- 7.14 The Directors shall be entitled to pay a fee out of the assets of the ICAV in respect of the promotion and sale of Shares of each Class and related services in an amount which will not exceed 5% per annum of the average Net Asset Value of the relevant Shares (plus value added tax, if any, thereon). This fee shall accrue at each Valuation Point and be payable monthly in arrears in the Base Currency. The Directors may pay all or any part of this distribution fee to any Distributor or distribution adviser appointed by the ICAV in respect of such Distributor or distribution adviser’s services in the promotion, marketing and sale of the relevant Shares and ongoing servicing and/or maintenance of Shareholder accounts, including responding to enquiries of Shareholders regarding their ownership of Shares or their accounts with the ICAV (provided that a distribution fee will only be payable in respect of a particular Class if the services in question are available to all Shareholders in that Class) and acting as paying agent, or processing a bank to act as paying agent in respect of distributions and repurchases for Shareholders.
- 7.15 The Administrator shall be entitled to a fee payable out of the assets of the ICAV in respect of the administrative and transfer agency services provided to the ICAV in an amount which will not exceed 2.00% of the Net Asset Value of the ICAV subject to such minimum amount and per class of Share as shall be disclosed in the Prospectus (plus value added tax, if any, thereon). This fee shall accrue monthly and be payable monthly in arrears in the Base Currency.
- 7.16 The Depositary will be entitled to a fee in respect of its trustee and safe-keeping services out of the assets of the ICAV held on behalf of the ICAV in an amount which will not exceed 2.00% of the Net Asset Value of the ICAV subject to such minimum amount and per class of Share per ICAV as shall be disclosed in the Prospectus (plus value added tax, if any, thereon). The trustee and custody fees shall accrue monthly and be payable monthly in arrears in the Base Currency. The Depositary shall also be entitled to payment out of the assets of the ICAV of transaction charges and sub-custodian fees at rates not in excess of normal commercial rates. The Depositary shall also be entitled to be reimbursed out of the assets of the ICAV for all reasonable out-of-pocket expenses incurred by it and for the fees (which will not exceed normal commercial rates) and all reasonable out-of-pocket expenses of any sub-custodian appointed by the Depositary. For the purpose of securing payment of

its fees and expenses, in the event of non-payment of such fees and expenses the Depositary may charge the assets of the ICAV which are maintained in the ICAV's accounts.

- 7.17 If at any time any and all obligations or liabilities to the Depositary for any unpaid sum due to the Depositary or any sub-custodian or securities system for or in connection with services rendered hereunder whether by way of an extension of credit or otherwise (including without limitation the purchase or sale of any foreign exchange or any agreement for the purchase or sale of foreign currency) shall not have been honoured and shall be overdue, the Depositary and any sub-custodian or securities system shall have the right, upon prior written notification to the ICAV of its intention to do so (to the extent that the provision of prior written notice is not prejudicial to the Depositary, sub-custodian or securities system), to retain or set-off, against such obligations or liabilities, any assets of the ICAV that the Depositary or any sub-custodian or securities system may hold directly or indirectly for the account of the ICAV, in any currency (including without limitation time deposits and all securities held hereunder) and, to the extent that there is insufficient cash available for this purpose to sell or otherwise realise any such assets and to apply the proceeds of any such sale or realisation in the satisfaction of such obligations or liabilities. The rights set out in this Section shall be in addition and without prejudice to any rights existing at common law, in equity, by statute or custom.
- 7.18 The AIFM (or its delegates) may establish one or more investment advisory committees (each, an **"Advisory Committee"**) to consider and, on behalf of the Fund and its Shareholders, approve or disapprove, including for purposes of obtaining any consent or approval of, or on behalf of, Shareholders or the Fund required by applicable law any Fund transaction or other matter or fee and any matters presented to it, including, but not limited to, any transaction or matter involving a possible conflict of interest which the AIFM (or its delegates) determines to present to an Advisory Committee. The membership of an Advisory Committee will be determined from time to time, and will be subject to change, by the AIFM (or its delegates). The consent by any Advisory Committee acting on behalf of the Fund will be deemed to constitute the consent of the Fund and the Shareholders. The Fund may directly provide for or pay for the cost and expense of travel, accommodations, meals and beverages, materials and other costs related to a meeting of an Advisory Committee, and may reimburse the committee members for their expenses. In addition, to the extent an Advisory Committee consists of persons who are not Shareholders or other direct or indirect beneficial owners of interests in the Fund, the Fund will pay the reasonable compensation of such persons for serving on such Advisory Committee, as determined by the AIFM (or its delegate) in its sole discretion. To the extent permitted by applicable law, a committee member will not owe a fiduciary duty to the Fund or its Shareholders. An Advisory Committee will not possess or exercise any power that, if possessed or exercised by a Shareholder, would constitute participation in the control of the business of the Fund. To the extent permitted by applicable law, no member of an Advisory Committee (including any organisation retained to serve as or in place of an Advisory Committee, as described below), nor any Shareholder that has designated a member of an Advisory Committee, will be liable for any act or omission performed or failed to be performed by such person as a member of such committee or in designating a member of such committee, or for any losses, claims, costs, damages or liabilities arising therefrom, in the absence of wilful misfeasance, bad faith, gross negligence or criminal wrongdoing. The Fund may indemnify members of an Advisory Committee (including any organisation retained to serve as or in place of an Advisory Committee, as described below) and any Shareholder that has designated a member of an Advisory Committee against any losses, claims, costs, damages or liabilities to which such person may become subject in connection with any matter arising out of or in connection

with any act or omission performed or failed to be performed by such person as a member of an Advisory Committee or in designating a member of an Advisory Committee, except to the extent that any such loss, claim, cost, damage or liability results solely from the wilful misfeasance, bad faith or gross negligence of, or any criminal wrongdoing by, such person.

8 Share Capital

- 8.1 The actual value of the paid up Share capital of the ICAV shall at all times be equal to the Net Asset Value of the ICAV as determined in accordance with Sections 19 and 20 hereof.
- 8.2 The Share capital of the ICAV shall be equal to the value for the time being of the issued Share capital of the ICAV. The ICAV may issue up to 500,000,000,002 Shares of no par value. The maximum issued Share capital of the ICAV shall be 500,000,000,000 Shares of no par value and the minimum issued Share capital of the ICAV shall be USD2.00 represented by two Subscriber Shares of no par value issued for USD1.00 each.
- 8.3 The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to issue Shares in the ICAV provided that the total amount of issued Share capital does not exceed the maximum issued Share capital set out in Section 8.2 above.
- 8.4 The Subscriber Shares shall not participate in the dividends or assets of the ICAV.
- 8.5 Shares may be issued with such voting rights and rights to participate in the dividends and assets of the ICAV as the Directors from time to time may determine and set forth in the Prospectus.
- 8.6 The liability of the Shareholders shall be limited to the amount, if any, unpaid on the Shares respectively held by them without prejudice to any other liability to which a Shareholder may be subject as provided by or under the Act. The Shareholders shall not be liable for the debts of the ICAV.
- 8.7 The Directors may from time to time determine to provide Shareholders in certain classes with preferential treatment (including but not limited to, in relation to information disclosed to such Shareholders and redemption and dealing terms for such classes). Any preferential treatment will be set out in the Prospectus (so as to ensure the fair treatment of all Shareholders) which shall describe any instance where a class receives preferential treatment, a description of that preferential treatment and the types of Shareholders who will be permitted to subscribe for such classes and, where relevant, their legal or economic links to the ICAV (or the AIFM).

9 Classes of Shares

- 9.1 The ICAV may be comprised of one or more classes of Shares. With the prior approval of the Central Bank, the Directors from time to time may establish one or more separate classes of Shares on such terms as the Directors may resolve. The creation of such one or more separate classes of Shares shall be in accordance with this Instrument, the Prospectus and the requirements of the Central Bank.
- 9.2 The investment objectives of (and any specific restrictions applicable to) the ICAV are set out in the Prospectus. Subject to any specific provisions set out in the Prospectus, the investment and borrowing powers of the ICAV are all those contained in the AIFM Regulations and permitted under the Act.

- 9.3 The Directors may from time to time re-designate any existing class of Shares in the ICAV and merge such class of Shares with any other class of Shares in the ICAV, provided that Shareholders in such class or classes are first notified by the ICAV and given the opportunity to have the Shares repurchased. With the prior consent of the Directors, Shareholders may convert Shares in one class of Shares into Shares of another class in the ICAV in accordance with the provisions of Section 12.10 hereof.
- 9.4 For the purpose of enabling Shares of one class to be re-designated or converted into Shares of another class, the ICAV may take such action as may be necessary to vary or abrogate the rights attached to Shares of one class to be converted so that such rights are replaced by the rights attached to the other class into which the Shares of the original class are to be converted.
- 9.5 Any outstanding classes of Shares, in the discretion of the Directors, be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another Class at the prevailing Net Asset Value per Share of such other class.

10 Register of Shareholders

- 10.1 A Shareholder shall have his title to Shares evidenced by having his name, address and number of Shares held by him entered in the Register which shall be maintained in the manner required by law, provided that no person holding less than the Minimum Subscription shall be entered on the Register as a Shareholder. No person shall be registered as a Shareholder of the ICAV unless such person shall have certified that he is a Qualifying Investor (or a Knowledgeable Investor) and that he is aware of the risks involved in the proposed investment and of the fact that inherent in such is the potential to lose all of the sum invested. Where the ICAV has appointed an AIFM that is an authorised AIFM, the ICAV may only be marketed within the European Union to investors who are professional clients (as defined in the AIFM Regulations) unless the EU member state in question permits, under the laws of that EU member state, the ICAV to be sold to other categories of investors and this permission encompasses the other categories of investors set out in the definition of “Qualifying Investor” or “Knowledgeable Investor” in this Instrument. Where the ICAV has not appointed an AIFM that is an authorised AIFM, the ICAV may only be marketed investors in accordance with local requirements in the jurisdiction of the relevant investor and where the investors are Qualifying Investors or Knowledgeable Investors.
- 10.2 The ICAV shall not issue Share certificates to a Shareholder whose name appears in the Register but, in such case, a statement of Shareholding (a “**holding statement**”) in respect of Shares for which no certificates are to be issued shall be sent to each holder of such Shares in such form as the Directors may decide if so requested by a Shareholder. A holding statement shall not constitute a document of title to the Shares to which it relates and shall confirm the entry or continued listing of the Shares in question on the Register.
- 10.3 The Directors shall cause to be entered in the Register the following particulars:
- 10.3.1 the name and address of each Shareholder (save that in the case of joint holders, the address of the first named holder only need be entered);
 - 10.3.2 a statement of the number of Shares held by each Shareholder, which statement shall distinguish each Share by its number (if any), the class of Shares (if any) to

which the Share belongs, and of the amount paid or agreed to be considered as paid on such Shares;

10.3.3 the date on which each person was entered in the Register as a Shareholder, and

10.3.4 the date on which any person ceased to be a Shareholder.

10.4 The Register shall be kept:

10.4.1 in such manner as to show at all times the Shareholders of the ICAV for the time being and the Shares respectively held by them; and

10.4.2 available for inspection in accordance with the Act at the office of the Administrator.

10.5 The Directors shall not be bound to register more than four persons as the joint holders of any Share or Shares. In the case of a Share held jointly by several persons, the Directors shall not be bound to issue therefor more than one confirmation of ownership or Share certificate, and the issue of a confirmation of ownership, or Share certificate for a Share to the first named of several joint holders shall be sufficient delivery to all.

10.6 Where two or more persons are registered as the holders of any Shares they shall be deemed to hold the same as joint tenants, subject to the provisions following:

10.6.1 the joint holders of any Shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such Shares;

10.6.2 any one of such joint holders may give effectual receipts for any dividend, bonus or return of capital payable to such joint holders;

10.6.3 only the first-named of the joint holders of a Share shall be entitled to delivery of the Share certificate relating to such Share or to receive notices from the ICAV to attend general meetings of the ICAV. Any Share certificate delivered to the first-named of joint holders shall be effective delivery to all, and any notice given to the first-named of joint holders shall be deemed notice given to all the joint holders;

10.6.4 the vote of the first-named of joint holders who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders; and

10.6.5 for the purpose of the provisions of this Section, the first-named shall be determined by the order in which the names of the joint holders stand in the Register.

11 Dealing Days

Subject as hereinafter provided, all issues and repurchases of Shares shall be effected or made with effect from a Dealing Day provided that the ICAV may provisionally allot Shares on a Dealing Day on the basis that the Shares shall be issued on receipt of cleared subscription monies and in the event that the ICAV does not receive the cleared subscription

monies in respect of such allotment within the period specified in the Prospectus or within such other reasonable time period as may be determined by the Directors, such provisional allotment may be cancelled.

12 Issue of Shares and Conversion of Shares

12.1 Subject as hereinafter provided, the ICAV on or with effect from any Dealing Day on receipt by it of the following:

12.1.1 an application for Shares in such form as the ICAV from time to time may determine; and

12.1.2 such declarations as to the applicant's status, residence and otherwise as the ICAV from time to time may require; and

12.1.3 payment for the Shares within the usual time limits in such manner as the ICAV from time to time may specify, provided that if the ICAV receives payment for the Shares in a currency other than the Class Currency for such Shares, the ICAV shall convert or arrange for the conversion of the monies received into the Class Currency and shall be entitled to deduct therefrom all expenses incurred in the conversion,

may issue or allot Shares in any class at the Net Asset Value then obtaining for each Share in such class or at such other price as may be disclosed in the Prospectus from time to time. Any such issue of Shares shall be in accordance with the requirements of this Instrument, the Prospectus and the requirements of the Central Bank.

12.2 The ICAV shall be entitled to receive securities or other Investments from an applicant for Shares in any class and to sell, dispose of or otherwise convert such securities or Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purchase of Shares in the ICAV in accordance with the provisions hereof.

12.3 No issue shall be made in respect of an application which would result in the applicant investing less than the Minimum Subscription or in the Shares being held by a person who is not a Qualifying Investor or a Knowledgeable Investor (save in both cases in respect of the holder(s) of the Subscriber Shares).

12.4 All information required under the AIFM Rules as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.

12.5 The Directors shall be entitled to issue Fractional Shares in any class where the subscription monies received by the ICAV are insufficient to purchase an integral number of Shares in that class.

12.6 The Directors may determine to issue Shares which are only partly paid at the time of issue, subject to such conditions as may be specified in the Prospectus.

12.7 The Directors may delegate to the Administrator or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new Shares.

- 12.8 The Directors in their absolute discretion may refuse to accept any application for Shares in the ICAV or any application to convert Shares in any class to Shares in another class or may accept any such application in whole or in part.
- 12.9 No person shall be recognised by the ICAV as holding any Shares on trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Shares or (except only as otherwise provided herein or as by law may be required) any other right in respect of any Share, except an absolute right of title thereto in the registered holder.
- 12.10 If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder pursuant to this section (including because the Net Asset Value in effect on the Dealing Day was incorrect), the Directors may implement such arrangements as they determine, in their sole discretion, are required for an equitable treatment of such Shareholder, which arrangements may include redeeming a portion of such Shareholder's shareholding for no additional consideration or issuing new Shares to such Shareholder for no consideration, as appropriate, so that the number of Shares held by such Shareholder following such redemption or issuance, as the case may be, is the number of Shares as would have been issued at the correct Net Asset Value.
- 12.11 Subject as hereinafter provided, a holder of Shares of any class (the "**Original Shares**") may, with the prior consent of the Directors, from time to time convert all or any portion of such Shares ("**Conversion**") having such minimum value at the time of Conversion as may be determined by the Directors from time to time into Shares of another class (the "**New Shares**") either existing or agreed to be brought into existence on such terms as are disclosed in the Prospectus. Any Original Shares may also, in the discretion of the Directors, be converted into New Shares at the prevailing Net Asset Value per Share of such other New Shares in circumstances set out in the Prospectus.

13 **Rights in Scheme Property**

- 13.1 The assets of the ICAV shall belong exclusively to the ICAV and no Shareholder shall have any interest in the underlying assets of the ICAV.
- 13.2 The rights which attach to each Share of any given class are as follows:
- 13.2.1 the right, in accordance with this Instrument, to participate in or receive profits or income arising from the acquisition, holding, management or disposal of ICAV property;
 - 13.2.2 the right, in accordance with this Instrument, to vote at any annual general meeting of Shareholders of the ICAV or at any meeting of the Shareholders of a class of Shares; and
 - 13.2.3 such other rights as may be provided for in this Instrument in relation to Shares of that class, subject to the regulations and conditions imposed by the Central Bank.

14 **Price Per Share**

- 14.1 The Initial Price per Share at which the Shares of any class shall be allocated or issued and the commission payable on the Initial Price and the Initial Offer Period in relation to any class shall be determined by the Directors.
- 14.2 The price per Share for any class of Shares on any Dealing Day following the Initial Offer Period shall be the Net Asset Value per Share in such class applicable in the case of issues of Shares in such class as determined in accordance with Section 19 and Schedule 2 or such other price as may be determined by the Directors and disclosed in the Prospectus from time to time.
- 14.3 Shares may only be issued at fixed price after the Initial Offer Period where existing Shareholders will not be prejudiced.
- 14.4 The Directors may require an applicant for Shares to pay to the ICAV in addition to the price per Share such commission and duties and charges in respect of the Shares as the Directors from time to time may determine.
- 14.5 Notwithstanding any other provision of this Instrument, in calculating the price per Share for any class of Shares on any Dealing Day when there are net subscriptions the Directors, or their delegate, may adjust the subscription price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the ICAV.
- 14.6 Subject to the provisions of the Act and the AIF Rulebook, the Directors on or with effect from any Dealing Day may issue Shares in any class on terms providing for settlement to be made by the vesting in the Depositary, on behalf of the ICAV of any Investments for the time being held or which may be held hereunder and in connection therewith the following provisions shall apply:
- 14.6.1 the assets to be transferred into the ICAV must qualify as investments of the ICAV in accordance with the investment objectives, policies and restrictions which are set out in the Prospectus;
 - 14.6.2 the Directors shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to the Shareholders;
 - 14.6.3 the number of Shares to be issued shall be not more than the number which would have been issued for settlement in cash as hereinbefore provided on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the ICAV as determined by the Directors on the relevant Dealing Day;
 - 14.6.4 no Shares shall be issued until the Investments shall have been vested in, or arrangements have been made to vest the Investments in, the Depositary or its sub-custodian, nominee or agent and the Depositary is satisfied that there is unlikely to be any material prejudice to the Shareholders; and
 - 14.6.5 any duties and charges arising in connection with the vesting of such Investments in the ICAV shall be paid by the person to whom the Shares are to be issued, or by the ICAV.

14.7 No Shares shall be issued on any Dealing Day on which the determination of the Net Asset Value of such Shares is suspended pursuant to Section 19.3 hereof.

14.8 Notwithstanding any other provision of this Instrument in calculating the price per Share on any Dealing Day in respect of any class in respect of which it has been determined to charge a performance fee, the Directors may from time to time, and in their sole discretion, determine that the ICAV shall apply a performance fee equalisation formula and will disclose details of such intention in the Prospectus. In such circumstances, the price per Share of the relevant Shares will be deemed to include an equalisation amount which will represent a portion the accrued performance fee of the relevant class up to the date of the subscription.

15 **Qualified Holders**

15.1 The ICAV may from time to time impose such restrictions as it determines necessary for the purposes of ensuring that no Shares of the ICAV are acquired or held by any person in circumstances:

15.1.1 which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or

15.1.2 which would (or would if other Shares were acquired or held in like circumstances) result in the ICAV incurring any liability to taxation or suffering any other adverse consequence (including a requirement to register under any securities or investment or similar laws or governmental regulation of any country or territory); or

15.1.3 which constitutes a breach of this Instrument or the Prospectus as to eligibility or entitlement to hold such Shares and, in this connection, the ICAV may, inter alia, reject at its discretion any subscription for, sale or transfer of, Shares or any conversion.

15.2 Details of the specific restrictions imposed by the ICAV, the provisions applicable to a Shareholder who acquires or comes to hold or own Shares in one of the relevant circumstances listed in Section 15.1 above (or where the ICAV has reason to believe this to be the case), the Shareholder's obligations and the ICAV's rights and powers in this regard are set out in Schedule 1 to this Instrument.

16 **Transfer and Transmission of Shares**

16.1 All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.

16.2 The instrument of transfer shall be signed by or on behalf of the transferor and need not be signed by the transferee, and shall meet such requirements as may be specified in the Prospectus or as may otherwise be required by the Directors to prove the right of the transferor to transfer the Shares. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.

16.3 A transfer of Shares may not be registered if such transfer would result in the transferor or the transferee holding a number of Shares less than the Minimum Subscription. Only

Qualifying Investors and Knowledgeable Investors who certify that they are Qualifying Investors or Knowledgeable Investors and that they are aware of the risks involved in the proposed investment and that inherent in such investment is the potential to lose all of the sum invested, shall be entered on the Register as a Shareholder and shall be permitted to invest in the ICAV. The Directors shall not register a transfer of Shares unless the transferee is a Qualifying Investor or Knowledgeable Investor and has provided such evidence of identity and / or status as the ICAV or its delegates may require.

- 16.4 The Directors may decline to register any transfer of Shares unless the instrument of transfer is deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer where the transfer would result in a contravention of any provision of this Instrument or would produce a result inconsistent with any provision of the Prospectus or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the ICAV.
- 16.5 If the Directors decline to register a transfer of any Share they shall, within two months after the date on which the instrument of transfer was lodged with the ICAV, give to the transferee written notice of the refusal. For the avoidance of doubt, the Directors are not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of any law (including any law that is for the time being in force in a country or territory other than the State).
- 16.6 The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** (but subject to Section 16.3 above) that such registration of transfers shall not be suspended for more than thirty days in any year.
- 16.7 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 16.8 In the case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the Shares, but nothing in this Section shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 16.9 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder before the death, insolvency or bankruptcy or by the Shareholder under legal disability before such disability.

16.10 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety (90) days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

17 **Repurchase of Shares**

17.1 The ICAV is established as a closed-ended ICAV with no right of redemption, subject to any conditions set down by the Central Bank.

17.2 Prior to the expiry of the Closed-Ended Period the Directors shall, at an extraordinary general meeting of the ICAV, propose a Special Resolution that the ICAV shall continue its business as a closed-ended fund for such further period (an “**Extended Closed-Ended Period**”) as the Directors may propose in accordance with the requirements of the Central Bank (a “**Continuation Resolution**”). If a Continuation Resolution is passed, the Directors shall propose, prior to the expiry of the relevant Extended Closed-Ended Period, a Continuation Resolution in respect of a further Extended Closed-Ended Period.

17.3 In the event that a Continuation Resolution is not passed at an extraordinary general meeting at which it is proposed, the Directors shall put alternative proposals to the Shareholders to undertake one of the following actions:

(a) convert the ICAV to an open-ended Qualifying Investor AIF the relevant details of which will be disclosed in the Prospectus; or

(b) redeem all outstanding Shares of the ICAV and thereafter apply to the Central Bank for revocation of the ICAV’s Qualifying Investor AIF authorisation; or

(c) wind-up and apply to the Central Bank for revocation of the ICAV’s Qualifying Investor AIF authorisation.

17.4 The repurchase price per Share in any class of Shares shall be the Net Asset Value per Share in that class applicable in the case of a repurchase of such Share obtaining on the Dealing Day on which the repurchase request is effective, less such commission and duties and charges as may be set out in the Prospectus such commission shall not exceed 5% of the Net Asset Value of the Shares subject to repurchase.

17.5 Payment to a Shareholder under this Section will ordinarily be made in the relevant Class Currency, or at the discretion of the Directors in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be despatched in accordance with the time limits set out in the Prospectus.

17.6 On repurchase of part only of the Shares held by any Shareholder, the Directors shall procure that a revised Share certificate (if any) or other evidence of ownership shall be issued free of charge for the balance of such Shares.

- 17.7 In the event that a repurchase of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Subscription, the Directors may, if they think fit, require that the ICAV repurchase the whole of that Shareholder's holding.
- 17.8 A distribution in respect of a redemption may also be made in kind, at the discretion of the Directors, after consultation with the AIFM (or the Investment Manager, as appropriate), provided that where the redemption request represents less than 5 per cent of the Net Asset Value of the ICAV, the redemption in kind will only be made with the consent of the redeeming Shareholder. The assets to be transferred shall be selected at the discretion of the Directors with the approval of the Depositary and taken at their value used in determining the redemption price of the Shares being so repurchased. As a result, such distributions will only be made if the Directors and the Depositary consider that they will not materially prejudice the interests of the Shareholders as a whole and the Depositary is satisfied that the assets distributed are equivalent to the amount of the distribution declared. Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities. If a Shareholder so requests, the AIFM shall sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder.
- 17.9 Redemptions in specie will only be accepted by the ICAV where the Depositary is satisfied that the terms of the exchange will not be such as are likely to result in any material prejudice to Shareholders.
- 17.10 At any time after the issue of Shares, the ICAV shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of Shares in accordance with Section 15 hereof.
- 17.11 In the event that the ICAV is required to account for, deduct or withhold tax on a disposal of Shares by a Shareholder (whether upon a repurchase of Shares, a transfer of Shares or otherwise) or upon payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors shall be entitled to require the compulsory repurchase and cancellation of all or part of the Shares of such Shareholder for the purposes of obtaining sufficient monies to discharge any such tax liability. The Directors shall instruct the Depositary to place the repurchase proceeds received in respect of such a repurchase of Shares in a separate account so that such monies are separately identifiable for the purposes of discharging any applicable tax liability as aforesaid.
- 17.12 The ICAV may also compulsorily redeem Shares in order to discharge performance related fees which are due and payable to the AIFM and / or the Investment Manager, in such circumstances as are set out in the Prospectus from time to time.
- 17.13 Where the ICAV receives a request for the repurchase of Shares from any Shareholder in respect of which the ICAV is required to account for, deduct or withhold taxation, the ICAV shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of taxation due
- 17.14 Where the ICAV proposes to amend the maximum redemption fee or maximum annual fee charged by the Investment Manager disclosed in the Prospectus and paid directly out of the assets of such Fund, such increase shall be approved by 75% of votes cast in favour of the

increase where there is no realistic opportunity to redeem a shareholding, and in all other circumstances, by 50% of the votes cast.

18 Total Repurchase

18.1 The ICAV may redeem all of its Shares or class in issue if:

- 18.1.1 the redemption of the Shares in a class is approved by a resolution in writing signed by all of the holders of the Shares in that class, as appropriate;
- 18.1.2 the Net Asset Value of the ICAV, or of a class of Shares, does not exceed or falls below such amount as may be determined from time to time by the Directors;
- 18.1.3 the Directors deem it appropriate because of adverse political, economic, fiscal or regulatory changes affecting the ICAV or relevant class of Shares;
- 18.1.4 where the Depositary has served notice of its intention to retire and an alternative custodian has not been appointed within 90 days from the date of such notice; or
- 18.1.5 in such other circumstances as may be set out in the Prospectus from time to time.

18.2 Where a repurchase of Shares pursuant to Section 17 or 18 would result in the number of Shareholders falling below two or such other minimum number of Shareholders as the Act may stipulate as the legal minimum number of Shareholders in an ICAV or would result in the issued Share capital of the ICAV falling below such minimum amount as the ICAV may be obliged to maintain as the Act may stipulate, the ICAV may defer the repurchase of such Shares the repurchase of which would result in such number or amount not being satisfied until the ICAV is wound up or until the ICAV procures the issue of sufficient Shares to ensure that the aforesaid number and amount are satisfied. The ICAV shall be entitled to select the Shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

19 Determination of Net Asset Value and Temporary Suspension of Dealings

19.1 The ICAV shall determine the Net Asset Value of the ICAV as at each Valuation Point. The Net Asset Value shall be expressed in the Base Currency as a per Share figure for the issue of Shares and for the repurchase of Shares, respectively as appropriate

19.2 The Net Asset Value per Share of the ICAV shall be calculated by dividing the assets of the ICAV less its liabilities by the number of Shares in issue and shall be determined in accordance with Section 20 and Schedule 2 hereof.

19.3 The Directors may, in consultation with the Depositary, temporarily suspend the determination of the Net Asset Value and the sale, issue, valuation, allotment and/or redemption of Shares during:

- 19.3.1 any period when any organised exchange on which a substantial portion of the investment for the time being comprised in the ICAV are quoted, listed, traded or dealt in is closed otherwise than for ordinary holiday, or during which dealings in any such organised exchange are restricted or suspended;

- 19.3.2 any period where, as a result of political, military, economic or monetary events, conditions of financial markets or other circumstances beyond the control, responsibility and power of the Directors, the disposal or valuation of investments for the time being comprised in the ICAV cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Shareholders;
- 19.3.3 any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in the ICAV or during any period when for any other reason the value of investments for the time being comprised in the ICAV cannot, in the opinion of the Directors, be promptly or accurately ascertained;
- 19.3.4 any period when the ICAV is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of investments for the time being comprised in the ICAV, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices;
- 19.3.5 any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on the ICAV or the remaining Shareholders;
- 19.3.6 any period (other than ordinary holiday or customary weekend closings) when any market or exchange which is the main market or exchange for a significant part of the instruments or positions is closed, or in which trading thereon is restricted or suspended;
- 19.3.7 any period when proceeds of any sale or repurchase of the Shares cannot be transmitted to or from the account of the ICAV;
- 19.3.8 any period in which the repurchase of the Shares would, in the opinion of the Directors, result in a violation of applicable laws;
- 19.3.9 any period after a notice convening a meeting of Shareholders for the purpose of dissolving the ICAV has been issued, up to and including the date of such meeting of Shareholders;
- 19.3.10 any period during which dealings in a collective investment scheme in which the ICAV has invested a significant portion of its assets are suspended; or
- 19.3.11 any period when the Directors determine that it is in the best interests of the Shareholders to do so.
- 19.4 The ICAV may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of Shares shall be effected on the substitute Dealing Day.
- 19.5 Any such suspension shall be published by the ICAV in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the ICAV, such suspension is likely to continue for a period exceeding fourteen days and any such

suspension shall be notified immediately to the Central Bank and in any event within the same Business Day.

20 Valuation of Assets

- 20.1 The Net Asset Value of the ICAV and the ICAV's assets shall be determined in accordance with requirements of the Central Bank, and subject thereto, in accordance with Schedule 2 to this Instrument. The Net Asset Value per Share will be made available to Shareholders in the manner described in the Prospectus.

21 Side Pockets

- 21.1 From time to time, a portion of the ICAV's assets may consist of one or more illiquid investments (including investments that are illiquid at the time of purchase) that the Directors determine, in their sole discretion, to be subject to practical, regulatory, contractual or legal restrictions on disposition (each such investment or portfolio of investments is referred to herein as a **"Side Pocket Investment"**).
- 21.2 Each Shareholder who is a Shareholder at the time a Side Pocket Investment is acquired, or at the time an existing investment or portfolio of investments is determined to be a Side Pocket Investment, may be issued shares in such class (each a **"Side Pocket Class"**) with regard to such Side Pocket Investment as the Directors may determine (**"Class S Shares"**).
- 21.3 Upon identifying an investment or portfolio of investments as a Side Pocket Investment, a pro-rata portion of each existing Shareholder's shares (and, if such Shareholder holds more than one class of shares, pro-rata according to such Shareholder's holdings of such shares) will be converted to Class S Shares of a new Side Pocket Class by way of redemption and re-issue, without any obligation on the Shareholders or the ICAV to take any other action and without the requirement for any notice to be served on such Shareholder.
- 21.4 Shares which are redeemed and re-issued as Class S Shares may include shares in respect of which a suspension or a partial suspension of redemptions is in effect on the date on which such redemption and re-issue occurs and the entire holding of any relevant Shareholders on the Dealing Day prior to the implementation of the suspension or partial suspension of redemptions may be taken into account in calculating the pro rata portion of shares held by such Shareholder which are to be redeemed and re-issued as Class S Shares.
- 21.5 Class S Shares of a new Side Pocket Class will be issued to a Shareholder in a Base Currency amount equal to (i) the aggregate value of such Shareholder's shares divided by the aggregate value of all of the issued and outstanding shares (excluding for this purpose, any Class S Shares then outstanding and in the event that a suspension or a partial suspension of redemption is in effect on the date of such issue, calculated based on the shares in issue on the last Dealing Day on which no suspension or partial suspension of redemptions was in effect) multiplied by (ii) the book value of the Side Pocket Investment attributable to the relevant Class S Shares.
- 21.6 Members who purchase shares after the Fund acquires a Side Pocket Investment are not entitled to receive any Class S Shares with respect to such Side Pocket Investment or to participate in the gain, loss or income relating to such Class S Shares. For the purpose of determining the number of Class S Shares in a Side Pocket Class to be issued to each Member, the initial Net Asset Value per Class S Share of such Side Pocket Class shall be

such amount as the Directors may determine. Class S Shares may also be designated in the Class Currency of any shares which were redeemed in conjunction with the issue of such Class S Shares.

22 General Meetings

- 22.1 All general meetings of the ICAV shall be held in Ireland.
- 22.2 Subject to Section 22.3, the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next **PROVIDED THAT** so long as the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation it need not hold it in the year of its incorporation or in the following year.
- 22.3 The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' written notice to all Shareholders. Any such election has effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Section 22.3 has effect for a year, one or more Shareholders of the ICAV holding, or together holding, not less than 10% of the voting rights in the ICAV or the auditors of the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
- 22.4 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- 22.5 The Directors may call an extraordinary general meeting whenever they think fit.
- 22.6 One or more Shareholders holding, or together holding, at any time not less than 50 per cent of the voting rights in the ICAV may convene an extraordinary general meeting of the ICAV.
- 22.7 The Directors shall, at the request of one or more Shareholders holding, or together holding, at the date of the making of the request, not less than 10 per cent of the voting rights in the ICAV, proceed to convene an extraordinary general meeting of the ICAV.
- 22.8 A meeting convened pursuant to Section 22.6 or 22.7 shall be convened in the same manner as nearly as possible as that in which meetings are to be otherwise convened by Directors.
- 22.9 The Shareholders, who have convened pursuant to Section 22.6, or requested the Directors to convene pursuant to Section 22.7, an extraordinary general meeting, shall at the same time as so doing state the business of the meeting and details of any resolutions to be proposed at the meeting. Such resolutions may include a resolution to appoint or remove a person as Director, which any such appointment or removal taking effect subject to the approval of the Central Bank.

23 Notice of General Meetings

- 23.1 At least twenty-one clear days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the

case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.

- 23.2 The Directors, the AIFM, the Investment Manager, the Depositary, the Administrator and the Auditors shall each be entitled to receive notice of, and attend and speak at, any general meeting of the ICAV.
- 23.3 In each notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.
- 23.4 The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

24 Proceedings at General Meetings

- 24.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.
- 24.2 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders holding voting Shares present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 25.12 to be present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.
- 24.3 If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- 24.4 The chairman or, if absent, the deputy chairman of the ICAV, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Shareholders present shall choose some Shareholder present to be chairman.
- 24.5 The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be

necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

- 24.6 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands of those Shareholders holding voting Shares, unless a resolution is not passed unanimously on such show of hands, in which case such resolution shall be decided on a poll. Unless a poll is so taken, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 24.7 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 24.8 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 24.9 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 24.10 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 24.11 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 24.12 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 24.13 If at any time the Share capital is divided into different classes of Shares, the rights attached to any class (unless otherwise provided by the terms of issue of the Shares of that class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that class, or with the sanction of an extraordinary resolution passed at a separate general meeting of the holders of the Shares of that class, to which the provisions of this Instrument relating to general meetings shall *mutatis mutandis* apply, save that the quorum at any such general meeting shall be two or more Shareholders present in person or by proxy together holding at least one-third of the Shares of the relevant class.

25 **Votes of Shareholders**

- 25.1 Subject to any special rights or restrictions for the time being attached to any class of Shares in accordance with the requirements of the Central Bank, each Shareholder shall be entitled to such number of votes as shall be produced by dividing the aggregate net asset value of that Shareholder's shareholding (expressed or converted in Base Currency, calculated as of the relevant record date and excluding, where appropriate, the impact of any Class Currency hedging) by one. Where a separate written resolution or general meeting of a particular

class of Shares is held, in such circumstances, the Shareholder's votes shall be calculated by reference only to the net asset value of each Shareholder's Shareholding in that particular class, as appropriate. The Subscriber Shareholders shall have one (1) vote for each Subscriber Share held. The "**relevant record date**" for these purposes shall be a date being not more than thirty (30) days prior to the date of the relevant general meeting or written resolution as determined by the Directors. In relation to a resolution which in the opinion of the Directors affects more than one (1) class of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such class of Shares, such resolution shall have been passed at a separate meeting of the Shareholders of each such classes. The Directors may in their discretion create classes which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the ICAV.

- 25.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 25.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 25.4 On a poll, votes may be given either personally or by proxy.
- 25.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- 25.6 The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing, or if the appointer is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in any usual form or in such form as the Directors may approve PROVIDED ALWAYS that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 25.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 25.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the ICAV or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than forty-eight hours (or such other time as the Directors may determine at their discretion) before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid.
- 25.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll

demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.

- 25.10 The Directors may at the expense of the ICAV send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 25.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no notice in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the registered office of the ICAV, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 25.12 Any body corporate which is a Shareholder may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 25.13 A resolution in writing signed by all of the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the ICAV.
- 25.14 The provisions of Sections 22, 23, 24 and 25 shall apply *mutatis mutandis* to meetings of each class of Shareholders.

26 **Directors**

- 26.1 Unless otherwise determined by the ICAV by Ordinary Resolution, the number of the Directors shall not be less than two nor more than twelve.
- 26.2 A Director need not be a Shareholder.
- 26.3 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- 26.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The aggregate remuneration of the Directors shall not exceed USD150,000 (or such other sum as the Directors may from time

- to time determine and disclose to the Shareholders). Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the ICAV.
- 26.5 The Directors may in addition to such remuneration as is referred to in Section 26.4 hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.
- 26.6 The ICAV at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director unless the ICAV shall determine to reduce the number of Directors.
- 26.7 The office of a Director shall be vacated by a Director in any of the following events, namely:
- 26.7.1 if he resigns his office by notice in writing signed by him and left at the registered office of the ICAV;
 - 26.7.2 if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - 26.7.3 if he becomes of unsound mind;
 - 26.7.4 if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;
 - 26.7.5 if he is requested by a majority of the other Directors (not being less than two in number) to vacate office; or
 - 26.7.6 if he is removed from office by an Ordinary Resolution, in accordance with section 62 of the Act.
- 26.8 At least 10 days previous notice in writing shall be given to the ICAV of the intention of any Shareholder or Shareholders to propose any person other than a retiring Director for election to the office of Director and such notice shall be accompanied by notice in writing signed by the person to be proposed confirming his willingness to be appointed **PROVIDED ALWAYS** that if the Shareholders present at a general meeting unanimously consent, the chairman of such meeting may waive the said notices and submit to the meeting the name of any person so nominated, provided such person confirms in writing his willingness to be appointed.
- 26.9 At a general meeting, a motion for the appointment of two or more persons as Directors of the ICAV by a single resolution shall not be made, unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.
- 26.10 Subject to the requirements of the Central Bank, any Director may at any time by instrument in writing under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.

- 26.11 The appointment of an alternate Director shall determine if his appointer ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
- 26.12 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointer as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointer) were a Director. If he himself shall be a director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointer is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors and for the purposes of affixing the ICAV seal shall be as effective as the signature of his appointer. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this Section shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointer is a Shareholder. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director.
- 26.13 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointer as such appointer may by notice in writing to the ICAV from time to time direct.

27 Directors, Offices and Interests

- 27.1 The Directors may appoint one or more of their body to the office of managing Director or joint managing Director or to any other executive office under the ICAV (including, where considered appropriate, the office of chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.
- 27.2 A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his ordinary remuneration, as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- 27.3 The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- 27.4 The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.

- 27.5 A Director may hold any other office or place of profit under the ICAV (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may arrange.
- 27.6 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his, a Director notwithstanding his office:
- 27.6.1 may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and
 - 27.6.2 shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- 27.7 No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.
- 27.8 A copy of every declaration made and notice given in relation to a Director's Shares shall be entered within three days after the date of making or giving thereof in a book kept for this purpose. Such book shall be open for inspection during normal business hours without charge by any Director, Secretary, Auditor or Shareholder at the office of the Administrator and shall be produced at every general meeting of the ICAV and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting by any Shareholder or holder of debentures of the ICAV.
- 27.9 For the purposes of this Section:

Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.
- 27.11 A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or Shareholder or otherwise howsoever, provided that he is not the holder of 5% or more of the issued Shares of any class of such company or of the voting rights available to members of such company, any such interest being deemed for the purpose of this Section to be a material interest in all circumstances.

- 30.12 The Directors shall, as soon as may be, cause minutes to be made of:
- 30.12.1 all appointments of officers made by the Directors;

30.14 Any Director may participate in a meeting of the Directors or any committee of the Directors by means of a conference telephone or other telecommunication equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting. . At the discretion of the chairperson, such meeting shall be deemed to have been convened (a) in the place from which the conference telephone call or similar telecommunication is initiated provided or (b) in the location of the chairperson, provided always that the quorum must be constituted in accordance with Section 30.2.

- 33.2 Unless otherwise provided for in the Prospectus, the aggregate amount available for distribution by way of dividend in any Accounting Period in respect of a class of Shares shall be a sum equal to the aggregate of the ICAV's Share capital, accumulated reserves, net realised and net unrealised capital gains and losses and the net income received by the ICAV (whether in the form of dividends, interest or otherwise) during the Accounting Period.
- 33.3 The Directors may, with the sanction of an Ordinary Resolution, distribute in kind among Shareholders by way of dividend or otherwise any of the assets of the ICAV.

- 33.7 No dividend or other amount payable to any holder of Shares shall bear interest against the ICAV. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the ICAV until claimed. Payment by the ICAV of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the ICAV a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the ICAV.
- 33.8 At the option of any Shareholder, the Directors may apply all dividends declared on a class of Shares held by such Shareholder in the issue of additional Shares in that class in the ICAV to that Shareholder at the Net Asset Value obtaining when such dividends are declared and on such terms as the Directors from time to time may resolve, provided, however, that any Shareholder shall be entitled to elect to receive a cash dividend in respect of the Shares held by that Shareholder.
- 33.9 The Directors may provide that Shareholders will be entitled to elect to receive in lieu of any dividend (or part thereof) in respect of any Shares an issue of additional Shares in that class credited as fully paid. In any such case the following provisions shall apply:
- 33.9.1 the number of additional Shares (including any fractional entitlement) to be issued in lieu of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
- 33.9.2 the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect of which the Share election has been duly exercised (the "**Elected Shares**"), and in lieu thereof additional Shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections

have been made and apply the same in paying up in full the appropriate amount of unissued Shares;

33.9.3 the additional Shares so issued shall rank *pari passu* in all respects with the fully-paid Shares then in issue save only as regards participation in the relevant dividend (or Share election in lieu);

33.9.4 the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalization, with full power to the Directors to make such provision as they think fit in the case of Shares becoming distributable in fractions so that, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the ICAV or the ICAV issues Fractional Shares; and

33.9.5 the Directors may on any occasion determine that rights of election shall not be made available to any Shareholder with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

33.10 Where the ICAV proposes to pay a distribution to a Shareholder, it shall be entitled to deduct from the distribution such amount that may be necessary to discharge the ICAV's liability to taxation in respect of such distribution and the ICAV shall arrange to discharge the amount of taxation due.

The balance sheet of the ICAV and the report of the Directors and the profit and loss account shall be signed on behalf of the Directors by at least two of the Directors. An Auditors' report shall be attached to the balance sheet of the ICAV. The Auditors' report shall be read at the annual general meeting (if any).
- 35.4 Once at least in every year the Directors shall cause to be prepared an Annual Report relating to the management of the ICAV during the relevant Accounting Period. The Annual Report shall include the balance sheet and profit and loss account duly audited by the Auditors and the Directors' Report and the Auditors' Report as provided for in Section 35.3 and shall be in a form approved by the Central Bank and shall contain such information as required by the Act and the AIFM Regulations and as specified by the Central Bank. There shall be attached to such Annual Report such additional information and reports as the Central Bank may specify.
- 35.5 A copy of the Annual Report including the balance sheet (including every document required by law to be annexed thereto) together with a copy of the Directors' report and the Auditors' report shall be made available by the ICAV to every person entitled under the Act and the AIFM Rules to receive them and if any of the Shares are quoted on any stock exchange, the required number of copies of these documents shall be forwarded at the same time to such stock exchange.
- 35.6 In accordance with Irish law and regulations, the Directors may elect to prepare the Annual Report and accounts in accordance with generally accepted accounting practice in the State or in accordance with such international accounting standards or such alternative body of accounting standards as may be permitted under the Act and the AIFM Regulations from time to time.
- 35.7 The Auditors' certificate appended to the Annual Report and statement referred to herein shall declare that the accounts or statement attached respectively thereto (as the case may be) have been examined together with the books and records of the ICAV and of the Administrator in relation thereto, that the information given in the Annual Report relating to the Accounting Period concerned is consistent with the accounts and that the Auditors have obtained all the information and explanations they have required and the Auditors shall report whether the accounts are in their opinion properly drawn up in accordance with such books and records and present a true and fair view of the state of affairs of the ICAV, and whether the accounts are in their opinion properly drawn up in accordance with the provisions hereof.
- 35.8 If it appears to the Directors that any Annual Report of the ICAV did not comply with the requirements of the Act or the AIFM Rules, the Directors may prepare a revised Annual Report.

36 **Audit**

- 36.1 The appointment, resignation and removal of Auditors and the determination of eligibility for appointment as Auditors to the ICAV shall be governed by the provisions of the Act.
- 36.2 Subject to Section 36.5, the ICAV shall at an annual general meeting appoint an Auditor or Auditors to hold office from the conclusion of that meeting until the conclusion of the next annual general meeting, in accordance with the provisions of the Act.
- 36.3 A person, other than a retiring Auditor, shall not be capable of being appointed Auditor at an annual general meeting unless notice of an intention to nominate that person to the office of Auditor has been given by a Shareholder to the ICAV not less than twenty eight clear days before the annual general meeting and the Directors shall send a copy of any such notice to the retiring Auditor and shall give notice thereof to the Shareholders in accordance with the Act.
- 36.4 The first Auditors shall be appointed by the Directors at any time before the first annual general meeting, and they shall hold office until the conclusion of the first annual general meeting unless previously removed by a resolution of the ICAV in general meeting, in which case the Shareholders at such meeting may appoint Auditors. Where no appointment is made under this Section 36.4, the first Auditors may be appointed by the Shareholders in general meeting.
- 36.5 Where the Directors have dispensed with the requirement to hold an annual general meeting in accordance with Section 22.3, the Directors shall appoint the Auditors. Where, in any case, no Auditors are appointed as required under this Section 36, the Central Bank may appoint a person to fill the vacancy.
- 36.6 The remuneration of the Auditors who are appointed by the ICAV in general meeting shall be fixed by the ICAV in general meeting or in such manner as the ICAV in general meeting may determine. 37.1 Any notice or other document required to be served upon or sent to a Shareholder shall be deemed to have been duly given if sent by post or left at his address as appearing on the Register, or sent by fax or by electronic mail to an e-mail address or (save in the case of a notice of a general meeting of the ICAV) if either the full text of the notice or documents is published in a national daily newspaper in Ireland or such other publication as the ICAV may from time to time decide circulating in any country where the Shares are marketed, or an advertisement is so published stating where copies of such notices or documents may be obtained. In the case of joint holders of a Share, all notices shall be given to that one of the joint holders whose name stands first in the Register in respect of the joint holding, and notice so given shall be sufficient notice to all the joint holders. Any notice or other document, served by post, shall be deemed to have been served 24 hours after the time that the letter containing the same is posted and in proving such service, it shall be sufficient to prove that the letter containing the notice or document was properly addressed and duly posted. Any notice or other document, served by delivery, shall be deemed to have been served at the time of delivery and in proving such service, it shall be sufficient to prove that the letter containing the notice or document was properly addressed and duly delivered.

37.2 Any notice or document sent by post to or left at the registered address of a Shareholder or sent by fax or by electronic mail to an e-mail address, shall notwithstanding that such Shareholder be then dead or bankrupt and whether or not the ICAV has notice of his death or bankruptcy be deemed to have been duly served or sent and such service shall be deemed a sufficient service on receipt by all persons interested (whether jointly with or as claiming through or under him) in the Shares concerned.

37.3 Any certificate or notice or other document which is sent by post to or left at the registered address of the Shareholder named therein or sent by fax or electronic mail to an e-mail address or dispatched by the ICAV, the Depositary, the Administrator or the AIFM, in accordance with his instructions shall be so sent left or dispatched at the risk of such Shareholder.

38 Winding Up

38.1 If the ICAV shall be wound up or dissolved, the liquidator shall apply the assets of the ICAV in satisfaction of the relevant creditors' claims in such manner and order as the liquidator thinks fit subject to section 154 of the Act.

38.2 The assets of the ICAV available for distribution (after satisfaction of the relevant creditors' claims) amongst the relevant Shareholders shall be distributed pro rata to the holders of the Shares of each class in the ICAV and shall be allocated pro rata to the number of Shares in that class held by them.

38.3 If the ICAV shall be wound up or dissolved (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may with the authority of an Ordinary Resolution of the ICAV, divide among the relevant Shareholders pro-rata to the value of their

Shareholdings in the ICAV in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind and may for such purposes value any class or classes of property in accordance with the valuation provisions in Section 20. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of the relevant Shareholders as the liquidator shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but not so that any Shareholder shall be compelled to accept any asset in respect of which there is a liability. If a Shareholder so requests, the ICAV shall sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder. The relevant Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities.

39 Indemnity

- 39.1 The ICAV shall indemnify, out of the property of the ICAV, its Directors, Officers, employees and any person who serves at the request of the ICAV as a director, officer, employee of another company, partnership, joint venture, trust or other enterprise ("**Indemnitees**") from and against all claims, actions, proceedings, losses, damages, liabilities, costs and expenses which an Indemnatee may incur or sustain including, without limitation, actions, costs, charges, losses, damages and expenses (including legal fees and expenses) directly or indirectly suffered or incurred by an Indemnatee arising out of or in connection with the performance of its duties and/or the exercise of its powers hereunder (including, without limitation, the delegation of any or all of its duties and powers to the AIFM or Investment Manager) in the absence of negligence, wilful default, fraud, bad faith or recklessness by the Indemnatee in relation thereto. For the avoidance of doubt, and notwithstanding any other provision of this Instrument, the right of indemnification contained in this Section 39.1 shall not entitle any Indemnatee to make any claim for loss of future earnings arising out of a termination of the ICAV under any provision of this Instrument.
- 39.2 Subject to the AIFM rules and applicable law, the Depositary, the AIFM, the Investment Manager, Administrator and Distributor shall be entitled to such indemnity from the ICAV upon such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the costs thereof as shall be provided under their respective agreements with the ICAV.

- 39.4 None of the ICAV, the AIFM, the Investment Manager, the Administrator or the Depositary shall incur any liability to the Shareholders for complying with any present or future law or regulation made pursuant thereto, or any decree, order or judgment of any court, or any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority

of any government (whether legally or otherwise). If for any reason it becomes impossible or impracticable to carry out any of the provisions hereof none of the ICAV, the AIFM, the Investment Manager, the Administrator or the Depositary shall be under any liability therefor or thereby. This Section shall not, however, exempt the ICAV, the AIFM, the Investment Manager, the Administrator or the Depositary from any liability any of them may incur as a result of a failure to adhere to their obligations as set out in the AIFM Rules or any liability incurred as a result of any fraud on the part of the ICAV, the AIFM, the Investment Manager, the Administrator or the Depositary.

39.5 For the avoidance of doubt, no Director shall be liable for the acts or omissions of any other Director.

40 **Destruction of Documents**

40.1 The ICAV may destroy:

- 40.1.1 any dividend mandate or Share allotment request form or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date such mandate, request, variation, cancellation or notification was recorded by the ICAV;
- 40.1.2 any instrument of transfer of Shares which has been registered at any time after the expiry of six years from the date of registration thereof; and
- 40.1.3 any other document on the basis of which an entry in the Register is made at any time after the expiry of ten years from the date an entry in the Register was first made in respect of it;

and it shall conclusively be presumed in favour of the ICAV that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the ICAV **PROVIDED ALWAYS** that:

- 40.1.4 the foregoing provisions of this Section shall apply only to the destruction of a document in good faith and without express notice to the ICAV that the preservation of such document was relevant to a claim;
- 40.1.5 nothing contained in this Section shall be construed as imposing upon the ICAV any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- 40.1.6 references in this Section to the destruction of any document includes references to its disposal in any manner.

41 **Severability**

If any term, provision, covenant or restriction of this Instrument is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and restrictions of this

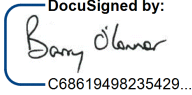

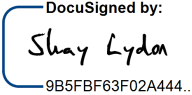

Instrument shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

- 42.2 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, without the prior approval of the Shareholders where the Depositary certifies that the modification, alteration or addition does not materially prejudice the interests of the Shareholders and is not one which the Central Bank has specified as one requiring approval of the Shareholders.
- 42.3 The ICAV, subject to the prior approval of the Central Bank, shall be entitled to modify, alter or add to the provisions of this Instrument, with the sanction of an ordinary resolution of a meeting of Shareholders duly convened and held in accordance with the provisions contained in this Instrument, provided that no such modification, alteration or addition shall be made which shall reduce the interest in the ICAV of any Shareholder (without similarly reducing the interests of all Shareholders in the ICAV) or reduce the percentage of Shares required to consent to any modification, alteration or addition without the consent of all Shareholders.

Schedule 2

Valuation of Assets

- (a) The Net Asset Value of the ICAV shall be calculated in accordance with the provisions of this Schedule. All approvals given or decisions made by the Depositary pursuant to this Schedule shall be given or made, as the case may be, following consultation with the AIFM.
- (b) In the case of royalty interests where the underlying product is approved by the U.S. Food and Drug Administration (the “**FDA**”) or an equivalent European body, the value of the royalty interests shall be determined by the AIFM based on a consensus of Wall Street analyst estimates for the product sales of the marketers of the relevant royalty interests. In the case of royalty interests which are not approved by the FDA or an equivalent European body, the value of the royalty interests shall be determined based on a form of Probability of Technical and Regulatory Success (“**PTRS**”). The AIFM will apply a 50% PTRS to (a) the cash receipts from those products that are unapproved as at relevant Valuation Date, and (b) the incremental expected cash receipts from extending the duration of certain royalty interests. Such 50% PTRS methodology will value the items in (a) and (b) (or such other items or assets as the AIFM may deem appropriate to be subject to the PTRS) assuming the receipt of 50% of the resulting incremental projected cash receipts that would result from the approval of such products (or extension of duration). The above valuations shall be completed by the AIFM, which shall be approved for the purpose by the Depositary. The aggregate value of all such royalty interests may be discounted relative to factors such as years to expiration of patent and competition, among other relevant factors.
- (c) Each Investment asset which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued by reference to the price appearing to the AIFM to be the last traded price, or (if bid and offer quotations are made) the latest available middle market quotation, on the relevant Recognised Market at the relevant Valuation Point. The value of any Investments listed, quoted or traded on a Recognised Market but acquired or traded at a premium or discount outside of or off the Recognised Market may be valued taking into account the level of premium or discount as of the date of valuation of the instrument. If the asset is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be that which the Directors determine provides the fairest criterion of value for the asset. If prices for an asset quoted, listed or traded on the relevant Recognised Market are not available as at the Valuation Point, or are unrepresentative in the opinion of the AIFM such asset shall be valued at such value as shall be certified with care and good faith as the probable realisation value of the asset by the AIFM.
- (d) The value of any asset which is not normally quoted, listed or traded on or under the rules of a Recognised Market, other than Investments which constitute a contractual royalty interest and which are subject to paragraph (b) above, shall be valued with care and in good faith at its probable realisation value as determined by the AIFM.
- (e) Fixed income securities may be valued by reference to the valuation of the securities which are considered comparable in rating, yield, due date and other characteristics where reliable market quotations are not available, using a methodology which will be compiled by the AIFM.

- (f) Units or shares in collective investment schemes shall be valued on the basis of the latest available net asset value per unit as published by the collective investment scheme.
- (g) Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the Directors and / or AIFM, any adjustment should be made to reflect the fair value thereof.
- (h) Derivative instruments including but not limited to exchange traded swaps, interest rate futures contracts and other financial futures and options contracts which are traded on a Recognised Market shall be valued by reference to the price appearing to the AIFM to be the settlement price as of the relevant Valuation Point as determined by the relevant Recognised Market provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any reason, such instruments shall be valued at their probable realisation value estimated with care and in good faith by the AIFM.
- (i) Over-the-counter ("**OTC**") derivatives will be valued either using the counterparty's valuation or by any other means approved by the AIFM. OTC derivatives shall be valued at least daily. If using the counterparty's valuation, such valuation must be approved or verified on a weekly basis by a party independent of the counterparty (which may include the AIFM or a party related to the OTC counterparty provided that it is an independent unit within the same group and which does not rely on the same pricing models employed by the counterparty) and approved by the AIFM. If using an alternative valuation, the AIFM will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as the International Organization of Securities Commissions and the Alternative Investment Management Association. All alternative valuations will be reconciled with the counterparty's valuation on at least a monthly basis. Any significant differences to the counterparty valuation will be promptly investigated and explained.
- (j) Forward foreign exchange and interest rate swap contracts may be valued in accordance with the provisions of paragraph (i) above or, alternatively, by reference to freely available market quotations.
- (k) Notwithstanding the provisions, in determining the value of any asset the AIFM may adjust the valuation of any particular asset or permit a method of valuation other than that contained in paragraph (b) above to be used if it considers that such valuation better reflects the true value of the asset. The AIFM may make adjustments to the sales forecasts of Wall Street analysts or rely on its own projections of product sales including under circumstances where a product does not receive robust analyst coverage. The AIFM may make assumptions as to the duration during which an asset will continue to generate royalties, including in cases where the ICAV owns a royalty of indefinite duration for a product. Any material change in the valuation methodology may only be used with the prior approval of the Central Bank.
- (l) For the avoidance of doubt, the AIFM may appoint an external valuer in accordance with the AIFM Regulations.

The discount rates applied by the AIFM pursuant to the valuation process outlined above have regard to such factors as risk levels, product competition, diversification of the overall royalty portfolio of the ICAV, patent terms and a number of other factors. The AIFM believes that prudent portfolio management requires a periodic assessment of the valuation metrics used to derive net asset value, and will continue to assess these metrics on an on-going basis. These future assessments may result

in the discount rate being lowered, increased or remaining the same. Any decision regarding the discount rate will involve consultation between the Administrator and the AIFM. Investors should be aware of the possibility that net asset value may change in the future based on the discount rate that is applied, among other factors.
