing to abstain from voting, such question shall be referred to the chairperson of the meeting and his/her ruling in relation to any Director shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.
- 27.08 For the purpose of this Clause, an interest of a person who is connected with a Director (i.e. within the meaning of Part 4, Chapter 1, of the Act) shall be treated as an interest of the Director and, in the case of an alternate Director, an interest of his/her appointor shall be treated as an interest of the alternate Director.
- 27.09 Any Director may act by himself/herself or through his/her firm in a professional capacity for the ICAV, and he/she or his/her firm shall be entitled to remuneration for professional services as if he/she were not a Director, PROVIDED THAT nothing herein contained shall authorise a Director or his/her firm to act as Auditor.
- 27.10 The Directors may from time to time appoint one or more of their body to be the holder of any executive office on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke any such appointment.
- 27.11 The Directors may entrust to and confer upon any Director holding any executive office any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.
- 27.12 Any Director may continue to be or become a director, managing director, manager or other officer or shareholder of any company promoted by the ICAV or in which the ICAV may be interested or associated in business, and no such Director shall be accountable for any remuneration or other benefits received by him/her as a director, managing director, manager, or other officer or shareholder of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the ICAV or exercisable by them as directors of such other company, in

such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to the directors, managing directors, managers or other officers of such company).

27.13 In accordance with the provisions of the Act, the ICAV shall keep a register showing, in relation to each Director and Secretary of the ICAV, the number, description and amount of any shares in or Debentures of (a) the ICAV, or (b) any other body corporate which is the ICAV's subsidiary or holding company, or a subsidiary of the ICAV's holding company, which are held by, or in trust for, him or her, his or her spouse or any child of his or hers of which he/she has any right to become the holder (whether on payment or not). The register shall be kept at the same office as the register of Members is kept, and shall be open to inspection during normal business hours (subject to such reasonable restrictions as the Directors may determine and impose generally or in a general meeting so that not less than two hours in each day be allowed for inspection) by any Member or holder of Debentures in the ICAV. The register shall also be produced at the commencement of the ICAV's annual general meeting and shall remain open and accessible during the continuation of the meeting to any person attending the annual general meeting.

27.14 The ICAV may by Ordinary Resolution suspend or relax the provisions of this Clause 27 to any extent or ratify any transaction not duly authorised by reason of a contravention hereof.

28.0 POWERS AND DUTIES OF DIRECTORS

28.01 The business of the ICAV shall be managed by the Directors, who may exercise all such powers of the ICAV as are not by the Act or by this Instrument required to be exercised by the ICAV in general meeting, subject, nevertheless to the provisions of the Act, and to such directions, being not inconsistent with this Instrument or the Act, as may be given by the ICAV in general meeting, PROVIDED THAT no such direction given by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such direction had not been given. The general powers given by this Clause shall not be limited or restricted by any special authority or power given to the Directors by this or any other Clause. The acts of a Director of the ICAV shall be valid despite any defect which may be discovered in the relevant Director's appointment or qualification.

28.02 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the ICAV, and all other receipts for moneys paid to the ICAV shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

28.03 The Directors may, whether by standing resolution, power of attorney or otherwise, delegate all their powers, authorities or discretions for such period and subject to such conditions as they may think fit including without limitation relating to the issue and redemption of Participating Shares, the calculation of the Net Asset Value per Share, the

declaration of distributions/dividends and the management, investment management and administration of the ICAV, to any duly authorised company, firm or other person subject to such terms and conditions as the Directors in their absolute discretion may resolve and, subject to the Act, may also authorise any such company, firm or person to delegate all or any of the powers, authorities and discretions so delegated.

28.04 Subject as provided in this Clause, the Directors may exercise all the powers of the ICAV to invest all or any funds of the ICAV or the subscription proceeds of any Participating Shares in any securities and other assets authorised by Clause 21.00 hereof.

28.05 A Director of the ICAV shall owe the principal fiduciary duties to the ICAV (and the ICAV alone) as set out in the Act:

28.06 If a Director of the ICAV considers in good faith that it is in the interests of the ICAV or relevant Fund for a transaction or engagement to be entered into and carried into effect, a Director may restrict his/her power to exercise an independent judgment in the future by agreeing to act in a particular way to achieve this.

28.07 In accordance with the provisions of the Act, the Directors may authorise any person(s) from time to time as an authorised signatory of the ICAV for the purpose of executing documents under the Seal.

29.0 BORROWING POWERS

29.01 Subject to any limits imposed by the Rulebook and any derogations therefrom or waivers thereof permitted by the Central Bank from time to time, the Directors may exercise all powers of the ICAV to borrow money or securities and to transfer, mortgage or charge or pledge or transfer its undertaking, property and assets, or any part thereof and to issue bonds, notes, debentures, debenture stock or other securities whether outright or as security for any debts or obligations of the ICAV.

30.0 PROCEEDINGS OF DIRECTORS

30.01 The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit. The Directors may all meet together, or in part or form a committee to carry out any of their powers (subject to having a minimum quorum). Questions arising at any meeting shall be determined by a majority of votes. In case of an equality of votes, the chairperson shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors. All Directors shall be entitled to reasonable notice of any meeting of the Directors. Notice of a meeting of the Directors shall be deemed to be duly given to a Director if it is given to him/her personally or sent in writing by delivery, post, electronic email, telefax or any other means of communications approved by the Directors. Any Director may waive notice of any meeting and any such waiver may be retrospective.

- 30.02 The quorum necessary for the transaction of business of the Directors may be fixed by the Directors, and unless so fixed at any other number shall be two.
- 30.03 The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number, but if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with this Instrument, the continuing Directors or Director may act for the purpose of filling up vacancies in their number or of summoning general meetings of the ICAV, but not for any other purpose. If there are no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors.
- 30.04 The Directors may from time to time elect and remove a chairperson and, if they think fit, a deputy chairperson and determine the period for which they respectively are to hold office.
- 30.05 The chairperson or, failing him/her, the deputy chairperson shall preside at all meetings of the Directors, but if there is no chairperson or deputy chairperson, or if at any meeting the chairperson or deputy chairperson is not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairperson of the meeting.
- 30.06 Any Director or alternate Director may participate in a meeting of the Directors or any committee of the Directors by means of conference telephone or other telecommunications equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting.
- 30.07 A resolution in writing (in electronic form or otherwise) signed by all the Directors (whether by Electronic Signature, Advanced Electronic Signature or otherwise approved by the Directors) for the time being entitled to receive notice of a meeting of the Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors, and for the purposes of the foregoing signature by any alternate Director shall be as effective as the signature of the Director by whom he/she is appointed.
- 30.08 A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers, authorities and discretions for the time being exercisable by the Directors.
- 30.09 The Directors may delegate any of their powers or authorities or the exercise of discretion to committees consisting of such members of their body as they think fit. The meetings and proceedings of any such committee shall conform to the requirements as to quorum imposed under the provisions of Clause 30.02 and shall be governed by the provisions of this Instrument regulating the meetings and proceedings of the Directors so far as the

same are applicable and are not superseded by any regulations imposed on them by the Directors.

30.10 Pursuant to the provisions of Clause 30.09, the Directors may delegate their powers relating to the declaration of interim dividends/distributions to a committee consisting of two or more Directors.

30.11 All acts done by any meeting of Directors, or of a committee of Directors or by any person acting as a Director shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.

30.12 The Directors shall cause minutes to be made of:

- (a) all appointments of officers made by the Directors;
- (b) the names of the Directors present at each meeting of the Directors and of any committee of Directors; and
- (c) all resolutions and proceedings of all meetings of the ICAV and of the Directors and of committees of Directors.

Minutes may be made of any other matters as the Directors see fit.

30.13 Any such minutes as are referred to in Clause 30.12 of this Instrument, if purporting to be signed by the chairperson of the meeting at which the proceedings took place, or by the chairperson of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.

30.14 Where minutes have been made of the proceedings at any general meeting of the ICAV or meeting of directors or committee of directors then, until the contrary is shown, the meeting shall be deemed to have been duly held and convened, and all proceedings at the meeting to have been duly had, and all appointments of directors or liquidators shall be deemed to be valid.

30.15 The Directors, from time to time and at any time by power of attorney under the Seal or otherwise, may appoint any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the ICAV for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under this Instrument) and for such period and subject to such conditions as they may think fit. Any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him/her.

Notwithstanding the generality of the foregoing, the Directors may appoint an attorney for the purpose of exercising their power to allot relevant securities pursuant to this Instrument.

31.0 MANAGING DIRECTORS

31.01 The Directors may from time to time appoint one or more of their body to be a Managing Director or Managing Directors of the ICAV and may fix his/her or their remuneration.

31.02 Every Managing Director shall be liable to be dismissed or removed from his/her position as Managing Director by the Directors and another person appointed in his/her place. The Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his/her employment, but so that the remedy of any such person for any breach of such agreement shall be in damages only and he/she shall have no right or claim to continue in such office contrary to the will of the Directors or of the ICAV in general meeting.

31.03 The Directors may from time to time entrust to and confer upon the Managing Director or Managing Directors all or any of the powers of the Directors (not including the power to borrow money or issue debentures) that they may think fit. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to all such regulations and restrictions as the Directors may from time to time make and impose and the said powers may at any time be withdrawn, revoked or varied.

32.0 SECRETARY

32.01 The Secretary shall be appointed by the Directors. Anything required or authorised to be done by or to the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by or to any officer of the ICAV authorised generally or specially in that behalf by the Directors PROVIDED THAT any provisions of this Instrument requiring or authorising anything to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

33.0 INVESTOR COMMITTEE

33.01 The Directors may prepare the terms of reference for an Investor Committee in respect of any Fund in order to consult with Shareholders in a Fund on matters relating to that Fund's investments. Each Investor Committee's terms of reference shall set out the identity of a chairperson of the Investor Committee.

33.02 Each Investor Committee shall be made up of Shareholders of the relevant Fund, as well as at least one representative of the Investment Manager. The terms of reference of an Investor Committee may also provide for additional members of that Investor Committee, which may include one or more Directors.

33.03 Investor Committee meetings shall be convened on an ad hoc basis by the chairperson of the relevant Investment Committee.

34.0 THE SEAL AND EXECUTION OF DOCUMENTS

34.01 Where the ICAV provides itself with a Seal, the Directors shall provide for its safe custody. The Seal shall be used only by the authority of the Directors or of a committee of Directors authorised by the Directors in that behalf. Where the ICAV provides itself with a Seal, the fixing of the Seal must be authenticated by two authorised signatories (as permitted by the Act) or by a Director alone PROVIDED THAT such signature is attested by a witness.

34.02 Where the ICAV does not provide itself with a Seal as permitted by the Act, or where the ICAV does have a Seal, any document shall have the same effect as executed under the Seal if it is expressed (in whatever form of words) to be executed by the ICAV by two authorised signatories (as permitted by the Act) or by a Director alone PROVIDED THAT such signature is attested by a witness.

34.03 The Directors may from time to time as they think fit appoint one or more persons as authorised signatories of the ICAV for the purposes of signing and/or executing documents and for such other purposes as are provided for in the resolution, power of attorney, authorised signatory list or other authorisation granted by the Directors.

35.0 DISTRIBUTIONS/DIVIDENDS

35.01 Directors may declare or make such distributions/dividends on any Class of Participating Shares in the ICAV or in any Fund or series that appear to the Directors to be justified provided always that no distribution/dividend shall exceed the amount recommended by the Directors.

35.02 Holders of Management Shares shall not be entitled to receive any distributions/dividends in respect of such Management Shares.

35.03 (a) The Directors may if they think fit declare and pay such distributions/dividends in respect of any Participating Shares in the ICAV or in any Fund as appear to the Directors to be justified, subject to any policy statement in relation to distributions/dividends in the Prospectus or any Supplement with respect to any Fund or Class of Participating Shares;

(b) The Directors may in their absolute discretion differentiate between the Participating Shares in any Fund and Participating Shares in different Classes within the same Fund as to the distributions/dividends declared on such Participating Shares.

35.04 The distribution/dividend policy for each Class of Participating Shares and Fund will be specified in the relevant Supplement. Subject to Clause 34.01 each Fund may pay periodic distributions to the Shareholders, having regard to such distribution priorities as

the Directors may determine in their sole discretion and set out in the Prospectus or relevant Supplement.

35.05 Subject to Clause 34.01 the amount available for distribution in respect of any Accounting Period shall be the capital or net income received by the ICAV in respect of the relevant Fund in respect of Investments (whether in the form of dividends, interest or otherwise) and /or net realised and unrealised capital gains (i.e. realised and unrealised capital gains net of realised and unrealised capital losses) during the Accounting Period, subject to such allocations as may be appropriate and set out in the relevant Supplement reflecting the date of a Shareholder's Capital Commitment and Capital Contributions and adjustments as may be appropriate under the following headings:

- (a) addition or deduction of a sum by way of adjustment to allow for the effect of sales or purchases, cum or ex-dividend;
- (b) addition of a sum representing any interest or dividend or other income accrued but not received by the ICAV in respect of the relevant Fund or Class of Participating Shares at the end of the Accounting Period and deduction of a sum representing (to the extent that an adjustment by way of addition has been made in respect of any previous Accounting Period) interest or dividends or other income accrued at the end of the previous Accounting Period;
- (c) addition of the amount (if any) available for distribution in respect of the last preceding Accounting Period but not distributed in respect thereof;
- (d) addition of a sum representing the estimated or actual repayment of tax resulting from any claims in respect of corporation tax relief or double taxation relief or otherwise;
- (e) deduction of the amount of any tax or other estimated or actual liability properly payable out of the income or gains of the ICAV in respect of the relevant Fund or Class of Participating Shares;
- (f) deduction of a sum representing participation in income paid upon the cancellation of Participating Shares during the Accounting Period;
- (g) deduction of such sum as the Directors may think appropriate in respect of expenses of the relevant Fund or Class of Participating Shares including but not limited to the Organisational Expenses, Duties and Charges, fees and expenses due to the Auditors, the Secretary, the legal and other professional advisers of the ICAV, the Directors, the AIFM, the Depositary, the Administrator, any Investment Manager, Investment Advisor and any Distributor appointed by the ICAV and/or the AIFM as the case may be, all expenses of and incidental to any amendments to the Prospectus and this Instrument for the purpose of procuring that the ICAV conforms to legislation coming into force after the date of incorporation hereof and any other amendments made pursuant to a resolution of the ICAV, expenses comprising all costs, charges, professional fees and disbursements bona fide incurred in respect of the computation, claiming or reclaiming

of all taxation reliefs and payments, and any interest paid or payable on borrowings to the extent that such sum has not already been, nor will be deducted pursuant to Clause 3.00 of this Instrument PROVIDED ALWAYS that the ICAV shall not be responsible for any error in any estimates of corporation tax repayments or double taxation relief expected to be obtained or of any sums payable by way of taxation or of income receivable, and if the same shall not prove in all respects correct, the Directors shall ensure that any consequent deficiency or surplus shall be adjusted in the Accounting Period in which a further or final settlement is made of such tax repayment or liability or claim to relief or in the amount of any such estimated income receivable, and no adjustment shall be made to any dividend previously declared.

- 35.06 The Directors may,
- (a) make distributions or pay dividends by way of compulsory redemption of Participating Shares or by paying distributions/dividends in cash;
 - (b) with the sanction of an Ordinary Resolution, distribute in kind among the Shareholders of such Fund by way of dividend or otherwise any of the assets of the relevant Fund.
- 35.07 All Participating Shares, unless otherwise determined by the Directors or issued on terms providing that they shall rank for distribution/dividend as and from or after a particular date or to a particular extent, shall rank for distributions/dividend as from the beginning of the Accounting Period in which they are issued.
- 35.08 Any resolution of the Directors declaring a distribution/dividend on any Participating Shares may specify that the same shall be payable to the persons registered as Shareholders of such Participating Shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the distribution/dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of such Participating Shares in respect of such distribution/dividend.
- 35.09 The ICAV may transmit any distribution/dividend or other amount payable in respect of any Participating Share at the risk and cost of the relevant Shareholder by cheque sent by ordinary post to the registered address of the holder, or, in the case of joint holders, to the person whose name and address appears first on the Register or to such person and address as the Shareholder or joint Shareholders may direct, by wire or electronic transfer at the risk and cost of the relevant Shareholder to a designated account payment of every such cheque and transmission by wire or electronic transfer shall constitute a good discharge to the ICAV and the ICAV shall not be responsible for any loss arising in respect of such payment or transmission.
- 35.10 No distribution/dividend or other amount payable to any Shareholder shall bear interest against the ICAV. All unclaimed distribution/dividend and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the relevant Fund until claimed. Payment by the ICAV of any unclaimed distribution/dividend or other

amount payable in respect of a Participating Share into a separate account shall not constitute the ICAV a trustee in respect thereof. Any distribution/dividend unclaimed after six years from the date when it first became payable or on the winding up of the ICAV or a Fund, if earlier, shall be forfeited automatically and shall revert to the relevant Fund, without the necessity for any declaration or other action by the ICAV.

35.11 At the request of any Shareholder in a particular Fund or Class, the Directors may apply all distributions/dividends declared on all Participating Shares held by such Shareholder in the issue to that Shareholder of such number of additional Participating Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such distribution/dividend at the date of issue of such additional Participating Shares and otherwise on such terms as the Directors from time to time may resolve provided however that subject to Clause 34.12 hereof such Shareholder shall be entitled to revoke such request with respect to all Participating Shares in the relevant Fund or Class held by him/her and instead receive a cash distribution/dividend in respect of such Participating Shares.

35.12 (a) Subject to Clause 34.12(b) hereof the Directors may determine that Shareholders will be entitled to receive in lieu of any distribution/dividend (or part thereof) in respect of any Participating Shares in any Fund or Class an issue of additional Participating Shares in proportion to the number of Participating Shares held by them in the relevant Fund or Class credited as fully paid and in any such case the following provisions shall apply:

- (i) the number of additional Participating Shares (including any fractional entitlement) to be issued in lieu of any amount of distribution/dividend shall be as nearly as possible equal in value to but not in excess of the amount of such distribution/dividend at the date of issue of such additional Participating Shares;
- (ii) for such purpose the Directors shall capitalise a sum equal to the aggregate value of distributions/dividends in respect of which additional Participating Shares are proposed to be issued and apply the same in paying up in full the appropriate number of additional Participating Shares for issue to the relevant Shareholders credited as fully paid up;
- (iii) the additional Participating Shares so issued shall rank *pari passu* in all respects with the fully-paid Participating Shares then in issue save only as regards participation in the relevant distribution/dividend (or share election in lieu);
- (iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they may think fit in the case of Participating Shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the ICAV or the ICAV issues fractions of Participating Shares; and

- (v) the Directors may on any occasion determine that Participating Shares in lieu of distributions/dividends shall not be issued to a Shareholder with a registered address in any territory in which, in the absence of a registration statement or other special formalities, the issue of additional Participating Shares would or might be unlawful and in such event the provisions aforesaid shall be read and construed subject to such determination.
 - (b)
 - (i) An applicant for or transferee of Participating Shares may subject to Clause 34.12 hereof elect by service of notice in writing on the ICAV, at the time of application for or other acquisition of Participating Shares, to receive cash in lieu of additional Participating Shares in satisfaction of the whole of any distribution/dividend that may be payable on all Participating Shares of the particular Fund or Class which may thereafter be registered in his/her name and may on the giving of one month's notice in writing to the ICAV or such lesser period as the Directors may determine revoke any election so made with respect to distribution/dividend declared after the expiration of such notice period.
 - (ii) An election made pursuant to this Clause shall be personal to the Shareholder concerned in his/her capacity as a holder and, in respect of any Participating Shares transferred, shall automatically cease to have effect upon registration of the transfer or transmission of the relevant Participating Shares but shall continue in effect in respect of Participating Shares retained.
- 35.13 Where the amount of any distribution/dividend payable to an individual Shareholder would be less than €100.00 (or its foreign currency equivalent), the Directors in their sole discretion may determine that such amount shall not be distributed but shall be retained and reinvested within and for the benefit of that proportion of the relevant Fund or Class. Alternatively, the Directors in their sole discretion may determine not to pay any such distribution/dividend and instead issue and credit to the account of the relevant Shareholder such number of Participating Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such distributions/dividends. A sales charge shall not be deducted from such amount.
- 35.14 If several persons are registered as joint holders any one of them may give receipts for dividends or monies payable to them in respect of Participating Shares.
- 35.15 Before recommending any distribution/dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the ICAV such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the ICAV may be properly applied and at the like discretion may be either employed in the business of the ICAV or invested in such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the ICAV shall not be mixed with any reserve to which

profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

35.16 If the ICAV is required to deduct, withhold or account for tax including any penalties and interest thereon upon the payment of a distribution/dividend to a Shareholder (whether in cash or otherwise), the provisions of Clause 12.13 hereof shall apply mutatis mutandis as if repeated in full herein.

36.0 CAPITALISATION OF PROFITS AND RESERVES

36.01 The Directors may determine that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the ICAV's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any Participating Shares with a preferential right to dividend amongst the Shareholders who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Participating Shares of the ICAV to be allotted and distributed credited as fully paid up to and amongst such Shareholders in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

36.02 The Directors may determine that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the ICAV's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued Participating Shares to be allotted as fully paid bonus Participating Shares to those Shareholders of the ICAV who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

36.03 The Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid Participating Shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise in the case of Participating Shares becoming distributable in fractions and to authorise any person to enter on behalf of all the Shareholders entitled thereto into an agreement with the ICAV providing for the allotment to them respectively, credited as fully paid up, of any further Participating Shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the ICAV on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing Participating Shares, and any agreement made under such authority shall be effective and binding on all such Shareholders.

37.0 EQUALISATION ACCOUNT

37.01 The Directors may from time to time at their discretion operate an equalisation account in respect or one or more Funds on such basis as may be determined by them including without limitation for performance fee adjustments.

38.0 ACCOUNTS

38.01 The Directors shall keep or cause to be kept adequate accounting records in accordance with the requirements of the Act and so as to enable the accounts of the ICAV and each Fund to be prepared.

38.02 The accounting records shall be kept at the Office, or at such other place or places as the Directors shall think fit. If accounting records are kept at a place outside of Ireland, there shall be sent to and kept at a place in Ireland and be at all reasonable times open to inspection by the Directors such information and returns relating to the business dealt with in the accounting records so kept as will:

- (a) disclose with reasonable accuracy the financial position of that business at intervals not exceeding 6 months, and
- (b) enable to be prepared in accordance with the Act the ICAV's balance sheet, its profit and loss account or income and expenditure account and any other document containing information which is required by the Act.

38.03 The accounting records and any information and returns containing information required pursuant to the Act, shall be kept by the ICAV for a period of at least 6 years after the latest date to which they relate. The accounts shall at all times be open to the inspection of the Directors and officers of the ICAV, but no person, other than a Director, officers of the ICAV or the Auditors shall be entitled to inspect the accounting records of the ICAV.

38.04 The Directors of the ICAV shall prepare accounts for each financial year as at each Accounting Date. The accounts shall include the following:

- (a) a balance sheet or statement of the assets and liabilities attributable to each Fund;
- (b) a detailed income and expenditure account for the financial year; and
- (c) such other information provided for in the Act.

The annual accounts shall give a true and fair view of the assets, liabilities and financial position of each Fund at the end of the financial year and of the profit or loss of each Fund for the financial year.

38.05 The annual accounts of each Fund shall contain, so far as the information is contained in the ICAV's accounting records or the ICAV has the right to obtain it from the persons concerned:

- (a) the aggregate amount of the Directors' emoluments,
- (b) the aggregate amount of Directors', or former directors', pensions, and
- (c) the aggregate amount of any compensation to Directors or former directors in respect of loss of office.

38.06 The accounts may be prepared in accordance with generally accepted accounting practice in Ireland, International Financial Reporting Standards, or an alternative body of accounting standards (as prescribed by the Act).

38.07 Separate accounts may be prepared and presented in respect of a Fund or Funds and all references in this Clause 37.00 to the ICAV be read as, where appropriate, referring to the Fund or Funds in respect of which the separate accounts are to be prepared.

38.08 The accounts of each Fund shall for each financial year include a report from the Directors dealing, so far as is material for the appreciation of the state of the Fund's affairs (and, if it has subsidiaries, of the affairs of the Fund and its subsidiaries as a group), with:

- (a) any change during the financial year in the nature of the business of the Fund or of the Fund's subsidiaries in the classes of business in which the Fund has an interest whether as a member of another Fund or a company or otherwise, and
- (b) the amount, if any, which they recommend should be paid by way of distribution/dividend and the amount, if any, which they propose to carry to reserves.

The Directors' report shall be approved by the Board of Directors and signed on behalf of the ICAV by any two Directors.

The Directors' report shall contain the information prescribed in accordance with the Act.

38.09 The Directors shall cause to be audited by the Auditors a report to the Members as of the Accounting Date in each year. A copy of the Auditor's report shall be attached to the annual accounts of the relevant Fund and Director's report for the financial year to which the report relates. In preparing the Auditors' report, the Auditor shall (a) consider whether the information given in the Directors' report relating to the financial year is consistent with the accounts prepared by the ICAV for that year in respect of the relevant Fund; and (b) state in the report whether, in the Auditor's opinion that information is, or is not, consistent with those accounts. The Auditors' report shall state clearly the Auditor's opinion as to—
(a) whether the annual accounts give a true and fair view of (i) in the case of a balance sheet, of the assets, liabilities and financial position of the relevant Fund at the end of the financial year, (ii) in the case of a profit and loss account, of the profit or loss of the relevant Fund for the financial year, and (b) whether the annual accounts have been properly prepared in accordance with the relevant financial reporting framework.

38.10 Copies of the said annual accounts shall be made available and/or sent by the ICAV to all Members at least once in every year but not later than six months after the end of the period to which they relate.

39.0 AUDITORS

39.01 The ICAV shall at each annual general meeting appoint an Auditor or Auditors to hold office until the conclusion of the next annual general meeting.

39.02 The first Auditors shall be appointed by the Directors before the first general meeting, and they shall hold office until the conclusion of the first annual general meeting. Where no appointment is made by the Directors before the first general meeting, the first Auditors may be appointed in general meeting.

39.03 On the date on which the holding of an annual general meeting is dispensed with in accordance with the Act, any Auditor or Auditors appointed in accordance with Clause 38.02 cease to hold office and the Directors shall immediately reappoint the Auditor or Auditors or appoint a new auditor or auditors.

39.04 Where the ICAV has dispensed of the requirement to hold annual general meetings in accordance with Clause 22.05 the Directors shall appoint the Auditor or Auditors.

39.05 Where, in any case, no Auditors are appointed as required by Clause 38.04, the Central Bank may appoint a person to fill the vacancy.

39.06 The appointment and removal of Auditors and the determination of eligibility for appointment as Auditors to the ICAV shall be governed by the provisions of the Act.

39.07 The remuneration of the Auditors who are appointed by the ICAV in general meeting shall be approved by the ICAV in general meeting or in such manner as the ICAV in general meeting may determine.

- 41.02 In all cases other than those set out in Clause 40.01 above, the Members may resolve to wind up the ICAV by Special Resolution in accordance with the summary approval procedure as provided for in the Act.
- 41.03 In the event of a winding up the liquidator shall firstly apply the assets of the ICAV in satisfaction of creditors' claims in such manner and order as he/she thinks fit. The liquidator shall in relation to the assets available for distribution among Members make such transfers thereof to and from the Funds or Classes as may be necessary in order that the effective burden of creditors' claims may be shared between the Members of different Funds or Classes in such proportions as the liquidator in his/her discretion deems equitable.
- 41.04 The assets available for distribution among the Members shall be applied in the following priority:
- (i) firstly, in the payment to the holders of the Participating Shares of each Class or Fund of a sum in the Base Currency (or in any other currency selected by the liquidator and at such rate of exchange as determined by the Administrator) as nearly as possible equal to the Net Asset Value of the Participating Shares of the relevant Class or Fund held by such Shareholders respectively as at the date of commencement of winding up.
 - (ii) secondly, in the payment to the holders of Management Shares of sums up to the consideration paid therefore out of the assets of the ICAV not comprised

within a Fund provided that if there are insufficient assets to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds.

- (iii) thirdly, in the payment to the holders of Participating Shares of each Class or Fund of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Participating Shares held in the relevant Class or Fund.
- (iv) fourthly, any balance then remaining and not attributable to a Fund or Class shall be apportioned between the Funds and Classes pro-rata to the Net Asset Value of the relevant Fund or attributable to the relevant Class immediately prior to any distribution to Shareholders and the amounts so apportioned shall be paid to Shareholders pro-rata to the number of Participating Shares in that Fund or Class held by them.

41.05 The liquidator may with the authority of an Ordinary Resolution of the ICAV divide among the Shareholders (pro rata to the value of their respective shareholdings in the ICAV) in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind PROVIDED THAT any Shareholder shall be entitled to request the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale. The costs of any such sale shall be borne by the relevant Shareholder. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no Shareholder shall be compelled to accept any asset in respect of which there is any liability. Further the liquidator may with like authority transfer the whole or part of the assets of the ICAV to a company or collective investment scheme (the "Transferee Company") on terms that Shareholders in the ICAV shall receive from the Transferee Company shares or units in the Transferee Company of equivalent value to their shareholdings in the ICAV.

41.06 Notwithstanding any other provision contained in this Instrument, should the Directors at any time and in their absolute discretion resolve that it would be in the best interests of the Shareholders to wind up the ICAV, then any such winding up shall be commenced in accordance with the summary approval procedure as provided for in the Act. The foregoing parties shall be entitled to rely absolutely on any Standing Redemption and Payment Instructions and on any declaration received from a Shareholder as to residence or otherwise of such Shareholder and shall not incur liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any

If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Instrument none of the ICAV, the AIFM, an Investment Manager, and Investment Advisor, the Administrator, the Distributor or the Depositary shall be under any liability therefor or thereby.

42.05 For the avoidance of doubt, no Director (including any alternate Director) shall be liable for the acts or omissions of any other Director.

42.06 In accordance with Section 190 of the Act, the Directors shall have the power to purchase and maintain for the benefit of any persons who are or were at any time Directors, Secretary or Auditors of the ICAV insurance against any liability incurred by such persons in respect of any act or omission in the execution or discharge of their duties or in the exercise of their powers, and the Directors shall be entitled to vote and be counted in the quorum in respect of any resolution concerning the purchase of such insurance.
